

Football Academy: Striking Out

'A wonderful overview of tactical development in European football' Matthew Syed, The Times
'A fascinating assessment of football in 2019' Observer

"Tomasz loves playing for United - but he isn't keen on Ryan, the team captain - and bully. Ryan is always picking on him and making him feell bad about being Polish. When the club goes to Poland to play in a European tournament, Tomasz is excited and determined not to let Ryan spoil things."--Publisher's description.

A retelling of the day Jackie Mitchell, a seventeen-year-old female professional baseball player, struck out the New York Yankees best hitters, Babe Ruth and Lou Gehrig, in an exhibition game in 1931.

A collection of three fabulous football stories from the BIG series about football-mad brothers Chris and Andrew Weston. The three titles contained are THE BIG CLASH, THE BIG DROP and THE BIG SEND-OFF. Will Danebridge win the Cup? As captain, Chris has to deal with everything from a penalty shoot-out to a shock sending-off!

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

Until It Hurts

The Game's Not Over

A story of queer love and working-class families, Young Mungo is the brilliant second novel from the Booker Prize-winning author of Shuggie Bain Douglas Stuart's first novel **Shuggie Bain**, winner of the 2020 Booker Prize, is one of the most successful literary debuts of the century so far. Published or forthcoming in forty territories, it has sold more than one million copies worldwide. Now Stuart returns with **Young Mungo**, his extraordinary second novel. Both a page-turner and literary tour de force, it is a vivid portrayal of working-class life and a deeply moving and highly suspenseful story of the dangerous first love of two young men. Growing up in a housing estate in Glasgow, Mungo and James are born under different stars—Mungo a Protestant and James a Catholic—and they should be sworn enemies if they’re to be seen as men at all. Yet against all odds, they become best friends as they find a sanctuary in the pigeon dovecote that James has built for his prize racing birds. As they fall in love, they dream of finding somewhere they belong, while Mungo works hard to hide his true self from all those around him, especially from his big brother Hamish, a local gang leader with a brutal reputation to uphold. And when several months later Mungo’s mother sends him on a fishing trip to a loch in Western Scotland with two strange men whose drunken banter belies murky pasts, he will need to summon all his inner strength and courage to try to get back to a place of safety, a place where he and James might still have a future. Imbuing the everyday world of its characters with rich lyricism and giving full voice to people rarely acknowledged in the literary world, **Young Mungo** is a gripping and revealing story about the bounds of masculinity, the divisions of sectarianism, the violence faced by many queer people, and the dangers of loving someone too much.

Yunis can't believe that he's United leading scorer. It should be the happiest time of his life, but his father wants him to give up football and work hard at school. Can Yunis convince his dad that he can do both, or will he have to hang up his boots forever? Stay on the ball this season with all the action from Football Academy.

When cheerleader Isobel Lanley is assigned to work with goth, Edgar Allen Poe fan Varen Nethers on an English project, she is swept into a horrific dream world that he has created in his mind.

Near the end of a long season, fourteen-year-old baseball pitcher Ben Hyman approached his father with disappointing, if not surprising, news: his pitching shoulder was tired. With each throw to home plate, he felt a twinge in his still maturing arm. Any doctor would have advised the young boy to take off the rest of the season. Author Mark Hyman sent his son out to pitch the next game. After all, it was play-off time. Stories like these are not uncommon. Over the last seventy-five years, adults have staged a hostile takeover of kids' sports. In 2003 alone, more than 3.5 million children under age fifteen required medical treatment for sports injuries, nearly half of which were the result of simple overuse. The quest to turn children into tomorrow's superstar athletes has often led adults to push them beyond physical and emotional limits. In *Until It Hurts*, journalist, coach, and sports dad Mark Hyman explores how youth sports reached this problematic state. His investigation takes him from the Little League World Series in Pennsylvania to a prestigious Chicago soccer club, from adolescent golf and tennis superstars in Atlanta to California volleyball players. He interviews dozens of children, parents, coaches, psychologists, surgeons, sports medicine specialists, and former professional athletes. He speaks at length with Whitney Phelps, Michael's older sister; retraces the story of A Very Young Gymnast, and its subject, Torrance York; and tells the saga of the Castle High School girls' basketball team of Evansville, Indiana, which in 2005 lost three-fifths of its lineup to ACL injuries. Along the way, Hyman hears numerous stories: about a mother who left her fifteen-year-old daughter at an interstate exit after a heated exchange over her performance during a soccer game, about a coach who ordered preteens to swim laps in three-hour shifts for twenty-four hours. Hyman's exploration leads him to examine the history of youth sports in our country and how it's evolved, particularly with the increasing involvement of girls and much more proactive participation of parents. With its unique multiple perspective-of history, of reporting, and of personal experience-this book delves deep into the complicated issue of sports for children, and opens up a much-needed discussion about the perils of youth sports culture today. Hyman focuses not only on the unfortunate cases of overzealous parents and overly ambitious kids, but also on how positive change can be made, and concludes by shining a spotlight on some inspirational parents and model sports programs, giving hope that the current destructive cycle can be broken.

