"I read A LOT of paranormal romance and The a Children of the Gods has fast become my favorite series. I love how the author continues to grow and weave in the stories of the original characters like Syssi, Kian, Amanda and Andrew while developing the supporting characters. The stories keep you on edge, wanting to know more. The romance is hot and steamy and the mystery is just mysterious enough to keep you guessing. Will Syssi and Kian have children and start a new line, will her vision for Andrew come true, will Amanda find more dormants, is Nathalie one of them, will Bhathian find Eva and live immortally ever after, will Anandur find out what Alex is up to and find love on the way, and why is Brundar so grumpy? I can't wait to read book 8 and 9 to find out what happens with Andrew and Nathalie and eagerly hope she is working on Bhathian's story in books 10-12". "I am a HUGE fan of this series and read all of the books as quickly as possible, always eager for the next book in the series to come out. These stories have become a truly addicting read. The characters pull you right in and you're held right to the end. The cliff hanger at the end was a slight disappointment because all of the other books in the series are pretty much complete in the story line, but I don't mind as long as the next book in the series comes out shortly. I think any fan of the series won't mind at all." "Excellent series, I have enjoyed each book the story slips easily into each character a and you feel a connection between all storyline that makes the whole series." "love this story line! characters have human problems in a supernatural world . enough humans thorough out yo keep it interesting. can't wait for next one!!!!!" "Loved the book and can't wait for the next one. You make the story just come alive, please keep them coming." When Andrew is forced to retire from active duty, he believes that all he has to look forward to is a boring desk job. His glory days in special ops are over. But as it turns out, his thrill ride has just begun. Andrew discovers not only that immortals exist and have been manipulating global affairs since antiquity, but that he and his sister are rare possessors of the immortal genes. Problem is, Andrew might be too old to attempt the activation process. His sister, who is fourteen years his junior, barely makes it through the transition, so the odds of him coming out of it alive, let alone immortal, are slim.But fate may force his hand. Helping a friend find his long-lost daughter, Andrew finds a woman who's worth taking the risk for. Nathalie might be a Dormant, but the only way to find out for sure requires fangs and venom.

*"Blimp, blop, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime FearsSo begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated.A Fear of Monsters is CommonA fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children.The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children.The Children Model The Golden RuleIn this beautifully illustrated book we meet two children--Suzy and Karrit, and we discover that sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance.We also discover that it is easy to misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him.Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they aren't so different from each other after all.A Mantra that Banishes Nighttime FearsWhen things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, "'You're welcome to stay until I say, 'Nay!' Then it's time to go, and you can't say, 'no.'"**This is an empowering bedtime story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the page. There are slight differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences.In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview with the illustrator, and other stories and poems written by the author.Order Copies For Yourself and Your Friends...It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.*

"HBO ~ Are you listening? I started this series on my birthday late February and waited to write a review until I finished just today. 11 books later and craving for more. Lucas is a new author to me, but I can honestly say that I'm looking forward to many more stories in this series, and will be checking out others as well. Truly wonderful humor (loved the wedding day guys get-together) and great suspense not to mention all the sexy fun! Balanced writing, even parts that could be monotonous by other authors flow seamlessly here. Didn't want to put it down but hey, I had to sleep sometime! I mean it HBO, are you listening? GoT is winding down, THIS is your new number one." Andrew's acclimation to his post-transition body isn't easy. His senses are sharper, he's bigger, stronger, and hungrier. The tactical flight operations, ground combat scenes, and medical emergencies are real-not Hollywood-and the stories of wounded warriors and those waiting at home are unforgettable." - General Bill Begert, USAF (Ret), Former Commander, Pacific Air Forces Centerline tells the arresting story of the last leg of an emotional journey through the eyes of wounded warriors, crew, and medical caregivers making the trip home from military hospitals just before Christmas at the height of the surge in Iraq. Air Evac 1492 is the collective Air Force call sign for the flight. But each person on board has an individual story of hopes, dreams, fears, and regrets as the aircraft wings its human cargo through bad weather, flashbacks, and in flight emergencies. "Everybody who goes to war gets shot," one soldier says. "Some in the body. Some in the head. Some in the heart." This inspiring debut novel by Dave McIntyre (Ret COL USA) combines compelling technical descriptions of flying, combat, and medical care in-flight to drive the story through a rollercoaster ride of emotions as thirty-one "souls on board" travel through pain, loss, a killer storm, and the demons of the past to make it home for Christmas. Some travelers will fall short of the runway. And some will find the beacon that leads them home-back to the centerline.

