*Beautifully illustrates the strength of the women across the world who fought for their right to vote in different ways... as much a celebration of difference and diversity as it is a chronicle of women's rights - Stylist*
*If you loved Goodnight Stories for Rebel Girls, Fantastically Great Women Who Changed the World or Women in Science then you'll love this! To celebrate 2018 - the Year of the Woman, and the anniversary of women winning the vote in the UK - this is a timely, beautiful and bold compendium of women around the world who said Time's Up on inequality. The book shares the story of the suffragettes, and of their sisters campaigning for equal rights globally. Discover how 40,000 Russian women marched through St Petersburg demanding their rights, one Canadian woman changed opinions with a play, and Kuwaiti women protested via text message. And read how women climbed mountains, walked a lion through the streets of Paris, and starved themselves, all in the name of having a voice and a choice. Tracing its history from New Zealand at the end of the 19th century, follow this empowering movement as it spread from Oceania to Europe and the Americas, then Africa and Asia up to the present day. And be inspired by the brave women who rioted, rallied and refused to give up. Stunningly illustrated by Eve Lloyd Knight, this book celebrates the women who stood up, spoke up, and refused to behave, rebelling against convention to give women everywhere a voice. And it shows what can be achieved when women stand together, and say enough. The instant New York Times bestseller! From the author of Little Leaders: Bold Women in Black History comes the highly anticipated follow-up, a beautifully illustrated collectible edition the lives of women creators around the world. Featuring the true stories of 35 women creators, ranging from writers to inventors, artists to scientists, Little Dreamers: Visionary Women Around the World inspires art it educates. Readers will meet trailblazing women like Mary Blair, an American modernist painter who had a major influence on how color was used in early animated films, actor/inventor Hedy Lamarr, environmental activist Wangari Maathai, architect Zaha Hadid, filmmaker Maya Deren, and physicist Chien-Shiung Wu. Some names are known, some are not, but all of the women had a lasting effect on the fields they worked in. The charming, information-filled full-color spreads show the Dreamers as both accessible and aspirational so readers know they, too, can grow up to do something amazing.*

*The companion to Chelsea Clinton & Alexandra Boiger's #1 New York Times bestseller, She Persisted. Perfect for tiny activists, mini feminists and little kids who are ready to take on the world. Now abridged as a board book for our youngest feminists and activists! Women around the world have long dreamed big, even when they've been told their dreams didn't matter. They've spoken out, risen up and fought for what's right, even when they've been told to be quiet. Whether in science, the arts, sports or activism, women and girls throughout history have been determined to break barriers and change the status quo. They haven't let anyone get in their way and have helped us better understand our world and what's possible. In this companion book to She Persisted: 13 American Women Who Changed the World, Chelsea Clinton introduces readers to a group of thirteen incredible women who have shaped history all across the globe. Now abridged as a board book for the earliest of readers, She Persisted Around the World is a book for everyone who has ever aimed high and been told to step down, for everyone who has ever raised their voice and been told to quiet down, and for everyone who has ever felt small, unimportant or unworthy. Alexandra Boiger's vibrant artwork accompanies this inspiring text that shows readers of all ages that, no matter what obstacles come their way, they have the power to persist and succeed. This book features: Marie Curie, Sor Juana Ines de la Cruz, Viola Desmond, Sissi Lima do Amor, Leymah Gbowee, Caroline Herschel, Wangari Maathai, Aisha Rafeb, J.K. Rowling, Kate Sheppard, Yuan Yuan Tan, Mary Vergheese and Malala Yousafzai. Praise for She Persisted Around the World Clinton again writes in a measured tone that is at once celebratory and defiant. Boiger's watercolor and ink artwork exudes warmth and subtle power. --Publishers Weekly Praise for She Persisted \* [A] lovely, moving work of children's literature [and a] polished introduction to a diverse and accomplished group of women. --Publishers Weekly, starred review [She Persisted] will remind little girls that they can achieve their goals if they don't let obstacles get in the way. --Family Circle We can't wait to grab a copy for some of the awesome kids in our lives . . . and maybe some of the grown-ups, too. --Bustle The fearlessness that characterizes the thirteen women in the book is what has emboldened us to constantly strive for progress and justice. --Amy Poehler's Smart Girls*

