

Hide And Seek First Words (First Word Books)

"Hide and Seek was a page turner that had me hooked from the first word. Paul Brown's book has a feeling of suspense on every page with an ending I never saw coming." "Hide and Seek will keep you on the edge of your seat until the climatic end. Paul Brown is a must read author for every mystery, thriller, or suspense fan." "This book will keep you up late into the night until you discover who Celo is and why is he playing this game. The answer will surprise and amaze you." Trudi LoPreto, Readers Favorite An unforeseen school reunion sparked by the death of a childhood friend quickly turns into a living nightmare for Peter Stevenson. Waking the day after, he finds his friends missing, his possessions gone, and himself placed at the centre of a game of hide and seek. As the day unfolds, Peter is forced to relive his past to ensure that his friends have a future. And as the cruel challenge against the clock unfolds, he is forced to come to terms with the fact that one of his closest friends could be the mastermind behind the sinister game of life and death.

Introduces more than two hundred words, including foods, number, shapes, colors, and feelings. "This adorable book of feelings encourages babies and toddlers to explore the world around them with confidence and joy. The playful illustrations and key words introduce you and your little one to a shared language of empathy, connection, and emotional intelligence. Roger Priddy's Big Board First 100 Words is a perfect children's book offering simple everyday words for infants and toddlers to develop their vocabulary. Featuring 100 beautiful color photographs, this tough board book introduces words and phrases of animals, toys, vehicles, and items used for mealtimes, bathtimes, and bedtimes that are ideal for children aged 2 and up to learn how to read and

identify objects.

It's a first picture book perfect for toddlers, and the perfect gift for that stylish baby shower! Toddlers don't want lessons—they need stories. Toddler-aged Bobby's breakfast-to-bedtime story provides words for things, actions, and feelings younger children know about, but may not be able to name—from meals to playtime to a final reassuring goodnight kiss. Printed cloth tabs signal the start of each section—and add special value and gift-appeal. Charming, smart, and un-lessony, this is a great mix of classic board book style combined with keen insight into what resonates with toddlers at this key stage of their development. Retro-chic illustrations and design make this WORLD a great addition to homes, nursery, and preschool bookshelves.

Play i-spy with your toddler and theyll learn all about animals - in eBook format Hunt for favourite pets, farm animals and many more with your toddler theyll love playing i-spy and learning all about their favourite animals. This oversized lift-the-flap board book of a child's first 101 words has big, clearly labeled photos of objects in a baby and toddler's world with an interactive puzzle activity on each spread. Identifying words and their

meanings is an important foundational step in language development for babies and toddlers, and Highlights brings Fun with a Purpose® into this essential learning. Babies will love looking at and naming the photos in this sturdy book, while toddlers and parents will enjoy the lift-the-flap questions and answers that help them find the cute red bird hidden on each spread.

Welcome to Merriam-Webster Kids! Fall 2021 marks the debut of our new imprint that serves our mission to help kids better understand and communicate with the world around them through highly engaging content designed to foster a love of language and learning from an early age. Our list is small, yet focused; over time you will see it build across all categories and ages that serve ages 0-12 and the families, teachers, and librarians that support them. Merriam-Webster is storming the category with a 150 first word board book experience grounded in the principles of child development. The interactive experience encourages toddlers' language learning through the repetition of simple words and phrases, using tried-and-true authoritative language technique, written by a speech-language pathologist. While most first words books list nouns, our book naturally weaves 150 words around everyday illustrations readers will recognize from their own daily routines. Along the border of each spread, we've included photographs of every illustrated item to encourage an additional search-and-find opportunity for parents and their babies. Hosted by nine ethnically-diverse babies, it's a search-and-find experience that will delight parents and caregivers. Give toddlers the gift of language with words and short phrases to say all day long, ages 6-18 months. This engaging large-format board book encourages toddlers' language learning through the repetition of simple words and one-, two-, and three-word phrases for everyday objects and activities. Under speech development expert Claire Davis's sure hand, dressing, mealtime, playtime, bath time, and all the other routines of the day become opportunities for babies to learn new words and phrases. Author and speech-language pathologist Claire Davis uses tried-and-true, authoritative language based on the principles of child development. In a brief introduction, Davis coaches parents and other caregivers in her proven methods for getting babies talking. Features nine babies of different ethnic backgrounds and settings from around the world. Each spread includes photographs of babies and everyday objects alongside illustrated scenes showing them in action-creating a matching game on every page to allow more time for parents and babies to connect. From the largest team of dictionary editors and writers in America, and one of the largest in the world, thank-you for supporting us and Merriam-Webster Kids.

