

Elephant Prince: The Story Of Ganesh

Wally and Harry are very excited when Prince Alfred arrives with his elephant on a royal visit to the small town of Auckland in 1870.

In 1939, artist Georgia O'Keeffe creates nearly twenty paintings as she tours the Hawaiian islands, but refuses to paint pictures of pineapples the way her sponsors tell her to.

The magical story of how Ganesh, the son of Shiva and Parvati, was brought back to life with the head of an elephant • The story of one of the most beloved characters in Indian lore, made accessible for Western children • Illustrated throughout with paintings from the classic Indian tradition Any Indian child can tell you how the beloved god Ganesh got his elephant's head--now American children can know as well. For centuries Indian children have grown up hearing Ganesh's story--how his mother, Parvati (an incarnation of the great mother goddess), created a small boy from sandalwood soap and commanded that he guard the palace against all intruders while she took her bath. How her husband, Shiva (the fearsome god of destruction), didn't take kindly to being barred from his own home. How Shiva beheaded the boy during the cosmic war that followed, but then, when he realized that the balance of the entire universe was at stake, brought the boy back to life by grafting an elephant's head onto his body and made him the people's intercessor against the powers of destruction. Ganesh's timeless story teaches children about the steadfast power of dedication to duty, the awe-inspiring power of a mother's love for her child, and the gentle power of compassion, which holds the world together. Accompanied by rich, color illustrations prepared according to the traditional Hindu canon, How Ganesh Got His Elephant Head will transport children to a magical world filled with ancient wisdom.

How can a beautiful white elephant be a terrible curse? Run-Run, a young elephant trainer, discovers the answer when he incurs the fury of the prince. The boy's punishment? The gift of an elephant, white as a cloud. From that moment forward, the curse reveals itself. According to tradition, so rare an elephant cannot be allowed to work for its keep. It is poor Run-Run who must feed the beast the hundreds of pounds of food it eats each day, and scrub it clean, and brush its pom-pom of a tail, and wash behind its ears, and, above all, keep it from doing any work. Oh, if only Run-Run could make the magnificent white elephant disappear! Clever as a magician, he does—but the curse has tricks of its own for Run-Run.

How Ganesh Got His Elephant Head

Uncle Elephant

Upon completion of the Brooklyn Bridge, P.T. Barnum and his twenty-one elephants parade across to prove to everyone that the bridge is safe.

Retells the story of how the Hindu god Ganesh came to have the head of an elephant.

A man drives alone along the vast, desolate roads of Patagonia, a mystical land. He comes across a starving and helpless teenager, who is now the prince grown older and returned to Earth. The two travellers, extremely different in both background and personality, begin a deep, simple and meaningful conversation that gets to the heart of life's most important questions. The trip becomes a truly spiritual journey, moving from innocence to maturity, from the everyday to the metaphysical, and from sadness and cynicism to happiness and enthusiasm for life.

2019 Colorado Book Award Finalist Recognized in The 50 Best Multicultural Picture Books of 2018 Mela sets out to explore the river outside her village but quickly ends up in trouble when her little boat is swept downstream and into the dense jungle. She encounters a crocodile, a leopard, and some monkeys, offering each a prize return for helping her find her way home but the animals snatch up their rewards without helping Mela back to her village. Just when she's about to give up, an elephant shows Mela that kindness is its own reward. This new fable is told with authentic Thai customs and includes an author's note with more Thai traditions and language.

Reproduction of the original: George Alfred Henty, the Story of an Active Life by George Manville Fenn

In this small volume the author has selected and adapted folk stories from the rich folk heritage of various parts of the Indian subcontinent, especially India. These moral fables feature kings, princesses, farmers, peasants, the foolish and the wise, as well as animals and birds, who, as in all the best folk tales, can talk. Wicked stepmothers and wily cheats get their comeuppance, while more innocent characters tend to learn their lesson in wisdom or receive their reward. These thought-provoking, simple stories will give pleasure to young and old.

Another sweet, classic bedtime tale from Arnold Lobel, the beloved author and illustrator of the Newbery Honor and Caldecott Honor award-winning Frog and Toad books. While his mother and father are away, a little elephant goes to visit his uncle. And what a time they have! Uncle Elephant makes wishes come true, tells amazing stories, and trumpets the dawn. The visit is perfect, except for one thing—it ends much too soon. This Level Two I Can Read is geared toward kids who read on their own but still need a little help. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor, a Caldecott Honor, ALA Notable Children's Book, Fanfare Honor List (Horn Book), School Library Journal Best Children's Book, and Library of Congress Children's Book.

