Happy Birthday Aoife The Big Birthday Activity Book: (Personalized Children's Activity Book)

THE NUMBER ONE BESTSELLER 'I was a very vulnerable young woman with three small children. I was lost ... Pat Quirke tried to come in and control everything' Bobby Ryan's disappearance in rural Tipperary in June 2011 mystified all who knew him. The truck-driver and part-time DJ (known as Mr Moonlight) was an easy-going fellow with no enemies. Or so everyone thought. When Ryan's body was found 22 months later on the farm of Mary Lowry, the wealthy young widow he had been seeing, it was clear that he had met a violent end. And the most likely person to have brought about that end? Pat Quirke, the man who had 'discovered' the body - Mary Lowry's brother-in-law, financial advisor, tenant and one-time lover. Following the longest running murder trial in Irish criminal history Quirke was convicted of murder in May 2019. Getting to that day had taken years of exhaustive work by gardaí. The Murder of Mr Moonlight is the definitive account of their investigation as well as the compelling story of how an innocent man paid the price for another man's obsessions. _____ 'Absolutely compulsive reading ... a page-turner' Eamon Dunphy '[An] excellent book that shows all the colours of the story that intrigued the nation' Irish Daily Mail 'Well-researched and highly readable ... Fegan proves her journalistic mettle, delivering forensic detail in accessible language ... Anyone who followed the trial will not be disappointed by Fegan's book' Business Post

'One of Ireland's most powerful campaigners' The Kavanagh Sisters I look back now and see that I never stood a chance. It's hard when you realise your whole childhood was taken away. I never got the chance to be a child.' Shaneda Daly was only four when her father started grooming her. For nearly 15 years, he would go on to sexually abuse his daughter every day. The emotional and physical toll was immense and, eventually, her ex-army and prison officer father admitted to his family what he had been doing. Leaving home for only a year to get help, he was welcomed back 'a changed man'. With no choice but to accept it, Shaneda lived alongside him again only for him to try and abuse her once more. After realising she had no choice but to leave home, Shaneda finally reclaimed her power by standing up to the man who destroyed her childhood and contacted the police. Decades later, in 2011, she watched as her father was convicted of 227 counts of abuse. Shaneda now fights as a campaigner for other victims and is bravely telling her story fully for the first time: the story of a survivor.

Over the course of twenty-two letters, author Allison Trowbridge addresses a wide range of practical issues and ties them to larger concerns such as identity, loss, social impact as a lifestyle, wisdom in the ordinary moments, and the profound way God’s work is realized in how we live every day. Subtly weaving in today’s pressing social concerns—from poverty in our neighborhoods to human trafficking across the globe—Twenty-Two will inspire a greater sense of mission and a passion to live more fully as young women embark on their own remarkable journeys. Allison Trowbridge harnesses the power of story in a series of letters to an imagined young woman wrestling with the questions that arise as she stands on the precipice of adulthood. Never in history has a young woman had so many options before her, yet never has she had less direction or guidance on what to do with them. A woman at the precipice of adulthood often finds herself with more questions than answers, with more disenchantment than direction. How is she supposed to “lean in” to a successful career while also building deeply meaningful relationships? How can she care for the community around her while simultaneously developing a global mindset and changing the world? How can she be all that she is destined to be without feeling paralyzed by the pressure of so many prospects? Allison Trowbridge knows this dilemma well. She remembers stepping into her twenties and wishing for a mentor to guide her through this dizzying season of life. In Twenty-Two, she becomes the mentor she was looking for. Drawing from her own experience and from the wisdom of others, she offers advice and counsel in a series of personal letters to “Ashley,” a fictional college student looking for mentorship from someone one step ahead in life.

Long before the terms ‘mindfulness’ and ‘well-being’ were coined, the Celtic tradition offered pathways to peace of mind and calm. For centuries it has created hope, unity and a community – a sanctuary of rest, renewal and reassurance. In these troubled times, the importance of connection, and a sanctuary, is stronger than ever. Drawing on the wisdom, stories, poetry, prayers and humour that are at the heart of the Celtic tradition, Inspiration for All Seasons reminds us of where we come from and brings comfort when it is badly needed. With contributions from individuals such as Peter McVerry and Mark Patrick Hederman, and a tribute to the late, great John O'Donohue, this book shines a light in the darkness. Abused by my father every day for a decade, this is my story of survival