"Llama Llama can't find his fuzzy llama! Where could he be? Near the blocks? Behind the door? Beneath the bed? Help Llama Llama look for his beloved Fuzzy!"--Page 4 of cover.

Children will love to discover what is hiding on the pull-the-tab sliders. Rhyming text adds to the fun and encourages playful interaction. Perfect for adults and children age three and up to discover together, this title is sure to become a firm family favorite.

The mid-twentieth century British novelist Elizabeth Taylor numbered among her admirers Elizabeth Bowen, Ivy Compton-Burnett, and Kingsley Amis. She also regularly published stories in *The New Yorker* for close to two decades. For all that, her work, as steely as it is delicate, remains the secret of a small number of intensely devoted readers. The publication of her finest novel, *A Game of Hide and Seek*, long unavailable in the United States, should help to change that. This is an unabashed love story, capturing all the uncertainty and inevitability and deceptiveness of true love, tracking the shifting currents of emotional life, and never yielding to melodrama. Set in Britain between the wars, a time of transition between old convention and new ways, the book has for a heroine Harriet, the only child of a suffragette, whom we meet as a shy and domestic and not especially smart or pretty girl. At eighteen she falls in love with Vesey, but after Vesey must go away, she marries another man, Charles, and bears a child. Then Vesey returns. Love is at the center of the book, but so too is Taylor's extraordinary knack for depicting characters. The minor figures in the book—from Harriet's mother's friend Caroline, with her progressive politics, to Charles, his coworkers, and his mother, to Betsy with her schoolgirl crush on her

Greek teacher—are as memorable as the passion and heartache of Harriet and Vesey.

Contains twenty-five books about a variety of subjects that encourage beginning readers.

Readers must help characters find their missing items amid a collection of different objects. On board pages.

