

Dying Light (Logan McRae)

From the No. 1 bestselling author of THE MISSING AND THE DEAD comes the short novel: 22 DEAD LITTLE BODIES, plus two short stories: STRAMASH and DI STEEL'S BAD HEIR DAY, and a novella: THE 45% HANGOVER, all featuring his most popular characters – DS Logan McRae and DCI Roberta Steel.

L.A. shoe designer, Maddie Springer, lives her life by three rules: Fashion. Fashion. Fashion. But when she stumbles upon the work of a brutal killer, her life takes an unexpected turn from Manolos to murder. And things only get worse when her boyfriend disappears - along with \$20 million in embezzled funds - and her every move is suddenly under scrutiny by the LAPD's sexiest cop. With the help of her post-menopausal bridezilla of a mother, a 300 pound psychic and one seriously oversexed best friend, Maddie finds herself stepping out of her stilettos and onto the trail of a murderer. But can she catch a killer before the killer catches up to her.

She can't prove he did it. But she might die trying... From the Sunday Times No.1 bestselling author of the Logan McRae series, comes a standalone spinoff featuring DS Roberta Steel.

It is June 1971. Dominick Pindle, a tenderhearted but aimless Massachusetts teenager, spends his nights driving around with his mother and dragging his wayward father out of bars. Late one evening, Dominick's search puts him face-to-face with his father's seductive mistress, Edie Kramer. Instantly in lust, he begins a forbidden relationship with this beautiful, mysterious woman. Before long, though, their erotic entanglement leads to a shocking death, and Dominick discovers that the mother he betrayed hid secrets as dark and destructive as his own. Charged with the exhilarating narrative pace of a thriller and set during a complicated and explosive era, Boy Still Missing is the critically acclaimed debut novel from John Searles. It renders a deeply affecting portrait of a boy whose passage into adulthood proves as complex and impassioned as the history that unfolds before his eyes.

L is for Lawless is the twelfth in the Kinsey Millhone mystery series by Sue Grafton. It was the week before Thanksgiving when Kinsey Millhone first heard the sad story of the late Johnny Lee, the World War II fighter pilot of whom, rather mysteriously, the military authorities have no record. His family are concerned – perhaps Kinsey could make a few calls, straighten things out? Then Johnny's apartment is ransacked. In the debris a hidden safe is uncovered – and in that safe is a mysterious key marked LAWLESS. That night Kinsey's on a plane to Dallas, at the start of a thrilling rollercoaster ride through Texas and Kentucky on the trail of long-buried treasure. Unfortunately there's a fire-raising psychopath on her tail . . . And she's going to be late for a very important wedding . . .

“A Houston lawyer's attempt to escape the rat race backfires with hilarious results in Davis's thoroughly enjoyable debut crime novel” (Publishers Weekly). Reveling in outrageous shenanigans and hilariously off-kilter characters, Shoveling Smoke does for East Texas what Carl Hiaasen's novels do for South Florida. Burned-out corporate lawyer Clay Parker chucks it all and moves from Houston to a tiny firm in a dusty small town, searching for his lost integrity and a simpler life. Instead, he lands in the middle of a bungled fraud case defending the disreputable and downright nasty Bevo Rasmussen, accused of torching the stables housing his over-insured thoroughbreds. Immediately confronted with corrupt officials, crazed survivalists, an incompetent hit man, an emu, and a naked county clerk, along with an assortment of vengeful

wives and great barbecue, Clay discovers that nothing about his case—or in East Texas—is what it seems.

Glasgow is a city in mourning. An arson attack on a hairdresser's has left five dead. Tempers are frayed and sentiments running high. When three youths are charged the city goes wild. A crowd gathers outside the courthouse but as the police drive the young men to prison, the van is rammed by a truck, and the men are grabbed and bundled into a car. The next day, the body of one of them is dumped in the city centre. A note has been sent to the newspaper: one down, two to go. Detective Harry McCoy has twenty-four hours to find the kidnapped boys before they all turn up dead, and it is going to mean taking down some of Glasgow's most powerful people to do it . . .

