Expert Author: Erin Benzakein's gorgeous flowers are celebrated throughout the world. Her book *Floret Farm's A Year in Flowers* was a New York Times bestseller and her first book, *Floret Farm's Cut Flower Garden*, won the American Horticultural Society Book Award. Filled with Wisdom: Overflowing with hundreds of lush photographs and invaluable advice, *DISCOVERING DAHLIAS* is an essential resource for gardeners and a must-have for anyone who loves flowers, including flower lovers, avid and novice gardeners, floral designers, florists, small farmers, stylists, and designers.

'Toiletpaper' comprises startling photographs colliding commercial photography with twisted narrative tableaux and surrealistic imagery.

The New York Times Best Seller For the first time ever, 75 beloved songs from Mister Rogers' Neighborhood and The Children's Corner are collected in this charmingly illustrated treasury, sure to be cherished by generations of children as well as the millions of adults who grew up with Mister Rogers. It's you I like. It's not the things you wear, It's not the way you do your hair— But it's you I like. From funny to sweet, silly to sincere, the lyrics of Mister Rogers explore such universal topics as feelings, new siblings, everyday life, imagination, and more. Through these songs—as well as endearing puppets and honest conversations—Mister Rogers instilled in his young viewers the values of kindness, self-awareness, and self-esteem. But most of all, he taught children that they are loved, just as they are. Perfect for bedtime, sing-along, or quiet time alone, this beautiful book of meaningful poetry is for every child—including the child inside of every one of us.

Plan & Organize For Success This beautiful five-year monthly planner will help you to keep track of personal and professional agendas, as well as school and family events from January 1st, 2021 until December 31st, 2025.

The floral artwork on the cover of this 60-month calendar book was chosen for its uniquely detailed beauty. Painted in 1660 by Dutch artist, Jan Davidsz de Heem, "Vase of Flowers" is part of the National Gallery of Art Open Access collection. The image showcases brilliant colors and fine details such as the insects and lizard found among the flowers. Inside this 8.5"x11" (21.59cm x 27.94cm) engagement planner, there's plenty of room to write in this book and to add colorful embellishments such as stickers if desired. The cover is made of quality cardstock with a glossy finish to provide an attractive, durable finish that showcases the artwork on this book. The custom interior is made of 55# (90 GSM) white paper with black ink. Both the cover and the interior were thoughtfully designed by women who use planners in the USA. Inside this 2021-2025 Five Year Planner: Personal Information page including room for (3) Emergency contacts. Contacts pages (2) with room for Name, Phone, Email & Birthday for each contact. Year-at-a-glance pages for 2021, 2022, 2023, 2024 & 2025 with notes. Holidays pages with notes for each of the five years. 60 Monthly Calendar pages for 2021, 2022, 2023, 2024, & 2025 in two-page layout with room to write each day, grid notes at the bottom, list notes sidebar, and small month-at-a-glance for previous, current, and next month. Recently separated Amelia Saxton, a dedicated journalist, never expected that uncovering the biggest story of her career would become deeply personal. But when she discovers that a cluster of embryos belonging to her childhood friend Parker and his late wife Greer have been deemed “abandoned,” she’s put in the unenviable position of telling Parker—and dredging up old wounds in the process. Parker has been unable to move forward since the loss of his beloved wife three years ago. He has all but forgotten about the frozen embryos, but once Amelia reveals her discovery, he knows that if he ever wants to get a part of Greer back, he’ll need to accept his fate as a single father and find a surrogate. Each dealing with their own private griefs, Parker and Amelia slowly begin to find solace in one another as they navigate an uncertain future against the backdrop of the pristine waters of their childhood home, Cape Carolina. The journey of self-discovery leads them to an unforgettable and life-changing lesson: Family—the one you’re born into and the one you choose—is always closer than you think. From “the next major voice in Southern fiction” (Elin Hilderbrand, #1 New York Times bestselling author), Under the Southern Sky is a fresh and unforgettable exploration of love, friendship, and the unbreakable

ties that bind.

How to Grow and Enjoy Long-Blooming Hardy Annual Flowers Using Cool Weather Techniques

A Coloring Book and Floral Adventure

A Beautiful Day in the Neighborhood

Everyone longs for fragrant spring blossoms - Snapdragons, Bells of Ireland, Sweet Peas, Sweet Williams and other beauties. But few grow them successfully in their own gardens because they haven't learned the simple techniques that make it possible. Expert flower grower Lisa Mason Zeigler introduces us to the long-blooming stars of the spring garden, the hardy annuals - those flowers that thrive when they are planted during cool conditions (instead of waiting until the warmth of spring). Forget "Some Like It Hot," she advises, and give them a cool start. Plant them in the right spot at the right time, nestle their roots deep into rich organic soil, and stand back. In no time at all, you'll have a low-maintenance, vibrant spring flower garden that keeps on blooming when other annuals are dead and gone.

Introduction and explanation of each print by the artist.

AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to

something? Will they find a way to believe in a beautiful world?

Offers step-by-step instructions for drawing more than twenty varieties of flowers, including jack-in-the-pulpit, iris, and bird of paradise.