A delightful prose-poetic work which begins in Part One on the beautiful isle of Éire (Ireland) with the world of the invisible presenting itself in person to the world of the visible. The focus then shifts in Part Two to the Middle East, to a mythical queendom called Ebla set in pre-Qur'an, Bible and Torah times. The reader will be given to meet such memorable characters as Queen Ave Éire Fragrance, King Ave Éire Sacred Manuscripts, Crown Princess Graceful, and Queen Ebla Praiseworthy to name but a few. Seekers of wisdom, beauty, and love; seekers of spiritual contentment will find this progenitive work greatly to their liking for it is in all respects a fragrant cornucopia of stories and narratives all richly and exquisitely seasoned with spiritual and philosophical elegance and eloquence. This is a creative attempt at cultural bridge building; connecting peoples and ideas by means of mythologies in the making. One hundred coloured maps, and three illustrations add to its charming mystique. (Note: In the hardback edition the maps and illustrations are in greyscale.) The fonts and page numbering in this ebook correspond to the 2017 hardback edition.

He’s brutal, cold and dangerous. She’s a naïve virgin who doesn’t know how to follow his rules. Ella I’ve been groomed my whole life to become his wife. He’s brutal, cold and dangerous. The rules are set in his home. Rules we must obey. Each time I break them, I draw his attention. He sends fear pulsing through my body, but also a desire that I don’t understand. I decide I no longer want to become his wife. He decides that I will become his obsession instead. It’s a deadly obsession, one I fear I won’t survive. Lucas She’s a naïve virgin who doesn’t know how to follow the rules. I want to hurt her and claim her. She becomes my every thought and I know that’s dangerous. I can’t lose focus on what’s important. I have an empire to rule. But each time she crosses me, I want to punish her. I want her in my bed; I want her to be mine. But claiming her comes with a price that just might cost me my throne. ***This is book one in The Obsessed Duet. This book ends on a cliffhanger.

So there I was, roysh, enjoying college life, college birds and, like, a major amount of socialising. Then, roysh, the old pair decide to mess everything up for me. And we're talking totally here. Don't ask me what they were thinking. I hadn't, like, changed or treated them any differently, but the next thing I know, roysh, I'm out on the streets. Another fecking day in paradise for me! If it hadn't been for Oisinn's apartment in Killiney, the old man paying for my Golf GTI, JP's old man's job offer and all the goys wanting to buy me drink, it would have been, like, a complete mare. Totally. But naturally, roysh, you can never be sure what life plans to do to you next. At least, it came as a complete fecking surprise to me ... The life and times of Ross O'Carroll-Kelly, the cult hero with a weekly column in The Sunday Tribune.

From acclaimed Autistic Irish comedian Aoife Dooley comes a fresh and funny debut middle-grade graphic novel about fitting in and standing out. Frankie is different from everyone in her class, and she can't figure out why. She has trouble concentrating, and her classmates tease her for not having a dad at home. To try to make sense of the world, Frankie doodles her daily adventures in a journal. One day, when Frankie sneaks into her mom's room and sees her biological father's name on her birth certificate, she decides to go on a mission to track him down. Could Frankie's father be the key to finding out why Frankie feels so adrift? A unique story told with a light touch and an abundance of warmth and wit, Frankie's World is laugh-out-loud funny and a love letter to daring to be different.

No Sex, No Sleep tells the unvarnished truth about fatherhood. Forget about magic moments and bonding, this is about puke, wet-wipes and enjoying the sex life of a hermit. Pat Fitzpatrick wants to tell new dads what they can expect in the first few years of their child's life, and give them a right good laugh along the way. The book is based on Fitzpatrick's popular 'Dad's View' column and covers everything from buggy shopping, the labour ward, naming your child, bringing them home and dealing with the in-laws, to later issues such as choosing a school, time-outs, toilet training and much more. Written in short, digestible chunks No Sex, No Sleep can be picked up and put down as the mood takes you, and will make an ideal present for a first-time dad. It will also strike a note with any dad with small kids, or any mom out there who wants to know what their man is really thinking. Which is not much, other than I'd love to go to sleep for a month.

Aengus lives in a vibrant new city, among charming new friends, with a thriving career. He could never know that, just a scratch below the surface of his world, lurks emptiness and aimlessness.

Ross O'Carroll-Kelly thought he had it all: Nice gaff, cool cor, plenty of dosh, a stake in Dublin's trendiest nightclub and a face that made boyfriends jealous. To say nothing of a beautiful wife and kids ... All that remained was for him to totally fock it up: And I mean, totally ... But did he see it coming? Of course not – too busy using his killer lines on the Seoige sisters: And then it hit me, all at once, on a lonely night in the Ice Bar ...

