Explore the cartographic treasures of the British Library's extensive map archive, and add your own colour. Early maps are often much more highly decorated than our own, featuring fantastical drawings of real or imaginary people and animals that may or may not occupy unknown places. Medieval maps look very different to the maps of today. Significant places were given prominence and historical or religious events were frequently included. This new colouring book is packed with a series of fascinating hand drawn maps carefully selected from the extensive collection of the British Library, which includes charters and seals, medieval historical and iconic atlas' from Queen Mary I's personal collection and King George III's to detailed drawings from well-known artists such as Nicolas Sanson and William Hack. Each of the original maps is reproduced in colour, so that you can decide whether you prefer to choose your own colours, or to use the colours that the cartographer intended. With key facts about each of the maps, this is the perfect book for geography lovers, history buffs and colouring-in fanatics alike.

"There are many ways to tell a story. Textbooks offer narratives, crafted by an historian or a team of historians. Collections of primary sources present a mosaic of stories, often interspersed with pictures of artwork and other physical objects drawn from the past. Mapping the World takes advantage of the strength of maps to tell a different sort of story. The maps are divided into two groups: a) Reference maps that provide a brief outline of key events and developments in global history; b) blank outline maps and accompanying exercises that offer opportunities to explore the past in a hands-on fashion."--Provided by publisher.

Entertaining book brims with information about each of the 50 states. Captions beneath each illustration identify state's nickname, motto, flower, bird, tree, capital, main rivers, mountains, and other facts. An excellent educational resource for use at home or in school.

Note: this is a 5.5" x 8.5" (13.97 x 21.59 cm) size coloring book, similar to A5 pad size; perfect for purses, briefcases, backpacks. "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichés that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from manager. To combat this, we've created this corporate clichés adult coloring book a much needed stress therapy; a fun, passive-aggressive way to take out your anger against these ridiculous office sayings that have taken over your meetings, memos, emails from your company's higher ups. We've taken 19 of the most annoying corporate clichés and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on wall without your manager giving you the stink eye (well, depending on where you work ... hmmm time for the disclaimer: we make no promises on whether you'll get

stink eye if you pin pages of this book to your office / cubicle wall, so you assume risk on that!). ***Benefits*** -We've taken 19 of the most ridiculous corporate clichés that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichés on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichés over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific cliché and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia, and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time! The Wine Lover's Coloring Book is the perfect gift for the wine lover in your life.
