

False Gods: From The World Of The Federal Witch Series (Arcane Corps Book 1)

Blends ancient Greek myths with the contradictions of modern New York society--Hermes is a Jewish lawyer, and Hephaestus in a designer of Palladian villas--to create six fables that comment on how impulse and desire can weaken moral sensibilities

Rick Kent the author of this book allows science, religion, spirituality, and the world's mysteries to be united in a modern high tech world in most of his books. Consequently, with many people their mind may be opened to a different outlook completely, at the existence of GOD in the world. By reading this book by the writings thereof, it will make the world a better place by accepting and doing the advice given by the author and the voice of Jesus and his creator father of this universe! Before reading this book, one must realize that you will hear the truth, and the "truth will set you free" as Jesus really meant. What is real is truth and truth can never be changed like figures with a mathematician, and you will no longer live in a fantasy, or live a myth that a certain religion or someone may have told you. On the other hand, a book that was written by the voice of a false god, angel, prophet, or other being within the heavens acting as an authority of life unto the author is also a great falsity back in ancient times, as we understand them. By reading this book, you will hear the truth of your very existence, so beware of hearing and seeing what is real by the voice of the true creator of this universe along with his children or beings of him that were working with him to create it. If you do not really want to see the truth about this planet humanity calls Earth, this book may not be a book that you should read! By reading this book you will learn of our past and future events - some positive --- some negative, but as truthful as possible by the spirit and guidance of the truthful creators related to this universe. The gist of the Old Testament is about an ET called a god related to Israel and their independence from slaves in Egypt. The Old Testament is a book of wars and strong egos from gods and various kings wanting to control the world with the gods all having their own agenda for being here. Furthermore, most of these ET gods had a strong interest in the precious metals, especially gold and silver that had to do with rituals and technology they had in that day from worlds beyond ours. However, the New Testament is mainly about Jesus and the letters of Paul the Apostle. I pray that pride does not keep someone from seeing the great truths of this book, or no one is offended by any humor in this book. It really should not offend, unless one's heart is as rigid as iron, and as narrow as the hair follicle on one's head. GOD has a sense of humor by a baby making funny noises like cooing. We have walruses, laughing hyenas, parrots that say the dandiest things along with penguins walking so funny, and

there's more, for you are the creator of more to be written from your mind for a bird told me that we are about to have a paper shortage. By reading this book, one will find the information about immortality, and what it is really all about with no wool pulled over someone's eyes as religions can do. There are plenty of smoke screens in life and what we hear and see behind the scenes means a rude awakening to the psyche, for with certain religions and with words when they are manipulated along with figures when it comes to finances too. For if, we really think about life, it is full of smoke screens, and this book will expose some of them. People in general on this planet would rather live with myths in a world of false realities than to hear the truth and deal with it, and become close to GOD in the process of accepting what is true and real. Many people on this planet would rather believe lies about what is true, rather than dealing with the truth and what is real. People who are blinded by the arrogant ways of false gods would rather hear lies than to deal with the consequences of the changes necessary that goes with the mindset of living certain truths in everyday life. My ET experience is told in this book to stimulate minds.

Since the beginning of time, FALSE GODS have cast a dark shadow on planet Earth and its inhabitants, sowing seeds of discontent, war, and all forms of suffering. While their antics are factual, in reality they are just phantoms of a broken belief system. Any power they have in our lives has been given to them through that system. Throughout the ages, their influence has brought an ebb and flow of adversity. While we have been able to endure, and at times suppress this malefic, yet seductive energy, we have not been able to eradicate it. If you are wondering why, with all of our knowledge and talent, we have not overcome the false gods once and for all, we don't have to look far for the answer. As the Pogo character said, "We have seen the enemy, it is us." Driven by the cravings of our own lower nature, unconsciously and impulsively, we have played into the hands of the false gods. To overcome the works and wiles of the false gods we must come to know them. A teaching from The Art of War states: "So it is said that if you know your enemies and know yourself, you will not be put at risk even in a hundred battles." In the pages of this book, you will find wisdom that will help you know your (real or perceived) enemies, and know yourself at a depth that will empower you. While God is a major player in this book, it is not a religious book. It is non-denominational, and does not seek to convert, as God is seen in all faiths. It contains politics but is non-partisan. The answer is not magical, it's metaphysical. The current state of conscious in our country is embattled as the forces of light and darkness, ignorance and illumination fight for superiority. Should the false gods triumph, life as we know it will cease to exist. We have the power to change. The answer is simple, but not easy. If you're one of the millions that are waiting for Jesus to come and rescue us you might not want to hold your breath. He already came, and taught then proved his teaching works. We just didn't follow as He instructed. Now is the time. Before it's too late. Claim the power that is yours by Divine Right to co-create the world we dream of.

