

Feathered Friends 2018 Wall Calendar: Watercolor Bird Illustrations

Learn how to craft breathtaking fairy homes exclusively from elements found in nature, step by step, from master fairy house architect Sally J. Smith—photos of dozens of her magical miniature creations provide abundant inspiration for crafters and fantasy fanciers interested in a creative challenge. Imagine a fairy home that has dragonfly wings as stained-glass windows, twigs for window frames, birch bark for walls, and dried mushrooms for shingles—with Fairy Houses, you can create one in your own garden. Browse gorgeous photographs of fairy houses in nature, then: Design your home following the outlined steps Gather tools and materials Create magical fairy house components, including intricately detailed doors and windows Put it all together to create your own unique fairy house Add lighting and interiors Add finishing touches, like a bark roof covering or a stone pathway The final chapter gives step-by-step photo instructions on how to construct two different fairy homes. Both an inspiring gallery of art and a practical how-to guide, Fairy Houses will open new doors of creativity for you as you are transported to the magical realm where fairies live.

These days it's hard to count on the world outside. So it's vital to grow strengths inside like grit, gratitude, and compassion--the key to resilience, and to lasting well-being in a changing world. True resilience is much more than enduring terrible conditions. We need resilience every day to raise a family, work at a job, cope with stress, deal with health problems, navigate issues with others, heal from old pain, and simply keep on going. With his trademark blend of neuroscience, mindfulness, and positive psychology, New York Times bestselling author Dr. Rick Hanson shows you how to develop twelve vital inner strengths hardwired into your own nervous system. Then no matter what life throws at you, you'll be able to feel less stressed, pursue opportunities with confidence, and stay calm and centered in the face of adversity. This practical guide is full of concrete suggestions, experiential practices, personal examples, and insights into the brain. It includes effective ways to interact with others and to repair and deepen important relationships. Warm, encouraging, and down-to-earth, Dr. Hanson's step-by-step approach is grounded in the science of positive neuroplasticity. He explains how to overcome the brain's negativity bias, release painful thoughts and feelings, and replace them with self-compassion, self-worth, joy, and inner peace.

“Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment.” –Meredith Wild, #1 NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is

simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Based on the beloved Twitter sensation, Thoughts of Dog contains never-before-seen, sweet and funny reflections on life from the pup-spective of a goooob dog, who, above all else, loves their human. Join a dog and their stuffed "fren" sebastian as they navigate life's adventures through the most wholesome lens imaginable. The mastermind behind WeRateDogs, Matt Nelson, expands the Thoughts of Dog universe born on social media with his new book for anyone looking for a smile.

Effin' Birds

Comics About Birds

Birds of the West

An all-new collection of lush, four-color artwork from the studio of acclaimed fantasy artists Boris Vallejo and Julie Bell. Artist Boris Vallejo is renowned for his paintings of beautiful maidens, heroic men, and fearsome monsters, while his wife and partner, Julie Bell, is revered for her unique sense of color and dramatic composition. As two of the most acclaimed and popular artists working in fantasy today, Boris and Julie have produced artwork for album covers, trading cards, posters, and calendars. Boris Vallejo and Julie Bell: Dreamland features outstanding examples of their most recent work. Highlighting muscle-bound heroes, fierce dragons, and alluringly beautiful women in fantastical, otherworldly landscapes, these gorgeous pieces reflect a new level of maturity, sophistication, and intrigue. Capturing the pursuits that currently inspire the artists, these works resonate with a startling new emotional depth that adds magnitude to their powerful heroes and buxom heroines. This carefully curated selection of images is accompanied by fascinating text that provides unique insight into each artist's process as well as biographical stories that reveal their personal histories, the influences that have shaped them, the ideas that inspire them, and their future professional aspirations. Also, for the first time ever, this outstanding compendium includes ten stunning limited-edition art prints that can easily be removed and displayed. Sarah Burwash has been visiting rural communities and remote areas to attend artist residencies, travelling to different cities for art and craft sales, volunteering on farms and working at lodges in the rocky mountains. The Far Woods is a collection of watercolours and other works she produced during these residencies and travels. These drawings celebrate the wilderness, rural lifestyles and resourcefulness. Burwash turns to past generations who, by necessity, had to be self-sufficient and create systems of mutual dependence among community members. Burwash has been researching and immersing herself in environments where she can learn the stories, skills and gain the experience and perspective from earlier generations to create narratives that uproot her own personal mythologies. She seeks to uncover both humble and

provocative histories, more specifically those of women who were brazen and persistent in forging for a new social order. She creates characters, environments and narratives that are lyrical yet quiet, like frozen moments from dreams or nightmares. Her work seeks the threads that connect the past and present, weaving imagery that urges people to wander through the drawings, discovering more upon each view and unfolding questions about our relationships to land, nature, spirituality and community.

