*New York Times Bestseller * Indiebound Bestseller * An Amazon Best Book of 2019 * B&N's YA Book Club Pick "A brilliant debut, full of everything I love: a sparkling and fully realized heroine, an intricate and deadly system of magic, and a searing romance that kept me reading long into the night. Serpent & Dove is an absolute gem of a book." –Sarah J. Maas, #1 New York Times bestselling author of A Court of Thorns and Roses series Bound as one, to love, honor, or burn. Book one of a stunning fantasy trilogy, this tale of witchcraft and forbidden love is perfect for fans of Kendare Blake and Sara Holland. Two years ago, Louise le Blanc fled her coven and took shelter in the city of Cesarine, forsaking all magic and living off whatever she could steal. There, witches like Lou are hunted. They are feared. And they are burned. As a huntsman of the Church, Reid Diggory has lived his life by one principle: Thou shalt not suffer a witch to live. But when Lou pulls a wicked stunt, the two are forced into an impossible situation–marriage. Lou, unable to ignore her growing feelings, yet powerless to change what she is, must make a choice. And love makes fools of us all. Don't miss Gods & Monsters, the spellbinding conclusion of this epic trilogy!*

Wild Oats

Taming Saffina When an heiress runs wild, her stern guardian comes back from abroad to take the whip hand... A willful heiress is taken in hand when her guardian, the disgraced Earl of Endale, returns from abroad to find her a husband and launch her into society. With a reputation as dark as his allure, she finds his discipline both exotic and exciting. To her delight, his instruction includes strict and detailed attention to pleasure. She's fiercely attracted, but when he probes her past, she soon vows to resist. Her heart lies elsewhere, and she means to marry handsome Sir Nigel, her clean-living neighbor and friend. But to her dismay, she finds Sir Nigel has doubts. He suspects her untamed sexuality is due to the Earl's evil influence. Concerned for her safety and her status, Sir Nigel insists she must be tamed and warns she risks losing both his love and her place in society. He attempts a bold rescue, but now she must choose—respectability or a life of delicious sin? Saffina's Secrets He'd taken her in hand, now her guardian takes his ward abroad to find her a suitor. But unknown to him, she's already found one... When Saffina's stern guardian takes her to France, his aim is to find her a suitor. Hers is simply to enjoy his strict instruction in the arts of pleasure for as long as she can. Aware she's unlikely to lure a sophisticate like him, she vows to keep her feelings for him a secret. But at the magnificent ch&ateau they first visit, nothing is what it seems. A sober young man who takes her fancy has a hidden agenda. Her hosts are famed libertines. Her guardian's rakish past sends him urgently to Paris, and she learns the ch&ateau is haunted. Worse, her hated former governess, now her maid, ties her to the bedposts at night to assist her &'training'—but the real reason is to amuse a mystery night visitor. Saffina relishes the nightly amusement while awaiting her guardian's return. Then she learns he's in mortal danger... Saffina's Season When he treats her to her first London Season, she looks set to shine. But the more she sparkles, the more he despairs. Now happily married with a baby son, Jacquard treats Saffina to her first London Season. He's keen to show off his new countess, and she means to enjoy it to the fullest. She flirts outrageously, sees off catty remarks from jealous rivals with smart retorts and generally has a terrific time. But when she's waylaid by footpads one night in the backstreets of Chelsea, she's unexpectedly rescued by a struggling artist. Inspired, she commissions a raunchy portrait for Jacquard's birthday. As she struggles to keep it a secret, Jacquard grows moody. Soon he suspects an affair and thrillingly, steps up her discipline by giving her a taste of leather. But at the Carlton House ball, when the prince reveals his new mistress, both she and Jacquard get a shock. He storms out, enraged. Has she gone too far? Will she lose her husband, her good name and her son?

'Englishness' in Music

In this book Edward Reilly provides the essential documents connected with the friendship between the eminent Viennese music-historian Guido Adler and the composer Gustav Mahler. The nature and extent of that friendship has been the source of a number of questions for some years. Although Adler was the author of one of the important early studies of Mahler, he was reticent about speaking of his personal connection with the composer, and for many years the single available published letter from Mahler to Adler was one that was sharply critical in tone. A few somewhat disparaging references in Alma Mahler's recollections also raised questions about the degree of friendship between the two men.
