

Deadly Decisions: (Temperance Brennan 3)

The niece of famed forensic anthropologist Temperance Brennan, fourteen-year-old Tory and her three friends are exposed to a rare strain of canine parvovirus that gives them special powers which they use to try to solve a murder.

'Death by self-inflicted gunshot wound to the head' is the on-scene assessment, but the victim's relatives are adamant in their rejection of suicide as an explanation. Discovered in a closet, a week after death, the body is barely recognisable. Extreme heat has accelerated decomposition, and Dr Temperance Brennan's forensic expertise is required. |PB

'A fast-paced thriller that twists and twists again. Kyle Perry can sure spin a mighty tale.' - Chris Hammer On the Tasman Peninsula, nestled amidst the largest sea-cliffs in the southern hemisphere, is Shacktown. Here the Dempsey family have run a drug ring for generations, using the fishing industry and the deadly Black Wind as cover. But when thirteen-year-old Forest Dempsey walks out of the ocean, bruised and branded, everything is at risk - because Forest has been presumed dead for the last seven years. Mackerel Dempsey, out of jail on strict bail conditions, is trying to change his fate, doing his best to keep out of trouble before his next court date. His cousin Ahab has renounced the family altogether, in favour of working to keep the town and its fragile tourism economy safe. But in their search for answers about Forest, both Mackerel and Ahab can't help but be drawn back into the underworld. What happened to the boy all those years ago? And does it have anything to do with the infamous drug kingpin Blackbeard, who is rumoured to be moving in on Shacktown? When secrets long thought buried at sea wash up on shore, generations of the Dempsey family must stand up for what they believe in, even if it means sacrificing everything. But in the gritty fight between right and wrong, blood isn't always thicker than water, and everyone is at risk of being pulled under... From the bestselling breakout author of *The Bluffs* comes a heart-stopping new thriller set on the rugged coast of Tasmania about family bonds and betrayals, and the hidden dangers that lurk in the deep... Praise for Kyle Perry- 'The Bluffs establishes Perry as a fierce new talent.' Apple Books 'The narrative races along, pulling the reader from page to page with a freight-train momentum that starts with the first word and ends with the final full stop.' *The Examiner* 'A spine-tingling and absorbing crime thriller about small-town secrets and mythic bush tales. This atmospheric read will keep you turning the pages until the very end.' *Who Weekly* 'A riveting story that will give even a seasoned thriller reader goosebumps.' *Better Reading*

When a terminally ill woman is found brutally murdered in her home, Detective Inspector Hazel Micallef tracks a terrifying serial killer, who targets terminally ill victims whose bodies are found drained of blood with their mouths sculpted into strange shapes.

Tory and the rest of the Virals are put to the ultimate test when they find a geocache containing an ornate puzzle box. Shelton decodes the cipher inside, only to find more tantalizing clues left by "The Gamemaster." A second, greater geocache is within reach-if the Virals are up to the challenge. But the hunt takes a dark turn when Tory locates the other box-it contains a fake bomb, along with a sinister proposal from The Gamemaster. Now, the real game has begun: another bomb is out there-a real one-and the clock is ticking.

Cold, Cold Bones

Deadly Decisions - Book 3 - Temperance Brennan

After a fatal airline crash in the mountains of North Carolina, Dr. Temperance Brennan heads to the site to help identify the victims, but the discovery of body parts that do not belong to any registered passenger leads the investigation into a dangerous confrontation.

Journeying to wintry Montreal to testify at a murder trial, forensic anthropologist Tempe Brennan discovers three skeletons in the basement of a pizza parlor and realizes that she has stumbled into a crime from the past. By the author of *Bare Bones*. Reprint.

#1 New York Times bestselling author Kathy Reichs returns with an "edgy, eerie, irresistible" (Sandra Brown) novel with "plenty of twists" (The New York Times Book Review) featuring forensic anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It's sweltering in Charlotte, North Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she's anxious to know who the dead man is, and why the images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man's identity, she must go rogue, working mostly outside the system. That's because Tempe's new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. "A complete success" (Booklist, starred review), "this is Kathy Reichs as you've never read her before" (David Baldacci).