Woman on Her Own, False Gods and The Red Robe
The Plain and Simple Truth for a Dazed and Confused World
Or, The Worship of Idols. Ancient and Modern--the World Over
The Libertarian Attack Against Liberty:
Bible Mysteries Revealed God Is an Et Volume One
Worshipping False Gods

Over the last couple of decades, B.R. Ambedkar has come to be idolized as no other political leader has. His statue is one of the largest in the Parliament complex. Political parties have reaped rich electoral dividends riding on his name. A decades-old cartoon of him in a textbook rocked Parliament for days recently, causing parties across the political spectrum to run for cover and call for the withdrawal of the 'offending' cartoon. In *Worshipping False Gods*, Arun Shourie employs his scholarly rigour to cast a critical look at the legend of Ambedkar. With his distinctive eye for detail, Shourie delves into archival records to ask pertinent questions: Did Ambedkar coordinate his opposition to the freedom struggle with the British? How does his approach to social change contrast with that of Mahatma Gandhi's? Did the Constitution spring from him or did it grow as a dynamic living organism? Passionately argued and based on a mountain of facts that it presents, *Worshipping False Gods* compels us to go behind the myths on which discourse is built in India today.

The labels seem to be opposites: democracy and totalitarianism; capitalism, communism, fascism. But in practice, all the politico-economic systems we have on earth today have ended up looking disturbingly similar. While there are important differences, the author claims that they all consist of "ruler-owners" and bosses at the top - money kings - and powerless workers and consumers at the bottom. He also contends that workers and consumers are the only necessary parts of a natural economic system and that corporations are an artificial and tyrannical imposition based on greed and dominance. He urges the defeat of the "corporate collective" with its tiered arrangement of work and wealth, with only the "fit" and "successful" at the top as supervisors and the rest of us beneath them as servants, wage slaves, or even chattel slaves. In short, this book is radical and extreme in its view of all the world's systems as authoritarian despite their differing economic, political, and religious conglomerations. As a foundation for the discussion, the book traces in broad outline the histories of work and belief. It denies that the Christian religion is Christian and shows that Jesus Christ was a pacifist and a liberal and that his words and nature are barely represented, if at all, in the dogmas and practices of those who call themselves Christians in today's America. Attacking the dominant institutional belief systems regarding work and religion, this book spares no existing

supervisory arrangement and suggests the peaceful unraveling of authority structures and a new form of egalitarian cooperation. Since this book is extreme in its condemnation of existing supervisory arrangements and authority structures, it should be interesting - perhaps dismaying - to everyone who is dissatisfied with their own subservience to others whether at work, in church, or in any political party. Anyone who yearns for relief from entangling authority should find this book at least stirring, if not entirely convincing. It presents new ways of looking at the world and at all systems of control and belief. Those who like ideas and those who do not quite fit into the molds into which they have been placed will find the writing refreshing and stimulating. The ideas in this book were influenced by Thomas Piketty's *Capital in the Twenty-First Century*, Noam Chomsky's *Power & Prosperity*, Daniel Guerin's *Anarchism*, Michael Perelman's *The Invention of Capitalism*, F.A. Hayek's *The Road to Serfdom*, Karen Armstrong's *A History of God*, Hugh J. Schonfield's *Those Incredible Christians*, and by such television programs as Amy Goodman's *Democracy Now* and the Rachel Maddow show on MSNBC. The Libertarian belief system is at the heart of many of the contrary arguments presented in this book and its baleful influence can be seen in just about any of the writings, presentations, speeches, and gatherings of Republicans. It is the number one enemy of democracy in America today. Have you ever wondered why there are so many different kinds of religions, false gods, and idols throughout the world - over 4,000 of them? Is there a conspiracy going on right now behind the scenes to establish a global government? What are the similarities between modern religious philosophy and the ancient mystery religions? Discover the forces of darkness and its influence on religion, and what most religions and faiths have in common. Is the new age movement - really new? And how will this and many other religions have in common with the coming global religion. Learn some of the secret plans of the global elite and Illuminati. Join me as your personal guide as we embark into one of the most important journeys to unravel the truth, which is hidden inside of a myriad of religions, faiths, cults and belief systems that have infiltrated the mind and soul of humanity since the very dawn of this age. The truth is out there - and we will unlock it!

