Ernie Gerber's fantastic Photo-Journals are a serious collector's dream come true, and they're also the best visual reference available on comics! The Photo-Journal Guide to Marvel Comics Volume 3 illustrates the lavish history of Marvel Comics by showing reproductions of each comic book cover in full color! Volume 4 features all Marvel releases, including covers and stories from 1961 - the beginning of Marvel's heyday - through the late '70s (as well as some '80s material), from Amazing Fantasy #15 to Giant Size X-Men #1!

Get under the armour of the Iron Man and find out everything you want to know about this billionaire, genius, super-hero. Discover every thrilling twist and turn in the Iron Man story- Stark's scientific genius, the tragic death of his parents, his secret life as a crime-fighter, his personal struggles and demons, his involvement with the Avengers hero team, his lovers, allies and his enemies, such as Black Widow, Titanium Man and the Mandarin. Packed with incredible comic-book art, a fact-packed timeline detailing key events in Iron Man's life and a comprehensive index - this is what every Iron Man fan has been waiting for.

Struggling to give his wife a normal life, avoid an obsessed army officer, and defeat the imbalance that causes him to turn into the Incredible Hulk, Dr. Banner conducts a risky experiment that is complicated by his wife's pregnancy. Reprint.

An epic story of anger unbound! Exiled by a group of Marvel "heroes" to the savage alien planet of Sakaar, the Hulk raged, bled and conquered through the pages of last year's "Planet Hulk" epic, rising from slave to gladiator to king. Now the Hulk returns to Earth to wreak his terrible vengeance on Iron Man, Reed Richards, Dr. Strange and Black Bolt ? and anyone else who gets in the way. Stronger than ever, accompanied by his monstrous Warbound gladiator allies, and possessed by the fiercest and purest rage imaginable, the Hulk may just tear this stupid planet in half. Collects World War Hulk (2007) #1-5.

For decades, Marvel Comics' superhero group the Avengers have captured the imagination of millions, whether in comics, multi-billion dollar grossing films or video games. Similar to the chronology of the Marvel Cinematic Universe, the Avengers video games first started with titles driven by single characters, like Iron Man, the Hulk, Thor and Captain America. Over time, the games grew to include more and more heroes, culminating in playing experiences that featured the Avengers assembled. This is the first-ever book assessing the video games starring "Earth's Mightiest Heroes." Featured games span consoles and platforms, from popular PlayStation and Xbox titles to an arcade game in danger of being lost to time. All video games are covered in depth, with each entry including game background and a detailed review from the author. Some game entries also include behind-the-scenes knowledge from the developers themselves, providing exclusive details on the Marvel video game universe.

What the first Photo-Journal volumes did for the classic comics of the Golden and Silver Ages, these beautiful hardcovers do for Marvel Comics, reproducing over 7,700 covers from the dawn of the Marvel Age to 1986! Here are the classic runs of fan-favorite and forgotten titles - reproducing each cover in full-color, photographed from the best possible copies of each issue available. Volume 4 picks up where Volume 3 left off, and features runs of such Silver to Modern Age Marvel comics as Ka-Zar, Marvel Team-Up, Power Man, Tales to Astonish, Two-Gun Kid, Uncanny X-Men, and many, many more - all presented in a colorful, informative format; the perfect reference guide for any comic collector or historian!

This work provides an extensive guide for students, fans, and collectors of Marvel Comics. Focusing on Marvel's mainstream comics, the author provides a detailed description of each comic along with a bibliographic citation listing the publication's title, writers/artists, publisher, ISBN (if available), and a plot synopsis. One appendix provides a comprehensive alphabetical index of Marvel and Marvel-related publications to 2005, while two other appendices provide selected lists of Marvel-related game books and unpublished Marvel titles.