A field guide to finding calm, creativity, and self-discovery through encounters with nature. A fresh perspective, an outdoor exploration, a new adventure about to begin—How to Be A Wildflower is a book for celebrating these and other wide-open occasions. Encouraging self-discovery through encounters with nature, beloved artist Katie Daisy brings her beautiful paintings and lettering to this collection of things to do and make, quotes, meditations, natural history, and more. Find wonder and inspiration in these peaceful pages, live life to the fullest, and discover the wild and free spirit within. "For pure whimsy, you just can't beat How to Be a Wildflower: A Field Guide by Katie Daisy. The Bend, Oregon, artist brings her beautiful paintings and lettering to this delightful book, a collection of nature-inspired quotations, meditations, lore, and even a recipe for fresh strawberry-rhubarb pie." —Traditional Home

An endearing and beautifully rendered tale sure to be a family favorite. It's Christmas Eve. Gossie and Gertie hang their bright colored boots in the barn. Peedie and BooBoo hang their striped stockings in the barn. Ollie stomps through the snow. It's not easy to wait for Father Christmas Goose! With ample wry humor, beautiful ink-and-watercolor pictures, and irresistible charm, Olivier Dunrea shares the first holiday story of Gossie and friends. Ollie perfectly encompasses the adorable impatience of young children waiting for Christmas to finally come.

What the Cluck? is the perfect gift for the backyard chicken farmer, owner, or breeder in your life (and we know you have one). Celebrate these beloved birds with this fun, lighthearted, and informative book filled with egg and chicken trivia, chicken-related quotes, humorous and interesting facts, chicken lore, and chicken "wisdom."

A compact, comprehensive, and very silly field guide featuring more than 200 of the rudest birds on earth. Effin' Birds is the most eagerly anticipated new volume in the grand and noble profession of nature writing and bird identification. Sitting proudly alongside Sibley, Kaufman, and Peterson, this book contains more than 150 pages crammed full of classic, monochrome plumage art paired with the delightful but dirty aphorisms (think "I'm going to need more booze to deal with this week") that made the Effin' Birds Twitter feed a household name. Also included in its full, Technicolor glory is John James Audubon's most beautiful work matched with modern life advice. Including never-before-seen birds, insults, and field notes, this guide is a must-have for any effin' fan or birder.

"[A] joyously peculiar book." -- The New York Times 'Bjarnason's intriguing book might be about a cold place, but it's tailor-made to be read on

the beach.' –New Statesman The untold story of how one tiny island in the middle of the Atlantic has shaped the world for centuries. The history of Iceland began 1,200 years ago, when a frustrated Viking captain and his useless navigator ran aground in the middle of the North Atlantic. Suddenly, the island was no longer just a layover for the Arctic tern. Instead, it became a nation whose diplomats and musicians, sailors and soldiers, volcanoes and flowers, quietly altered the globe forever. How Iceland Changed the World takes readers on a tour of history, showing them how Iceland played a pivotal role in events as diverse as the French Revolution, the Moon Landing, and the foundation of Israel. Again and again, one humble nation has found itself at the frontline of historic events, shaping the world as we know it, How Iceland Changed the World paints a lively picture of just how it all happened.

Based on the web phenomenon Dogshaming and containing photos that are all-new and exclusive to the book, this hilarious album showcases adorable snapshots of shamed pups confessing their biggest - and grossest - sins.

A potato and his eggplant nemesis struggle to find the perfect pants in this hilarious, heartwarming tale of forgiveness by bestselling Geisel-Award winning creator Laurie Keller. Potato is excited because today—for one day only— Lance Vance's Fancy Pants Store is selling . . .POTATO PANTS! Potato rushes over early, but just as he's about to walk in, something makes him stop. What could it be? Find out in this one-of-a-kind story about misunderstandings and forgiveness, and—of course—Potato Pants! A Christy Ottaviano Book This title has Common Core connections.

