Okay, maybe my heart isn't sure, but other parts of me are raring to go. As much as I'd like to listen to them, as well as the haunting song Deva sings that I know should mean something to me, I can't go all-in without giving them all of me. And that's just not possible right now. I'm a turul, and that means I'm searching for my One, a true love I can spend eternity with. Which means I can't be with Deva until I'm certain she's it for me, and I can't be certain until I get my memories back. And I can't get my memories back until I face Fate once and for all.
