A fully illustrated and authorized episode guide celebrating the twenty-fifth anniversary of the hit-television show Friends, including a look behind-the-scenes of cult-favorite episodes, photos from Warner Bros., brand new interviews with show creators Marta Kauffman, David Crane, and set designer John Shaffner, and more. The beloved show Friends introduced us to six young New Yorkers living together, falling in love, breaking up (cue Ross's "We were on a break!"), and getting into hilarious shenanigans, which became an instant classic for a generation. Friends inspired dozens of "hangout sitcoms" long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like "the Rachel" and timeless catchphrases like "How you doin'?" while creating a cultural sensation that catapulted the cast members to instant mega-stardom. Throughout the show's ten-season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and, of course, plenty of sarcasm. Friends Forever brings fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred moments and sneak peeks of how popularly referenced lines from the show came to be. Friends Forever also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner who reveals his inspirations behind the iconic looks behind Monica's and Rachel's apartment and Central Perk. It's no wonder why Friends cast was chosen by TV Guide readers as the Best Comedy cast of all time, while countless other publications such as Vanity Fair named the show one of the best sitcoms of all time. Fun, hilarious interactives include: Joey's fake resume vs real one Countdown to the funniest Thanksgiving foods Trivia game Q&A from "The One with the Embryos" (Seriously, what was Chandler Bing's job?) Follow Ross's infidelity trail from "The One with the Morning After" Who's that celebrity? A comprehensive guide to some of the most famous celebrity guest stars from all ten seasons

Furr-Ever Friends! (Barbie)Golden Books

Childhood Friends Reunite to Rendezvous! All giggles and wiggles, Lisa and Amy sealed their friendship under the pink ruffles of a canopy bed, promising to be friends forever. They remained inseparable until an argument over Lisa's prom date divides them. In a plan that could only be devised by their heavenly Father, Amy and Lisa end up in the same hospital emergency room years later. With their promise to always be there for each other unexpectedly fulfilled, the two friends grow close again. Amy reminds Lisa of one of their childhood promises yet to be realized—their plan to rendezvous in Paris. Amy and Lisa find a way to make good on their Parisian promise from thirty years ago and pack their bags for the adventure of a lifetime. From becoming unexpected counselors for a rocky marriage to scaling the Eiffel Tower to winking at Mona Lisa in the Louvre, these two Sisterchicks find the treasures of Europe can't compare with the gems of a friendship renewed for eternity! Story Behind the Book "Each of the Sisterchicks books portrays the reality of how a close friendship between two women can draw them closer to God, and reveal clear direction for their futures. In Sisterchicks Say Ooh-La-La!, readers discover the value of rekindling an old friendship and replacing old, incorrect assumptions with new truth. I hope readers will take away a sense of God's immense plan for His children and His unending grace in every season of life." —Robin Jones Gunn

"There has never been a craze like Beanie Babies. The \$5 beanbag animals with names like Seaweed the Otter and Gigi the Poodle drove a large swath of America into a greed-fueled frenzy as they chased the rarest Beanie Babies, whose values escalated weekly in the late 1990s. Just as strange as the mass hysteria was the man behind it. Sometimes called the "Steve Jobs of plush" by his employees, he obsessed over every detail of every animal his company ever released. He had no marketing budget and no connections, but he had something more valuable - an intuitive grasp of human psychology that would make him the richest man in the history of toys. The Great Beanie Baby Bubble is a classic American story of people winning and losing vast fortunes chasing what one dealer remembers as "the most spectacular dream ever sold."--Back cover.
