Gameknight and his friends decide to take the infected ender chest far from their village, to a place where it will do no harm. But during the voyage, Herobrine takes control of Herder and has him steal the ender chest, taking it to the Nether where the blaze-king, Charybdis, awaits. But while they’re battling a host of blazes, zombie-pigmen, and ghosts, the obsidian box is broken, infecting Herder with Herobrine’s XP. As Herder is overcome by the virus’s poisonous wickedness, Gameknight must face his friend in battle if he hopes to defeat this monster. But how can he destroy Herobrine without destroying his friend? The final battle to defeat Herobrine will take Gameknight999 over land and under water! Herobrine is rallying all the monsters of Minecraft to one server in hopes of eliminating Gameknight999 and his friends once and for all. They destroy every village they find, threatening to continue until the User-that-is-not-a-user surrenders. Gameknight has just two things: the Oracle’s command to seek out the lost ocean monument and an impenetrable riddle: “Look to the lowliest and most insignificant of creatures, for that is where your salvation will lie.” Haunted by this seemingly useless clue, Gameknight searches for the mysterious underwater lair where the Book of Wisdom is hidden, which he is told holds the secret to the riddle and the key to defeating Herobrine. But at every turn lies a massive army of monsters. With no map to guide them, Gameknight and his friends will fight for their lives to reach the deep ocean destination, and a terrifying creature awaits them there. With so many secrets sprawling about in the island and the promise of home becoming more and more complicated, Bill must rise to the occasion to prove that he can get through the obstacles presented to him. Book 3: The Journey Ends Bill has made his way through the Nether. Guided only by the hearsay of the villagers along with his gut feeling, Bill must wade through numerous undead and walk through the thin paths of land between lava. With skeletons and endermen and fortresses to explore, there are surely a lot of things on Bill's plate. Being Coach Herobrine is not without a challenge. After successfully helping two other Herobrines complete their mission, the third Herobrine was stubborn and arrogant causing him and Mark to be imprisoned by the very people they come to help. Since Mark is an experienced Herobrine, Jeb trusted him to assist all the new Herobrines during these hard trials. Some of the missions are easy enough to be completed in a matter of a few days. However, others will prove to be too challenging that Mark has to put all of his experience as Herobrine into use, if he wants to succeed at helping others. The Herobrines must complete their objectives if they want to stay in their respective servers. Failing one or more missions might result in a permanent ban from the game. Mark is committed to never let that happen to anyone, but the third Herobrine is a different story. Will Mark be able to help him if the third Herobrine is not willing to follow Mark's advice? Or will this be Mark's first failure as a Coach?
