She’s foreseen hundreds of car crashes, heart attacks, strokes, and suicides. She merely needs to touch you—skin to skin contact—and she knows how and when your final moments will occur. Miriam has given up trying to save people; that only makes their deaths happen. But when she hitches a ride with Louis Darling and shakes his hand, she sees in thirty days that Louis will be murdered while he calls her name— Louis will die because he met her, and Miriam will be the next victim. No matter what she does she can’t save Louis. But if she wants to stay alive, she’ll have to try. "Think Six Feet Under co-written by Stephen King and Chuck Palahniuk" (SFX), and you have Blackbirds: a visceral, exciting novel about life on the edge.

In the Zombie apocalypse the last Vampire on Earth has a hell of time keeping his food alive. Coburn's been dead now for close to a century, but seeing as how he’s a vampire and all, it doesn’t much bother him. Or at least it didn’t, not until he awoke from a forced five-year slumber to discover that most of human civilization was now dead—but not dead like him, oh no. See, Coburn likes blood. The rest of the walking dead, they like brains. He’s smart. Them, not so much. But they outnumber him by about a million to one. And the clotted blood of the walking dead cannot sustain him. Now he’s starving. And nocturnal. And more pissed-off than a bee-stung rattlesnake. The vampire not only has to find human survivors (with their sweet, sweet blood), but now he has to transition from predator to protector—after all, a man has to look after his food supply.

The Emperor is dead, and the remnants of his former Empire are in retreat. As the New Republic fights to restore a lasting peace to the galaxy, some dare to imagine new beginnings and new destinies. For Han Solo, that means settling his last outstanding debt, by helping Chewbacca liberate the Wookiee’s homeworld of Kashyyyk. Meanwhile, Norra Wexley and her band of Imperial hunters pursue Grand Admiral Rae Sloane and the Empire’s remaining leadership across the galaxy. Even as more and more officers are brought to justice, Sloane continues to elude the New Republic, and Norra fears Sloane may be searching for a means to save the crumbling Empire from oblivion. But the hunt for Sloane is cut short when Norra receives an urgent request from Princess Leia Organa. The attempt to liberate Kashyyyk has carried Han Solo, Chewbacca, and a band of smugglers into an ambush—resulting in Chewie’s capture and Han’s disappearance. Breaking away from their official mission and racing toward Kashyyyk, Norra and her crew prepare for any challenge that stands between them and their missing comrades. But they can’t anticipate the true depth of the danger that awaits them—or the ruthlessness of the enemy drawing them into his crosshairs.

NEW YORK TIMES BESTSELLER A long time ago in a galaxy far, far away. . . . When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their own ruthlessness to prevail. "It appears things are as you suspected, Lord Vader. We are indeed hunted." Anakin Skywalker, Jedi Knight, is just a memory. Darth Vader, newly anointed Sith Lord, is ascendant. The Emperor's chosen apprentice has swiftly proven his loyalty to the dark side. Still, the history of the Sith Order is one of duplicity, betrayal, and acolytes violently usurping their Masters—and the truest measure of Vader's allegiance has yet to be taken. Until now. On Ryloth, a planet crucial to the growing Empire as a source of slave labor and the narcotic known as “spice,” an aggressive resistance movement has arisen, led by Cham Syndulla, an idealistic freedom fighter, and Isval, a vengeful former slave. But Emperor Palpatine means to control the embattled world and its precious resources—by political power or firepower—and he will be neither intimidated nor denied. Accompanied by his merciless disciple, Darth Vader, he sets out on a rare personal mission to ensure his will is done. For Syndulla and Isval, it's the opportunity to strike at the very heart of the ruthless dictatorship sweeping the galaxy. And for the Emperor and Darth Vader, Ryloth becomes more than just a matter of putting down an insurrection: When an ambush sends them crashing to the planet’s surface, where inhospitable terrain and an army of resistance fighters await them, they will find their relationship tested as never before. With only their lightsabers, the dark side of the Force, and each other to depend on, the two Sith must decide if the brutal bond they share will make them victorious allies or lethal adversaries. Praise for Lords of the Sith “A compelling tale [that] gives us new insight into the relationship between Darth Vader and his master, Emperor Palpatine.”—New York Daily News “Endlessly fascinating . . . a tale [that is] not just compelling but completely thrilling.”—Big Shiny Robot “The best novel so far in this new era of official canon Star Wars stories.”—IGN “Packed with action . . . hard to put down.”—Seattle Geekly
Our world is hurtling towards a momentous climax. The opposing hordes of darkness are fighting for their very lives with all the bitterness and defiance they can muster because they realize that the close of the age is upon them. As they draw upon their last reserves of strength, the methods and measures of warfare that the Church has known are being stretched, thus the Church must be equipped with the knowledge of the kind of warfare this season calls us to and what weapons we have been provided with by heaven to rout the enemy and his minions. Star Wars: Engaging the Heavens in End-time Warfare is a word in season that unpacks the counsel of God for believers to arise in the glory and power of Christ's ordination and release the judgement written upon all the enemies of God. The author, through this book, unveils deep mysteries that are set to cause a major shift, redefine spiritual warfare and recalibrate the church into alignment with her destiny as was determined before the fall of creation. The book goes into the heart of the Father to download from the original blueprint of creation that mankind deviated from when Adam fell from glory heights. It stirs and redirects the heart of the reader away from the activities of the old wineskin which are not rooted in the pursuit of kingdom purpose and destiny fulfilment to focused alignment with kingdom activities that fulfil destiny as originally intended by God.