The Cowboy and His Elephant

Ever since he was an infant, Pigeon Jones has lived on the back of an artistically gifted white elephant named Birch. Birch is a loving father, but that doesn't stop Pigeon from wondering about the human parents who abandoned him. Birch has dreams, too—of being a well-known artist, and of finding the acrobat he fell in love with while they performed together in a circus years ago. And so, on Pigeon's tenth birthday, their search for fame and lost loves begins. Pigeon and Birch paint their way across the world, dodging an evil circus ringleader, freeing zoo animals, and befriending singing hoboes along the way. But when they reach the end of their journey, Birch must master the most difficult art of all: letting go and allowing his beloved Pigeon to stand on his own two feet.

The Africa-wide Great Elephant Census of 2016 produced shocking findings: a decimated elephant population whose numbers were continuing to plummet. Elephants are killed, on average, every 15–20 minutes – a situation that will see the final demise of these intelligent, extraordinary animals in less than three decades. They are a species in crisis. This magnificent book offers chapters written by the most prominent people in the realm of conservation and wildlife, among them researchers, conservationists, film makers, criminologists, TV personalities and journalists. Photographs have been selected from among Africa's best wildlife photographers, and the Foreword is provided by Prince William. It is hoped this book will create awareness of the devastating loss of elephant lives in Africa and stem the tide of poaching and hunting; that it will inspire the delegates to CITES to make informed decisions to ensure that all loopholes in the ivory trade are closed; and that countries receiving and using ivory (both legal and poached) – primarily China, Vietnam, Laos and Japan – ban and strenuously police its trade and use within their borders, actively pursuing and arresting syndicate leaders driving the cruel poaching tsunami. This book is also a tribute to the many people who work for the welfare of elephants, particularly those who risk their lives for wildlife each day, often for little or no pay – in particular the field rangers and the anti-poaching teams; and to the many communities around Africa that have elected to work with elephants and not against them. The Last Elephants – is the title prophetic? We hope not, but the signs are worrying.

New York Times Bestseller! A School Library Journal Best Book A never-before-published, previously unfinished Mark Twain children's story is brought to life by Philip and Erin Stead, creators of the Caldecott Medal-winning A Sick Day for Amos McGee. In a hotel in Paris one evening in 1879, Mark Twain sat with his young daughters, who begged their

father for a story. Twain began telling them the tale of Johnny, a poor boy in possession of some magical seeds. Later, Twain would jot down some rough notes about the story, but the tale was left unfinished . . . until now. Plucked from the Mark Twain archive at the University of California at Berkeley, Twain's notes now form the foundation of a fairy tale picked up over a century later. With only Twain's fragmentary script and a story that stops partway as his guide, author Philip Stead has written a tale that imagines what might have been if Twain had fully realized this work. Johnny, forlorn and alone except for his pet chicken, meets a kind woman who gives him seeds that change his fortune, allowing him to speak with animals and sending him on a quest to rescue a stolen prince. In the face of a bullying tyrant king, Johnny and his animal friends come to understand that generosity, empathy, and quiet courage are gifts more precious in this world than power and gold. Illuminated by Erin Stead's graceful, humorous, and achingly poignant artwork, this is a story that reaches through time and brings us a new book from America's most legendary writer, envisioned by two of today's most important names in children's literature. A Bank Street College of Education Best Children's Book of the Year "Will capture the imaginations of readers of all ages"--USA Today, (out of four stars) "Samuel Langhorne Clemens himself would be proud."--Booklist, starred review "A cast of eccentric characters, celestially fine writing, and a crusade against pomp that doesn't sacrifice humor."--Publishers Weekly, starred review "Completing a story penned by arguably America's greatest author is no easy feat, but the Caldecott-winning author-illustrator (and husband-wife) team proves more than equal to the task. . . . A pensive and whimsical work that Twain would applaud."--Kirkus, starred review "The combination of Twain's (often sarcastic) humor and "lessons of life," a touch of allegory, and Stead's own storytelling skills result in an awesome piece of fantasy."--School Library Journal, starred review "Beautifully understated and nuanced illustrations by Erin Stead add the finishing flourishes to this remarkable work."--Shelf Awareness, starred review "drawn with a graceful crosshatched intelligence that seems close to the best of Wyeth."--Adam Gopnik, The New York Times "Twain and the two Steads have created what could become a read-aloud classic, perfect for families to enjoy together."--The Horn Book "Artful and meta and elegant"--The Wall Street Journal "Should inspire readers young and old to seek further adventures with Twain."--The Washington Post