It's 1970s Ireland. Jack O'Connell saves the life of an American sailor, Troy, who repays him by unwittingly stealing the love of his life, Kate O'Rourke, from him. Jack is determined not to lose Kate and, spurred on by jealousy and circumstance, wins his girl back. His life is perfect when it all falls apart as Kate commits suicide.

When a swan lands in the yard of Rosaleen McAvady’s home on Lough Swilly, it is trapped by its narrow confines and cannot escape. She asks her elderly neighbour, Tom Mundy, for help, and unwittingly sets off a chain of events that will have far-reaching repercussions. After a brief career as an architect, Rosaleen has settled for marriage and children. Life is secure and predictable, but she now finds herself longing to stretch her wings. Dramatic political upheaval in Northern Ireland soon casts its shadow and, though such events seem to have no relevance to her life, Rosaleen realizes that, beneath the placid surface of her world, violence and betrayal threaten all she holds dear. Like the swan in the yard, can she hope for escape or must she be trapped forever? “This is a book to be read with care as well as pleasure. She has packed so many of our 20th century Irish problems into it that at moments you become breathless with anxiety. However, she has an optimism in her writing that is infectious and makes you turn the pages with pleasure.” Jennifer Johnston

The Tuatha de Danaan, or fairies had lived with mankind since the beginning of time. But man changed and became selfish and dangerous. To protect themselves, the fairies fled into another dimension through a portal in Newgrange, Ireland. An ancient prophecy told of a lad who would open the portal and bring the Fairies back to us. So, we meet Faelan O’Broin, the lad born on a Black Moon. He has a destiny to learn magic so he can open the portal. He is joined by three companions for his journey. Each one has new lessons to teach him. He travels all over Ireland and its sacred sites as he meets gods, goddesses, wizards, plants, animals, and magical beings. Each teaches him new magic and helps him on his way to opening the Fairy portal. He arrives at the fairy portal on the appointed day, but will he be able to open it and bring the Fairies back to us?

When Eliza Carmody returns to her small hometown after a destructive wildfire, she witnesses a crime that draws her back into the mysteries of a childhood she thought she’d left behind for good. When the biggest legal case of her career brings Eliza Carmody back to Kinsale, the hometown she thought she had left forever, she witnesses an old friend commit a crime that sends her on a dangerous quest to uncover the mysteries of her childhood that the rest of the town seems willing to ignore. With her friend on the run and the police investigating the bones of an unidentified dead body at a historic homestead near town, Eliza becomes convinced that the truth lies in her memories of the New Year’s Eve years ago when her friend Grace disappeared from Kinsale forever. While Eliza desperately explores the connections between the crimes of the present and those of the past, she begins to suspect that no one even her own family is telling the truth.

Though she knows nothing about gardening, the day Aoife spots a neglected walled garden it casts a spell over her. She persuades its reluctant owner to let her take it over and advertises for helpers. Just two turn up: Uri, a retired tailor, and Emily, a gentle student. It's not promising but Aoife persists. The tailor's son, Seth, joins them and in time even the crotchety owner, Mrs Prendergast, joins in. Being recently widowed and newly arrived in Dublin with her little boy, the project gives Aoife a much-needed outlet in this new place and an escape from the turmoil in her head. What she does not realise is that in their various ways the other four - Uri, Emily, Seth and Mrs P - have also been burned by life and are just as in need of the garden's healing powers. As their relationships develop in surprising, challenging and life-altering ways their extraordinary stories show Aoife the amazing resilience of the human spirit. But that doesn't make it any easier for her when she has to answer the hardest question of all: can she trust herself to love again?

