Predictable Prospecting: How to Radically Increase Your B2B Sales Pipeline

Packed with examples and anecdotes, *Sales Management*. Simplified, offers a proven formula for prospecting, developing, and closing deals—in your time, on your terms. Why do sales organizations fall short? Every day, expert consultants like Mike Weinberg are called on by companies to find the answer - and it's one that may surprise you. Typically, the issue lies not with the sales team but with how it is being led. Through their attitude and actions, senior executives and sales managers unknowingly undermine performance. Weinberg tells it straight by calling out the problems plaguing sales forces and the costly mistakes made by even the best-intentioned sales managers. The good news is that with the right guidance, results can be transformed. In *Sales Management*. Simplified., Weinberg teaches managers how to: Implement a simple framework for sales leadership Foster a healthy, high-performance sales culture Conduct productive meetings Put the right people in the right roles Retain top producers and remediate underperformers Point salespeople at the proper targets Blending blunt, practical advice with funny stories from the field, *Sales Management*. Simplified, delivers the tools every sales manager needs to succeed. Managing sales doesn't have to be complicated, and the solution starts with you!

Sales genius is a team sport. As a B2B sales leader, you know that by Murphy's Law, despite your team's best efforts, some deals will inevitably get stuck or key relationships will go sour. And too often, it's the most important ones—the last thing you need when millions of dollars are on the line. "Dealstorming" is Tim Sanders's term for a structured, scalable, repeatable process that can break through any sales deadlock. He calls it "a Swiss Army knife for today's toughest sales challenges." It fixes the broken parts of the brainstorming process and reinvestigates account management for today's increasingly complicated sales environment. Dealstorming drives sales innovation by combining the wisdom and creativity of everyone who has a stake in the sale. You may think you are applying teamwork to your challenges, but don't be so sure. There's a good chance you're operating inside a sales silo, not building a truly collaborative team across your whole company. The more disciplines you bring into the process, the more unlikely (but effective!) solutions the team can come up with. Sanders explains his seven-step Dealstorming process and shows how it has helped drive results for companies as diverse as Yahoo!, CareerBuilder, Regus, and Condé Nast. You'll learn how to get the right team on board for a new dealstorm, relative to the size of the sales opportunity and its degree of difficulty. The key is adding people from non-sales areas of your company, making them collaborators early in the process. That will help them own the execution and delivery after the deal is done. The book includes real world examples from major companies like Oracle and Skillssoft, along with problem finding exercises, innovation templates, and implementation strategies you can apply to your unique situation. It's based on Sanders' many years as a sales executive and consultant, personally leading dozens of sales collaboration projects. It also features the results of interviews with nearly two hundred B2B sales leaders at companies such as LinkedIn, Alterra and Novell. The strategies laid out in Dealstorming have led to a stunning 70% average closing ratio for teams across all major industries, leading to game-changing deals and long-term B2B relationships. Now you can learn how to make dealstorming work for you.

Few professional firms are able to consistently grow their fees and profits. Based on the concept of relationship marketing, The Rainmaker's Toolkit gives readers the tools, techniques, and strategies to help win and close bigger deals, helping them dramatically increase the odds of success...and sustain that level of accomplishment from year to year. The Rainmaker's Toolkit helps readers identify and maximize the potential growth opportunities in their companies and gives them a step-by-step system for building a high-profit practice. The book shows readers how to: \* Identify high-profit customers and build lifelong relationships with them \* Stand out from competitors by differentiating their firm, services, and people \* Build a million dollar referral network. Packed with more than 80 reproducible tools and templates, The Rainmaker's Toolkit shows how to find the gold hidden within every company.

Search engines and social media have certainly changed how prospecting pipelines for salespeople are built today, but the vitality of the pipeline itself has not. Even today, the key to success for every salesperson is his pipeline of prospects. Top producers are still prospecting. All. The. Time. However, buyers have evolved, therefore your prospecting needs to as well. In High-Profit Prospecting, sales expert Mark Hunter shatters costly prospecting myths and eliminates confusion about what works today. Merging new strategies with proven practices that unfortunately many have given up (much to their demise), this must-have resource for salespeople in every industry will help you: Find better leads and qualify them quickly Trade cold calling for informed calling Tailor your timing and message Leave a great voicemail and craft a compelling email Use social media effectively Leverage referrals Get past gatekeepers and open new doors And moreFor the salesperson, prospecting is still king. Take back control of your pipeline for good!

