

## Harry The Happy Mouse (Hardback): Teaching Children To Be Kind To Each Other

*Two works by the author of The Cricket in Times Square--which feature many of the same characters--are collected into one paperback edition. Original.*

*From the worldwide bestselling author and illustrator of the Harry The Happy Mouse Series: Join Walter as he goes on a journey to discover it's best to be who you are and not who people think you should be. To prove himself to the other pirates, Walter sets off on a journey to capture the legendary 'Big Blue' whale, but on his way makes an unlikely friend who shows him that you can't be who you are not. Walter then spreads kindness across the world.*

*Harry the Christmas Mouse*

*RUN, the Eisner Award-Winner for Best Graphic Memoir, is one of the most heralded books of the year including being named a: New York Times Top 5 YA Books of the Year · Top 10 Great Graphic Novels for Teens (Young Adult Library Services Association) · Washington Post Best Books of the Year · Variety Best Books of the Year · School Library Journal Best Books of the Year · Kirkus Reviews Best Books of the Year · Amazon Best History Book of 2021 · Top Ten Title of the Year (In the Margins Book Award) · In the Margins Book Award for Nonfiction winner · Top Ten Graphic Novels for Adults (American Library Association) · Best Books for Young Readers (U of Penn Graduate School of Education) · Books All Young Georgians Should Read (Georgia Center for the Book) First you march, then you run. From the #1 bestselling, award-winning team behind March comes the first book in their new, groundbreaking graphic novel series, Run: Book One. "Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis's story has always been a complicated narrative of bravery, loss, and redemption, and Run gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life." -Stacey Abrams "In sharing my story, it is my hope that a new generation will be inspired by Run to actively participate in the democratic process and help build a more perfect Union here in America." -Congressman John Lewis The sequel to the #1 New York Times bestselling graphic novel series March—the continuation of the life story of John Lewis and the struggles seen across the United States after the Selma voting rights campaign. To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as "Bloody Sunday." All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In Run: Book One, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the March trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.*

*A children's picture book teaching about plastic pollution and recycling. From the bestselling children's picture book series, Harry The Happy Mouse, a children's picture book teaching about the problem with plastic pollution, and how to help! Whilst on holiday Harry meets a whale who is in trouble. The whale then tells Harry about the growing problem of plastic pollution, and decides to do something about it. Harry Saves The Ocean is part of the worldwide bestselling picture book series Harry The Happy Mouse, which teaches about kindness and other values.*

*Wildly original, funny and moving, The First Fifteen Lives of Harry August is an extraordinary story of a life lived again and again from World Fantasy Award-winning author Claire North. Harry August is on his deathbed. Again. No matter what he does or the decisions he makes, when death comes, Harry always returns to where he began, a child with all the knowledge of a life he has already lived a dozen times before. Nothing ever changes. Until now. As Harry nears the end of his eleventh life, a little girl appears at his bedside. "I nearly missed you, Doctor August," she says. "I need to send a message." This is the story of what Harry does next, and what he did before, and how he tries to save a past he cannot change and a future he cannot allow.*

*Join Mouse from If You Give a Mouse a Cookie as he celebrates Valentine's Day with all the friends he loves.*

*The Christmas Pig*

*Nat the Rat Dyslexie Edition*

*Harry's Lovely Spring Day*

*Walter The World's Worst Pirate (Hardback): From the Bestselling Author of Harry The Happy Mouse*

*The Tale of Despereaux*

*Teaching Children about Plastic Pollution and Recycling.*

*Join the animals of Ridgeway Farrow as they save their stream from the threat of plastic pollution! A chapter book for 7-10 year olds.*

*By the New York Times bestselling author of The Bone Clocks | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending,*

**philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. Cloud Atlas begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, Cloud Atlas is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for Cloud Atlas "[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel's every page."—The New York Times Book Review "One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature."—Dave Eggers "Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative."—People "The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds."—Michael Chabon "Cloud Atlas ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent."—The Washington Post Book World "Thrilling . . . One of the biggest joys in Cloud Atlas is watching Mitchell sashay from genre to genre without a hitch in his dance step."—Boston Sunday Globe "Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate."—Los Angeles Times**

**Join Harry The Happy Mouse and friends as they save Christmas Day! The follow up to the bestselling children's picture book 'Harry The Happy Mouse', all of the characters are back working together to help Santa on Christmas Eve! 32 pages of full colour, beautifully illustrated pictures by award winning illustrator Janelle Dimmett.**