Some people may think this book is fiction, but it is not, my experiences show me and hopefully show you that this book is true. My ET experience told in this book was at 5 years.

"The Other Gods" is a fantasy short story written by American author H. P. Lovecraft, on August 14, 1921. It was first published in the November 1933 issue of The Fantasy Fan. Barzai the Wise, a high priest and prophet greatly learned in the lore of the "gods of earth", or Great Ones, attempts to scale the mountain of Hatheg-Kla in order to look upon their faces, accompanied by his young disciple Atal. Upon reaching the peak, Barzai at first seems overjoyed until he finds that the "gods of the earth" are not there alone, but rather are overseen by the "other gods, the gods of the outer hells that guard the feeble gods of earth!" Atal flees, and Barzai is never seen again. Famous works of the author Howard Phillips Lovecraft: At the Mountains of Madness, The Dreams in the Witch House, The Horror at Red Hook, The Shadow Out of Time, The Shadows over Innsmouth, The Alchemist, Reanimator, Ex Oblivione, Azathoth, The Call of Cthulhu, The Cats of Ulthar, The Festival, The Silver Key, The Outsider, The Temple, The Picture in the House, The Shunned House, The Terrible Old Man, The Tomb, Dagon, What the Moon Brings. There is no available information at this time. Author will provide once available.

No Other Gods

Do you struggle because of situations or people that weigh you down? How can you get help? This book can help you gain victory over the stressful circumstances in your life. God wants to make you into his victor instead of being a victim. Using easy-to-read language with a generous dose of humor, the author explains and applies the Bible to everyone's daily life. As a result, God can enable you overcome the many false gods that creep into your life from your culture. The study has discussion questions for groups and practical steps you can follow to help you run on your journey with Jesus toward every believer's goal, final perfection after death. Notice the following review by Rev. Jack Stulp, retired pastor and home-missions administrator: "Having read 'Overcome Modern Idols,

