Whatever the reason, you've chosen the right book to learn how to talk dirty! Talking dirty has become so much a part of our sexual culture that it has spawned surveys, interviews, forums, books, and research galore. In fact, before it was called "dirty talk," the art of saying sexual things to your lover with the intent to arouse had a scientific name: Lagnolia. There's good reason for all this scientific interest. Over 80% of our sex life takes place in our heads, meaning that fantasy, memory, and desire are some of the most powerful driving forces behind everything we do behind closed doors. Studies have shown that by the time you actually get physical with your partner, your mind has been leading up to the encounter. So why not go for the dirty talk? It's been in the back of your mind all day anyway! According to Aline P. Zoldbrod, PhD, the author of more than a few books on naughtiness, sexy talk with your partner not only revs up play between the sheets, but enriches your life in ways you never would have imagined. It makes your partner feel good to know how excited you are, and your excitement makes them feel like the best lover in the world. That might explain why talking dirty makes you tingle in all the right places, but it doesn't explain why the naughtiest dirty talk can also be the hottest. It's one thing to say "fuck" and get a smile, but it's quite another to tell your partner exactly how you want to fuck them, in the most graphic terms you can imagine. The dirtier the words, the better. What's up with that? One word: Taboo. This book helps you break the taboo and teaches you how to talk dirty to a guy. **INSIDE YOU WILL LEARN:** 1. Sallie Tisdale guides us through her research of peep shows, sex shops, and even the pornography collection of the British Library. Along with descriptions of her personal experiences, she presents a brilliant, fascinating, and wholly original portrait of contemporary sex and sexual identity. Talk Dirty to Me investigates the role of sex in human life: from discussing how gender is now something partly born, partly borrowed, and partly built; to exploring how children are sexualised in fashion, music, and advertising while condemnation of paedophilia reaches fever pitch. "I don't worry much

about sex anymore. It just is, there - sometimes forward, sometimes over in a corner. There's mine, and there's yours, and I don't worry too much about yours. Sex is just being human." - Sallie Tisdale

He makes dirty sound so good. So right. The moment I heard his velvety voice growl that I'm his 'Kitty Kat', I knew I was in trouble. Derrick 'The Love Whisperer' King gives out relationship and sex advice on the radio to everyone, but he's giving me something a bit more personal. Nobody's ever talked to me the way he does. Daring, Demanding, Sexy... and oh, so Dirty. Maybe we started this whole thing a little backward, sex first and getting to know each other after. But I'm starting to let my guard down, my untrusting heart beginning to think that maybe fairy tales do come true. Even for me. I feel beautiful and hopeful when he worships my body. I feel dirty and naughty when he whispers filthy things in my ear. But is it real? Can something so naughty really be good for me? And more importantly, against all odds, can it last... forever? Dirty Talk is a full-length Romance with a happy ever after, no cheating, and no cliffhanger!

Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-

wired differently. Men like to hear, while women like to visualize, and that's completely natural too. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed.