The Rise of the Empire: Star Wars

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. “I have sensed a disturbance in the Force.” Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor’s favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it’s not the first time Vader and Thrawn have joined forces. And there’s more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth’raw’nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

When Atlanta Burns saves a pair of teens from bullies, another teen ends up dead by an apparent suicide, while Atlanta hopes to avoid further trouble by investigating the killing of a local dog, which leads her to more bullies associated with a dogfighting ring.

They are the galaxy’s most elite fighting force. And as the battle against the Empire rages, the X-wing fighters risk life and machine to protect the Rebel Alliance. Now they must go on a daring undercover mission--as the crew of an Imperial warship. It is Wedge Antilles' boldest creation: a covert-action unit of X-wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. But before the new pilots can complete their training, the squadron's base is attacked by former Imperial admiral Trigit, and Wraith Squadron is forced to swing into action--taking over an Imperial warship and impersonating its crew. The mission: to gain vital intelligence about Trigit's secret weapons, to sabotage the admiral's plans, and to lure him into an Alliance trap. But the high-stakes gamble pits Wraith Squadron's ragtag renegades against the Empire's most brilliant master of guile and deception. Are they up to the challenge? If not, the penalty is instant death. The Sunday Times Bestseller Following Star Wars: Aftermath and Star Wars: Life Debt, Chuck Wendig delivers the exhilarating conclusion to the bestselling trilogy set in the years between Return of the Jedi and The Force Awakens. As the final showdown between the New Republic and the Empire draws near, all eyes turn to a once-isolated planet: Jakku. The Battle of Endor shattered the Empire, scattering its remaining forces across the galaxy. But the months following the Rebellion’s victory have not been easy. The fledgling New Republic has suffered a devastating attack from the Imperial remnant, forcing the new democracy to escalate their hunt for the hidden enemy. For her role in the deadly ambush, Grand Admiral Rae Sloane is the most wanted Imperial war criminal—and one-time rebel pilot Norra Wexley, back in service at Leia’s urgent request, is leading the hunt. But more than just loyalty to the New Republic drives Norra forward: her husband was turned into a murderous pawn in Sloane’s assassination plot, and now she wants vengeance as much as justice. But Sloane, too, is on a furious quest: pursuing the treacherous Gallius Rax to the barren planet Jakku. As the true mastermind behind the Empire’s devastating attack, Rax has led the Empire to its defining moment. The cunning strategist has gathered the powerful remnants of the Empire’s war machine, preparing to execute the late Emperor Palpatine’s final plan. As the Imperial fleet orbits Jakku, an armada of Republic fighters closes in to finish what began at Endor. Norra and her crew soar into the heart of an apocalyptic clash that will leave land and sky alike scorched. And the future of the galaxy will finally be decided.

