

Dinoblock (Alphablock)

It takes a team of construction machines to build a city.

Explore life on a farm in this addition to the bestselling Block Book series!

It's time to plant some crops, harvest the veggies, and make jam to take to the farmer's market! In this follow-up to Alphablock, Countablock, Dinoblock, Cityblock, Buildablock, and Marvel Alphablock, readers are introduced to what life is like on the farm. Like the previous titles, Farmblock explores a concept--in this case, seasons. From a rooster crowing at the crack of dawn to picking pumpkins for Halloween, there is so much to do all year-round! In keeping with the rest of the series, Farmblock features die-cut pages, gatefolds, and the charming art of British design team Peskimo.

An A-to-Z collection of characters every fan of the Marvel Cinematic Universe should know.

A snowman comes alive as the child building it adds pieces during the first ten days of winter.

Who Goes Roar?

"Explores city life, from up in a high-rise building to down in the subway. Divided into three sections--things that go, things to see, and things to eat--it features 24 different aspects of city living. Die-cut icons hint at the larger context on the next spread. Each section opens with a full city scene but gradually focuses in on the small, unique neighborhoods that make the city large and grand" --

Dinosaur-themed board book with shaped tabs and touches.

What could be more fun than learning to count with dinosaurs? This adorable board book will have little ones squealing with delight as they count all of their favorite dinos including T-rex, Brontosaurus, Stegosaurus, Spinosaurus, Gallimimus, Triceratops, Parasaurolophus, Velociraptor, and more. This book is part of the bestselling Good Night Our World series, which includes hundreds of titles exploring iconic locations and exciting, child-friendly themes. Young paleontologists will delight in counting all of their favorite dinosaurs.

Lift-the-Flap: Nursery Rhymes is a chunky board book with colorful, beautifully illustrated artwork and large flaps that reveal lots of fun surprises. Each page features kooky characters in a classic nursery rhyme, and includes a fun flap to lift. Children will love finding the mouse in Hickory Dickory Dock, seeing the cow jump over the moon, and finding out what happens to Jack and Jill in this delightfully charming book.

Kioko had been watching the matatus come and go for as long as he could remember. But today, for his fifth birthday, he climbs aboard one with his grandfather. As the matatu pulls away from the market, the village dogs chase after them. When Kioko asks his grandfather why the dogs always bark and chase after matatus, his grandfather tells him an entertaining tale about a dog, a goat and a sheep. Set in East Africa, *The Matatu* is a colorful story filled with many unexpected turns and twists along the way.

Big dragons, baby dragons, and a dragon you design yourself
Introducing Paper Flying Dragons, fantastic flyers unmatched in the world of paper airplanes. They swoop, they glide, they dive and crash... and then they fly again. That's because these five breeds of dragon are made of sturdy card stock - beautifully illustrated and ready to fold and assemble. Every one of them is kid-tested for durability, ease of building, and spectacular flight. You also get sturdy foldable paper hatchlings, speedy little baby dragons just out of the egg. Best of all, with our Klutz-engineered construction system, you can build a dragon of your own invention. Assemble the parts however you want, flight test, and then follow our expert tips to modify your creation for better aerodynamic performance. To quote our kid testers, the results are "awesome!" The book also features fascinating true facts about dragons. (Please don't let the fact that author Pat Murphy is a Nebula Award®-winning science fiction writer cast doubt on the authenticity of her research.) If topping the best-selling The Klutz Book of Paper Airplanes inspired us to get intergalactic with Star Wars® Folded Flyers, topping that is going to take something positively legendary. Fortunately, here there be dragons.

Open these books to treat yourself to some of the cutest shots of baby animals around. It doesn't matter if they are eating, sleeping, or playing, the babies in this series are absolutely adorable. Experience