· In Portland, Oregon, the wives of several prominent businessmen have disappeared without a trace, leaving behind only a black rose and a note with a simple message: "Gone, But Not Forgotten." · An identical series of disappearances occurred in Hunter's Point, New York, ten years ago—but the killer was caught, the case was closed and the special "rose killer" task force was disbanded. · Betsy Tannenbaum, a Portland wife and mother who has gained national recognition as a feminist defense attorney, is retained by multimillionaire Portland developer Martin Darius—for no apparent reason. · Nancy Gordon, a homicide detective for the Hunter's Point Police Department and an original member of the "rose killer" task force, hasn't slept a full night in ten years, haunted by nightmares of a sadistic killer who, she swears, is still out there. . . . Alan Page, the Portland district attorney, trying to make sense of the sudden series of disappearances, opens his front door one evening to find Nancy Gordon on his doorstep—determined to tell him a story he won't soon forget. · Across the country, in Washington, D.C., the President of the United States has just selected United States Senator Raymond Colby to be the next Chief Justice of the Supreme Court. In a private meeting, Colby assures the President there are no skeletons in his closet. Complex, utterly compelling, and brilliantly executed, GONE, BUT NOT FORGOTTEN is a book that truly lives up to its extraordinary advance praise: Once begun it simply cannot be put down.

Detective Sergeant Logan McRae isn't exactly thrilled to be part of the team helping settle parolled convict Martin Knox into his new Aberdeen home, or being stuck with DSI Danby from Northumbria Police who put Knox behind bars. And things are about to go very, very wrong. Three heavies from Newcastle want a 'quiet word' with DSI Danby about a missing mob accountant. And Martin Knox's dark past isn't done with him yet!

One man's sacrifice shocks the world . . . One woman's courage threatens a conspiracy as old as humankind . . . And some will do anything—anything—to keep their secrets in the dark. Sanctus A man climbs a cliff face in the oldest inhabited place on earth as the Citadel, a Vatican-like city-state that towers above the city of Ruin in modern-day Turkey. But this is no ordinary ascent—a dangerous, symbolic act. And thanks to the media, it is an event witnessed by the entire world. Few people understand its complexity. For foundation worker Kathryn Mann and a handful of others, it's evidence that a revolution is at hand. For the Sancti, the cowl-wearing monks who live inside the Citadel, it could mean the end of everything they have built. They will stop at nothing to keep what they have built. They will break every law in every country and even kill to hold it fast. For American reporter Liv Adamsen, it spurs the memory of her brother she lost years before, setting her on a journey across the world and into the heart of her own identity. There, she will find something so shocking that it will change everything. . . .

Two Ash Henderson crime thrillers from the author of four consecutive No. 1 Sunday Times bestsellers.

Edinburgh Detective Inspector Tony McLean is drawn into a set of cases separated by six decades, but connected by a macabre ritual killing in the first entry of the Detective Inspector MacLean mystery series. A young girl's mutilated body is discovered in a crypt sealed for the last sixty years. Her remains are carefully arranged in what seems to have been a macabre ritual. For new Edinburgh Detective Inspector Tony McLean, this baffling cold case ought to be a low priority, but he is haunted by the young girl's grisly death. Meanwhile, the city is horrified by a series of bloody killings—deaths for which there appears to be neither rhyme nor reason which leave Edinburgh's police at a loss. McLean is convinced that these deaths are somehow connected to the terrible ceremony that killed the girl, all those years ago. It is an irrational theory. And one that will lead McLean closer to the heart of a terrifying and ancient mystery. There's no rest for the weary in the afterlife. We all must earn our passage to the next world-or pay the ultimate price. Logan's journey through his senses with his memory full of holes, and a half-familiar woman asks him if he remembers how and why he died. She tells him that his passage to the next level, leads him through doorways to impossible places with surreal landscapes and bizarre inhabitants. Logan enters into pictures that are portals to his past. Logan meets his spirit guide in the form of a friendly dog, finds and then loses the girl in his dreams, and battles a madman who has enslaved the entire populace of the afterlife world. Then shadows come to claim Logan and the stakes are his own immortal soul-and the souls of everyone he loves. All he has to do to earn his passage is rescue the girl, defeat the shadows and their master, and correct the mistakes he made that ruined his life. If he fails, everyone will burn. But the punishment for failure is a one-way ticket to Hell.