' I appreciate that it's not merely a collection of the author's opinions. It is full of Scripture that is quoted and is expounded. Author Leiter is impressed with our Lord's wisdom and seeks to share it."This book does not take the common approach of naming things that people accept as idols, like money. Reflecting much thinking and meditation, this book gets us to think of ways that people come up with distorted and wrong ideas of what God is like and then worship these distorted concepts, which are false gods. I found it helpful and am pleased to recommend this book to others."The following review is from Judy Dunnagan, a Moody Publishers editor: "We can tell that this message is very near and dear to your heart. Your study is very compelling and is needed for such a time as this." The Bible study's chapter outline follows: Part One: An important pattern 1.The desperate need to overcome the false gods and the evil forces 2.Christians' general unawareness of many modern idols 3.The ways that idols creep into believers' lives 4.The Old Testament's teachings against idols 5.Who is more powerful, God or the idols/demons? 6.God's command about the false gods 7.Recognizing and rejecting false idols 8.How to overcome the evil forces' attacks and influences Part Two: Who is the true God compared to the false gods? Part Three: The highest modern idol, the "I-god" -The Old Testament's teaching and depiction of the "I-god" or self-ism -The New Testament's solution to the "I-god" or self-ism -Our connection to Jesus, the Source of our strength -God says that confession is good for the soul Part Four: Six personal false gods often learned in our childhood The bodyguard god The on-demand god The boy(girl)friend god The guilt-god The anti-science god The god-of-the-gaps Part Five: False group-gods learned from the world's cultures Six "Human-gods" - The "Me-god" - The "We-god" - The "Good-us-god" - The "False-theory-god" - The "I-think-god" - The "My-experience-god" Three "Escape-gods" - The "Separate-god" - The "It-god" - The "Fun-god" Four "Whatever-gods" - The "No-god" - The "?-god" - The "Shifty-god" - The "I'm-okay-you're-okay-god" Four "I'm better-gods" - The "My-race-god" - The "My-sex-god" - The "High-head-god" - The "Rage-god" Five undefined gods - The "Form-god" - The "Gone-god" - The "All-god" - The "Always-been-done-that-way god" - The "Law-god" Part Six: The "One-person-gods" Part Seven: Prayer to the true God-the key to experiencing Jesus' victoryEvery Christian is the target of these modern idols, which are Satan's arrows. We can overcome them with the use of the Bible and prayer. How? This Bible study will help you defeat their influence in your life and in that of your loved ones. Awareness is the first step, and then using God's tools to stop their attacks in their tracks is the next step. You will find guidance to stop their influences. This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1845 edition. Excerpt: ...before Him. Oh, cursed apostasy! that we, who give up our names in Baptism unto God, would now give our souls to the Devil, our love to the world, our affections to sin: who, instead of turning, with the Thessalonians, from idols unto God, turn with the Indians from God to idols; instead of leaving the world to cleave to God, we leave God to cleave to the world. Give me leave to use the Apostle's exhortation, now I am preaching to you Christians, as well as if I was preaching to the idolatrous heathen, " Brethren, keep yourselves from idols." Oh, keep yourselves from idols, from idol-riches, from idol-honours, from idol-lusts, from idol-self; oh, turn from these and all other idols, to serve the living and true God: remember it is the first command, " Thou shalt have no other gods before Me: " which, in effect, is as much as to say, Thou shalt love nothing more than Me. ii. In dignity as it hath the first place, so hath it the best Being for its immediate object. In the other commands, some of them respect God's Name, others His worship, others His Sabbaths, others His people, --but this respects His Person; and therefore it is the most proper and peculiar worship that we can perform unto Him. And, therefore, as ever you desire, not only to forsake your false gods, but to worship the true One, you must love Him above all things; all other worship is but in reference unto this, and signifies nothing at all without it. It is true, praying, and reading, and hearing, and receiving of the Sacrament, and the like, are all parts of God's worship; but alas! this is only the body; it is love to God that is the soul of worship: and these external performances before God, are no further any true worship of Him...

This work has been selected by scholars as being culturally important and is part of the knowledge base of

civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Anunnaki: False Gods extends Zecharia Sitchin's translations from clay tablets that underlie the Bible. Ten thousand years ago, scribes in ancient Sumer (Iraq) wrote on these tablets what they said the Anunnaki gods (tall people from the sky) dictated. Sitchin asked Dr. Lessin to keep public attention on his legacy by creating an educational program. The Anunnaki are Homo sapiens like us but who live hundreds of thousands of years. They said they rocketed to Iraq 450,000 years ago from a planet called Nibiru to harvest gold to send back (via Mars) to Nibiru to powder into an atmospheric shield. They mined abundant gold in Africa until, 300,000 years ago, their miners mutinied. To replace the mutineers, Anunnaki geneticists created short-lived slaves, called Adamites, adapted from their own genome but modified with a bit of clay, copper and genes from an intelligent hominoid, Homo erectus (Bigfoot's ancestor) already living in Africa. Two hundred thousand years ago, Enki, their Chief Scientist, begat a line of Earthlings called Adapites with two Adamite girls. Fifty thousand years ago Enki and an Adamite beauty begat Noah, who carried Enki's longevity genes and ruled the Iraqi city of Sharuppak. Enki saved Noah and many of his subjects from the Deluge of 13,000 years ago. The Anunnaki had Noah's people and other flood survivors proliferate and build cities in the Middle East and Egypt with up to 50,000 inhabitants. The Anunnaki ruled the new civilizations as gods with descendants of Noah's sons as intermediaries. The Anunnaki gave us the best and the worst of planet-wide civilization--kings, historians, taxes, temples, priests, bicameral congresses, record-keeping, law codes, library catalogs, furnaces, kilns, wheeled vehicles, paved roads, medicines, cosmogony, cosmology, festivals, beer, food recipes, art, music, music instruments, music notes, dance, textiles, and multicolored apparel. Sumerian schools taught mathematics, architecture, theology, writing, grammar, botany, zoology, geography. They displayed but did not pass on a world-wide energy grid, air, submarine and interplanetary transport vehicles and advanced computers. They also gave us hierarchy, misogyny, violence, greed, slavery, debt and war that featured genocide and weapons of mass destruction. In 2024 BCE Anunnaki ruined their eastern Mediterranean cities with nuclear blasts and fallout storms. Most of the Anunnaki returned to Nibiru by 311 BCE. But some stayed. They and their descendants (the power elite) rule us to this day. They and their spawn created and perpetuate exclusive, hostile nations and religions to keep us divided. They addicted us to credit institutions to keep us slaving. Their tales of their stay on Earth before