*The inspiring and timely story of Sonia Sotomayor, who rose up from a childhood of poverty and prejudice to become the first Latino to be nominated to the US Supreme Court. Before Supreme Court Justice Sonia Sotomayor took her seat in our nation's highest court, she was just a little girl in the South Bronx. Justice Sotomayor didn't have a lot growing up, but she had what she needed - her mother's love, a will to learn, and her own determination. With bravery she became the person she wanted to be. With hard work she succeeded. With little sunlight and only a modest plot from which to grow, Justice Sotomayor bloomed for the whole world to see. Antes de que la magistrada de la Corte Suprema Sonia Sotomayor llegara al máximo tribunal de nuestra nación, no era más que una niña en el South Bronx. La magistrada Sotomayor no tuvo mucho durante sus primeros años, pero sí tuvo lo que contaba -- el amor de su madre, la voluntad de aprender y su propia determinación. Con valentía se hizo la persona que quería ser. Con trabajo arduo triunfó. Con un poquito de sol en un solarcito donde crecer, la magistrada Sotomayor floreció para que todo el mundo la vea. I want to be part of it, thought Michael. I want to be part of the song, part of the story. Listening to tales of old Ireland on a West Cork farm and fighting his corner in the school playground, a little fella with a fierce sense of injustice and an equally fierce temper vows to fight for Irish independence. 'I'd rather have a living brother than a brother who goes down in the history books as a hero, a dead hero!' says Hannie Collins. But headstrong as ever, young Michael leaves his job in London and returns to Ireland to fight in the 1916 Rising. Later, he creates a spy ring of ordinary people, in a Dublin where nothing is quite what it seems. This is the story of Michael Collins - brave hero and determined leader, loyal friend and dangerous enemy. He lived life. In the summer of1922 he was full of plans for his own future and for that of his country. But history had other plans for Michael.*

*One of New York Times' Twelve Books for Feminist Boys and Girls! This is the story of a woman who dared to dive, defy, discover, and inspire. This is the story of Shark Lady. One of the best science picture books for children, Shark Lady is a must for both teachers and parents alike! An Amazon Best Book of the Month Named a Best Children's Book of 2017 by Parents Magazine! Eugenie Clark fell in love with sharks from the first moment she saw them at the aquarium. She couldn't imagine anything more exciting than studying these graceful creatures. But Eugenie quickly discovered that many people believed sharks to be ugly and scary—and they didn't think women should be scientists. Determined to prove them wrong, Eugenie devoted her life to learning about sharks. After earning several college degrees and making countless discoveries, Eugenie wrote herself into the history of science, earning the nickname "Shark Lady." Through her accomplishments, she taught the world that sharks were to be admired rather than feared and that women can do anything they set their minds to. An inspiring story by critically acclaimed zoologist Jess Keating about finding the strength to discover truths that others aren't daring enough to see. Includes a timeline of Eugenie's life and many fun-tastic shark facts! *Are you unhappy with your body but fed up with constant dieting? Would you like to lose weight without depriving yourself of the food you love? Serial dieters for years, Sophie and Audrey Boss finally overcame their weight problems when they discovered the key to success: break free from the diet mentality and learn how to listen to your body so that you can make food choices that really work for you. This book sets out a new, liberating approach to establishing a healthy and satisfying relationship with food, and a positive body image. Based on extensive research and workshops for women with weight issues, Beyond Chocolate will help you to: Eat whatever you want without feeling guilty: Lose weight and not worry that you'll put it back on: Only think about food when you are hungry: Stop when you are satisfied: Feel comfortable in your body: Wear clothes you like and feel good in Beyond Chocolate is your passport to freedom! 'Oh, if you knew the lives we women lead You'd understand the Devil is a catch.' In this radical reimagining of the classic cautionary tale, Johanna Faustus makes the ultimate sacrifice and sells her soul to wrestle control of her own destiny. She travels through time and changes the course of human history, but can she escape eternal damnation? Chris Bush's devilishly provocative play Faustus: That Damned Woman is inspired by the works of Marlowe, Goethe and other versions of the Faust myth, and explores what women must sacrifice to achieve greatness, and the legacies that are left behind. Faustus: That Damned Woman was co-produced by Headlong and Lyric Hammersmith Theatre, in association with the Birmingham Repertory Theatre, and first performed at the Lyric Hammersmith theatre in January 2020 before touring the UK.*