How to Sell More, Easier, and Faster Than You Ever Thought Possible

The ultimate guide to relationships, influence and persuasion in 21st century business, put what is most important to your success as a sales or business professional? Is it education, experience, product knowledge, job title, territory, or business dress? Is it your company's reputation, product, price, marketing collateral, delivery lead times, in stock ratios, service guarantees, management strength, or warehouse location? Is it testimonials, the latest Forbes write up, or brand awareness? Is it the investment in the latest CRM software, business 2.0 tools, or social media strategy? You could hire a fancy consulting firm, make the list longer, add some bullet points, put it into a PowerPoint presentation, and go through the whole dog and pony show. But at the end of the day there will be only one conclusion... None of the above! You see, the most important competitive edge for today's business professionals cannot be found on this list, your resume, or in any of your company's marketing brochures. If you want to know the real secret to what matters most in business, just look in the mirror. That's right, it's YOU. Do these other things matter? Of course they do, but when all things are equal (and in the competitive world we live in today, things almost always are) People Buy You. Your ability to build lasting business relationships that allow you to close more deals, retain clients, increase your income, and advance your career to rise the top of your company or industry, depends on your skills for getting other people to like you, trust you, and BUY YOU. This break-through book pushes past the typical focus on mechanics and stale processes found in so many of today's sales and business books, and goes right to the heart of what matters most in 21st century business. Offering a straight forward, actionable formula for creating instant connections with prospects and customers, People Buy You will enable you to achieve a whole new level of success in your sales and business career. You'll discover: Three relationship myths that are holding you back Five levers that open the door to stronger relationships that quickly increase sales, improve retention, increase profits and advance your career The real secret to making instant emotional connections that eliminate objections and move buyers to reveal their real problems and needs How to anchor your business relationships and create loyal customers who will never leave you for a competitor How to build your personal brand to improve your professional presence and stand-out in the market place People Buy You is the new standard in the art of influence and persuasion. Few books have tackled the subject of interpersonal relationships in the business world in such a practical and down-to-earth manner, breaking what many perceive as a complex and frustrating process into easy, actionable steps that anyone can follow.

The USA Today bestseller by the star sales speaker and author of The Sales Blog that reveals how all salespeople can attain huge sales success through strategies backed by extensive research and experience. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident, as a day job while pursuing rock-and-roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful, while the rest get mediocre results at best? The answer is simple: it's not about the market, the product, or the competition—it's all about the seller. And consequently, any salesperson can sell more and better, all the time. Over twenty-five years, Iannarino has boiled down everything he's learned and tested into one convenient book that explains what all successful sellers, regardless of industry or organization, share: a mind-set of powerful beliefs and a skill-set of key strategies.

Including... Self-discipline: How to keep your commitments to yourself and others. Accountability: How to own the outcomes you sell. Competitiveness: How to embrace competition rather than let it intimidate you. Resourcefulness: How to blend your imagination, experience, and knowledge into unique solutions. Storytelling: How to create deeper relationships by presenting a story in which the client is the hero and you're their guide. Diagnosing: How to look below the surface to figure out someone else's real challenges and needs. Once you learn Iannarino's core strategies, picking up the specific tactics for your product and customers will be that much easier. Whether you sell to big companies, small companies, or individual consumers, this is the book you'll turn to again and again for proven wisdom, strategies, and tips that really work.

The revised and updated edition of the book that changed the way you think about trading In the Second Edition of this groundbreaking book by star trader Jeff Greenblatt, he continues to share his hard-won lessons on what it takes to be a professional trader, while detailing his proven techniques for mastering market timing. With the help of numerous case studies and charts, Greenblatt develops his original high-probability pattern recognition system which, once mastered, endows its user with a deeper understanding of how the markets really work and boosts the efficiency of any trading methodology. Following in the footsteps of the great W.D. Gann, Jeff Greenblatt helps investors gain greater precision with any instrument they trade, during any time frame. Shows how to combine a variety of technical indicators to pinpoint turning points in the financial markets Makes even the most complex subject matter easy to understand with crystal-clear explanations and step-by-step guidance on all concepts, terms, processes, and techniques Reveals how to use Elliott Wave Analysis, Fibonacci, candlesticks, and momentum indicators to interpret market movements Breakthrough Strategies for Predicting Any Market shares fascinating and enlightening personal anecdotes from Jeff Greenblatt's career along with his candid reflection on developing and maintaining the mental discipline of a successful trader.