A nine-year-old girl is killed in crossfire on her way to ballet class. Soon afterwards, the body of a teenager killed in North Carolina is found hundreds of miles away. Forensic anthropologist Dr Temperance Brennan knows she must stay professional, but when the young girl's body is wheeled into the morgue she cannot help but react.

And when an exhumation reveals the bones of yet another innocent in a hidden grave close to a biker gang headquarters, Tempe begins a lone and risky investigation into the lawless underworld of organised crime. From New York Times bestselling author Kathy Reichs, *Grave Secrets* is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are “the disappeared,” twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.

Bare Bones

Buried Deep

The Bone Code

Monday Mourning

“If you like the TV show *Bones* (I do) or *Maximum Ride*, you’ll love *Virals*.”—James Patterson Another thrilling *Virals* adventure from New York Times bestsellers Kathy and Brendan Reichs. When twin classmates are abducted from Bolton Prep, Tory and the *Virals* decide there’s no one better equipped than them to investigate. But the gang has other problems to face. Their powers are growing wilder, and becoming harder to control. Chance Claybourne is investigating the disastrous medical experiment that twisted their DNA. The bonds that unite them are weakening, threatening the future of the pack itself. The *Virals* must decipher the clues and track down a ruthless criminal before he strikes again, all while protecting their secret from prying eyes. And everyone seems to be watching.

Investigating two murders, the first of a nine-year-old Montreal girl and the second of a North Carolina teenager, forensic anthropologist Temperance Brennan delves into the world of motorcycle gangs.

A call to examine a skull found in a hidden floor space plunges forensic anthropologist Dr. Temperance Brennan into a case that may involve ritual murder.

A new story featuring forensic anthropologist Temperance Brennan—available only in ebook—from #1 New York Times bestselling author and FOX TV’s *Bones* producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina’s Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe’s surprise, the decomposed body indicates the person was a female young adult. The profile fits the description of a missing graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship’s body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC-Charlotte and the Carolina Raptor Center. Did Blankenship’s passion lead her into danger? Alongside Detective “Skinny” Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship’s death. But Tempe’s own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs’s new novel, *Bones of the Lost*—is an exhilarating new installment in the Temperance Brennan series.

A Novel

A *Conspiracy of Bones*

Grave Secrets

Forensic anthropologist Tempe Brennan investigates the death of a man who appears to have died while engaged in a bizarre sexual act and who was originally declared dead four decades earlier.

Temperance “Tempe” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful *Bones* series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile,

keep the local police and feds from one another's throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs never fails to satisfy readers looking for psychological suspense that's more than skin-deep.

The *Starfire Breeze* steams its way north toward the Gulf of Alaska, buffeted by crisp sea winds blowing down from the Arctic. Those on board are seeking peace, relaxation, adventure, escape. But there is no escape in this place of unspoiled natural majesty. Because terror strolls the decks even in the brilliant light of day . . . and death is a conspicuous, unwelcome passenger. Former Seattle policeman J.P. Beaumont—a damaged homicide detective who has come here to heal from fresh, stinging wounds—will find that the grim ghosts pursuing him were not left behind . . . as a pleasure cruise gone horribly wrong carries him into lethal, ever-darkening waters.

The first Temperance Brennan novel in the “cleverly plotted and expertly maintained series” (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since *Temperance Brennan* left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Temperance detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger. . . . “A genius at building suspense” (Daily News, New York), Kathy Reichs’s *Temperance Brennan* books are both “accomplished and chilling” (People) and “ripe with intricate settings and memorable characters” (Milwaukee Journal Sentinel).