'A much needed book that uniquely brings together policy and practice in early childhood education and care across the United Kingdom and the Republic of Ireland. It offers a wealth of information and useful websites and addresses so that, importantly, readers can keep abreast of the rapidly changing external environment in these countries... An essential read for those wishing to understand the background to policy and practice in early childhood education and care' - Linda Miller, The Open University 'This book is long overdue; it provides effective cameos of developments in each country, highlighting key legislation, the underlying philosophy, the formation of policies and thier implementation in state, voluntary and private provision' - The International Journal of Early Childhood 'This unique resource will be invaluable in helping students and others trying to understand the context of current early years provision. The case studies bring the book to life and ground it in the stories of real children and their families. They highlight how the similarities and differences in support for children and their families are more dependent on where they live than what they need' - Lesley Staggs Early childhood education and care policy has an impact on the daily lives of early years practitioners and the families and children they work with, and practising and trainee early childhood professionals need to have an understanding of current policy as well as the contexts for policy-making and implementation. Currently, the majority of textbooks for early years education and early childhood students in the UK focus on the situation in England. As a result, readers may have a skewed perspective on policy and practice, and not be aware of the varying and different contexts in Northern Ireland, Scotland and Wales. Also, those working in settings not in England have to work hard to apply texts to their own contexts. In contrast, this book gives the reader easy access to information on the policies and practices in ECEC across each of the countries in the UK and the Republic of Ireland. Each chapter covers: o background information o policy and practice in early childhood education and care o transition o schooling and curriculum o quality assurance, examination and inspection o professional development and training o future and imminent changes o case studies of children's lives. In addition to describing the legislatory, political and practical situation in each country, the book enables comparisons to be drawn, and helps readers interpret the data critically. It will be essential reading for modules on comparative education and international perspectives, but will also form a foundation for all modules involving policy and provision on Early Years Education, Early Childhood or Childhood Studies courses. Practitioners undertaking CPD modules or foundation degrees, and international students looking for comparative data will also find the book useful.'

Things could not be going worse for Aoife O’Connell when she’s thrown out of her house by her overly zealous abusive guardian, Barb. Her life is soon changed forever when a witch introduces Aoife to her fey guardian, Adrienn. The newly homeless girl learns she’s the last living member of a powerful clan of druids who once guarded the Ozarks Mountains from magical threats, both ancient and new. Binding her soul to a wolf familiar, Aoife sets out to unravel the mystery of her parents’ murder. The journey will lead her to dark places, but with the help of Adrienn and Aoife’s familiar, Ruad, she’ll seek the necromancer that slaughtered her clan and build a new family of her own as alpha of the clan. In the second novel in her Boston Magic Mountain series, Courtney Lanning once again pokes fun at contemporary romance and fantasy tropes with both humor and respect. Read the first book in the series, Funky Dan and the Pixie Dream Girl!

A Deadly Obsession

There's nothing like being told that in three months you'll be dead to make you think about what you really want in life "A novel about self-discovery, with plenty of surprises and a snappy, Bridget-Jones-gets-a-terminal-diagnosis vibe." -Booklist Jennifer Cole has just been told that she has a terminal blood disorder and has just three months to live--ninety days to say goodbye to friends and family, and to put her affairs in order. Ninety days to come to terms with a diagnosis that is unfair, unexpected, and completely unpronounceable. Focusing on the positives (she won't have to go on in a world without Bowie or Maya Angelou; she won't get Alzheimer's or Parkinson's like her parents, or have teeth that flop out at the mere mention of the word apple), Jennifer realizes she only has one real regret: the relationships she's lost. Rather than running off to complete a frantic bucket list, Jennifer chooses to stay put and write a letter to the three most significant people in her life, to say the things she wished she'd said before but never dared: her overbearing, selfish sister, her jelly-spined, cheating ex-husband, and her charming, unreliable ex-boyfriend--and finally tell them the truth. At first, Jennifer feels cleansed by her catharsis. Liberated, even. Her ex-boyfriend rushes to her side and she even starts to build bridges with her sister Isabelle (that is, once Isabelle's confirmed that Jennifer's condition isn't genetic). But once you start telling the truth, it's hard to stop. And as Jennifer soon discovers, the truth isn't always as straightforward as it seems, and death has a way of surprising you....

What's the best day of the year? A birthday, of course! Stella Batts is turning nine, and she has big plans. Her family will be going to Pennsylvania to celebrate. That's where Stella's best friend Willa moved to, and Stella hasn't seen Willa for months. It's hard not to see your best friend for that long, so this is an important trip. But before Stella can get on the plane--DISASTER STRIKES! Now instead of a birthday weekend sleepover with Willa in Pennsylvania, Stella is stuck in a hospital room in her hometown of Somers, California, with a broken leg, doctors, nurses, and a roommate who is a stranger. What's the worst day of the year? You guessed it. Stella's birthday.

