How Are You Feeling?

Duck, Duck, Goose

A Valentine's Day tale featuring intrepid feathered companions Duck and Goose finds them celebrating the holiday while sharing a much-needed hug with friends. By the best-selling creator of How Rocket Learned to Read.

This edition of Ducks, Geese, and Swans consists of two volumes, printed in full color, and packaged in a slipcase, along with a CD containing references and additional maps.

Duck and Goose find an egg. "Who does it belong to?" they ask. Duck says it is his because he saw it first. Goose says it is his because he touched it first. But their parenting skills come to an abrupt end when a little bird tells them that their egg is really a ball. Delightfully funny story with rich paintings and strong main characters, which firmly establishes the positive aspects of learning to share.

A follow-up to the best-selling Duck & Goose and Duck, Duck, Goose finds Duck and Goose's friendship tested by Goose's reluctance to participate in Duck's adventure at the beach.