Flavia's Dream Maker Stories #1

Ellie the Elephant (Photo Version)

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE BOSTON GLOBE This richly entertaining biography chronicles the eventful life of Queen Victoria's firstborn son, the quintessential black sheep of Buckingham Palace, who matured into as wise and effective a monarch as Britain has ever seen. Granted unprecedented access to the royal archives, noted scholar Jane Ridley draws on numerous primary sources to paint a vivid portrait of the man and the age to which he gave his name. Born Prince Albert Edward, and known to familiars as "Bertie," the future King Edward VII had a well-earned reputation for debauchery. A notorious gambler, glutton, and womanizer, he preferred the company of wastrels and courtesans to the dreary life of the Victorian court. His own mother considered him a lazy halfwit, temperamentally unfit to succeed her. When he ascended to the throne in 1901, at age fifty-nine, expectations were low. Yet by the time he died nine years later, he had proven himself a deft diplomat, hardworking head of state, and the architect of Britain's modern constitutional monarchy. Jane Ridley's colorful biography rescues the man once derided as "Edward the Caresser" from the clutches of his historical detractors. Excerpts from letters and diaries shed new light on Bertie's long power struggle with Queen Victoria, illuminating one of the most emotionally fraught mother-son relationships in history. Considerable attention is paid to King Edward's campaign of personal diplomacy abroad and his valiant efforts to reform the political system at home. Separating truth from legend, Ridley also explores Bertie's relationships with the women in his life. Their ranks comprised his wife, the stunning Danish princess Alexandra, along with some of the great beauties of the era: the actress Lillie Langtry, longtime "royal mistress" Alice Keppel (the great-grandmother of Camilla Parker Bowles), and Lady Randolph Churchill, mother of Winston. Edward VII waited nearly six decades for his chance to rule, then did so with considerable panache and aplomb. A magnificent life of an unexpectedly impressive king, *The Heir Apparent* documents the remarkable transformation of a man—and a monarchy—at the dawn of a new century. Praise for *The Heir Apparent* "If [The Heir Apparent] isn't the definitive life story of this fascinating figure of British history, then nothing ever will be."—*The Christian Science Monitor* "The Heir Apparent is smart, it's fascinating, it's sometimes funny, it's well-documented and it reads like a novel, with Bertie so vivid he nearly leaps from the page, cigars and all."—*Minneapolis Star Tribune* "I closed *The Heir Apparent* with admiration and a kind of wry exhilaration."—*The Wall Street Journal* "Ridley is a serious scholar and historian, who keeps Bertie's flaws and virtues in a fine balance."—*The Boston Globe* "Brilliantly entertaining . . . a landmark royal biography."—*The Sunday Telegraph* "Superb."—*The New York Times Book Review*

A children's story about a boy who wanted an elephant for a friend but ended up with dinosaur as well.

This is a retelling of the fable about six blind men who each get a limited understanding of what an elephant is by feeling only one part of it.

In the late 1980s, a female baby elephant was born into a herd that lived on the plains of southern Africa. Her mother has carried her for two years, and normally she would have nursed her for five more. But the

close-knit family of wild elephants was to face a predator for which it was no match--humans. In a "cull," her family was slaughtered in a few moments. Only the newborn female's life was spared. Terrified and bewildered the young elephant was transported to America to be sold. There she met the person who was to change her life forever. Bob Norris is a cowboy with an enormous empathy for animals that overwhelms his other emotions. He was raised with a pet bear and as a boy decided to become a real cowboy. He saw his dream come true in Colorado on one of the larger horse-and-cattle ranches in America. Handsome as a movie star, he became the Marlboro Man and appeared on TV and on billboards around the world. But with the passing of years, and with his own family grown up, he felt the need for something that he could not name. When she came into his life by happenstance, the hurt, vulnerable little elephant tapped the fullness of Bob's empathy, and an incredible bond between the most unlikely of friends was forged. Bob adopted the baby orphan elephant--named Amy--and patiently set about helping her recover from the trauma of her ordeal. He had never seen a real African elephant up close, except in zoos. He was a horseman and breeder of champion quarter horses. But through close observation, gentle training, humor, and endless perseverance, Bob gradually coaxed Amy into overcoming her mistrust of humans, and indeed, her fear of the world. The little elephant became a "hand" on Bob's ranch, tending to simple chores, riding the fences, and shadowing Bob on his horse. She developed a winning personality, and a strong character, and became a beloved member of the Norris family and partner to the ranch hands. But Bob knew from the start that the ultimate goal was for Amy to regain her confidence and her independence - even, if it were possible, to go back to the savannahs of Africa. This is the true story of how Amy and Bob came together. No one who reads *The Cowboy and His Elephant* can fail to be moved by such a simple tale of unlikely love.