they made our ancestors, as well as what our forefathers directly saw, imprinted us with the values of their hierarchic, male-run, master-slave-enemy mentality. We assumed values of extraction, pollution, monetary monopoly and obsession with gold. Fortunately, the Lessins contend, the genetics team that created us also gave us the capacity and preserved the histories Sitchin and others translated so we can overcome the liabilities they left us. Los Angeles 1930. The man hanging on the cross at Mission San Fernando Rey definitely wasn't the Savior. The best that could be said of him was that he was a corrupt financier, the worst a rapist and child molester who traded in political favors. Detective Mathieu had encountered him on his first case and despised him. Now as he stared up at his dead body, he knew he would have to find his killer. It was not a task he relished. The search would lead him through the underbelly of false gods and false promises in 1930s Los Angeles.

"Woman on Her Own, False Gods and The Red Robe" by Eugène Brioux (translated by Bernard Miall, James Bernard Fagan, Charlotte Frances Shaw). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

New York Times bestselling author of The Prodigal Prophet and nationally renowned minister Timothy Keller exposes the error of making good things "ultimate" in this book, and shows readers a new path toward a hope that lasts. Success, true love, and the life you've always wanted. Many of us placed our faith in these things, believing they held the key to happiness, but with a sneaking suspicion they might not deliver. No wonder we feel lost, alone, disenchanted, and resentful. There is only one God who can wholly satisfy our cravings—and now is the perfect time to meet Him again, or for the first time. In Counterfeit Gods, Timothy Keller shows how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts. This powerful message cements Keller's reputation as a critical thinker and pastor, and comes at a crucial time—for both the faithful and the skeptical.

This Is A New Release Of The Original 1870 Edition.

In a world with so many religions - why Jesus? In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Taken from the book of John.

You've heard it said, "All religions are equal." But do you know how to respond? Tolerance sees all religions as spokes of one wheel, spinning everyone together in harmony with God. Christ Among Other gods shows how this wobbly wheel simply doesn't hold up. Walking you through a study of Christ—from his birth to his promised second coming—pastor and scholar Erwin W. Lutzer presents Jesus as He is: the only way of salvation. Learn how to: Describe the uniqueness of Christ Defend the claims of Christianity Debunk the myths that many tout The tensions between tolerance and truth are growing, as are the challenges of representing Christ in today's world. Christ Among Other gods will help you understand and navigate these challenges. It gives you the facts you need to counter the claims of false religions with the truth of Christ. And what is more, it will help you fall more in love with Jesus, the only way, truth, and life. "If you want to understand Christ better, defend Him with more confidence, and worship Him with more single-mindedness, this book is for you." — Josh McDowell, Josh McDowell Ministry