True or false? In selling high-value products or services: "closing" increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

Proven techniques to master the art of the cold call Cold calling is not only one of the fastest and most profitable ways to initiate a new sales contact and build business; it's also one of the most dreaded—for the salesperson and therapist. Smart Calling has the solution: Art Sobczak's proven, never-experience-rejection-again system. Now in an updated 2nd Edition, it offers even smarter tips and techniques for prospecting new business while minimizing fear and rejection. While other books on cold calling dispense long-perpetuated myths such "prospecting is a numbers game," and salespeople need to "love rejection," this book will empower readers to take action, call prospects, and get a yes every time. Updated information reflects changes and advances in the information gathering that comprises the "smart" part of the calling Further enhances the value and credibility of the book by including more actual examples and success stories from readers and users of the first version Author Art Sobczak's monthly Prospecting and Selling Report newsletter (the longest-running publication of its type) reaches 15,000 readers, and Smart Calling continues to rank in the Top 20 in the Sales books category on amazon.com and has sold over 20,000 copies Conquer your fears and master the art of the cold calling through the genius of Smart Calling, 2nd Edition.

A history of the most profitable company in the world, Saudi Aramco, and the story behind the family that ruthlessly maneuvered to control this multi-trillion dollar enterprise. The Saudi royal family and Aramco leadership are, and almost always have been, motivated by ambitions of long-term strength and profit. They use Islamic law, traditional ideology, and harsh justice to maintain stability and their own power, but underneath the robes and abayas and behind the religious fanaticism and illiberalism lies a most sophisticated and ruthless business enterprise. Today, that corporation is poised to pull off the biggest IPO in history. Over more than a century, led by behind the and oil wealth, al Saud, as the royal family is known, has come from next to nothing to rule as absolute monarchs, a contrast with the world around them and modernity itself. The story starts with Saudi Arabia's founder, Abdul Aziz, a lowly refugee embarking on a daring gambit to reconquer his family's ancestral home—the mud-walled city of Riyadh. It takes readers almost to present day, when the multinational family business has made al Saud the wealthiest family in the world and on the cusp of a new transformation. Now al Saud and its family business, Aramco, are embarking on their most ambitious move: taking the company public and preparing the country for the next generation.

Learn powerful closing and sales negotiation tactics that unlock yes and seal the deal. Each year, sales professionals leave billions of dollars on the table because they are out-gunned, out-manuevered, and out played by savvy buyers, who have been schooled in the art and science of negotiation. Because today's buyers have more power than ever before—more information, more at stake, and more control over the buying process—they almost always enter sales negotiations in a much stronger position than the salespeople on the other side of the table. The results are sadly predictable: salespeople and their companies end up on the losing end of the deal. In this brutal paradigm, if you fail to master the skills, strategies, and tactics to go toe-to-toe with modern buyers and win at the sales negotiation table, your income and long-term earning potential will suffer—along with your company's growth, profits, and market valuation. In his new book INKED: The Ultimate Guide to Powerful Closing and Sales Negotiation Tactics that Unlock YES and Seal the Deal, Job Blount reveals the playing field by giving you the strategies, tactics, techniques, skills, and human-influence frameworks required to become a powerful and effective sales negotiator. In his signature, straightforward style, Job puts you right in the face with the cold, hard truth and lays bare the reasons why you keep getting beaten by buyers who have been trained in how to play you. Then, he teaches you exactly what you need to know, do, and say to gain more control and more power over the outcomes of your deals, and WIN. You'll learn: Seven Invaluable Rules of Sales Negotiation Why "Win-Win" Usually Means "You-Lose" The One Rule of Sales Negotiation You Must Never Break How to Leverage the Powerful MLP Strategy to Bend Win Probability in Your Favor The ACED Buyer Persona Model and How to Flex to Buyer Communication Styles Seven Principles of Effective Sales Negotiation Communication How to Leverage the DEAL Sales Negotiation Framework to Control the Negotiation Conversation and Get Ink How to Gain the Advantage with Comprehensive Sales Negotiation Planning Strategies and Tools Powerful Negotiation Psychology and Influence Frameworks that Keep You in Control of the Conversation How to Rise Above the Seven Disruptive Emotions that are Holding You Back at the Sales Negotiation Table How to Protect Yourself from the Psychological Games that Buyers Play With these powerful tactics in your sales arsenal, you will approach sales negotiations with the confidence and power to take control of the conversation and get the prices, terms, and conditions that you deserve. INKED is the most comprehensive Sales Negotiation resource ever developed for the sales profession. Unlike so many other negotiating books that ignore the reality sellers face in the rapid-fire, real world of the sales profession, INKED is a sales-specific negotiation primer. You'll learn directly from one of the most sought-after and celebrated sales trainers of our generation. Following in the footsteps of his blockbuster bestsellers Fanatical Prospecting, Sales EQ, and Objections, Job Blount's INKED puts the same strategies employed by his clients—who's who of the world's most prestigious organizations—right into your hands.