The Return of the Young Prince

The White Elephant

What Happens When a Loved One Dies?

A World Adventurers for Kids Book (#2)

A heartwarming story with a message as big as an elephant, this is a fanciful tale of friendship between an eccentric lady and her beloved pet elephant. When Mrs Bibi is told her pet elephant has to go, she reluctantly packs her bags and heads off somewhere where they can live together in happiness. But what they both leave behind is far bigger than the other people in the town could have ever imagined.

The forests of Eastern India, during the late years of the British Raj, were rife with stories about a mythical maiden riding a wild pachyderm. On a train ride through these deep jungles, a series of strange events unfold to pique the curiosity of Raj Narayan, the crown prince of Paschim Behar. Two attempts on Raj's life as well as the murder of his father, the Maharajah and his favourite brother in the Royal Palace seem to be linked to a conspiracy to shroud the legend of the elephant girl in secrecy. What starts as a short trip soon hurtles crown prince Raj into a rollercoaster ride of adventure as he becomes obsessed to get to the bottom of the mystery of the elephant girl. Torn between his urge to seek out the mysterious maiden notwithstanding the advanced pregnancy of his wife and the evolving intrigues around succession amongst the brothers and his beautiful step mother, he finds himself in the maze of royal intrigue with the players shuttling between the opulent royal palace and deep dark forest with royal secrets. Will he betray his loving wife's trust to be with the maiden? Will he find the murderer? Will he survive the savage mysterious forests and live to tell his tale?

Charts the extraordinary career of the doctor who treated the Elephant Man, helped found the British Red Cross Society, was the most famous surgeon of his time and became a best-selling author of travel books and autobiography.

Elephant Joe, brave knight, will! (With his trusty sidekick, Zebra Pete, of course.) But there's an unexpected twist in this tale. Is the damsel in distress who she seems to be? And what happens when Elephant Joe and Zebra Pete wake the dragon guarding the Dark Knight's tower? There'll be lots of jousting and heroics before it's all over in this comical adventure from British author-illustrator David Wojtowycz. And we mean comic-al! Witty asides and clever dialogue in word balloons add to the

hilarity and captivating design.

Farewell, Grandpa Elephant

When Georgia O'Keeffe Painted what She Pleas

NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard “Billy” Williams, whose uncanny rapport with the world’s largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill In 1920, Billy Williams came to colonial Burma as a “forest man” for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted “elephant wallah.” In *Elephant Company*, Vicki Constantine Croke chronicles Williams’s growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. *Elephant Company*, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, *Elephant Company* is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for *Elephant Company* “This book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . *Elephant Company* is nothing less than a sweeping tale, masterfully written.”—Sara Gruen, *The New York Times Book Review* “Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke’s story is an often moving account of [Billy] Williams, who earned the sobriquet ‘Elephant Bill,’ and his unusual bond with the largest land mammals on earth.”—*The Boston Globe* “Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again.”—*New York Post* “Vicki Constantine Croke delivers an exciting tale of this elephant whisperer–cum–war hero, while beautifully reminding us of the enduring bonds between animals and humans.”—Mitchell Zuckoff, author of *Lost in Shangri-La* and *Frozen in Time*

In this latest installment in the cherished No. 1 Ladies’ Detective Agency series, Mma Ramotswe must balance family obligations with the growing needs of one of Charlie’s pet projects. Precious Ramotswe loves her dependable old van. Yes, it sometimes takes a bit longer to get going now, and it has developed some quirks over the years, but it has always gotten the job done. This time, though, the world—and Charlie—may be asking too much of it, for when he borrows the beloved vehicle, he returns it damaged. And, to make matters worse, the interior seems to have acquired an earthy smell that even Precious can’t identify. But the olfactory issue is not the only mystery that needs solving. Mma Ramotswe is confronted by a distant relative, Blessing, who asks for help with an ailing cousin. The help requested is of a distinctly pecuniary nature, which makes both Mr. J.L.B. Matekoni and Mma Makutsi suspicious. And there is no peace at home, either, as the new neighbors are airing their marital grievances rather loudly. Still, Mma Ramotswe is confident that the solutions to all of these difficulties are there to be discovered—as long as she is led by kindness, grace, and logic and can rely on the counsel of her friends and loved ones.