**From the creator of ARCHIE THE DAREDEVIL PENGUIN comes the unique story of two friends who can't escape all the feels. Camper is happy as a clam and Clam is a happy camper. When you live in The Happy Book, the world is full of daisies and sunshine and friendship cakes . . . until your best friend eats the whole cake and doesn't save you one bite. Moving from happiness to sadness and everything in between, Camper and Clam have a hard time finding their way back to happy. But maybe happy isn't the goal--being a good friend is about supporting each other and feeling all the feels together. At once funny and thoughtful, The Happy Book supports social-emotional learning. It's a book to keep young readers company no matter how they're feeling!**

**Miss Nelson is Missing!**

**An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests**

An updated version of the timeless children's classic featuring a business-savvy mouse, a kind alley cat, and a talented country cricket, featuring a new foreword and revisions by YA author Stacey Lee. Tucker is a streetwise city mouse. He thought he'd seen it all. But he's never met a cricket before, which really isn't surprising, because, along with his friend Harry Cat, Tucker lives in the very heart of New York City—the Times Square subway station. Chester Cricket never intended to leave his Connecticut meadow. He'd be there still if he hadn't followed the entrancing aroma of liverwurst right into someone's picnic basket. Now, like any tourist in the city, he wants to look around. And he could not have found two better guides—and friends—than Tucker and Harry. The trio have many adventures—from taking in the sights and sounds of Broadway to escaping a smoky fire. Chester makes a third friend, too. It is a boy, Mario, who rescues Chester from a dusty corner of the subway station and brings him to live in the safety of his parents' newsstand. He hopes at first to keep Chester as a pet, but Mario soon understands that the cricket is more than that. Because Chester has a hidden talent and no one—not even Chester himself—realizes that the little country cricket may just be able to teach even the toughest New Yorkers a thing or two. The Cricket in Times Square is George Selden at his best, and the new illustrations and interior images by Garth Williams make this edition a special treat. Steve is no ordinary Hermit Crab. He has a big dream... to be an astronaut and fly in space! His friends and family think he is crazy. They don't send crabs into space. Will Steve have "the right stuff" to be sent on a daring mission to Mars? Can he work hard to beat mischievous mice and mad monkeys to ride a rocket to the red planet? Only time and training will tell in this hilarious story of a crazy crab who wants to reach for the stars.

On George Washington's seventh birthday, he does chores, misbehaves, and dreams of a day when his birthday will be celebrated by all. The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspably funny and wonderfully inappropriate." —O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and

hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

The book also includes the full text of Harry The Happy Mouse, perfect for a bed time story! The colouring ranges from very simple, to more complicated for older children.**

**At Dyslexit, we use a modern approach to design books for kids who struggle with dyslexia ? Uniquely designed colored font ? Fluency ? d104/illustration separation ? Focus ? Low-contrast text/background ? Perception We use a dyslexic font where letters have different colors, which helps children to subconsciously remember and connect the letters, resulting in improved fluency. Letters won't dance around anymore since attention will be kept on one letter at the time. d104 is separated from illustrations on independent pages, which keeps your child's focus on the text and prevents the loss of concentration that occurs when text is inside an illustration. Since text inside an illustration creates an unwanted distraction, this also facilitates reading in children with ADHD and autism. Visual perception is facilitated with a low contrast between text and background, which improves your child's readability. The carefully selected low-contrast background behind our letters will also create a huge reading improvement for children with Irlen Syndrome. Since illustrations are separate, there is enough space for larger more readable text, so there is no need for tools like colored overlays, rulers, or dyslexia glasses. Your child will experience overall improved reading comprehension and will be able to practice long, difficult dinosaur names. Dyslexit provides a reading solution, where there is no need for decodable chapter division. Your child can practice long sentences without waging an irritating battle with letters. Jurassic Adventure is a short story about an important, yet dangerous journey of a group of dinosaurs with some emotional scenes about friendship. It is an educational story that teaches children that they can always find friends, no matter what. Our mission is to help your child become a joyful reader, who will gain the skills and confidence needed to enter the world of self-reliant reading. Letters, words, and sentences will finally become a story!**

**The third book in the best selling 'Harry The Happy Mouse' series! Harry's Spooky Surprise is set around Halloween. Harry needs to visit his friends at night time to collect items from them for a very special reason! Harry learns that there is no reason to be afraid of the dark, and the importance of saying 'Thank You!'. Harry The Happy Mouse (Book 1 in the series) is an Amazon #1 bestseller, teaching children the value of kindness. Harry The Christmas Mouse (Book 2), which was a #1 bestseller in both the UK and USA, teaches children the value of team work. Pre-release reviews for Harry's Spooky Surprise: 5 Stars - "A charming story that kids will love" - thedadwebsite.com 5 Stars - "Charming! Celebrate holiday warmth with Little Mouse as Santa takes him on a magical journey to the North Pole. When Little Mouse hears a knock, he opens his door to find Santa asking him for help. Santa's reindeer are hungry and can't get back to the North Pole. Little Mouse is quick to share and his kind act is generously rewarded when Santa takes him for a ride to the North Pole. One kind act goes a very long way Little Mouse finds out. The Mouse in the Sock is sure to charm children and adults alike with magical illustrations and short, simple rhyming text about the virtues of kindness and sharing. Enter a snow-covered, sparkling world of festive Christmas cheer as you celebrate the most wonderful time of the year with Little Mouse and Santa.