It's been proven that adult coloring books are the perfect way to de-stress, and Maggie's compositions are specifically designed to delight, engage and provide a haven of relaxation during busy days. Perforated pages and high-quality watercolor paper make it easy to display and gift personalized artwork. Maggie's stylish, imaginative pen and ink drawings will bring out everyone's inner artist.

The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, *1,000 Places* reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable— everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

Best known for his surreal camera obscura pictures and luminous black-and-white photographs of books, photographer Abelardo

Morell now turns his transformative lens to one of the most common of artistic subjects, the flower. The concept for Flowers for Lisa emerged when Morell gave his wife, Lisa, a photograph of flowers on her birthday. "Flowers are part of a long tradition of still life in art," writes Morell. "Precisely because flowers are such a conventional subject, I felt a strong desire to describe them in new, inventive ways." With nods to the work of Jan Brueghel, Édouard Manet, Georgia O'Keeffe, René Magritte, and others, Morell does just that; the images are as innovative as they are arresting.

60 Unique Images Have you heard all the buzz about adult coloring books? People love them. But there's one problem. Many of them are so detailed that they are hard to color. If only someone would make a book for non-artistic people. Why can't there be a

You're Never Too Young to Fight Censorship! In Ban This Book by Alan Gratz, a fourth grader fights back when From the Mixed-Up Files of Mrs. Basil E. Frankweiler by E. L. Konigsburg is challenged by a well-meaning parent and taken off the shelves of her school library. Amy Anne is shy and soft-spoken, but don't mess with her when it comes to her favorite book in the whole world. Amy Anne and her lieutenants wage a battle for the books that will make you laugh and pump your fists as they start a secret banned books locker library, make up ridiculous reasons to ban every single book in the library to make a point, and take a stand against censorship. Ban This Book is a stirring defense against censorship that's perfect for middle grade readers. Let kids know that they can make a difference in their schools, communities, and lives! "Readers, librarians, and all those books that have drawn a challenge have a brand new hero.... Stand up and cheer, book lovers. This one's for you." —Kathi Appelt, author of the Newbery Honor-winning The Underneath "Ban This Book is absolutely brilliant and belongs on the shelves of every library in the multiverse."—Lauren Myracle, author of the bestselling Internet Girls series, the most challenged books of 2009 and 2011 "Quick paced and with clear, easy-to-read prose, this is a book poised for wide readership and classroom use."—Booklist "A stout defense of the right to read." —Kirkus Reviews "Gratz delivers a book lover's book that speaks volumes about kids' power to effect change at a grassroots level." —Publishers Weekly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Be it a single delicate bud in a simple clear vase or an explosion of colorful blossoms, a brilliant bouquet accents an atmosphere and brightens the mood like nothing else. The beauty of flowers has inspired artists, designers, poets, and myriad other creators for centuries: the Dutch masters of the 1600s and impressionist painters from Manet to Van Gogh, photographer Robert Mapplethorpe, botanical illustrator Georg Dionysius Ehret, and even the inimitable Andy Warhol. Flowers: art &

bouquets showcases a glorious profusion of floral images and interpretations across a spectrum of artistic media and time periods. Design writer Sixtine Dubly chronicles the evolution of floral design in this remarkable compendium, which also features stunning work by more than forty contemporary floral artists in London, Paris, and New York, from minimalist to elaborate. This treasury of gorgeous imagery blooms in resplendent color before the reader's eyes." --

It's a perfect coloring book to practice and perfect your coloring skills. Whether you're just beginning your creative journey, or you're a coloring connoisseur, everyone can have fun with this exciting and varied collection of patterns. An excellent coloring book for beginners. We've taken the time to create unique designs that call for your creative touch. Foraging & Feasting: A Field Guide and Wild Food Cookbook celebrates and reclaims the lost art of turning locally gathered wild plants into nutritious, delicious meals ? a traditional foodway long practiced by our ancestors but neglected in modern times. The book's beautiful, instructive botanical illustrations and enlightening recipes offer an adventurous and satisfying way to eat locally and seasonally. Readers will be able to identify, harvest, prepare, eat, and savor the wild bounty all around them. We share this project with you out of our long commitment to connecting with nature through food and art. The effort weaves together Dina's 30 years of passionate investigations into wild-plant identification, foraging, and cooking with Wendy's deft artistic skills honed over 15 years as a botanical illustrator. The result is an abundance of recipes and illustrations that explore creative ways to bring wild edibles into our lives. Part One of Foraging & Feasting serves as a visual guide, tracking 50 plants through their growing cycle. The images illustrate the culinary uses of wild plants at various seasons. Part Two contains easy-to-use references including Plant Chart Centerfolds and Seasonal Flow Charts. Part Three brings you into the kitchen; here you'll find more than 100 master recipes and countless variations formulated to help you easily turn wild plants into delectable salads, soups, beverages, meat dishes, desserts, and a host of other culinary delights. These recipes are not limited to wild ingredients; they can be used with cultivated ingredients as well, purchased or homegrown. Many of the recipes can be made to accommodate various

dietary restrictions: gluten-free, casein-free, dairy-free, grain-free, and sugar-free. Among those who will find the book valuable are the health-conscious members of the Weston A Price Foundation, ever in search of nutrient-dense, traditional whole foods. Slow Food enthusiasts will appreciate how focusing on ancient, seas → → unusual edibles.
