Imagine if you could TRIPLE your win rate and your kills per game. Fortnite has taken the world by storm and everyone is playing it. With so many people playing the game including your friends and family, you want to be the best among your friends and family. However, you are not getting the results you are looking for and are constantly ending up frustrated after almost every game especially if you are dying first in your squad of friends! This guide has all the information and tactics you need to finally start playing at an elite level and constantly get those victory royales. Start to develop the confidence that the pros have and begin to dominate your lobbies! Be excited rather than anxious whenever you engage in a fight and know that you will come out on top. I started off in the exact same spot as you; constantly being frustrated and rarely getting in the top 10. Even if I did get there, it was by playing too safe and never engaging anyone until the circle got small enough. By learning from my mistakes and picking up many tips and tricks along the way on how to win the game, I was able to make a guide that will progress you to an elite level like it did for me. What Makes This Guide Different From all the Other Fortnite Guides? The big difference between this guide and many other guides out there is the quality of the content. I have actually written this guide myself rather than outsourcing it to a 3rd party

to help numerous players improve at the game. As of recently, I decided to turn all of my focus and attention towards a much needed new challenge. So I put a lot of time and effort into coming up with a comprehensive guide on Fortnite, and finally - here it is. I've done my absolute best to make it significantly better and more thorough than any other book you will find on the subject, which I am sure many readers will appreciate. Even though Fortnite is still a relatively new game, its player base is quickly evolving. To be the last man standing in such a competitive environment, you need to be guided by a solid set of principles and game knowledge. And that's what you're going to get in this book - plenty of applicable strategies that you can use, refine and apply to your own gameplay. This book will help you figure out what you're doing right and what you need to improve on, to make sure that you consistently win more Victory Royales. But most importantly, it will help you have a lot more fun with the game and get the most enjoyment out of it. Whatever your goal is - this book will help you achieve it.