Young Mungo

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A famous account of growing up to be a fanatical football supporter. Told through a series of match reports, **FEVER PITCH** has enjoyed enormous critical and commercial success since it was first published in 1992. It has helped to create a new kind ofsports writing, and established Hornby as one of the finest writers of his generation.

"All five volumes of this best-selling series are now available in paperback boxed set " No one takes Spencer Zumbro seriously when he tries to warn his classmates about the mysterious things prowling the halls and classrooms of Welcher Elementary School. But when he sees Marv, the janitor, going after one of the creatures with a vacuum, he knows he's not the only one who can see them. With the help of his new friend, Daisy, Spencer has to find out what the janitors know. The children's search uncovers the existence of Toxites, small creatures that feed on the brain waves of students, and the evil organization known as the Bureau of Educational Maintenance (BEM). Spencer and his friends are drawn into a battle between the secret society of janitors with wizard-like powers and the evil BEM. Along the way, they must perfect their Toxite-fighting skills, find the source of all magical Glop, and follow a trail of clues to the hiding place of the mysterious Aurans, who are guardians of a secret landfill. But time is short. With the fabled"Manualis Custodem" in hand, Spencer must also figure out how to summon the founding witches if they ever hope to mop up and save education. This best-selling series is a gripping ride through conflicted loyalties and daring escapes, unexpected alliances and betrayals, and an ending you'll never forget "

From dreams of soccer glory to the realities of the minor leagues, the high-stakes world of English football comes to life in this vivid coming-of-age novel for fans of Nick Hornby and *The Art of Fielding*. After his unceremonious release from a Premier League academy at nineteen, Tom feels his bright future slipping away. The only contract offer he receives is from a lower-level club. Away from home for the first time, Tom struggles on and off the field, anxious to avoid the cruel pranks and hazing rituals of his teammates. Then a taboo encounter upends what little stability he has, forcing Tom to reconcile his suppressed desires with his drive to succeed. Meanwhile, the team’s popular captain, Chris, is in denial about the state of his marriage. His wife, Leah, has almost forgotten the dreams she once held for her career. As her husband is transferred from club to club, and raising their first child practically on her own, she is lost, disillusioned with where life has taken her. A Natural delves into the heart of a professional soccer club: the pressure, the loneliness, the threat of scandal, the fragility of the body, and the struggle of conforming to the person everybody else expects you to be. Praise for A Natural “This is a bold novel. [Raisin has a] deep and unwavering empathy for others, and an ability to find flashes of beauty in life’s unforgiving ugliness. His language might be spare, but his turn of phrase is strikingly elegant. . . . The way is lit by his keen perceptions; the novel suggests the frustrations that arise when lived experience fails to align with what was imagined, and analyzes the gap between spectatorship and participation. . . . If Raisin has chosen to focus on that which stifles rather than frees us, he has done so to demonstrate precisely why we need all the things that society and circumstance suppress. . . . The confidence and skill with which he pursues his vision is not just persuasive, it’s powerful.”—*The New York Times Book Review* “Raisin’s transporting and acutely observed novel speaks to us all. First-rate.”—*Booklist* (starred review) “An intimate picture of life in the lower reaches of professional British football . . . a bold theme . . . is rendered with restraint and sympathy. . . . [A Natural] is a sensitive treatment of very different kinds of solitude and pain.”—*Kirkus Reviews*

Improving the Science, Changing the Culture

St Vladimir’s Academy isn’t just any boarding school - hidden away, it’s a place where vampires are educated in the ways of magic and half-human teens train to protect them. Rose Hathaway is a Dhampir, a bodyguard for her best friend Lissa, a Moroi Vampire Princess. They’ve been on the run, but now they’re being dragged back to St Vladimir’s where the girls must survive a world of forbidden romances, a ruthless social scene and terrifying night time rituals. But most of all, staying alive.