'Next-level domestic suspense - even the twists have twists. I loved it - Andrea

Mara is a star.' Lee Child CLOSE YOUR EYES The game of hide and seek is over, everyone has gone home, but little Lily Murphy hasn't been found. Her parents search the woods and tell themselves that the worst hasn't happened - but deep down they know this peaceful Dublin suburb will never be the same again. COUNT TO TEN Years later, Joanna moves into a new house. It seems perfect in every way, until she learns that this was once Lily Murphy's home. From that moment onwards, a sense of dread seems to follow her from room to room. AND WHEN YOU OPEN THEM, YOUR CHILD IS GONE As Joanna unravels the secrets at the heart of this close-knit community, her own dark past begins to resurface. Because she thinks she knows what really happened to Lily - and if the truth gets out, it might be her undoing... 'Original, clever, and unputdownable.' Sarah Pearse 'A relentless, twisting page-turner, Hide and Seek delves deeply into every parent's worst nightmare. A first-class thriller.' Chris Whitaker **COMING 2022 AND AVAILABLE TO PRE-ORDER NOW!** READERS LOVE HIDE AND SEEK! 'Andrea Mara is the Queen of the Unexpected Twist. Not to mention excelling in creating an attention-grabbing hook to ensure that the reader's attention is 'hooked' from the opening page...' ? ? ? ? ? 'I loved, loved, LOVED this book! A fast-paced thriller with twists that you never see coming!' ? ? ? ? ? 'Andrea Mara has done it again, bringing a sense of dread and suspense to any parent who flicks through her books...!' ? ? ? ? ? 'I loved this book. From the very first page I was gripped by a fast paced & gripping storyline. This is excellently written & has plenty of twists and turns. Not to be missed!' ? ? ? ? ? 'Wow, I absolutely bloody loved this extremely well-written, cleverly plotted mystery/thriller that had me hooked in and captivated from the spine-chilling opening sentence right through to the satisfying concluding dash of poetic justice.' ? ? ? ? ? 'I honestly think it's her best book yet. From the very start I was completely gripped by the story, and I couldn't put this book down. This is an unputdownable crime thriller thick with suspense and intrigue. A massive 5?? read for me.' ? ? ? ? ? 'This was for me perhaps her best thriller yet.' ? ? ? ? ? Praise for Andrea Mara: 'Grips from the first page and keeps upping the stakes . . . I didn't predict any of the twists and turns.' Sarah Pearse, No.1 Sunday Times bestselling author of The Sanatorium 'Sharp, sophisticated, and full of suspense.' Cara Hunter 'Andrea Mara's tight plotting and convincing characterisation make her books both compelling and intriguing.' Liz Nugent The mischievous stars of Seen and Not Heard climb out of their paintings for another nighttime adventure in this gently spooky bedtime story. A midsummer moon shines on Shiverhawk Hall, where portraits of children come alive on the wall. As night falls, the playful painted residents wake up for another Gorey-esque rhyming caper. When the DeVille twins are nowhere to be seen, the other children escape their frames in search of two girls in white dresses -- and, possibly, a midnight game in the garden. Out in the night air, through the maze, and into the woods they go, looking for their mysterious friends. Will they be able to find the twins before the sun rises? Charming and eerie without ever being too scary, Katie May Green's second tale is perfect for Halloween story times and bedtime read-alouds after a long day of play.

Hide and Seek: Farm

The unmissable new crime thriller for 2022 from the top ten Sunday Times bestselling author of All Her Fault

Hide-and-Seek

Pocoyo Discovers First Words

My World My Words

"Gajda's chronicle reveals an enduring tension between principles of free speech and respect for individuals' private lives. ...just the sort of road map we could use right now."—The Atlantic "Very fascinating...Gajda is a nimble storyteller [and] an insightful guide to a rich and textured history that gets easily caricatured, especially when a culture war is raging."—The New York Times An urgent guide for today's privacy wars, and essential reading on how the courts have--for centuries--often protected privileged men's rights at the cost of everyone else's. Should everyone have privacy in their personal lives? Can privacy exist in a public place? Is there a right to be left alone even in the United States? You may be startled to realize that the original framers were sensitive to the importance of privacy, especially relating to sexuality and intimate life, but mostly just for powerful and privileged (and usually white) men. The battle between an individual's right to privacy and the public's right to know has been going on for centuries. The founders demanded privacy for all the wrong press-quashing reasons. Supreme Court justice Louis Brandeis famously promoted First Amendment freedoms but argued strongly for privacy, too; and presidents from Thomas Jefferson through Donald Trump confidently hid behind privacy, despite intense public interest in their lives. Today privacy seems simultaneously under siege and being reborn, surging. And that's doubly dangerous, as legal expert Amy Gajda argues. Too little privacy leaves ordinary people vulnerable to those who deal in and publish soul-crushing secrets. Too much privacy lets the famous and infamous cloak themselves in secrecy and dodge accountability. Seek and Hide is a history of privacy from us from the very start, when privacy concepts first entered American law and society, to now, when the law allows a Silicon Valley titan to destroy a media site like Gawker out of spite. Muckraker Upton Sinclair, like Nellie Bly before him, pushed the envelope of privacy and propriety and then became a privacy advocate when journalists used the same techniques against him. By the early 2000s, we were on our way to today's full-blown crisis in the digital age, worrying that smartphones, webcams, social media, publishers, and the forever internet had erased the right to privacy completely.

Simple text challenges the reader to find a dog, a kitten, and a rabbit hidden in photographs.

A Lift-The-Flap Book
