Guess How Much I Love You: A Book Of Valentines

From legendary author and illustrator duo Sam McBratney and Anita Jeram comes the delightful sequel to the heartwarming picture book classic *Guess How Much I Love You*. Little Nutbrown Hare is out exploring on his own. Off he hops along the path and through the grass until he reaches Cloudy Mountain, where something extraordinary happens: he discovers a new friend! Now the fun can really begin. Twenty-five years after we met the Nutbrown Hares, this enchanting new tale about friendship is bound to capture the hearts of *Guess How Much*

A cryptic murder pulls a former soldier turned financial analyst deep into the corruption and menace that prowl beneath the opulent world of finance, in this #1 New York Times bestselling thriller from David Baldacci. Every day without fail, Travis Devine puts on a cheap suit, grabs his faux-leather briefcase, and boards the 6:20 commuter train to Manhattan, where he works as an entry-level analyst at the city's most prestigious investment firm. In the mornings, he gazes out the train window at the lavish homes of the uberwealthy, dreaming about joining their ranks. In the evenings, he listens to the fiscal news on his phone, already preparing for the next grueling day in the cutthroat realm of finance. Then one morning Devine's tedious routine

Online Library Guess How Much I Love You: A Book Of Valentines

is shattered by an anonymous email: She is dead. Sara Ewes, Devine's coworker and former girlfriend, has been found hanging in a storage room of his office building—presumably a suicide, at least for now—prompting the NYPD to come calling on him. If that wasn't enough, before the day is out, Devine receives another ominous visit, a confrontation that threatens to dredge up grim secrets from his past in the army unless he participates in a clandestine investigation into his firm. This treacherous role will take him from the impossibly glittering lives he once saw only through a train window, to the darkest corners of the country's economic halls of power . . . where something rotten lurks. And apart from this high-stakes conspiracy, there's a

Online Library Guess How Much I Love You: A Book Of Valentines

killer out there with their own agenda,
and Devine is the bull's-eye.

How Little Chick longs for her carrot
to grow tall, for her kite to fly high, to
be able to reach up & take her star
from the sky. But her carrot is small,
her kite bobs along on the ground &
she can't reach her star. Sometimes
things just don't turn out quite the way
you want them to.

around in this comforting new tale from the incomparable team of Sam McBratney and Anita Jeram. Features an audio read-along performed by the author! Every night, while tucking in their three cubs, Mommy and Daddy Bear tell them they're the most wonderful baby bears in the whole wide world. But one day the three little bears start to wonder: How do Mommy and Daddy know this is true? And even more worrisome to each sibling: What if my parents like my brother or sister better than me? From the team who brought us the beloved Big and Little Nutbrown Hare comes a tale that

Roses Have Thorns, and many more, integrated into the flow of Bible stories. This book is perfect for use in Year 3 (age 9-10) in the Steiner-Waldorf curriculum, or as a reader in Year 4. This is the first of Jakob Streit's three books of Bible stories, followed by Journey to the Promised Land, and We Will Build a Temple.

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.”

Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This

Online Library Guess How Much I Love You: A Book Of Valentines

upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling Hands Are Not for Hitting Board Book, Teeth Are Not for Biting gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they're hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for

From the creators of Guess How Much I Love You comes a brand-new, lovable, huggable novelty book featuring a soft plush puppet. Little Nutbrown Hare wants to know if Big Nutbrown Hare is ticklish.

"Can I tickle your ears? Is your nose tickly, too?" Tickle, tickle, tickle! Little ones can join in too, tickling the soft and snuggly puppet that pops through each page, or — just maybe — being tickled themselves by Little Nutbrown Hare! A sweet interactive book-and-toy combination makes storytime even more fun — and tickly.

Synopsis coming soon.....

A child explores her neighborhood on a late-night walk with her dad, finding delight and comfort in moments of quiet and the warm

Online Library Guess How Much I Love You: A Book Of Valentines

windows into other people's lives. When a little girl can't sleep one night, her dad asks if she'd like to go for a walk. They tiptoe through the silent house and step out into the dark. It's strange and exciting to be out so late. Walking down the street, the girl can see inside the lit-up windows of apartment buildings and houses where people's lives are unfolding. Kids are having a pillow fight in one house, while a family has gathered for a festive meal in another. She and her dad reach the still-busy shopping area, walking past restaurants and enticing store windows, then stop for a tranquil moment in the park before returning home. Sara O'Leary has captured a child's nighttime wonder as she explores her neighborhood and comes to the

Online Library Guess How Much I Love You: A Book Of Valentines

comforting realization that she belongs. Ellie Arscott's illustrations, luminous and rich in color, perfectly complement the story. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.6 Identify who is telling the story at various points in a text. CCSS.ELA-LITERACY.RL.4.1 Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.

A Novel

Teeth Are Not for Biting

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, and biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and

think about our world.

Put someone you love in a rosy mood with an enchanting gift edition of the beloved classic, on Valentine's Day or any day. I love you right up to the moon--and back. It's a sentiment shared across the world--and a classic book treasured from one generation to the next. Now the droll tale of a big and little hare vying to love each other as high as they can hop, as far as they can reach, up to the sky and beyond, receives a captivating new treatment. With shiny rose-gold lettering, a pearlescent pale-pink cover frames Little Nutbrown Hare inside a cut-out heart--an endearing design sure to charm anyone who adores somebody more than they can

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work •

Online Library Guess How Much I Love You: A Book Of Valentines

your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big

Online Library Guess How Much I Love You: A Book Of Valentines

and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Mavis Gallant is the modern master of what Henry James called the international story, the fine-grained evocation of the quandaries of people who must make their way in the world without any place to call their own. The irreducible complexity of the very idea of home is especially at issue in the stories Gallant has written about Montreal, where she was born, although she has lived in Paris for more than half a century. *Varieties of Exile*, Russell Banks's extensive new selection from

Online Library Guess How Much I Love You: A Book Of Valentines

Gallant's work, demonstrates anew the remarkable reach of this writer's singular art. Among its contents are three previously uncollected stories, as well as the celebrated semi-autobiographical sequence about Linnet Muir—stories that are wise, funny, and full of insight into the perils and promise of growing up and breaking loose.

A ticklish tale with an adorably soft and cuddly puppet. A wonderful new story including a cuddly hare hand puppet from the award-winning creators of Guess How Much I Love You. Little Nutbrown Hare wants to discover if Big Nutbrown Hare is ticklish in this charming tale, based on the well-known characters from the original book. Little ones will love joining in as they try to find out just how ticklish Big Nutbrown Hare actually is - and in turn they might find that they have one or two tickles too! A delightful interactive board