This comprehensive guide to the flags of the world, now available in a completely updated edition, provides concise, accurate coverage of every country in the world, giving the history, meaning, and symbolism of national flags, together with large-scale and smaller locator maps. It includes the history of flags; color flags of over 220 countries and territories; flags of international organizations; large-scale and detailed locator maps for easy reference; up-to-date data and statistics for all countries; information about the history and symbolism of each flag; a section on de facto and emerging states; and a full index.

Become a better salesperson by learning to debunk the sales myths and focus your strategy on a proven approach that will drive the results you want. Can succeeding in sales be as simple as hooking up the latest CRM tool or perfecting your social media profiles and waiting for qualified leads to show up in your inbox? Are you having trouble believing what the new self-proclaimed "experts" post on LinkedIn and beginning to question their proclamation that everything in sales has changed? The one constant in the world of sales is the noise from self-titled experts and thought leaders informing you of the latest tools, tricks, and strategies that you should utilize. However, ironically, the more modern solutions you adopt, the harder it is to get results. Bestselling author and sales expert Mike Weinberg offers a wake-up call to salespeople and sales leaders on how to bypass the noise so you can start winning more, new sales. In Sales Truth, Weinberg shares some of the truths you'll learn including: Many self-proclaimed sales experts lack clients, credibility, and a track record of helping sellers achieve breakthrough results. The number of "likes" a sales improvement article receives is often inversely proportional to its accuracy or helpfulness to a seller or sales team. What has worked exceedingly well in sales and sales management for the past couple of decades is still the (not so) secret to sales success today. Look no further than Weinberg's powerful principles and proven strategies to help you become a professional sales master and create more new sales opportunities.

How to Align Sales and Marketing to Accelerate Growth

The Real Secret to what Matters Most in Business

The Complete Guide to Flags of the World

What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one—the Challenger—delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

In the high-pressure quest to make a sale, acquire a contract, and beat out other bidders, sales professionals frequently resort to cutting prices, offering discounts, or making other concessions that cut into their operating margins ð short-term strategies that are destructive to the long-term sustainability of their business. High-Profit Selling helps readers understand that their sales goal shouldn't simply be to sell more, but to sell more at a higher price ð and that success comes only to those focused on ð profitable sales sales. ð This eye-opening book shows readers how to: Avoid negotiating ð Actively listen to customers ð Match the benefits of their product or service with the customer's needs and pains ð Confidently communicate value ð Successfully execute a price increase with existing customers ð Ensure prospects are serious and not shopping for price Too many salespeople believe that a sale at any price is better than no sale at all. This powerful guide helps move readers toward a profit-centered approach that will strength en their relationships and increase their bottom line.

A concrete framework for engaging today's buyer and building relationships Social Selling Mastery provides a key resource for sales and marketing professionals seeking a better way to connect with today's customer. Author Jamie Shanks has personally built Social Selling solutions in nearly every industry, and in this book, he shows you how to capture the mindshare of business leadership and turn relationships into sales. The key is to reach the buyer where they're conducting due diligence—online. The challenge is then to strike the right balance, and be seen as a helpful resource that can guide the buyer toward their ideal solution. This book presents a concrete Social Selling curriculum that teaches you everything you need to know in order to leverage the new business environment into top sales figures. Beginning with the big picture and gradually honing the focus, you'll learn the techniques that will change your entire approach to the buyer. Social Selling is not social media marketing. It's a different approach, more one-to-one rather than one-to-many. It's these personal relationships that build revenue, and this book helps you master the methods today's business demands. Reach and engage customers online Provide value and insight into the buying process Learn more effective Social Selling tactics Develop the relationships that lead to sales Today's buyers are engaging sales professionals much later in the buying process, but 74 percent of deals go to the sales professional who was first to engage the buyer and provide helpful insight. The sales community has realized the need for change—top performers have already leveraged Social Selling as a means of engagement, but many more are stuck doing "random acts of social," unsure of how to proceed. Social Selling Mastery provides a bridge across the skills gap, with essential guidance on selling to the modern buyer.