Endlich, der 130. Geburtstag! Am Grund des Chiemsees, im Reich Shenja, steht die Elfenwelt kopf, denn die liebenswerte Elfenprinzessin Nimue feiert in wenigen Tagen ihr Uaneala-Fest! Das ist im Reich etwas ganz Besonderes: Aus dem Kind wird eine junge Erwachsene. Die Vorbereitungen für das große Fest auf dem Schloss laufen und Nimue überlegt währenddessen fieberhaft, was ihr Uaneala-Wunsch sein soll. Mit gemischten Gefühlen schaut die außergewöhnliche Elfe auf das bevorstehende Fest und den neuen Lebensabschnitt. Ruhe findet sie bei ihrer schützenden Eiche Aaro. Während sie der Hektik am Hof dorthin entflieht, bekommt das behütet aufgewachsene Elfenmädchen eine unangenehme Ahnung davon, dass es auch Gefahren in ihrem Leben geben wird. Und dass die größte Gefahr nicht nur aus der Schatten- und Dunkelwelt kommen könnte, sondern in nächster Nähe lauert. Kann sie ihrer inneren Stimme vertrauen? Und ist sie der Verantwortung für das Reich Shenja und für ihre geliebte Familie gewachsen? Sie erfährt von einem Stein, der große Hoffnung, aber auch Gefahren bergen kann. Nimue stellt sich der Herausforderung an. Das Abenteuer beginnt.

Twenty-Two

Ibiza, 1960: on the beautiful Mediterranean island, the high-rise resorts are still decades away. By chance, Damien Enright, twenty-one-years old and Irish, arrives there with his wife and two children and finds a handful of down-at-heel foreign Bohemians leading wild, hedonistic lives. He and his wife get involved; their marriage quickly breaks down and he spends two heartbroken years in London before returning to Ibiza with a new partner and another child. They take LSD and inspired by dreams of a brave new world, cross to the remote island of Formentera to lead alternative lives.This is a decade before Howard Marks becameMr. Nice: the embryonic drug culture in the west motivated not by profit but by idealism. Sometimes, that early search for freedom ventured not just beyond the mind but beyond the law. To sustain their families on Formentera, Enright and two desperado pals head to London in a beat-up car and do some risky travellers cheque scams. Then, restless and unsure of his love for his partner, he makes a hair-raising trek to Turkey in the depths of winter to find hashish for the group. Things go badly awry and he find himself a fugitive, at the mercy of unreliable friends. Part road story, drug story, love story,Dope in the Age of Innocenceis fundamentally a parable about drug enlightenment, the loss and rediscovery of love and the tempering of innocence.

As the twentieth century draws to a close, a ship heads for Punta Arenas at Chile's southern tip. On board is Oliver Griffin, who is fascinated by the island and spends his life drawing intricate maps of it. He is on an unusual quest, inspired by a photograph of his grandparents embracing a strange automaton that now lives in the Punta Arenas museum. This fearsome metal warrior is a sixteenth-century robot from a proposed mechanical army, commissioned to guard the straight against the English. It was discovered on the island by a grieving woman scouring the archipelago for the bodies of her shipwrecked husband and son, and is now the curious axis around which countless stories spin, surrounded by the terrible yet mesmerizing sea...

Eleanor Leydon is a rebel, and the foster parents she's currently living with (her parents were killed in a car accident) are middle-class Catholics, and she feels stifled. Rejecting their conservative world, she becomes a stonemason and seeks solace

An unforgettable narrative—from the New York Times bestselling author of Hamnet—of a family falling apart and coming together with hard-won, life-changing truths about who they really are. “Strange weather brings out strange behavior.” London, 1976. In the thick of a record-breaking heatwave, Gretta Riordan’s newly retired husband has cleaned out his bank account and vanished. Now, for the first time in years, Gretta calls her children home: Michael Francis, a history teacher whose marriage is failing; Monica, whose blighted past has driven a wedge between her and her younger sister; and Aoife, the youngest, whose new life in Manhattan is elaborately arranged to conceal a devastating secret. In a story that stretches from the Upper West Side to a village on the coast of Ireland, Maggie O’Farrell explores the mysteries that inhere within families, and reveals the fault lines over which we build our lives. Don’t miss Maggie O’Farrell’s new novel, The Marriage Portrait, coming in September!

The way to learn violin through songs and tunes.

There is one prophecy, born of blood, fire, and stardust. And three sisters destined to fulfill it. But first, each must learn that the others exist. And that they're witches. Upon first meeting, it's not all sunshine and rainbows. Only the threat of otherworldly beings arriving on Earth unites them. That and their strange, uncommonly loud, persistent, estrogen-filled family. When one sister suffers an attack on those she loves, the others come together to help. And find that the danger is closer, and stronger, than they ever could have imagined. Perfect for fans of the Charmed sisterhood and A Discovery of Witches.