Soccer has turned into a multi-billion-dollar industry. Professionalism and commercialization dominate its global image. Yet the game retains a rebellious side, maybe more so than any other sport co-opted by money makers and corrupt politicians. From its roots in working-class England to political protests by players and fans, and a current radical soccer underground, the notion of football as the "people's game" has been kept alive by numerous individuals, teams, and communities. This book not only traces this history, but also reflects on common criticisms: soccer ferments nationalism, serves right-wing powers, and fosters competitiveness. Acknowledging these concerns, alternative perspectives on the game are explored, down to practical examples of egalitarian DIY soccer! Soccer vs. the State serves both as an orientation for the politically conscious football supporter and as an inspiration for those who try to pursue the love of the game away from televisions and big stadiums, bringing it to back alleys and muddy pastures. This second edition has been expanded to cover events of recent years, including the involvement of soccer fans in the Middle Eastern uprisings of 2011-2013, the FIFA scandal of 2015, and the 2017 strike by the Danish women's team.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

The battle of the sexes is on. Most high school sports teams have rivalries with other schools. At Hamilton High, it's a civil war: the football team versus the soccer team. And for her part,Lissa is sick of it. Her quarterback boyfriend, Randy, is always ditching her to go pick a fight with the soccer team or to prank their locker room. And on three separate occasions Randy's car has been egged while he and Lissa were inside, making out. She is done competing with a bunch of sweaty boys for her own boyfriend's attention. Lissa decides to end the rivalry once and for all: She and the other players' girlfriends go on a hookup strike. The boys won't get any action from them until the football and soccer teams make peace. What they don't count on is a new sort of rivalry: an impossible girls-against-boys showdown that hinges on who will cave to their libidos first. And Lissa never sees her own sexual tension with the leader of the boys, Cash Sterling, coming.

Essential Soccer Skills progresses from beginner basics to advanced techniques, featuring illustrated sequences on how to learn and master key skills, and tips on how to improve your overall form. Essential Soccer Skills covers everything from the basics and rules of the game to the types of players--goalkeepers, defenders, midfielders, attackers--to skills and team tactics like stepovers, heading, and volleying. Essential Soccer Skills is the go-to guide for anyone interested in learning more about soccer and becoming a better player.

A scandalous, sentimental, no-holds-barred, New York Times bestselling memoir from one of Hollywood’s most legendary stars. Burt Reynolds was the Hollywood leading man known for his legendary performances, sex symbol status, and infamous Hollywood romances. In his decades of stardom, Reynolds saw it all. But Enough About Me will, in his words, “call out the assholes,” try to make amends for “being the asshole myself on too many occasions,” and pay homage to the superstars and ordinary heroes he came to love and respect. Beginning with Reynolds’s adolescence as a notable football player in South Florida and the devastating car accident that ended his sports career and helped steer him toward acting, But Enough About Me then chronicles Reynolds’s meteoric rise to fame. From Oscar nominations, to the spread in *Cosmopolitan* magazine, to the financial decisions that took him from rich to poor and back again, Reynolds shares the wisdom that came from his many highs and lows. He also opens up about his romances and breakups with some of Hollywood’s leading women, including the “two loves of his life,” Dinah Shore and Sally Field, and his turbulent relationship with Loni Anderson, to whom he was forced to pay record-setting amounts of alimony and child support after the couple divorced. Through it all, Reynolds reflects on his personal pitfalls and recoveries and focuses on his legacy as a father and acting teacher.

Before the packed stadiums. Before he became a huge star. Jamie Johnson had to learn from the best. Jamie is the top player at his school but there's something missing from his game. He needs that bit of extra flair. He wants that touch of magic. Can the once-in-a-lifetime chance to train on the beaches of Brazil give Jamie the skills he needs to become a legend?