Are you ready for the secrets of a reliable, income-generating strategy in stock options? Then you are ready to learn about selling naked puts -- a conservative strategy that allows investors to earn premium on bullish and neutral stocks and acquire stock at a discount. You may have heard rumors that trading naked puts is risky, but these rumors are outdated; the reality is that naked puts have the same risk-reward tolerance as covered calls, one of the most conservative of strategies. The naked put position allows an investor to take advantage of a neutral to bullish market sentiment without actually buying shares of stock. This practical guidebook, rich with illustrations and theoretical and real life examples will help you: Learn general and specific rules for researching naked put trades. Determine which stocks are most suitable for the naked put strategy. Learn focused criteria to help select the best trade for your goals. Gain management techniques and exit strategies for any situation. Start reading to discover how selling naked puts can generate income in your portfolio right now.

Cold calling is one of the most awkward -- and unsuccessful -- ways to obtain clients in business. Now Joanne S. Black shares her proven 5-step Referral Selling system, so no businessperson ever has to make a cold call again. In this unique and practical guide, Black offers a tutorial on how to differentiate your business from your competitors, make favorable impressions on current clients so they'll refer their acquaintances, and set a "hook" that will leave them wanting more. NO MORE COLD CALLING provides selling scripts, presentation techniques, troubleshooting advice, and a host of helpful insights to increase any sales force's productivity.

Selling is tougher than ever before. Potential customers are under extreme pressure to do more with less money, less time, and fewer resources, and they're wary of anyone who tries to get them to buy or change anything. Under such extreme conditions, yesterday's sales strategies no longer work. No matter how great your offering, you face the daunting task of making yourself appear credible, relevant, and valuable. Now, internationally recognized sales strategist Jill Konrath shows how to overcome these obstacles to get more appointments, speed up decisions, and win sales with these short-fused, frazzled customers. Drawing on her years of selling experience, as well as the stories of other successful sellers, she offers four SNAP Rules: -Keep it Simple: When you make things easy and clear for your customers, they'll change from the status quo. -Be Invaluable: You have to stand out by being the person your customers can't live without. -Always Align: To be relevant, make sure you're in synch with your customers' objectives, issues, and needs. -Raise Priorities: To maintain momentum, keep the most important decisions at the forefront of their mind. SNAP Selling is an easy-to-read, easy-to-use guide for any seller in today's increasingly frenetic environment.

In a world where everyone is completely inundated by phone calls, drop-ins, pop-up ads, and junk mail, how can you and your product begin to make its impression known in the business world? How do you break through to impossible-to-reach executive buyers who are intent on blocking out the noise that confronts them every day? By learning how to combine time-tested sales processes with cutting-edge social media strategies. Combo Prospecting details today's new breed of chief executive buyers, the channels they use, the value narratives that they find appealing, and the mix of methods that will grab their attention. With actionable insights in every chapter, you will learn how to: • Locate leverage points that matter • Secure decision-maker meetings • Build a knockout online brand that distinguishes you from the pack • Build a constantly growing list of profitable referrals • And much, much more! Old-school prospecting tactics are growing increasingly irrelevant in today's tech-savvy online business world. But new-school techniques alone have proven to not be able to provide the answers. The key to your success is to learn how to unleash a killer combination of old and new sales strategies.

*Would you like to grow revenue faster? Whether you own a company, lead a sales team, or work in marketing, we all share the same goal: revenue growth. Unfortunately, many companies are not growing as fast as they could be. You are running marketing campaigns. Your sales team is making calls. What's keeping you from growing faster? Every company has a Revenue Growth Engine. This is the sum of their sales and marketing efforts. The problem is that most engines are not firing on all cylinders. There may even be important cylinders missing. The good news is that when your Revenue Growth Engine is performing with all cylinders firing, you accelerate revenue growth! In this book, you will quickly discover which parts of your company's growth engine are not performing. You will find a big picture model for aligning marketing and sales to drive growth. Then, Darrell walks you step by step through how to improve each component of your growth engine.*