Lost treasure. Perilous adventures. Deadly foes. Tory and her friends are just starting to get a handle on their super-heightened wolf-like capabilities—contracted during a medical experiment gone horribly wrong—when they find out funding is being pulled from the institute where their parents work. The pack now faces its greatest fear—separation. So when Tory stumbles across ancient lore hinting at a lost pirate treasure, the Virals devise a risky plan that pits them against fiendish traps, headless corpses, and deep underground tunnels. But they're not the only ones looking, and the competition could be lethal. They'll need to work as one mystery-solving canine force if they to hope to uncover the lost fortune, save the institute, and stick together!

First Bones

A Tempe Brennan E-Short

Forensic anthropologist Dr. Temperance Brennan is called in by Special Agent Seeley Booth to assist in the investigation into a bag of skeletal remains, complete with note, that has been left on the steps of a federal building. Original. (A Fox television series, starring David Boreanaz & Emily Deschanel) (Suspense)

_____ The third gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones*. A nine-year-old girl is killed in crossfire on her way to ballet class. Soon afterwards, the body of a teenager killed in North Carolina is found hundreds of miles away. Forensic anthropologist Dr. Temperance Brennan knows she must stay professional, but when the young girl's body is wheeled into the morgue she cannot help but react. And when an exhumation reveals the bones of yet another innocent in a hidden grave close to a biker gang headquarters, Tempe begins a lone and risky investigation into the lawless underworld of organised crime.

_____ Dr. Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide. However, she is best known for her internationally bestselling *Temperance Brennan* novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series *Bones*.

_____ Many of the world's greatest thriller writers are huge fans of her work: 'Kathy Reichs writes smart - no, make that brilliant - mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.' JAMES PATTERSON 'One of my favourite writers.' KARIN SLAUGHTER 'I love Kathy Reichs? - always scary, always suspenseful, and I always learn something.' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She's the real deal.' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic *Temperance Brennan* series is better than the last. They're filled with riveting twists and turns - and no matter how many books she writes, I just can't get enough!' LISA SCOTTOLINE 'Nobody writes a more imaginative thriller than Kathy Reichs.' CLIVE CUSSLER

Temperance “Tempe” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful *Bones* series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then

narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another's throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs once again satisfies readers looking for psychological suspense that's more than skin-deep.

The Secret of Annexe 3 is the seventh novel in Colin Dexter's Oxford-set detective series. Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise – a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name . . . The Secret of Annexe 3 is followed by the eighth Inspector Morse book, *The Wench is Dead*.

When innocent blood is spilled, forensic anthropologist Temperance Brennan deciphers the shattering truth it holds in this exciting thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-splatter patterns and ground-penetrating radar to bone-sample analysis, *Deadly Decisions* triumphantly combines the authenticity of a world-class forensic professional with the narrative power of a brilliant crime-writing star.

The classic forensic thriller (Temperance Brennan 1)

Speaking in Bones

The Secret of Annexe 3

A Novel of Suspense

"The latest from Kathy Reichs finds Tempe Brennan investigating the connections between a long-dead business man, the smuggling of mummified dogs from Peru, and the death of a teenage girl killed in a hit and run. When she discovers a human trafficking enterprise at the center of it all, the scope of the case extends from South America to Afghanistan. And Tempe's soon-to-be ex might have connections that run to the very heart of the trafficking ring"--

When a recent skeleton among ancient bones raises questions—and danger—forensic anthropologist Temperance Brennan is the only one who can solve the case in this “triumphant second appearance” (Publishers Weekly) from #1 New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She’s the expert they might have called in, but lucky for the police she’s already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of a wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that’s local and global. The suspense is intense, and the world is riveting. Kathy Reichs’s books are expert and smart with a taut energy, and this is her best plot and writing yet.

In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified in her lab. Information on some of these cold cases is available online, where amateur detectives sometimes take a stab at solving cases. When Tempe gets a call from Hazel “Lucky” Strike, a web sleuth who believes she’s successfully connected a body in Tempe’s lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her mother’s diagnosis and the shock of Andrew Ryan’s potentially life-change proposal, Tempe has little patience for chasing false leads. But when the bones in the lab match the missing girl’s medical records, Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant interest in the site. Tempe’s suspicions turn to murder by ritual sacrifice—a theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site

before the body count climbs higher. A suspenseful addition to Temperance Brennan's story, *Speaking in Bones* proves that Kathy's pulse-pounding *Bones* series never slows down.

