Award-winning Mexican-American and Indigenous author Jennifer Givhan brings us an exquisitely written, spell-binding psychological thriller—weaving together folk magick with personal and cultural empowerment—that is perfect for fans of Mexican Gothic. When Eva’s husband is arrested for the murder of a friend, she must confront her murky past and embrace her magick to find out what really happened that night on the river. Eva Santos Moon is a burgeoning Chicana artist who practices the ancient, spiritual ways of brujería and curanderisma, but she’s at one of her lowest points—suffering from disorienting blackouts, creative stagnation, and a feeling of disconnect from her magickal roots. When her husband, a beloved university professor and the glue that holds their family together, is taken into custody for the shocking murder of their friend, Eva doesn’t know whom to trust—least of all, herself. She soon falls under suspicion as a potential suspect, and her past rises to the surface, dredging up the truth about an eerily similar death from her childhood. Struggling with fragmented memories and

self-doubt, an increasingly terrified Eva fears that she might have been involved in both murders. But why doesn't she remember? Only the dead women know for sure, and they're coming for her with a haunting vengeance. As she fights to keep her family out of danger, Eva realizes she must use her magick as a bruja to protect herself and her loved ones, while confronting her own dark history. River Woman, River Demon is a mysterious incantation of reckoning with the past and claiming one's unique power and voice. Three Angels struggle with the betrayal of those they trusted, and those they loved. Betrayed by his family, Lucifer wages war with heaven. His immense fear for his absent brother leads him to declare war against heaven- against his brothers, and against his father. Gabriel wavers as he once again meets the brother that abandoned him, and learns the secrets that had lead to his betrayal. Azza fights conflicting loyalties, torn between his present lord and friend, and his friend of the past. Who will he choose to follow? Memories from his past are haunting him and are coming more into light as all the plots unfold. A nasty bite starts a whirlwind of doom—one soul turns toward the darkness while one heart battles to deny destiny.

Nexi Jones can never catch a break. With only just returning from a much needed vacation—a deadly Werewolf attack takes place in Plymouth, Minnesota. In pursuit for answers, Nexi finds herself face-to-face with someone she desperately wanted to avoid, Magnus, the Lord of the Underworld. He hasn't forgotten her and will stop at nothing to use her magical abilities for his personal gain. Soon, Nexi will be in a battle far worse than conjuring Magic against those of the Underworld. The fiercest battle rages within her as her soul combats against her heart to decide Nexi's fate. Will all that matters—will everyone she loves—be lost forever?

Edgy Taylor sees demons. They walk among us, masquerading as humans, but he can see through their disguises. A small statue, whose look is so grotesque it is intolerable to view, summons back an ancient pre-Christian deity whose name was better forgotten. Only Severian, the Demon Hunter, can deal with this terrible menace. Between horrid exhumations, black magic rituals, and ancient cults crawling beneath the ashes of the purifying fire set by Emperor Theodosius to assert Christianity, Severian's investigation will lead him to a plot with potentially devastating consequences for the Empire itself. Science fiction, fantasy and horror movies have spawned more sequels and remakes than any other film genre. Following Volume I, which covered 400 films made 1931-1995, Volume II analyzes 334 releases from 1996 through 2016. The traditional cinematic monsters are represented--Dracula, Frankenstein, the Wolf Man, a new Mummy. Does romance stand a chance between the Devil's Grandmother and Vlad the Impaler, given her age (4000 years) and his tendency to skewer those who disagree with him? But first Vlad must be expelled from hell, which is fine with Satan; Vlad refuses to accept his ordained purge until he has revenged himself on the Blungers and this is unhinging the smooth running of the underworld. But his expulsion requires the Lord God's okay. Satan devises a beautiful scheme. His beloved grandmother will find happiness. Vlad will leave hell and become dean of students at Fairweather College. Vlad is to preach to the sinful students and administrators of that place. Should the students continue in their lustful and slothful ways, they will be brought down to hell en masse. If Vlad succeeds in reforming them, he will remain as Dean. Either way, Satan wins. And, to make it even more interesting, a Blunger is teaching at that very college. A Blunger of the family against