*Brian Tracy, one of the top professional speakers and sales trainers in the world today, found that his most important breakthrough in selling was the discovery that it is the "Psychology of Selling" that is more important than the techniques and methods of selling. Tracy's classic audio program, The Psychology of Selling, is the best-selling sales training program in history and is now available in expanded and updated book format for the first time. Salespeople will learn: "the inner game of selling" how to eliminate the fear of rejection how to build unshakable self-confidence Salespeople, says Tracy, must learn to control their thoughts, feelings, and actions to make themselves more effective.*

There are few one-size-fits-all solutions in sales. Context matters. Complex sales are different from one-call closes. B2B is different than B2C. Prospects, territories, products, industries, companies, and sales processes are all different. There is little black and white in the sales profession. Except for objections. There is democracy in objections. Every salesperson must endure many NOs in order to get to YES. Objections don't care or consider: Who you are What you sell How you sell If you are new to sales or a veteran If your sales cycle is long or short – complex or transactional For as long as salespeople have been asking buyers to make commitments, buyers have been throwing out objections. And, for as long as buyers have been saying no, salespeople have yearned for the secrets to getting past those NOs. Following in the footsteps of his blockbuster bestsellers Fanatical Prospecting and Sales EQ, Jeb Blount's Objections is a comprehensive and contemporary guide that engages your heart and mind. In his signature right-to-the-point style, Jeb pulls no punches and slaps you in the face with the cold, hard truth about what's really holding you back from closing sales and reaching your income goals. Then he pulls you in with examples, stories, and lessons that teach powerful human-influence frameworks for getting past NO - even with the most challenging objections. What you won't find, though, is old school techniques straight out of the last century. No bait and switch schemes, no sycophantic tie-downs, no cheesy scripts, and none of the contrived closing techniques that leave you feeling like a phony, destroy relationships, and only serve to increase your buyers' resistance. Instead, you'll learn a new psychology for turning-around objections and proven techniques that work with today's more informed, in control, and skeptical buyers. Inside the pages of Objections, you'll gain deep insight into: How to get past the natural human fear of NO and become rejection proof The science of resistance and why buyers throw out objections Human influence frameworks that turn you

into a master persuader The key to avoiding embarrassing red herrings that derail sales calls How to leverage the "Magical Quarter of a Second" to instantly gain control of your emotions when you get hit with difficult objections Proven objection turn-around frameworks that give you confidence and control in virtually every sales situation How to easily skip past reflex responses on cold calls and when prospecting How to move past brush-offs to get to the next step, increase pipeline velocity, and shorten the sales cycle The 5 Step Process for Turning Around Buying Commitment Objections and closing the sale Rapid Negotiation techniques that deliver better terms and higher prices As you dive into these powerful insights, and with each new chapter, you'll gain greater and greater confidence in your ability to face and effectively handle objections in any selling situation. And, with this new-found confidence, your success and income will soar.

Sales have changed in the last 30 years. Gone are the days of manipulative and pushy salespeople who rely on charm to get sales. Selling From The Heart is the new economy where relationships matter and old-school techniques just don't work anymore. Relationships are what will fuel your sales funnel and allow you to reach your sales goals. Social media is a great place to develop those relationships that lead to sales and Larry teaches you how to do in a natural way. Let Larry Levine show you how not to only be yourself, but your best self and succeed! In this powerful book, Larry Levine challenges modern myths about how to approach buyers and close the sale. He deftly shows you how, in a world suffering from information overload and technology fatigue, sales professionals who demonstrate authenticity and empathy gain an unbeatable competitive edge. Jeb Blount, CEO SalesGravy.com and Author of Sales EQ Too many of us (salespeople) look outward for success and in the most brilliant, down to earth way, Selling From The Heart reminds us that our success starts within, not out. In a world of copycats, Larry Levine, with a softness of a benevolent mentor and the disarming approach of Fred Rogers, stresses that we can't win as a copy, but only as an original. "Be YOU!" The best message the sales world has received in a long time. Keenan, CEO of A Sales Guy Selling from the Heart is not really a book about sales. It's a book about YOU. This is the ultimate playbook for showing up as yourself, so you can increase your sales. Deb Calvert, author of DISCOVER Questions® and co-author of Stop Selling & Start Leading Real sales, real world, real life. Larry Levine shares what it takes to be an authentically successful salesperson. Selling From The Heart will have you probing your own heart, and when you read and apply the lessons from the book, you'll find yourself seeing authentically. Mark Hunter, CSP, "The Sales Hunter" author of High-Profit Prospecting and High-Profit Selling Selling From The Heart is powerful, refreshing, and...authentic! Larry Levine and this new

