Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. The town Sophia grew up in is in a very bad state. Earth dragons are going missing, leaving young kids orphaned, and nobody knows what's going on or where they're taken. To make it even worse, a group of rebels who were supposed to bring supplies to the town haven't shown up, making everyone worried that they've been caught by the renegade fae soldiers. Sophia and her men turn to an unusual source in their desperation to find answers, a magically sealed room at the hidden dragon library. A place nobody has been able to get into in decades. When Sophia manages to finally unlock the room with a spell passed down from her witch father, everything she thought she knew changes. It seems her father was involved in things that nobody had any idea about, showing a side to him that Sophia doesn't know how to combine with what her mother told her about him. To top it off, she's confronted with a half-sister she had no idea existed, a half-sister with fae and witch blood. Can Sophia and her men find out what happened to the missing earth dragons? And how much is Sophia's father involved with what's going on in the town right now? But most importantly, can they heal the town and the people in it, so that they can thrive again, like they used to? The Descendants Complete Collection contains the following standalone titles: Shared by the Four Four magical protectors should be enough for any gal, right? I'm just an ordinary college girl, majoring in art history, but there's this one guy in a few of my classes that just won't leave me alone. You know, the kind of guy that won't take no for an answer. Fortunately, I've just met four mysterious brothers at an art gallery that might be the magical answer to my problems. They're all strong, gorgeous, rich and gifted in their own ways and in love with me. I couldn't possibly choose and luckily they don't want me to. Trouble is, my stalker's not very ordinary himself. My four magical lovers might not be enough to protect me and I can't stand the thought of losing even one of them, knowing it would be my fault. Desired by Four Falling in love isn't supposed to be literal. Except if you're a witch who's cast a soulmate spell... Turns out love magic isn't the kind you dabble with... First there's Dixon with his sweet midwestern twang. Then there's action-hero-hot Mateo, who literally swooped in and saved my life... plus his three insanely handsome brothers. The universe definitely heard my call and it's raining men alright. Turns out controlling the magnetic attraction is where it gets tricky, especially if you happened to call upon a magical being, intent on killing you and stealing your power. Whoops. Fortunately I've got four hot shifter protectors because I'm gonna need 'em. Fate of Three A ruthless collector of dark magical artifacts. Three jaguar shifters intent on taking him down, and they're asking me to be some kind of undercover spy... Saying yes seems like the most dangerous decision I could possibly make. But that's nothing compared to falling in love with all three of them. They've promised me their protection and I've rolled the dice. I'm trusting all three with my love and my life. But when the object she tries to steal turns out to be a dragon egg, her whole world changes. For this

The spells I need to protect us all are locked away, sealed by a magic I can't break. The only key is conning my way into the magical elite and winning their deadly competition. I can't do it alone. Levi has my back. He's a strong witch, my best friend, and fiercest protector. Raphael might be my ex, but his vampire powers give us an edge. And then there's Isak. Dragon shifter, with his own secrets and reasons to win. But in a competition full of witches whose powers outweigh my own, dangers arise from every corner of the globe. Until one thing becomes clear. We aren't just playing to win. We're playing to live. Cursed in Love is the first book in a "why choose" paranormal romance trilogy. Order your copy today!

Falling in love isn't supposed to be literal. Except if you're a witch who's cast a soulmate spell... Turns out love magic isn't the kind you dabble with... First there's Dixon with his sweet midwestern twang. Then there's action-hero-hot Mateo, who literally swooped in and saved my life... plus his three insanely handsome brothers. The universe definitely heard my call and it's raining men alright. Turns out, controlling the magnetic attraction is where it gets tricky, especially if you happened to call upon a magical being, intent on killing you and stealing your power. Whoops. Fortunately I've got four hot shifter protectors because I'm gonna need 'em.