Seeskin looks at the ways in which Judaism can help restore balance to our lives. He reviews the foundations of the Sabbath, exploring how it can help guard us against the incursion of the work-a-day world, preserving a private, personal time for each of us. And he shows Judaism has responded throughout the ages to the temptations of idolatry by helping to create and protect a private and sacred time and place in our lives

The Zondervan Dictionary of Bible Themes contains over 2,000 thematic articles with an explanation of the theme, key Bible references, and cross-references to related themes. Comparable to the venerable Nave's Topical Bible in scope, the Zondervan Dictionary of Bible Themes stands apart in its unique, nine-level classification of themes that brings related biblical and theological concepts together. Now you can access entire fields of information, saving time and increasing your thoroughness. The entire Bible is referenced for a host of themes -- doctrinal, ethical, historical, and cultural -- grouped under nine key categories: - God - Jesus Christ - Holy Spirit - Creation - Humanity - Sin and Salvation - God's People - The Life of the Believer - Last Things. Produced by the outstanding editorial team of Martin Manser, Alister McGrath, J. I. Packer, and Donald Wiseman, this book provides a superb tool for topical studies. Use it by itself, or in conjunction with the matching Zondervan Handbook to the Bible as part of a highly useful two-volume set.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. False God of Rome

False Gods;

The Theological Works Volume 6

The Empty Promises of Money, Sex, and Power, and the Only Hope that Matters

Jesus Among Other Gods

Or the Idol Worship of the World

Rick Kent the author of this book allows science, religion, spirituality, and the world's mysteries to be united in a modern high tech world in most of his books. Consequently, with many people their mind may be opened to a different outlook completely, considering the existence of GOD in the world. By reading this book by the writings thereof, it will make the world a better place by accepting and doing the advice given by the author and the voice of Jesus and his creator father of this universe! Before reading this book, one must realize that you will hear the truth, and the "truth will set you free" as Jesus really meant. What is real is truth and truth can never be changed like figures with a mathematician, and you will no longer live in a fantasy, or live a myth that a certain religion or someone may have told you. On the other hand, a book that was written by the voice of a false god, angel, prophet, or other being within the heavens acting as an authority of life unto the author, is also a

great falsity back in ancient times, as we understand them. By reading this book, you will hear the truth of your very existence, so beware of hearing and seeing what is real by the voice of the true creator of this universe along with his children or beings of him that were working with him to create it. If you do not really want to see the truth about this planet humanity calls Earth, this book may not be a book that you should read! By reading this book you will learn of our past and future events - some positive --- some negative, but as truthful as possible by the spirit and guidance of the truthful creators related to this universe. The gist of the Old Testament is about an ET called a god related to Israel and their independence from slaves in Egypt. The Old Testament is a book of wars and strong egos from gods and various kings wanting to control the world with the gods all having their own agenda for being here. Furthermore, most of these ET gods had a strong interest in the precious metals, especially gold and silver that had to do with rituals and technology they had in that day from worlds beyond ours. However, the New Testament is mainly about Jesus and the letters of Paul the Apostle. I pray that pride does not keep someone from seeing the great truths of this book, or no one is offended by any humor in this book. It really should not offend, unless one's heart is as rigid as iron, and as narrow as the hair follicle on one's head. GOD has a sense of humor by a baby making funny noises like cooing. We have walruses, laughing hyenas, parrots that say the dandiest things along with penguins walking so funny, and there's more, for you are the creator of more to be written from your mind for a bird told me that we are about to have a paper shortage. By reading this book, one will find the information about immortality, and what it is really all about, with no wool pulled over someone's eyes as religions can do. There are plenty of smoke screens in life, and what we hear and see behind the scenes means a rude awakening to the psyche, for with certain religions and with words when they are manipulated, along with figures when it comes to finances too. For if, we really think about life, it is full of smoke screens, and this book will expose some of them. People in general on this planet would rather live with myths in a world of false realities, than to hear the truth and deal with it, and become close to GOD in the process of accepting what is true and real. Many people on this planet would rather believe lies about what is true, rather than dealing with the truth and what is real. People who are blinded by the arrogant ways of false gods would rather hear lies than to deal with the consequences of the changes necessary that goes with the mindset of living certain truths in everyday life. I had an ET experience told in book. My subconscious mind held information since 1955!

