The Prophetic Power of Dreams

If you're open to hearing God even when you're sleeping, your dreams can be a rich source of revelation and insight. One man's dream saves his family from what could have been a deadly fire. A fifty-two-year-old woman finally understands a dream she's been having since she was thirteen. A policeman's dream warns a friend of a dangerous encounter with a suspect. Church elders have the same dream about a change in the church's

leadership. A strange and frightening dream warns a mother of a potentially dangerous relationship in her son's life. A dream confirms an East Indian man's decision to become a Christian. As you read the details of these and other dreams that Dr. Greg Cynaumon describes you will find that they and the circumstances that surrounded them were more than coincidental. You will be convinced that God, who is concerned and involved in the lives of individuals, has something to say through dreams. And you won't want to miss His messages. Dr. Cynaumon examines dreams from a perspective that is both scientific and biblical. He explores dream interpretation, explains some common dream symbols, and answers

questions about dreams and their occurrences in Scripture. He also corrects several popular myths about dreams. If you desire to unravel one of life's great mysteries but are wary of secular approaches to this subject, then you'll want to explore with Dr. Cynaumon how God still speaks through dreams. All of the gifts of the Holy Spirit are available continuously, effortlessly, and naturally to every Christian. First Corinthians 12:7-11 reveals the nine-fold manifestation—wisdom, knowledge, faith, healing, miraculous powers, prophecy, distinguishing between spirits, speaking in tongues, and interpretation of tongues—but the Holy Spirit has much more that He wants to share with all Christians

and He is ready to fill them to overflowing. Most people believe they can only have one or two of the gifts mentioned in Paul's letter, yet the Bible clearly shows that believers can receive all of them. In fact, the apostle himself probably evidenced all nine gifts. However, these are only examples of the way the Spirit of God may reveal Himself to His people. They are not the only ways He will do so. In *Overflow of the Spirit: How to Release His Gifts in Every Area of Your Life*, Dr. Mark Virkler and co-author Charity Virkler Kayembe, his daughter, endeavor to teach you how to connect with the Holy Spirit moment by moment and intentionally draw upon His supernatural abilities. You will learn how to tune to the indwelling Holy Spirit and

release Him into every situation of your life. Rather than life being you in action, it will be the Holy Spirit in action through you. Blessings will overtake you as you live and walk by the Spirit. The overflow of the Spirit opens the door to an entire lifestyle of intimacy with God that, once mastered, releases the heavens and God's provisions for your life. The authors' clear, lineal, biblical teaching is interspersed with real-life stories that clearly illustrate each point. Application exercises at the end of each chapter help to guide you into putting the lessons into action.

"We Dream" - Understanding God's Voice in the Night is the first installment of a series of writings on how to interpret your dreams. The objective is to take you

into the mind of an interpreter while changing the way you think about dreaming. Learning how to accurately interpret your dreams will literally change your approach to life. Interpretation is part art - part science - part gift. Most people will awaken from a dream with a significant emotional impact. Overtime the dream may fade, and quite possibly the desire for its meaning. One must know the difference between being a person in the dream versus being an observer and the distinct meaning of each. As you continue to read, you will begin to understand total recall, mistaken identity and how certain types of spiritual practices influence your dream state. You will begin to understand the purpose of an animal in your dream

and how its real-life characteristic is used to unravel a message. Locations, numbers and seasons will be explained. When God inserts famous people into your dream, what they represent reflects one of the most important revelations of the message. Your family members seldom represent themselves, but rather some aspect of the dreamer. In addition, after reading "We Dream", you will have a resource reference that explains why you have nightmares and the possible source of your dream contamination. You will find specific lists detailing why you are being warned in a dream. There is a list that will ignite a desire to research and identify all ancient demons that are plaguing your dreams. Once identified, there is a