book are a breath of much-needed fresh air. He's the most honest social selling expert in the business, and this book is exactly what sellers need today. Larry shares wisdom from his years of successful experience, with both blunt truth and effective advice. You will love his writing style, stories, and most of all, the increased sales from implementing his advice! Mike Weinberg, author of New Sales Simplified, and Sales Management Simplified. In sales, the heart always comes before the head. What I love and admire most about Larry Levine is that he sees the potential in all of us and compels us to act with heart and authenticity. In Selling From The Heart, Larry draws upon the wisdom that is both timeless and relevant. Read it and increase your sales, but more importantly, connect with yourself and live a more meaningful life. Shari Levitin, Founder, and CEO of Levitin Group and author of Heart and Sell-10 Universal Truths Every Salesperson Needs to Know,

Buyers are evolving--and so should your prospecting. As a salesperson, your pipeline is the key to your success. No matter what changes, that remains the same. Top producers prospect--and they do it ALL THE TIME. "But how?" you ask, "In the age of the Internet, isn't cold-calling dead?" Now, in his new book, sales expert Mark Hunter shatters costly prospecting myths and eliminates confusion about what works today. Merging new strategies with proven practices,High-Profit Prospecting will help you: \* Find better leads and qualify them quickly \* Trade cold calling for informed calling \* Tailor your timing and message \* Leave a great voicemail \* Craft compelling emails \* Use social media effectively \* Leverage referrals \* Get past gatekeepers and open new doors \* Steer clear of prospecting pitfalls \* Connect with the C-Suite \* And more The Internet won't fill your sales funnel--and you can't rely on the marketing department for leads (not if you want to succeed).High-Profit Prospecting puts the power back where it belongs--in your hands. Follow

its formula and start bringing in valuable new business.

Everything you need to implement Objectives and Key Results (OKRs) effectively Objectives and Key Results is the first full-fledged reference guide on Objectives and Key Results, a critical thinking framework designed to help organizations create value through focus, alignment, and better communication. Written by two leading OKRs consultants and researchers, this book provides a one-stop resource for organizations looking to quantify qualitative goals and ensure each team focuses their efforts to make measureable progress on their most important goals. You'll learn how OKRs came to be and how leading companies use them every day to help teams and employees stretch their thinking about what's possible, build their goal-setting muscles and achieve results that reflect their full potential. From the basic framework to a detailed dissection of best practices, this informative guide walks you through real-world implementations to help you get the most out of OKRs. OKRs help employees work together, focus effort, and drive the organization forward. Key results are used to define what it means to achieve broad, qualitative goals, and imperatives like "do it better" are transformed into clear, measureable markers. From the framework's inception in the 1980s to its popularity in today's hyper-competitive environment, OKRs make work more engaging and feature frequent feedback cycles that enable workers to see the progress they make at work each and every day. This book shows you everything you need to know to implement OKRs effectively.

*For salespeople feeling stressed and disappointed that their customers don't want to hear from them, this guide is the key to developing the mindset and habits required to reach a new level of sales success. The world of sales can be tough, so it's easy to get discouraged when the rejections start piling up and your customers stop answering the phone. This allows the wrong thought patterns to start developing, soon you aren't making quotas and then you begin looking at job listings waiting for your next downfall. Sales expert Mark Hunter can relate as his start to sales was discouraging. The lessons he's learned throughout his career are revealed in A Mind for Sales. He discovered that sales can be incredibly rewarding, such as customers calling you for advice, thanking you for improving their business, such as referring you to colleagues. The difference is simply developing mindset and momentum habits. In A Mind for Sales, you'll learn how to: Feel energized by renewed purpose and success in your sales role by following the success cycle approach. Receive practical strategies on how to change your mindset and succeed in sales. Learn the daily habits needed to maximize productivity and make hitting the ground running strategy #1. Gain real-world insights from Hunter's vast experience as a successful sales professional and sales coach. Let this book inspire and prepare you to form the new habits you need to succeed and to realize the incredible rewards that a successful life in sales makes possible.*