Susan Hill—the Man Booker Prize nominee and winner of the Whitbread, Somerset Maugham, and John Llewellyn Rhys awards—returns with a gripping new novel, the latest chapter in one of the most acclaimed mystery series of our time. From the outside, the cathedral town of Lafferton seems idyllic, but in many ways it is just like any other place. It suffers from the same kinds of crime, is subject to the same pressures from a rapidly changing world, and has the same hopes and fears as any number of towns up and down the land. When Simon Serrailer is called in by Lafferton's new Chief Constable, Kieran Bright, he is met by two plainclothes officers, who ask him to take the principal role in a difficult, potentially dangerous undercover operation. He must leave town immediately, without telling anyone—not even his girlfriend Rachel, who has only just moved in with him. Meanwhile, Simon's sister Cat is facing difficult choices at work, as Lafferton's hospice closes its bedded units—and at home, as her daughter is presented with a glittering opportunity that they would have to struggle to afford. And all is not well with Simon and Cat's stepmother, Judith, either. To complete his special operation, Simon must inhabit the mind of the worst kind of criminal. This takes its toll on Simon and—as the investigation unfolds—also on the town and some of its most respected citizens.

Having Temperance Brennan for a great-aunt comes with a few perks—including an invite to the famous forensic anthropologist's book signing at Comic-Con. But while Tory and the Virals are taking in the legendary convention in all its nerdy glory, a priceless Terminator robot is stolen from the crowded exhibition hall. When the bot-napper threatens to destroy it unless a hefty ransom is paid, Tory leaps at the chance to help her aunt Tempe with the investigation. Subtle clues lead the Virals into all the weirdness that Comic-Con has to offer—strange costumes, ferocious mock battles, and fanboy geekdom beyond their wildest dreams—but the Terminator seems to have vanished without a trace, and the clock is ticking. Can the Virals identify the thief and locate the missing robot before it's too late? In this gripping eSpecial, Tory and the Virals prove once again that no crime is unsolvable when the pack is on the prowl.

Exposure

Bones of the Lost

(Temperance Brennan 3)

Bones Never Lie

Dr. Temperance Brennan #3

*#1 New York Times bestselling author and producer of the Fox hit series Bones, Kathy Reichs returns with an unforgettable new novel featuring forensic anthropologist Tempe Brennan, whose examination of a mysterious hit-and-run victim triggers an investigation into human trafficking. When Charlotte police discover the body of a teenage girl along a desolate stretch of two-lane highway, Temperance Brennan fears the worst. The girl's body shows signs of foul play. Inside her purse, police find an airline club card bearing the name of prominent local businessman John-Henry Story, who died in a horrific fire months earlier. How did Story and the girl know each other? Was she an illegal immigrant turning tricks? Was she murdered? Was he? Tempe must also examine a bundle of Peruvian dog mummies confiscated by U.S. Customs. A Desert Storm veteran named Dominick Rockett stands accused of smuggling the objects into the country. Could there be some connection between the trafficking of antiquities and the trafficking of humans? As the complications pile on, Tempe must also grapple with personal turmoil. Her daughter, Katy, grieving the death of her boyfriend in Afghanistan, impulsively enlists in the army. Meanwhile, Katy's father, Pete, is growing frustrated by Tempe's reluctance to finalize their divorce. As pressure mounts from all corners, Tempe soon finds herself at the center of a conspiracy that extends all the way from South America to Afghanistan and right to the center of Charlotte. A tour de force of imagination, *Bones of the Lost* is a roller coaster of plot twists, punctuated by Tempe's fierce wit and forensic know-how. "A genius at building suspense" (New York Daily News), Kathy Reichs is at her brilliant best in this sixteenth installment of the Temperance Brennan series. With the Fox series *Bones* in its ninth season, Kathy Reichs has reached new heights in suspenseful storytelling. In the twelfth novel from #1 New York Times bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan finds herself buried alive after being accused of mishandling the autopsy of a Canadian heiress. There are 206 bones in the human body. Forensic anthropologists know them intimately, and can use them to recreate every kind of violent end. Tempe wakes up to discover that she is enclosed in a kind of very small, very dark, very cold space. She is bound, hands to feet, and there's something wrong with her ankle. Unsure of where she is, Tempe slowly begins to work out what has happened... When the body of a missing heiress was discovered, Temperance Brennan and Lieutenant Ryan accompanied the remains from Montreal to the Chicago morgue. Their trip was soon interrupted when an incriminating phone call accused Tempe of mishandling the autopsy—and the case. But before Tempe could face her accuser, the one man with information about the call died, and Tempe was left in the dark. As the facts slowly slot into place, Tempe wonders who wants her dead, or at least out of the way, and why? Pulse-pounding, electrifying, and seamlessly weaving between past and present, *206 Bones* describes the incredible devastation that occurs when forensic evidence is sabotaged in the lab.*