Vespasian's mission will lead to violence, mayhem, and theft—and in the end, to a betrayal so great it will echo through the ages Vespasian is serving as a military officer on the outskirts of the Roman Empire, suppressing

local troubles and defending the Roman way. But political events in Rome—Tiberius's increasingly insane debauchery, the escalating grain crisis—draw him back to the city. When Caligula becomes Emperor, Vespasian believes that things will improve. Instead, he watches the young emperor deteriorate from Rome's shining star to a blood-crazed, incestuous, all-powerful madman. Lavish building projects, endless games, public displays of his relationship with his sister, Drusilla, and a terrified senate are as nothing to Caligula's most ambitious plan: to bridge the bay of Neapolis and ride over it wearing Alexander's breastplate. And it falls to Vespasian to travel to Alexandria and steal it from Alexander's mausoleum.

If you search the scriptures, you will find in the book of Joshua 24:15, New King James Version, a message that reads, "If it seems evil to you to serve the Lord, choose for yourselves this day whom you will serve." Joshua had gathered all the tribes of Israel and reminded them that their forefathers had served other gods and they needed to make a decision about the gods they would serve. Joshua loved his Jewish brothers and sisters and wanted them to realize that they had been given a choice: worship the true living God or worship one of the many false gods of their day. In today's culture, that same choice is before us all. We live in a society where political correctness is out of control. The line that separates right from wrong is beginning to disappear altogether. It seems to me that speaking common-sense truth these days is nearly impossible because many people are so easily offended. Just as Joshua loved his fellow human being enough to tell the truth in his day, that same love flows through me along with a great desire to speak truth in love to all mankind. We all have been given a choice by God to follow him, deny him, or chase after other gods. This book has been designed to inform you of all the choices there are in our world when it comes to religion, worship, doctrine, or even dismissing the idea of a God altogether. But remember this, the death rate for humans is 100 percent. Because of that terrifying reality, I pray the urgency to make your decision on this very important subject becomes your new priority. I believe the plain and simple truth in a dazed and confused world will give you the material you need to make your well-informed decision and settle this for good. Because if you're not living for truth, you're not living.

FALSE GODS OF REVOLUTION HB

When the Empty Promises of Love, Money and Power Let You Down

The Other Gods

Gods Vineyard, Israel is a book about Gods relationship with Israel. It is an exposition of Israels spiritual

condition, starting with Gods deliverance of Israel from slavery and His ongoing intervention in their lives up to their spiritual decline. According to 1 Corinthians 10:11, Israel serves as an example for instruction for those upon whom the end of the ages have come, i.e. those who live in the latter days. Israels turning to idolatry, false gods and syncretism (the fusion of holy with unholy) led to their falling away from God. The same falling away of the church is mentioned by Paul in the second book of Th essalonians which is indicative of the time toward the end of the age or the fulfillment of the times of the Gentiles. A clear pattern emerges from those who are delivered from the kingdom of darkness into salvation and then the yearning for their previous condition. After God delivered Israel from Egypt, the Israelites yearned for their past. Thereby, the repeated exhortation from Jesus Christ and others in the New Testament serve to explain the necessity to persevere unto the end. The similarity between ancient Israel and the modern church is noteworthy and one can only understand what is and will happen to the church through the example of Israel. This instruction is not only prophetic but serves as clear instruction and warning for modern believers. An analysis of idolatry and the consequences thereof explain the past, current and future probability of life as we know it. Contrary to world opinion of the causes and solutions to pollution, the Bible clearly states that it is the spiritual condition of mankind that determines the state of the earth. The Old Testament asserts that when Israel repented God often relented of the calamities He intended to send to them due to their idolatry. Gods Vineyard, Israel makes for interesting and relevant reading for all people and often provides Gods perspective rather than peoples opinions or speculations.

The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller uses classic Bible stories to look at the issue of idolatry - from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate - God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, COUNTERFEIT GODS is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

Musician and author Kelly Minter explores the natural needs of women that can become modern-day idols, replacing God's presence in their lives.