A “chilling” (O, The Oprah Magazine), “darkly brilliant” (Bookforum) account of “the effects of war on the psyches of the soldiers who fight” (Esquire). In 2005 a Chinook helicopter carrying sixteen Special Ops soldiers crashed during a rescue mission in Afghanistan, killing everyone on board. In that instant, machine gunner Caleb Daniels lost his best friend, Kip, and seven members of his unit. Back in the US, Caleb begins to see them everywhere—dead Kip, with his Alice in Wonderland tattoos, and the rest of them, their burned bodies always watching him. But there is something else haunting Caleb, too—a presence he calls the Black Thing, or the Destroyer, a paralyzing horror that Caleb comes to believe is a demon. Alone with these apparitions, Caleb considers killing himself. There is an epidemic of suicide among veterans of Iraq and Afghanistan, men and women with post-traumatic stress disorder who cannot cope with ordinary life in the aftermath of explosions and carnage. Author Jen Percy finds herself drawn to their stories. Her main subject, Caleb, has been bringing damaged veterans to a Christian exorcism camp in Georgia that promises them deliverance from the war. As Percy spends time with these soldiers and exorcists—finding their beliefs both repellent and magnetic—she enters a world of fanaticism that is alternately terrifying and welcoming. With “beautiful, lucid” (Los Angeles Times) lyricism, *Demon Camp* is the riveting true story of a veteran with PTSD and an exploration of the battles soldiers face after the war is over. As *The New York*

Times Book Review said, "Percy's narrative may confirm clichés about war's costs, but it artfully upsets a common misconception that all veterans' experiences are alike." Many say Tess is the fifth horseman of the apocalypse. The weapons she uses does not leave the pain of a bullet, bow, or sword; it leaves pain of a different kind. She leaves misery in the lives of her prey. In her arsenal she carries strife, discord, conflict, confusion, slander, and insults. She feasts on the chaos and disorder she causes. She thrives on the misfortune of others. How do you know Tess is about to do something wretched and wicked? It's when she gets "that" smile across her face like a big cat with a mouse under each paw. A man in her neighborhood made the statement, "Ole Tess is so bold slinging gossip you would think she received a paycheck from Satan himself!" Tess is a hunter of any information to condemn another. It's hard to believe she's in church every Sunday. She'll fight in the church parking lot. Her friends will fight over a \$3 chicken. Have you ever seen chicken bone wind chimes made by a witch? Tess has. Have you ever read a letter from Lucifer? Tess has. Have you ever been to a yard sale in hell? Tess has. Tess stays busy. She might be screaming at the preacher or spreading rumors about a deacon of the church. She spends hours on the phone repeating gossip and lies like a satanic secretary. Being Tess is hard work! Being Tess is exhausting! Sophie Mercer's first term at Hex Hall turned out to be quite eventful. First the ghost of her evil grandmother haunted her every move, then her best friend was accused of murder and of course there was the discovery that Archer Cross, aka the boy of her dreams, was actually an undercover demon hunter - which would probably be something she could have worked on, if she hadn't also discovered that she was actually the demon

Archer was hunting... So, despite their issues, Sophie is actually relieved to be spending the summer in London with her father. But when your father is Head of The Council of Prodigium and your summer is being spent at the headquarters of everything magical, then a quiet holiday isn't really that likely. And, as Sophie struggles to come to terms with her new found demon powers, she finds herself thrust once again into a world of dark magic and conspiracies. The only thing that could possibly make things more complicated would be for Archer Cross to show up again, which of course he wouldn't, would he?

Elise had about to change into the dress that was lying on the corner of her bed when she heard a knock lightly calling from her door. Curious, she turned the door knob only to have a tall man towering in front of her. "Master Ian!" She called. Ian smiled with the usual mischievous smirk that he always used. His crimson eyes trailing a little over her room and spotted the black dress over her bed and shifted his eyes over to the woman in front of him. He stepped forward and spoke. "Where did you acquire that dress?" "Mr. Harland gave it to me." Elise replied and strained her neck to see Ian's brows knitted in its

elegance. "Do you know why a man would love to give a woman a dress?" He gave the riddle that she always had to think twice before replying. But this time, she found no answer and instead shook her head. "I don't know." His grin grew bewitching as though something had stirred deep inside the scarlet eyes that he had. He slowly slid his hand over the collar of her dress, sending a cold shiver that startled her for a moment due to its freezing temperature. After unbuttoning the first two buttons on her collar, he tilted his head down, whispering to her ears. "Because they want to be the one to undress the cloth." He paused and kissed her neck, turning the pale skin to red before retracting his move to fix his eyes on her and leisurely replied.

"Unfortunately, you can't wear the dress over there with this." He chuckled and passed a box over to her hand. "And the fortunate news is I prepared a dress for you." Elise was a cursed little girl who could see ghosts. Her family hated her and threw her from one adoptive family to another. However, misfortune didn't act alone. When she was brought up by her aunt, she was sold as a slave. When

she had thought she would become nothing but a sacrifice to the sorcerer, she was saved by a man whose identity was far different than a normal mythical being. * This book is ORIGINAL and it is not Translation Join Author's discord: <https://discord.gg/YPKueb4>**