The trap is set, but who is the hunter and who is the prey? Find out in this heart-pounding conclusion to the Dark Dream trilogy.

"I was so surprised and happy to see this novella come out! I am a huge fan of The Children of the Gods books, and this was a great addition to that series. It was great to see more of Kri and Michael. They have a different dynamic and relationship than some of the other characters in the book, so it was nice to get to watch their relationship evolve in this book. If you are a fan of the series, you should DEFINITELY get this book, you will be happy you did, I highly recommend it. I'm dying to read the next book in the series (Dark Warrior's Destiny)!! I hope the series continues for a while to come. :)" "Kri and Michael get their story told in this romantic novella from the Children of the Gods series. Ms. Lucas weaves a beautiful story about these young lovers and their struggle to express what has always been in their hearts. Advice comes from both likely and unlikely sources and in the end, resolves beautifully. I still have a smile on my face.)" Excellent story, I stumbled upon this series and now I can't seem to put them down!! Love the story and the characters and I've already finished all of the books!! Eeeek!! Can't wait for the next story and am looking forward to following all of the characters =>) Thanks for your inventive imagination with creating a story line that seems so real. When Michael and Kri fight off a gang of humans, Michael gets stabbed. The injury to his immortal body recovers fast, but the one to his ego takes longer, putting a strain on his relationship with Kri.

"Hands down the best book series I have ever read. I devour the books and coming from somebody who reads all the time this is an extreme compliment. I can't wait to read more please please keep writing! your writing style and everything is perfect I have never read such a well-written book where the story line develops with so many characters I love knowing what's going on with everybody I love that you switch characters back and forth it is so awesome. Also the steamy love scenes are to die for!" "This book sent me on the most amazing adventure that I hope never ends." "You will not be disappointed!! Don't miss this series!! Wow and Wow! Roller Coaster! Grown folks stuff! Not teenage paranormal romance but complicated, complex adult relationships, intrigue, mystery, hot sex, fantasy, and romance! This is EVERYTHING you'll ever want in a paranormal fantasy series!! It will make you cry, make you laugh, make you cheer for the heroes and heroines! All of the characters are well developed with strengths and weakness, beauty and flaws. Exciting plots! Intriguing twists and turns! You'll enjoy the mythical, the fantasy, the history! This is a wonderful series! I'm having trouble trying to find something to keep me busy until the next book!! And it doesn't come out until June! What in the hell am I going to do with myself!! Fates help me." KIAN AND SYSSI'S STORY IS A 3-PART SERIES! "Ok, these are probably the BEST books I have read in a long time. The writer is extraordinarily talented in bringing her cast of characters to life. If you like mysteries and love stories that are not typical --written by one of the best authors I have read in a really long time then please pick up the first book and read them." "Love Love Love this book! This book had me hooked right from the beginning! This is probably the best series I've read and that's saying a lot since some of my favorite Authors are JR Ward, Christine Feehan and Sherrilyn Kenyon!" "Best in the genre I. T. Lucas pens an exceptionally well developed story. Many writers in this genre are predictable and formulaic. The Children of the Gods series is never predictable. This series stands with the best of fantasy writers - the fact that it is romance fantasy is almost beside the point. That said, even the sex scenes are well done and NOT predictable! A must read." "I love this series. I am a huge BDB fan. never miss a book EVER. Now I have added this series to that list. So well written and never drags on--always a page turner. And it is not typical stuff, it is very unique! An absolute must read!" "I literally read this entire series in 3 days and now I'm going through character withdrawal waiting for the next. I.T. Lucas is an amazing writer with a brilliant mind and has quickly been added to my favorite author list." Syssi's paranormal foresight lands her a job at Dr. Amanda Dokani's neuroscience lab, but it fails to predict the thrilling yet terrifying turn her life will take. Syssi has no clue that her boss is an immortal who'll drag her into a secret, millennia-old battle over humanity's future. Nor does she realize that the professor's imposing brother is the mysterious stranger who's been starring in her dreams. Since the dawn of human civilization, two warring factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. Leading the clandestine battle from his luxurious L.A. high-rise, Kian is surrounded by his clan, yet alone. Descending from a single goddess, clan members are forbidden to each other. And as the only other immortals are their hated enemies, Kian and his kin have been long resigned to a lonely existence of fleeting trysts with human partners. That is, until his sister makes a game-changing discovery - a mortal seeress who she believes is a dormant carrier of their genes.