An exciting football series, following the adventures of United's under-twelves side. Since Ryan Flynn got into trouble for bullying, he's been determined to pull his socks up and be the best captain United's ever had. So when team-mate Craig causes problems on - and off - the pitch, Ryan knows he must get to the bottom of it or he'll lose a talented player. But Craig's worries are much bigger than

Ryan realized - can he help Craig and stop him from being shown the red card?

Offers an inspirational portrait of the Native American football team of the Carlisle Indian Industrial School, a championship squad that included the legendary Jim Thorpe and that defeated its Ivy League opponents, in a history that is set against a backdrop of the early days of football and the rise and fall of Coach Glenn "Pop" Warner. Reprint. 25,000 first printing.

Celebrate the buzz of the Rugby World cup with this action-packed, globe-trotting rugby adventure from top-selling author Tom Palmer.Borderlands School's First XV have their sights set on becoming the best school rugby team in the world. But while the boys focus on their matches, many of their parents are serving overseas in the armed forces, and everyone is worried as conflict grows in the Central Asian Republic.New pupil Woody is a footballer by nature and must decide if he's prepared to give rugby his all. Rory feels like he's losing his focus, distracted by thoughts of his parents in danger. Meanwhile, Owen finds himself at the centre when conflict breaks out within the team. With so many hurdles to face along the way, how far will they get in the rigorous schools' tournament?

GO TURBO is power-packed with MORE FACTS, MORE RECORDS and MORE WEBSITES than most books. This book is about football, featuring everything from the best players to World Cup history. It includes a story called 'Hot Wheels'. This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books children want to read, and books children can read.

Author Jim Wagner divulges his real life story on how he lost almost everything in life at age 37 yet rallied and recovered through perseverance, belief and determination. His internal resolve provided clarity that life had more meaning and significance. Wagner began to dig out of his own mid life crisis to find his real passion and purpose in life; mentor, teach, support and advise. This motivational book talks about Wagner starting over in life and sharing his drive and passion for the game of baseball to those who crave to play the game. This story illustrates how his path in life allowed him to find his motivation to teach baseball players how to achieve their own goals and dreams in life, both on and off the ball field. This is his small contribution toward changing the world.....one pitch at a time!

Join Duck, Hippo, and their friends as they uncover their secret valentines! It's Valentine's Day, and something curious is going on. As the birds tweet their love songs, Hippo and his friends Elephant, Pig, and Turtle each receive mysterious, unsigned Valentine's Day cards. Hippo wonders if his is from Duck; Elephant and Turtle think theirs are from Pig; and Pig dreams that hers is from Turtle. The cards tell the friends to come to the park at four o'clock to meet their valentines--so they'll find out soon enough! As the clock ticks away, the friends wonder--and dream--about their valentines and make special preparations. But when they arrive...SURPRISE! This Valentine's Day might not go exactly the way they expected, but one thing is certain: being friends with Duck and Hippo is always a special treat!

Lily has lots of worries. She's struggling to compete in her fell-running races and, even worse, every day her gran's Alzheimer's gets a little bit worse. But then she discovers her great-great-grandfather's diaries from the First World War. Could his incredible story of bravery help her reconnect with her gran and even give her the inspiration she needs to push through and win?

In the past decade, few subjects at the intersection of medicine and sports have generated as much public interest as sports-related concussions - especially among youth. Despite growing awareness of sports-related concussions and campaigns to educate athletes, coaches, physicians, and parents of young athletes about concussion recognition and management, confusion and controversy persist in many areas. Currently, diagnosis is based primarily on the symptoms reported by the individual rather than on objective diagnostic markers, and there is little empirical evidence for the optimal degree and duration of physical rest needed to promote recovery or the best timing and approach for returning to full physical activity. Sports-Related Concussions in Youth: Improving the Science, Changing the Culture reviews the science of sports-related concussions in youth from elementary school through young adulthood, as well as in military personnel and their dependents. This report recommends actions that can be taken by a range of audiences - including research funding agencies, legislatures, state and school superintendents and athletic directors, military organizations, and equipment manufacturers, as well as youth who participate in sports and their parents - to improve what is known about concussions and to reduce their occurrence. Sports-Related Concussions in Youth finds that while some studies provide useful information, much remains unknown about the extent of concussions in youth; how to diagnose, manage, and prevent concussions; and the short- and long-term consequences of concussions as well as repetitive head impacts that do not result in concussion symptoms. The culture of sports negatively influences athletes' self-reporting of concussion symptoms and their adherence to return-to-play guidance. Athletes, their teammates, and, in some cases, coaches and parents may not fully appreciate the health threats posed by concussions. Similarly, military recruits are immersed in a culture that includes devotion to duty and service before self, and the critical nature of concussions may often go unheeded. According to Sports-Related Concussions in Youth, if the youth sports community can adopt the belief that concussions are serious injuries and emphasize care for players with concussions until they are fully recovered, then the culture in which these athletes perform and compete will become much safer. Improving understanding of the extent, causes, effects, and prevention of sports-related concussions is vitally important for the health and well-being of youth athletes. The findings and recommendations in this report set a direction for research to reach this goal.