A heartwarming, page-turning adventure about one child's love for his most treasured thing, and how far he will go to find it. A tale for the whole family to fall in love with, from one of the world's greatest storytellers. One boy and his toy are about to change everything... Jack loves his childhood toy, Dur Pig. DP has always been there for him, through good and bad. Until one Christmas Eve something terrible happens -- DP is lost. But Christmas Eve is a night for miracles and lost causes, a night when all things can come to life... even toys. And Jack's newest toy -- the Christmas Pig (DP's replacement) -- has a daring plan: Together they'll embark on a magical journey to seek something lost, and to save the best friend Jack has ever known... Internationally acclaimed crime writer Jo Nesbø's antihero police investigator, Harry Hole, is back: in a bone-chilling thriller that will take Hole to the brink of insanity. Oslo in November. The first snow of the season has fallen. A boy named Jonas wakes in the night to find his mother gone. Out his window, in the cold moonlight, he sees the snowman that inexplicably appeared in the yard earlier in the day. Around its neck is his mother's pink scarf. Hole suspects a link between a menacing letter he's received and the disappearance of Jonas's mother--and of perhaps a dozen other women, all of whom went missing on the day of a first snowfall. As his investigation deepens, something else emerges: he is becoming a pawn in an increasingly terrifying game whose rules are devised--and constantly revised--by the killer.

Harry the Happy Mouse (Hardback): Teaching Children to Be Kind to Each Other.

*Destroy the Horcruxes by wrecking this activity book! You'll take down Lord Voldemort, one page at a time. Inspired by the films of Harry Potter. If you've ever wanted to destroy a Horcrux and defeat Voldemort and his followers like Ron Weasley, Hermione Granger, Harry Potter, or Neville Longbottom, this book is for you! Destroy the Horcrux on each of the pages in the activity book by dripping orange juice on it, ripping it to shreds, or coloring all over it.*

*Your goal is to wreck these pages by any means possible, just like in the Harry Potter films. This book also includes fun facts about the Dark objects seen in the films of Harry Potter, like the Hand of Glory, cursed necklace, and a whole lot more. This is the perfect activity book for any Harry Potter fan--and a great way to practice stress management!*

*NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers--including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell -- plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics--a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.*

Ratatouille meets Broadway in this charming new middle grade novel about a little mouse with big dreams. Lulu is a little girl with a very big dream: she wants to be on Broadway. She wants it more than anything in the world. As it happens, she lives in Broadway's Shubert Theatre; so achieving her dream shouldn't be too tricky, right? Wrong. Because the thing about Lulu? She's a little girl mouse. When a human girl named Jayne joins the cast of the show at the Shubert as an understudy, Lulu becomes Jayne's guide through the world of her theatre and its wonderfully kooky cast and crew. Together, Jayne and Lulu learn that sometimes dreams turn out differently than we imagined; sometimes they come with terms and conditions (aka the company mean girl, Amanda). But sometimes, just when we've given up all hope, bigger and better dreams than we'd ever thought could come true, do.

If you love animals, this is a book for you- whether you are 6 or 16 or 60 and above. This is for people who are young at heart and love life - every little bit of it.

Relates the important part Strauss Mouse and his family played in the creation of one of the world's most beloved Christmas carols, "Silent Night."

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal – winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

The Mouse in the Sock

Harry Kitten and Tucker Mouse / Chester Cricket's Pigeon Ride

From Newbery Medal-winning author Betsy Byars comes a sweet, entertaining story that will touch the heart of dog lovers at any age. A tornado appears in the distance, and the family quickly gathers into the storm cellar. The storm rages outside, but Pete, the farmhand, knows this is the perfect time to tell his stories about a dog named Tornado. Blown into their lives by a twister when Pete was a boy, Tornado was no ordinary dog—he played card tricks, saved a turtle's life, and had a rivalry with the family cat. Forgetting their fear, the family hangs on every word of Pete's stories—both happy and sad—of this remarkable dog.

A retelling of the well-known fable in which a little mouse saves the life of the King of Beasts.
