Margery loses her heart to the dashing knight and is thrilled when the king decides to reward Ancel by gifting him with Highfield and marriage to Margery. *The Book of the Knight Zifar (or Cifar), Spain's first novel of chivalry, is the tale of a virtuous but unfortunate knight who has fallen from grace and must seek redemption through suffering and good deeds. Because of a curse that repeatedly deprives him of that most important of knightly accoutrements—his horse—Zifar and his family must flee their native India and wander through distant lands seeking to regain their rank and fortune. A series of mishaps divides the family, and the novel follows their separate adventures—alternatively heroic, comic, and miraculous—until at length they are reunited and their honor restored. The anonymous author of Zifar based his early fourteenth-century novel on the medieval story of the life of St. Eustacius, but onto this trunk he grafted a surprising variety of narrative types: Oriental tales of romance and magic, biblical stories, moralizing fables popular since the Middle Ages, including several from Aesop, and instructions in the rules of proper knightly conduct. Humor in the form of puns, jokes, and old proverbs also runs through the novel. In particular, the foolish/wise Knave offers a comic contrast to the heroic Knight, whom he must continually rescue through the application of common sense. Zifar was to have an important influence on later Spanish literature, and perhaps on Cervantes' great tale of a knight and his squire, Don Quixote. All those with an interest in Spanish literature and medieval life will be grateful for Mr. Nelson's excellent translation, which brings to life this extraordinary early novel.*

She's intelligent, agile, and spirited – and determined to discover the secrets of her questionable past. Her only clue is a pendant in the shape of a black and silver dragon; the same design worn by the King's Guard. She's convinced her answer lies in the heart of the kingdom, and she's willing to do whatever it takes to get there. Even if it means chopping off her raven locks and binding her curvy, petite figure to refashion herself as a scruffy lad to join their ranks. Knight Roran McShane's search for new recruits brings him to the far reaches of the kingdom. Only a select few prove worthy, but the pluck and determination of one particularly small but feisty lad moves Roran to do something he has never done before – take on a squire. The mute lad proves to be resourceful and skilled, even if he is rather odd and shunned by the others. Roran is forced to second-guess his decision when he begins to feel unnaturally protective of the boy. When his squire's deception is revealed, he is both relieved and appalled by the knowledge that he is really a she, and far from a child. Honor and ethics require that he sever all ties, but Roran soon learns that is easier said than done. The lass is no sheltered lady waiting to be rescued and before she's done, she'll surprise Roran, the knights-in-training, even the king himself. For a warrior's heart knows no bounds.*

**Bringing chivalry back into our modern-day world, this book shows us how to inspire today's generation of young boys to pursue honor, courage, and compassion. In an age when respect and honor seem like distant and antiquated relics, how can we equip boys**

to pursue valor and courageously put the needs of others before their own? This book helps parents to inspire their boys by captivating their imagination and honoring their love for adventure. Heather Haupt explores how knights historically lived out various aspects of the knights' Code of Chivalry, as depicted in the French epic Song of Roland, and how boys can embody these same ideals now. When we issue the challenge and give boys the reasons why it is worth pursuing, we step forward on an incredible journey towards raising the kind of boys who, just like the knights of old, make an impact in their world now and for the rest of their lives.

**In this four-book ebook bind-up of romantic, fairy-tale-like YA novels from bestselling author Jody Hedlund, three separate noblewomen—Rosemarie, Juliana, and Sabine—face difficult choices, dangers, and painful truths as they work to find a way to protect their futures. And as each meets one of the noblest knights in the land, they must also protect their hearts. This bind-up contains: *The Vow*: In this novella prequel to *An Uncertain Choice*, a young Lady Rosemarie finds herself developing her first romantic feelings, directed toward the son of a visiting noble couple. But just as the two begin to explore what their feelings toward each other may be, a terrible illness sweeps through the estate and leaves both of Rosemarie’s parents gravely ill. As Rosemarie begins taking over duties in the castle, she uncovers a vow her parents have kept secret ... one that could change her life, and her romantic future, forever. *An Uncertain Choice*: On the cusp of her eighteenth birthday, the beautiful and wealthy Lady Rosemarie knows it is her destiny is to fulfill a vow made by her parents, one that dictates she enter a convent on her eighteenth birthday. But as she prepares to enter the religious life in one month, Lady Rosemarie receives the news that there is an exception to the Ancient Vow: if she finds true love and is married by her birthday, she is freed from the obligation to become a nun. At the urging of her godfather, she agrees to allow the three handsomest and noblest knights in the land the chance to win her heart in thirty days. But when the knights’ arrival results in a series of attacks within her land, she begins to wonder if the convent is the best place after all. If only one of the knights—the one who appears the most guilty—had not already captured her heart. *A Daring Sacrifice*: Juliana is the daughter of a lord, but the circumstances of her father’s death have forced her to live in the woods of Wessex disguised as a young man. There, she helps the poor, starving peasants around her survive while her cruel uncle rules the lands that are rightfully hers. When she is captured during one of her raids by a neighboring lord, her life complicates more: her captor is Collin, a boy she knew in her past life, and he immediately recognizes her as both a notorious bandit and his redheaded former friend. As her uncle closes in on her location, and the bounty on her head increases, Juliana takes refuge in Collin’s castle. But the longer she spends with Collin, the more she questions her past decisions—and the more her heart bends toward Collin’s charms. *For Love & Honor*: Long ago, Lady Sabine gave up the hope of marriage due to a skin blemish on her hands and arms that, if revealed, could cause her to be branded as a**

witch and place her in tremendous danger. And who would want to love a woman so flawed? Instead, she tells no one of her curse and devotes her life to finding beautiful art and relics, purchasing them with her inherited wealth. Unbeknownst to her, however, her current journey to Sir Bennet's estate is not to purchase a new piece, but her grandmother's attempt to marry her off. At the same time, Sir Bennet's mother has asked him to wed Sabine in order to secure the monies needed to repay the family's debts. As Sabine and Bennet get to know each other, they find they are more matched than either could have expected, but their dual secrets linger in the background—and both, if not revealed in time, could lead to not only heartbreak, but their demise. Discussion questions for *An Uncertain Choice*, *A Daring Sacrifice*, and *For Love & Honor* are also included.

A Warrior's Heart

*"It is in the very first rank of imaginative and historical romance. The time and scene of the noble story are laid in the middle ages during the conquest of Pagan Lithuania by the military and priestly order of the "Krzyzacy" Knights of the Cross. And the story exhibits with splendid force the collision of race passions and fierce, violent individualities which accompanied that struggle. Those who read it will, in addition to their thrilling interest in the tragical and varied incidents, gain no little insight into the origin and working of the inextinguishable race hatred between Teuton and Slav. It was an unfortunate thing surely, that the conversion of the heathen Lithuanians and Zmudzians was committed so largely to that curious variety of the missionary, the armed knight, banded in brotherhood, sacred and military. To say the least, his sword was a weapon dangerous to his evangelizing purpose. He was always in doubt whether to present to the heathen the one end of it, as a cross for adoration, or the other, as a point to kill with. And so, if Poland was made a Catholic nation, she was also made an undying and unalterable hater of the German, the Teutonic name and person."--Goodreads*