From bestselling author Kathy Reichs comes a book set in Charleston, South Carolina, the center of a lucrative, clandestine, sophisticated trade in body parts—the kind that leaves the donor dead. Summoned to South Carolina to fill in for a negligent colleague, Tempe is stuck teaching a lackluster archaeology field school in the ruins of a Native American burial ground on the Charleston shore. But when Tempe stumbles upon a fresh skeleton among the ancient bones, her old friend Emma Rousseau, the local coroner, persuades her to stay on and help with the investigation. When Emma reveals a disturbing secret, it becomes more important than ever for Tempe to help her friend close the case. The body count begins to climb. An unidentified man is found hanging from a tree deep in the woods. Another corpse shows up in a barrel. There are mysterious nicks on bones in several bodies, and signs of strangulation. Tempe follows the trail to a free street clinic with a belligerent staff, a suspicious doctor, and a donor who is a charismatic televangelist. Clues abound in the most unlikely places as Tempe uses her unique knowledge and skills to build her case, even as the local sheriff remains dubious and her own life is threatened. Tempe's love life is also complicated. Ryan, her current flame, has

come down to visit her from Montreal, and Pete, her former husband, is investigating the disappearance of a local woman—and he and Tempe are staying in the same borrowed beach house. Ryan and Pete compete for her attentions, and Tempe finds herself more distracted by her feelings for both men than she expected. *Break No Bones* is a smart, taut thriller featuring the kind of high-stakes crime that makes the headlines every week. Reichs, the inspiration for the hit Fox TV show *Bones*, is writing at the top of her form, and Tempe has never been more compelling.

#1 New York Times bestselling thriller writer Kathy Reichs returns with her twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who, after receiving a box containing a human eyeball, uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. 'Kathy Reichs has written her masterpiece' MICHAEL CONNELLY Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine "Skinny" Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe's Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present. Kathy Reichs's first novel *Déjà Dead*, published in 1997, won the Ellis Award for Best First Novel and was an international bestseller. *Cold, Cold Bones* is Kathy's twenty-first entry in her series featuring forensic anthropologist Temperance Brennan. Kathy was also a producer of Fox Television's longest running scripted drama, *Bones*, which was based on her work and her novels. One of very few forensic anthropologists certified by the American Board of Forensic Anthropology, Kathy divides her time between Charlotte, North Carolina, and Montreal, Québec. Visit her at KathyReichs.com or follow her on Twitter @KathyReichs.