Presents projects, including cards, an embellished journal and tote, and decorative wall pieces; offers step-by-step photographs of the essentials; and showcases the author's signature designs that readers can use.

Get lost in the meditative practice of coloring with this coloring book from Galison, which features intricate black and white line drawings of birds, flowers, plants, and nature scenes by Geninne D. Zlatkis. - Trim size: 8.5 x 10" - 38 Pages of coloring images

"Exceptionally well written and offering a complete course of art instruction on the subject of birds, Birds of the West: An Artist's Guide is beautifully illustrated throughout." -Midwest Book Review Unique gift book celebrates more than 80 iconic Western birds Author is an award-winning nature artist and art teacher Explores habitats: suburban backyards, alpine heights, shorelines, and more Birds accompany us in our daily lives with their songs, flashes of bright color, and energetic activity. Even people who don't consider themselves birders notice them; from urban wetlands to wilderness trails, we follow the sound of a distant twitter or song. Award-winning artist Molly Hashimoto captures birds through

different media, from quick sketches with pen and wash to more carefully planned block prints. Each medium has a unique way of revealing different avian qualities--elegant lines or imposing silhouettes, a delicate bill or brilliant plumage. In Birds of the West, Molly shares this range of artwork as a way to encourage readers, whether artists or not, to observe more closely the feathered friends around us. Through her art and words, she explores specific Western habitats providing the natural histories of birds typically found in each, as well as intimate personal encounters and inspiring passages from others. And she teaches painting, drawing, and printmaking methods throughout the book with technique sidebars designed for all levels of experience.

More than 160 photographs, most in full-color, accompanied by detailed commentary, capture the unusual world of exotic ornamental chickens, documenting breeds of all sizes, shapes, and colors that range from the Bearded Silkie and crested Polish to the Phoenix, whose tail feathers can exceed ten feet in length.

NEW YORK TIMES BESTSELLER • This on-point guide to growing up by Instagram sensation Mari Andrew features “achingly vulnerable and completely relatable watercolor illustrations about relationships, heartbreak and the struggles of urban life” (The Washington Post). In the journey toward adulthood, it is easy to find yourself treading the path of those who came before you; the path often appears straight and narrow, with a few bumps in the road and a little scenery to keep you inspired. But what if you don’t want to walk a worn path? What if you want to wander? What if there is no map to guide you through the detours life throws your way? From creating a home in a new city to understanding the link between a good hair dryer and good self-esteem to dealing with the depths of heartache and loss, these tales of the twentysomething document a road less traveled—a road that sometimes is just the way you’re meant to go. Praise for *Am I There Yet?* “Equal parts memoir and illustrated guidebook, it chronicles Andrew’s journey through adulthood as she navigates love and heartbreak, professional indecision and success, and personal struggles.”—Refinery29 “Using her artistic skills to

illustrate thought-provoking essays, Andrew inspires readers to take the path less traveled in life.”—CNN “The illustrations . . . are often packed with truths about dating, self-care, careers, and all the secret thoughts you never say out loud.”—Elle “This uplifting book is filled with essays and illustrations that will fill you with so much hope as you move forward with any big life change.”—Bustle “Her illustrations will resonate with anyone who has ever had a crush, went on a date, or felt the sting of heartbreak.”—The Independent

Galison's Avian Friends decorative magnetic pads hold two notepads of different sizes affixed to a magnetic backing board. Each notepad has 50 decorative memo sheets, for a total of 100 sheets. Artwork by Geninne D. Zlatkis.

The Far Woods

Where the Wee Ones Go

A Field Guide to Identification

Am I There Yet?

□A Garden in Your Belly's colorful world helped me wake up...This book is as powerful as it is beautiful!□ □Eric Carle, author of The Very Hungry Caterpillar Your belly is full of tiny creatures□and they love to eat! Along the river of your gut, tiny creatures move, eat, and grow. Learn more about the garden of microscopic flora growing inside the body and come on a journey that explains an important biological concept: the microbiome, the health of which affects everything in our bodies. Did you know that some foods are better for your microbiome (and you!) than others? Striking, original watercolor illustrations keep things from getting too gross. Informational back matter goes further into the science of the microbiome and reveals amazing facts about the gut.