How Struggle and Adversity Led to Success and Purpose on and Off the Field.

Jake loves football and dreams of becoming a professional footballer. He's worried about his height though - what if he's too small for football? But on the day of his trial Jake is quick on the ball and scores - he's made it! Jake can't wait to pull on his shirt and join the team. But someone at the club wants to make his life difficult. Can Jake face up to the bullies and become man of the match again? Stay on the ball this season with the first four stories following the boys in United's under-twelves.

ONGLISTED FOR THE 2015 NATIONAL BOOK AWARD NAMED ONE OF THE BEST BOOKS OF 2015 BY THE WASHINGTON POST, TIME, MEN'S JOURNAL, CHICAGO TRIBUNE, KANSAS CITY STAR, BROOKLYN MAGAZINE, NPR, HUFFINGTON POST, THE DAILY BEAST, AND BUZZFEED WINNER OF THE 2015 ERNEST J. GAINES AWARD FOR LITERARY EXCELLENCE
ONGLISTED FOR THE 2016 ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN FICTION NATIONAL BESTSELLER
From the PEN/Faulkner finalist and critically acclaimed author of Hold It "Til It Hurts comes a dark and socially provocative Southern-fried comedy about four UC Berkeley students who stage a dramatic protest during a Civil War reenactment—a fierce, funny, tragic work from a bold new writer. Welcome to Braggsville. The City that Love Built in the Heart of Georgia. Population 712 Born and raised in the heart of old Dixie, D'aron Davenport finds himself in unfamiliar territory his freshman year at UC Berkeley. Two thousand miles and a world away from his childhood, he is a small-town fish floundering in the depths of a large, hyper-liberal pond. Caught between the prosaic values of his rural hometown and the intellectualized multicultural cosmopolitanism of Berzerkeley, the nineteen-year-old white kid is uncertain about his place until one disastrous party brings him three idiosyncratic best friends: Louis, a "kung-fu comedian" from California; Candice, an earnest do-gooder claiming Native roots from Iowa; and Charlie, an introspective inner-city black teen from Chicago. They dub themselves the “4 Little Indians.” But everything changes in the group’s alternative history class, when D’aron lets slip that his hometown hosts an annual Civil War reenactment, recently rebranded “Patriot Days.” His announcement is met with righteous indignation, and inspires Candice to suggest a “performative intervention” to protest the reenactment. Armed with youthful self-importance, makeshift slave costumes, righteous zeal, and their own misguided ideas about the South, the 4 Little Indians descend on Braggsville. Their journey through backwoods churches, backroom politics, Waffle Houses, and drunken family barbecues is uproarious to start, but will have devastating consequences. With the keen wit of Billy Lynn’s Long Halftime Walk and the deft argot of The Brief Wondrous Life of Oscar Wao, T. Geronimo Johnson has written an astonishing, razor-sharp satire. Using a panoply of styles and tones, from tragicomic to Southern Gothic, he skewers issues of class, race, intellectual and political chauvinism, Obamaism, social media, and much more. A literary coming-of-age novel for a new generation, written with tremendous social insight and a unique, generous heart, Welcome to Braggsville reminds us of the promise and perils of youthful exuberance, while painting an indelible portrait of contemporary America.

On the Move!

