Will a griefer destroy Steve’s hope of winning the elite building competition? This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. In this third installment of the Minecraft Gamer’s Adventure series, Steve is invited to participate in an elite building competition on Mushroom Island. His friends—Max, Lucy, and Henry—are impressed and want to join their friend on a journey to the island. Yet not everyone is happy: Steve’s neighbor Kyra is upset because she wasn’t chosen as a contestant. Steve asks Kyra to come to the competition and help the gang build boats to get to Mushroom Island. She agrees, and the group sets out on an adventure to the contest. Getting there is half the fun, and the group treks through the jungle, where they find a rare temple filled with treasure! But getting the treasure isn’t easy, and they have to fight fierce battles to continue the journey. After their exhilarating and rewarding journey to the contest, they finally make their way onto the island and meet the judges, as well as the other four contestants, whose egos are as big as the houses they are building. Steve builds his dream house to impress the judges, but just as they begin judging, the island is overrun with Endermen. Mushroom islands are known for not having hostile mobs, so everyone knows it’s the work of a griefer. Is it one of the contestants? Nobody knows, but they all have to work together to battle this invasion of the Endermen. Will they be able to defeat the Endermen and find out who the griefer is? And who will win the building contest? Find out in this thrilling third installment of the Minecraft Gamer’s Adventure series!

After gaining the teleportation powers of the endermen, the dragon escaped out into the Overworld! Terrorizing Minecraft, the dragon’s evil presence is now transforming the lush and beautiful land into the dark and desolate world of The End. Being Coach Herobrine is not without a challenge. After successfully helping two other Herobrines complete their mission, the third Herobrine was stubborn and arrogant causing him and Mark to be imprisoned by the very people they come to help. Since Mark is an experienced Herobrine, Jeb trusted him to assist all the new Herobrines during these hard trials. Some of the missions are easy enough to be completed in a matter of a few days. However, others will prove to be too challenging that Mark has to put all of his experience as Herobrine into use, if he wants to succeed at helping others. The Herobrines must complete their objectives if they want to stay in their respective servers. Failing one or more missions might result in a permanent ban from the game. Mark is committed to never let that happen to anyone, but the third Herobrine is a different story. Will Mark be able to help him if the third Herobrine is not willing to follow Mark’s advice? Or will this be Mark’s first failure as a Coach? He knows exactly what will happen if any of the teachers find out the truth. He remembers his last horrible foster home all too clearly. Curtis gets pretty good at forging his mother's signature, but when the credit card maxes out and the landlord starts pressuring for the rent, it's more than a twelve-year-old can handle. Just in time, Curtis and Artie make friends with Mrs. Burt, the cranky, lonely old lady who lives across the street. And when the authorities start to investigate, the boys agree to go with Mrs. Burt to her remote cabin by the lake, and the three of them abscond in her 1957 Chevy Bel Air. At the lake, the boys' days are filled with wood-chopping, outhouse-building, fishing, swimming and Mrs. Burt's wonderful cooking. But as the summer sails by, Curtis can't stop thinking about his mother's promise. Then the weather grows colder, and Mrs. Burt seems to be preparing to spend the winter at the cabin, and Curtis starts to worry. Have they really all just absconded to the lake for a summer holiday? Or have the two boys been kidnapped? Set in Vancouver and the B.C. wilderness (the trip to the cabin involves a hilarious white-knuckled road trip through Hope), this is a book that reflects Caroline Adderson's many writerly strengths -- her "wit and a facility for dialogue, good pacing and a brisk, clean prose style" (Globe and Mail), her "close observation of telling details" (Quill & Quire) and her ability to "celebrate a child's imagination in a realistically humorous way" (Canadian Materials).

Phoenix must save her village from the ghost of Herobrine in this suspenseful fifth tale in the Unofficial Graphic Novel for Minecrafters series. This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. The redstone dust has barely settled after Phoenix's epic battle against the Defender when word of a new threat arises: the legendary ghost of Herobrine has been sighted in Phoenix's village, and under cover of darkness, he's terrorizing a new family each night. Phoenix and T.H. rush to the village, where they discover a tangled string of clues. Just as the friends-turned-sleuths are sure they've unraveled the mystery of Herobrine's grieving, they uncover a secret that makes them question everything they've learned. And when a new, stronger enemy appears, their hunt for Herobrine is turned on its end once again. Can a ghost be in danger? And could Herobrine cease to be their enemy and instead become . . . their ally? Fans of Minecraft won't want to miss this gripping, mysterious addition to the series that began with Quest for the Golden Apple!

Stevie has been having repeated nightmares about the mysterious figure known as “Herobrine.” Some say Herobrine is an old ghost story. Some say he’s a virus. But no one believes he is real...except maybe Stevie, whose nightmares are telling him that Herobrine is going to take over the Overworld. His cousin Alex has come to visit, and during one of her explorations, she finds a music disc that predicts the destruction of the Overworld! Are Stevie's nightmares and the music disc connected? Stevie and Alex hook up with Stevie's best friend Maison, and the three quickly begin looking for answers. While they look, Herobrine is drawing ever closer. Someone is stealing the villagers' most precious belongings, including Stevie's cat, Ossie. People are angry and turning against one another. And there are mysterious signs appearing around the Overworld. Stevie, Maison, and Alex must unearth more music discs, piece together clues from the nightmares, and, ultimately, confront Herobrine—the most feared being of all—at his dark home in an abandoned temple high atop a forbidding mountain. The fate of the Overworld is depending on them.