I have owned parakeets (also called budgies or keets) since I was a tiny toddler. I have photos of my pregnant-with-me-mom's parakeet (named Gandalf), so she owned parakeets even before I was born. Sometimes I've had four parakeets, sometimes just one, but in one way or another parakeets manage to wiggle their fluffy ways into my heart. This book is a compilation of my years of experience, not only with my own parakeets, but also with helping the tens of thousands of parakeet-loving visitors who come to my parakeet forum. Between the group of

us we've probably experienced everything there is that could happen to a keet, good or bad. There is information on choosing a parakeet, feeding a parakeet, and full step by step instructions on hand training your parakeet. You can learn about parakeet activities, parakeet toys, and parakeet socialization. While the web is of course an awesome resource, often there are times that it's simply easier to read an organized, sequential set of instructions on an e-reader. Also, it seems that web access goes down during emergency situations! Having an ebook version of those "what to do" instructions available on your e-reader has saved many a keet owner. Think of it as part of your emergency care kit for your beloved pet. If you have any questions, always feel free to email me! I'm happy to lend a hand with keets. Enjoy!

Urban Styles chronicles the under the radar phenomenon of Punk Hardcore music blending with Graffiti in the metropolis known as New York City. This tale is told through the eyes of band members that were adept at wielding spray cans and writers that represented New York Hardcore on the streets as well as related iconography that reinforced the connection between these two subcultures. The conventional notion of what a graffiti writer is supposed to look and be into, is challenged, as stated on this quote from the book's jacket: "When you hear the term Graffiti Artist most people think of B-Boys in Kangol hats parachute pants and break dancing. No one thinks shaved heads, Doc Martens and CBGB mosh pits! But there was and is a strong connection between the NYC graffiti scene and the NY Hardcore scene..." Lou Koller from Sick Of It All A vital component of this synthesis was, the native to NYC, inclusion of Hardcore fans within traditional Graffiti crews, sometimes at odd with one another, but always united in spreading the aesthetic of this music onto a wider visual medium. Inside the book you'll find interviews with key crew members as well as the first writers who played in bands; the ones that followed them and the modern day practitioners that are still upholding this tradition. There is also a plethora of iconic images within, culled from record/demo tape covers, flyers, t-shirts and paintings that celebrate the union of these two street cultures, most of them never seen or done specifically for the book. Underground movements, art, music, sociology, urban cultures; all of these disparate yet related topics are a piece of the puzzle. They collectively shine a spotlight on subcultures that have gone on to have a far reaching influence onto the world-at-large and it all can be traced back to this concrete jungle known as the big apple.

There are so many different types of families, and THE FAMILY BOOK celebrates them all in a funny, silly, and reassuring way. Todd Parr includes adopted families, step-families, one-parent families, and families with two parents of the same sex, as well as the traditional nuclear family. His quirky humor and bright, childlike illustrations will make children feel good about their families. Parents and teachers can use this book to encourage children to talk about their families and the different kinds of families that exist.

The concept of "funds of knowledge" is based on a simple premise: people are competent and have knowledge, and their life experiences have given them that knowledge. The claim in this book is that first-hand research experiences with families allow one to document this competence and knowledge, and that such engagement provides many possibilities for positive pedagogical actions. Drawing from both Vygotskian and neo-sociocultural perspectives in designing a methodology that views the everyday practices of language and action as constructing knowledge, the funds of knowledge approach facilitates a systematic and powerful way to represent communities in terms of the resources they possess and how to harness them for classroom teaching. This book accomplishes three objectives: It gives readers the basic methodology and techniques followed in the contributors' funds of knowledge research; it extends the boundaries of what these researchers have done; and it explores the applications to classroom practice that can result from teachers knowing the communities in which they work. In a time when national educational discourses focus on system reform and wholesale replicability across school sites, this book offers a counter-perspective stating that instruction must be linked to students' lives, and that details of effective pedagogy should be linked to local histories and community contexts. This approach should not be confused with parent participation programs, although that is often a fortuitous consequence of the work described. It is also not an attempt to teach parents "how to do school" although that could certainly be an outcome if the parents so desired. Instead, the funds of knowledge approach attempts to accomplish something that may be even more challenging: to alter the perceptions of working-class or poor communities by viewing their households primarily in terms of their strengths and resources, their defining pedagogical characteristics. Funds of Knowledge: Theorizing Practices in Households, Communities, and Classrooms is a critically important volume for all teachers and teachers-to-be, and for researchers and graduate students of language, culture, and education.