(The Cuckoo's Calling, The Silkworm, Career of Evil, Lethal White)

F2: Football Academy

The Making of the Greatest Team in the World

The Girl Who Struck Out Babe Ruth

The fifth book in the fast-paced Football Academy series. James has been a junior player at United for a long time. Everyone expects him to follow in his dad's footsteps and play for England one day. But James isn't so sure. He has something he wants to do even more than football. Something that means he would have to give up football. The problem is he doesn't want to disappoint his dad. At a tournament in London, where he is pitched against Arsenal and Chelsea players, James finally makes his mind up.

The #1 New York Times and USA Today bestselling phenomenon Some things are worth waiting for . . . Traveling thousands of miles from home to enter college is the only way nineteen-year-old Avery Morgansten can escape what happened at that fateful Halloween party five years ago—an event that forever changed her life. What she never planned on was capturing the attention of the one guy who could shatter the precarious future she's building for herself. Some things are worth experiencing . . . Cameron Hamilton is six feet, three inches of swoon-worthy hotness, com-plete with a pair of striking blue eyes and a remarkable ability to make Avery want things she believed had been irrevocably stolen from her. Getting involved with him is dangerous. Yet ignoring the simmering tension that sparks between them—and brings out a side of her she never knew existed—is impossible. Some things shouldn't be kept quiet . . . But when Avery starts receiving threatening e-mails and phone calls, she's forced to face a past she wants to keep buried and acknowledge that someone is refusing to allow her to let go of that night when everything changed. If the devastating truth comes out, will she resurface with one less scar? And will Cam be there to help her? And some things are worth fighting for . . .

The first four novels in Robert Galbraith's "wonderfully entertaining" series (Harlan Coben) featuring the private detective Cormoran Strike and his assistant Robin Ellacott. This omnibus set includes the novels The Cuckoo's Calling, The Silkworm, Career of Evil, and Lethal White. Each of these novels is compulsively readable, with twists at every turn. You may think you know detectives, but you've never met one quite like Strike. "Rowling's wizardry as a writer is on abundant display...This is a crime series deeply rooted in the real world, where brutality and ugliness are leavened by the oh-so-human flaws and virtues of Galbraith's irresistible hero and heroine." --USA Today

The first children's book from superstar England striker, Ian Wright. Striking Out follows the journey of 13-year-old Jerome, who has a dream of becoming a world-class footballer. But with a difficult home life, Jerome can't see how he'll ever make this dream come true ... until he meets a mentor figure who can hopefully put him on the right track. From the winning writing team of Musa Okwonga and Ian Wright. Musa Okwonga is an author, poet, journalist and musician; he is a co-host of the Stadio football podcast. Ian Wright is one of the UK's all-time leading goal scorers. He's lifted the Premier League title, The FA Cup, the European Cup Winners' Cup and won the Premier League golden boot.

FC Barcelona are the greatest football team in the world, the greatest for a generation and possibly the greatest of all time. This is the inside story of how the team came to redefine how the game is played, told by the journalist closer to it than any other. This edition contains a new epilogue reflecting on the departure of Pep Guardiola and Spain's victory at Euro 2012.

Is there anything more universally American than NFL football? Love of the NFL runs deep and broad. It is a primetime TV event on multiple national networks, subsidized by public funds and popular from Mount Rainier to Miami Beach. The 2015 Super Bowl, a thriller between the Patriots and Seahawks, was the most-watched program in the history of television, with more than a third of the country watching. Yet football is in trouble. Public anxiety over football spiked in 2014 during the heat of the Ray Rice domestic violence scandal, the ongoing concussion crisis and the league ' s appropriations of tax money for its own ends. The mounting problems have led some to question the ethics of watching America ' s beloved game. In this sharply argued, witty, observant book, Gregg Easterbrook makes a spirited case in defense of the NFL. As he shows, the league brings together Americans of all stripes, providing a rare space to talk about what matters. Indeed, the various issues we see in the league are often microcosms of the ones we see elsewhere, whether it ' s suspicion of the rich, or gender politics or even concern over bullying. The NFL ' s social, economic and legal problems are real, but they also produce some of our best and most valuable discussions of those issues. Football is a magnificent incarnation of our national character. It has many flaws, and they need fixing—but the game ' s not over.