She's always seeking the next adventure. But is the passion she yearns for right on her doorstep? Dublin, Ireland. Aoife O'Reilly's life is almost the way she wants it. Apart from her dysfunctional family, she's grateful for a steady job and a bright future to embrace. But when she's made redundant from her job and her beloved grandfather dies in the same month, she impulsively moves to an idyllic village to sort herself out. Settling in the quaint little town so very different from the big city, she's quickly frustrated by developing feelings for her handsome-but-engaged neighbor. And just as both he and the charming atmosphere begin to grow on her, the opportunity of a lifetime arrives. Can Aoife discover who··· and where she's meant to be? All That Compels the Heart is the engrossing first book in the Aoife O'Reilly new adult women's fiction series. Witty YA novel that deals with serious issues such as depression and teenage suicide written by an exciting new talent in Irish fiction. Funny, diverse set of characters, a compelling premise and unique narrative voice. Shines a light on the topic of teen suicide. Winner of the Mercier Press fiction competition. When troubled teenager Adam wakes in hospital after a suicide attempt, he finds that he has company. A ghost. Or perhaps it's something else. This 'ghost' is as confused as Adam about the whole situation. Narrated from the point of view of this 'ghost', Tuesdays are just as Bad follows Adam as he attempts to return to normal life – whatever that is. When Adam makes new friends via his counselling sessions, he ends up developing a relationship with one of the gang, Aoife. Surrounded by these friends, Adam starts to feel happy again. The 'ghost', however, becomes jealous. In the end, he decides that the only way he can be free of this feeling is to isolate Adam so he can have him all to himself, with catastrophic results. A mix of Louise O'Neill's Asking for It and Nothing Tastes as Good by Claire Hennessy.

Set in Colonial America during the War for Independence, Hessian brothers Heinrich and Eberhard Haeger are conscripted into the German mercenary army that serves English King George III. The brothers are soon at odds and then separated in 1776 during battle. Their lives take very different directions as they are involved with the Burkhard family of Pennsylvania German Lutherans, Philadelphia Irish, New York Loyalists and members from Iroquois Nation. This is a story that will show the complexities and struggles of the time when our nation was very divided and strong Christian faith of individuals made the difference in America’s fight for freedom.

Es ist der heißeste Sommer, den die Menschen in England je erlebt haben. Seit Monaten hat es nicht mehr geregnet, in den Gärten verdorrt das Gras, und schon morgens liegt die Julihitze bleiern über London, als Robert Riordan wie jeden Tag das Haus verlässt, um die Zeitung zu holen. Doch er kehrt nicht zurück. Die Suche nach ihm zwingt die drei Kinder von Robert und Gretta zur Rückkehr in ihr Elternhaus: die seit Jahren zerstrittenen Schwestern Monica und Aoife sowie ihren Bruder Michael Francis. Alle drei haben mit privaten Krisen zu kämpfen, und die Sorge um den Vater sowie das plötzliche Aufeinandertreffen spitzen die Probleme und ihre Konflikte untereinander zu. Sie ahnen nicht, dass Gretta eine Erklärung für Roberts Verschwinden haben könnte, aber ihr Geheimnis nicht einmal jetzt preisgeben kann.

A troubled heart and dark magic. A family that is on the verge of breaking apart… Join Cinderella as she faces her greatest challenge in facing the future and how one choice will mean for her and everyone she loves. Set in 1815, Cinderella refuses to help in defeating Napoleon and his army. Broken in spirit and exhausted from her journeys, she heads home, unwilling to let go of the dark magic that she covets. Despite Jeremiah leaving their marriage because of her unwillingness to give up the dark magic, Cinderella walls herself off from her pain and retreats back to America. But before Cinderella can shut herself off from the world, she is visited by a stranger who offers to guide her through her depression and dark time. With a spark of hope within her grasp, Cinderella embraces the chance to go back in time and set right the past. Once Cinderella changes the past, the ripples of her decision affect not just those she loves, but the wider world. As Jeremiah takes refuge with a coven of witches in Mont-Saint-Michel, he comes face to face with the real-world consequences of Cinderella’s choice to reforge the past. Caught between the past and a devastatingly bleak future, Cinderella and Jeremiah must join forces to face their destiny, no matter the cost. With so little time left before all is lost, can Cinderella face her own inner darkness and find a path forward to overcome the darkness that eats away at her? Conviction is the page-turning fifth novel in the Cinderella’s Secret Witch Diaries, a series of fantasy adventures. If you like strong-willed heroines, magic twists, and a more realistic look at Cinderella’s struggles after marrying the prince, then you’ll love Ron Vitale’s engaging sequel to the classic fairy tale.