#1 New York Times bestseller! From extremist groups to NASCAR to forensic twists, Temperance Brennan is back in a turbo-charged story of secrets and murder. A body is found in a barrel of asphalt in a landfill just before Raceweek when 200,000 fans are pouring into town. The next day a NASCAR crewmember visits Temperance Brennan at the MCME and tells his story. His sister, Cyndi Gamble, then a high school senior who wanted to be a NASCAR driver, disappeared twelve years before along with her boyfriend, Cale Lovette. Lovette used to hang out with a group of right-wing extremists known as the Patriot Posse. Is the body Cyndi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation because of Cale's association with extremists. But the search was quickly terminated. Was there a cover-up? Tempe considers the multiple theories: did the pair take off together to join the underground militia and then get killed by militia types? Did Cale kill Cyndi and disappear into the militia underground? The case gets more complex when another man, Ted Raines, is identified as missing in Charlotte, where he had gone for the big race. Ted was an employee of the CDC in Atlantic. Could the body be his? What could Raines—if it is Raines—have been up to?

Flash and Bones

The Calling

Devil Bones

Deadly Decisions

A Virals Novel

An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying the bones of the ancient dead. But a strange opportunity presents itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...

#1 New York Times bestselling author Kathy Reichs' s twentieth "brilliant" (Louise Penny) thriller featuring forensic anthropologist Temperance Brennan, whose examinations of unidentified bodies ignite a terrifying series of events. "This is A-game Reichs, with crisp prose, sharp dialogue, and plenty of suspense" (Booklist). On the way to hurricane-ravaged Isle of Palms, a barrier island off the South Carolina coast, Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic and bound with electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec fifteen years earlier. With a growing sense of foreboding, she travels to Montreal to gather evidence. Meanwhile, health authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads. So focused is Tempe on identifying the container victims that, initially, she doesn't register how their murders and the pestilence may be related. But she does recognize one unsettling fact. Someone is protecting a dark secret—and willing to do anything to keep it hidden. An absorbing look at the sinister uses to which genetics can be put and featuring a cascade of ever-more-shocking revelations, *The Bone Code* is "a murder mystery story that races across America at the speed of fright" (James Patterson).

Her plans for a romantic vacation interrupted by the discoveries of two murdered bodies and a small plane crash, Tempe Brennan traces leads to an isolated North Carolina farm.

"A deftly plotted, completely involving novel with one of the most memorable protagonists to come along in years." —Laura Lippman "Label me a big fan." —Harlan Coben Edgar® Award nominated author Alison Gaylin is rapidly becoming a major player in the thriller game. A breathtaking novel of suspense, Gaylin's *And She Was* introduces a remarkable new protagonist: Brenna Spector, a missing persons investigator afflicted with Hyperthymestic Syndrome, a rare disorder that enables her to remember

every moment of every day of her life. A twisting mystery, both chilling and surprising, *And She Was* sets the haunted investigator on the trail of a missing child who vanished more than a decade earlier—a case with disturbing echoes in Brennan's own scrupulously remembered past. Discover what Harlan Coben, Lisa Gardener, Laura Lippman, and other masters of suspense and crime fiction have already learned: Alison Gaylin is one of the best!

In Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.

The Soul of Discretion

A Chief Superintendent Simon Serrailier Mystery

Bones to Ashes

A J. P. Beaumont Novel

_____ The first gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones*. Bagged and discarded, the dismembered body of a woman is discovered in the grounds of an abandoned monastery. Dr Temperance Brennan, Director of Forensic Anthropology for the province of Quebec, has been researching recent disappearances in the city. Soon she is convinced that a serial killer is at work. But when no one else seems to care, her anger forces her to take matters into her own hands. Her determined probing has placed those closest to her in mortal danger, however. Can Tempe make her crucial breakthrough before the killer strikes again?

_____ Dr Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide. However, she is best known for her internationally bestselling Temperance Brennan novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series *Bones*. _____ Many of the world's greatest thriller writers are huge fans of her work: 'Kathy Reichs writes smart — no, make that brilliant — mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.' JAMES PATTERSON 'One of my favourite writers.' KARIN SLAUGHTER 'I love Kathy Reichs? — always scary, always suspenseful, and I always learn something.' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She's the real deal.' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last. They're filled with riveting twists and turns — and no matter how many books she writes, I just can't get enough!' LISA SCOTTOLINE 'Nobody writes a more imaginative thriller than Kathy Reichs.'