A foolish knight is certain that his side of the wall is the safe side in this clever, amusingly meta picture book by the acclaimed creator of It's Only Stanley There's a wall in the middle of the book, and our hero--a young knight--is sure that the wall protects his side of the book from the dangers of the other side--like an angry tiger and giant rhino, and worst of all, an ogre who would gobble him up in a second! But our knight doesn't seem to notice the crocodile and growing sea of water that are emerging on his side. When he's almost over his head and calling for help, who will come to his rescue? An individual who isn't as dangerous as the knight thought--from a side of the book that might just have some positive things to offer after all!

Wee readers will connect with wee endangered-animals in this mesmerizing bedtime book by Karen Jameson (Woodland Dreams, Farm Lullaby), promoting environmental awareness and encouraging the very sweetest of dreams! When stars are out and the moon's above, where do the wee ones go, my love? Where do the wee ones go? Where do endangered animals go to sleep? Immerse yourself in the lush beauty of this bedtime picture book and find out. From the Pacific Ocean to China's mountains, the

Australian outback, and beyond, each baby animal has a warm, safe place to fall asleep. With a variety of baby endangered animals and their mamas gracing each gorgeous spread, readers will be transfixed by richly-illustrated scenes that span the globe and capture each creature's unique habitat. Snuggle close like a sweet panda, curl up like a cozy koala, and drift off like a drowsy elephant, letting the sweeping environments and soothing bedtime rituals of this gentle animal lullaby lull even the most restless little dreamers into a deep and peaceful sleep. SWEET BEDTIME STORY: The soothing and lyrical text is perfect for bedtime read-alouds, engaging the youngest of readers through beautiful illustrations and a cozy rhyming narrative before sending them off to sleep with a gentle and loving goodnight. FEATURES ENDEARING ENDANGERED ANIMALS: Featuring the bedtime rituals of wild animals and their loving parents from all around the world, this heartwarming book encourages appreciation of our world's most unique species and offers opportunities for parent/child bonding. Children who adore animals will relish snuggling up with these furry and feathered friends! JUST RIGHT FOR THE AGE GROUP: In addition to reinforcing concepts like emotional security and unconditional love, the repetitive read-aloud text structure introduces rhyming and language patterns—all ideal for boosting early cognitive development. GREAT GIFTING OPPORTUNITY: This beautifully illustrated bedtime book makes a gorgeous gift for any special occasion in a child's life, providing a read-aloud experience that infuses each sleepy moment with sweetness and love. LEARN ABOUT THE NATURAL WORLD: Scenes of baby endangered animals in their stunning natural habitats serve to reinforce little readers' understanding (and appreciation) of nature and the natural world. Perfect for: • Parents, grandparents, and caregivers looking for a beautiful bedtime book • Environmentally conscious readers and appreciators of endangered animals • Gift-givers seeking a sweet year-round gift • Animal- and nature-loving gift-givers • Teachers and librarians

WINNER OF THE 2018 NATIONAL BOOK AWARD FOR FICTION SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD NEW YORK TIMES BESTSELLER "A beautiful book ... a world of insight into death, grief, art, and love." —Wall Street Journal "A penetrating, moving meditation on loss, comfort, memory...Nunez has a wry, withering wit." —NPR "Dry, allusive and charming...the comedy here writes itself." The New York Times A moving story of love, friendship, grief, healing, and the magical bond between a woman and her dog. When a woman unexpectedly loses her lifelong best friend and mentor, she finds herself burdened with the unwanted dog he has left behind. Her own battle against grief is intensified by the mute suffering of the dog, a huge Great Dane traumatized by the inexplicable disappearance of its master, and by the threat of eviction: dogs are prohibited in her apartment building. While others worry that grief has made her a victim of magical thinking, the woman refuses to be separated from the dog except for brief periods of time. Isolated from the rest of the world, increasingly obsessed with the dog's care, determined to read its mind and fathom its heart, she comes dangerously close to unraveling. But while troubles abound, rich and surprising rewards lie in store for both of them. Elegiac and searching, *The Friend* is both a meditation on loss and a celebration of human-canine devotion.