One of the benefits of social media is getting to meet the parents of special needs children and adults. I have grown to know and truly admire these brave people. Our solitary journeys have taken many different roads, yet we've all connected on sites like Facebook, Twitter, and other forums. The support we give each other is a lifeline--an opportunity to not only share the joys our sons and daughters bring into our lives, but also the chance to rant about the frequent injustices we meet head on. I am honoured to have 'met' so many fantastic Warrior Mums from around the world, so honoured that I decided to feature some of their stories in a blog series, which I have now reproduced in this book. These mums will inspire you, just like they have me, these brave women who share their stories from childhood to motherhood and reveal far more than they normally would, in the hope their stories will help others.

Jin possesses a unique paranormal ability. Just by touching someone, she can insert a mental hook into their psyche and tie a string of her consciousness to it, creating a tether. That doesn't make her a spy, though, not unless her talent is discovered by those seeking to exploit it.

Destiny's Call brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, **Destiny's Call** gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. **Destiny's Call** relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. **Ben-Tzion Spitz** is the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.

"I have read every one of the books in this series and I can't put them down once I start reading! Absolutely mesmerizing. I love the fact that each book builds on the last. I love "meeting" new characters and enjoy learning more about the previous characters. Not many authors do this in their series but when they do it is AMAZING! I feel as if I know each of them personally and am now dying for book 10 **Dark Warriors Legacy** to be available! I am sure it is going to be as awesome as the rest of the series!" "Wow! Can I give it 10 stars? Great story line , great characters. I'm totally invested in this series and following the author and anxiously awaiting the next one!" Armchair Fiction presents extra large science fiction double novels with original illustrations. "Dark Destiny" by Dwight V. Swain is the first novel. He was known throughout the system as Sha Haral, a fierce space warrior with a lust for power. He'd blasted his way back and forth across the spaceways many times. However, Haral's fortunes had taken a turn for the worse, and he soon became a downtrodden, bitter would-be conqueror haunting the dives on a backwater planet called Ulna. But his fate took an unexpected turn when a beautiful blonde-haired priestess, fleeing from a space pirate's hordes, fell into his lap. From this priestess Haral learned of an ancient woman-goddess who, according to legend, lay sleeping in a lost city surrounded by a legion of terrifying monsters. This ancient goddess, whose face was half-hidden by a jeweled veil, was known as a woman of ultimate beauty, possessing secrets of great power. And she still lay there, in her crumbling city, waiting for someone to awaken her... The second novel, "The Secret of Planetoid 88," is by Ed Earl Repp. Dane Cabot was just one of many slaves of the dictators--"The Hundred" as they were known--who ruled Earth with an iron hand. After a joy ride to a distant planetoid, Cabot returned to Earth to find himself falsely accused of murder. There was no trial--The Hundred didn't operate that way. He was soon sentenced to die. But when a mysterious stranger interceded, Cabot found himself a stowaway on a space cruiser headed for Io, moon of Jupiter. There Cabot found a tiny colony of rebels with a master plan for the eventual freedom of Earth's enslaved populace. But radiation from Jupiter's Great Red Spot was slowly destroying Io. So Cabot and his fellow rebels found themselves in a desperate race against time. Could they orchestrate their plans before the rising tide of planet-wide disintegration overtook them? Deep in the void of space was a secret, a secret that was the key to freedom--if they could find it in time...