NEW YORK TIMES BESTSELLER • Journey to Star Wars: The Force Awakens “Star Wars: Aftermath [reveals] what happened after the events of 1983’s Return of the Jedi. It turns out, there’s more than just the Empire for the good guys to worry about.”—The Hollywood Reporter As the Empire reels from its critical defeats at the Battle of Endor, the Rebel Alliance—now a fledgling New Republic—presses its advantage by hunting down the enemy’s scattered forces before they can regroup and retaliate. But above the remote planet Akiva, an ominous show of the enemy’s strength is unfolding. Out on a lone reconnaissance mission, pilot Wedge Antilles watches Imperial Star Destroyers gather like birds of prey circling for a kill, but he’s taken captive before he can report back to the New Republic leaders. Meanwhile, on the planet’s surface, former rebel fighter Norra Wexley has returned to her native world—war weary, ready to reunite with her estranged son, and eager to build a new life in some distant place. But when Norra intercepts Wedge Antilles’s urgent distress call, she realizes her time as a freedom fighter is not yet over. What she doesn’t know is just how close the enemy is—or how decisive and dangerous her new mission will be. Determined to preserve the Empire’s power, the surviving Imperial elite are converging on Akiva for a top-secret emergency summit—to consolidate their forces and rally for a counterstrike. But they haven’t reckoned on Norra and her newfound allies—her technical-genius son, a Zabrak bounty hunter, and a reprobate Imperial defector—who are prepared to do whatever they must to end the Empire’s oppressive reign once and for all. Praise for Aftermath “The Force is strong with Star Wars: Aftermath.”—Alternative Nation “The Star Wars universe is fresh and new again, and just as rich and mysterious as it always was.”—Den of Geek “[Chuck] Wendig neatly captures the current states of the Empire and Rebel Alliance and does so through flawed, real, and nuanced characters. His writing gets you up close and personal. . . . Wendig does wonders with dialogue and voice and carving out space for everyone to breathe. Aftermath is a strong foot forward into unexplored territory and puts down just enough foundation that you can start picturing the Resistance and First Order of The Force Awakens taking shape.”—Nerdist “If the opening chapter of the Wendig’s Aftermath trilogy is any indication, the ‘Journey to Star Wars: The Force Awakens’ will be every bit as exciting as the movie.”—New York Journal News “A wonderful Star Wars adventure by a gifted author.”—SF Force Views

Journey to Star Wars: The Force Awakens with this exclusive ebook short story set shortly before the events of the film, featuring a quick-witted mercenary who takes big risks for bigger rewards—and now faces the challenge that will take her to the edge. There are plenty of mercenaries, spies, and guns for hire in the galaxy. But probably none as dangerous and determined as Bazine Netal. A master of disguise—and lethal with a blade, a blaster, or bare handed—she learned from the best. Now it’s her turn to be the teacher—even if schooling an eager but inexperienced recruit in the tricks of her trade is the last thing she wants to do. But it’s the only way to score the ship she needs to pull off her latest job. An anonymous client has hired Bazine to track down an ex-stormtrooper and recover the mysterious package he’s safeguarding. Payment for the mission promises to be astronomical, but the obstacles facing Bazine will prove to be formidable. And though her eager new sidekick has cyber skills crucial to the mission, only Bazine’s razor-sharp talents will mean the difference between success or failure—and life or death.

Nebula and Hugo Award nominees Daniel Abraham and Ty Franck—writing as James S. A. Corey—make their Star Wars debut in this brand-new epic adventure featuring Han Solo, Luke Skywalker, and Princess Leia Organa. The action begins after the destruction of the Death Star in Star Wars: Episode IV A New Hope. When the Empire threatens the galaxy’s new hope, will Han, Luke, and Leia become its last chance? When the mission is to extract a high-level rebel spy from the very heart of the Empire, Leia Organa knows the best man for the job is Han Solo—something the princess and the smuggler can finally agree on. After all, for a guy who broke into an Imperial cell block and helped destroy the Death Star, the assignment sounds simple enough. But when Han locates the brash rebel agent, Scarlet Hark, she’s determined to stay behind enemy lines. A pirate plans to set a cache of stolen secrets that the Empire would destroy entire worlds to protect—including the planet where Leia is currently meeting with rebel sympathizers. Scarlet wants to track down the thief and steal the bounty herself, and Han has no choice but to go along if he’s to keep everyone involved from getting themselves killed. From teeming city streets to a lethal jungle to a trap-filled alien temple, Han, Chewbacca, Leia, and their daring new comrade confront one ambush, double cross, and firestorm after another as they try to keep crucial intel out of Imperial hands. But even with the crack support of Luke Skywalker’s x-wing squadron, the Alliance heroes may be hopelessly outgunned in their final battle for the highest of stakes: the power to liberate the galaxy from tyranny or ensure the Empire’s reign of darkness forever. Praise for Honor Among Thieves “If you like Han Solo . . . you won’t want to miss Honor Among Thieves. . . . A novel that flies by quicker than the Millennium Falcon on the Kessel Run.”—Lightsaber Rattling “A fast-paced romp.”—Big Shiny Robot “Honor Among Thieves felt very ‘vintage.’ . . . It nailed the classic Star Wars vibe in a way I haven’t experienced in a long time.”—Making Star Wars “One of the best Star Wars novels I’ve ever read.”—Knights’ Archive “Absolutely [captures] the magic of Star Wars and the era it’s aiming for.”—Jedi News (UK) “[The] most pleasurable ‘Classic Trilogy’ Star Wars reading in a long time. . . . Adding a complexity of thought and action to a classic character like Han will satisfy those looking to indulge a deeper side.”—TheForce.net “James S. A.
