

Hyde And Seek (Hyde Series Book 1)

“ An ingenious revision ” of Robert Louis Stevenson ’ s classic Gothic story told through the eyes of the fiend (The New York Times Book Review). Mr. Hyde is trapped, locked in Dr. Jekyll ’ s house, certain of his inevitable capture. As the dreadful hours pass, he has the chance, finally, to tell his side of the story—one of buried dreams and dark lusts, both liberating and obscured in the gaslit fog of Victorian London ’ s sordid backstreets. Summoned to life by mysterious potions, Hyde knows not when or how long he will have control of “ the body.” When dormant, he watches Dr. Jekyll from a distance, conscious of this other, high-class life but without influence. As the experiment continues, their mutual existence is threatened, not only by the uncertainties of untested science, but also by a mysterious stalker. Hyde is being taunted—possibly framed. Girls have gone missing; a murder has been committed. And someone is always watching from the shadows. In the blur of this shared consciousness, can Hyde ever truly know if these crimes were committed by his hands? Narrated by Hyde, this serpentine tale about the nature of evil, addiction, and the duality of man “ delivers a new look at this enigmatic character and intriguing possible explanations for Jekyll ’ s behavior ” (The Washington Post, Five Best Thrillers of 2014).

“ Hyde brings into the light the various horrors still hidden in the dark heart of Stevenson ’ s classic tale . . . a blazing triumph of the gothic imagination.” —Patrick McGrath, author of Asylum “ Earthy, lurid, and unsparring . . . a worthy companion to its predecessor. It ’ s rich in gloomy, moody atmosphere (Levine ’ s London has a brutal steampunk quality), and its narrator ’ s plight is genuinely poignant.” —The New York Times Book Review, Editors ’ Choice

"It will take the whole night at least," he said, "to implant all my eggs." The colony plant is a death trap. Only the tiniest fraction of humanity survives the gruesome rejection virus.And then the aliens arrive.The Nepenthe, too, seek a new home world, but discover instead a species capable of incubating their precious eggs: humans. The two dying races can either reach an agreement to help each other live on ... or prepare for extinction.Publisher's Note: The We Are Nepenthe series contains tentacles, shapeshifting aliens and squirm-in-your-seat depravity. A one-click read for the seriously adventurous only.

In Trickster Makes This World, Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories—Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others—and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass. Twelve years after its first publication, Trickster Makes This World—authoritative in its scholarship, loose-limbed in its style—has taken its place among the great works of modern cultural criticism. This new edition includes an introduction by Michael Chabon.

Hyde Park, located on Westport's outskirts south of early Kansas City, was the first stop on the long trek down the Santa Fe Trail. Good pasture and a natural cave spring were early attributes. During the real estate boom of the 1880s, the area was platted, but the crash of 1888 intervened, and only a few houses were built. By 1900, with the recovery of the economy and the development of Janssen Place as a private street, the area became the preferred community for Kansas City's wealthy. The architectural style is Queen Anne, Prairie School, Neo-Georgian, Colonial Revival, Kansas City Shirtwaist, and Shingle. These homes glitter with original brass fixtures, lead and stained-glass windows, and oak, mahogany, and walnut interiors. Some of Kansas City's most famous and notorious have lived in Hyde Park, from wealthy businessmen and entertainment stars to serial killers."

Hide and Seek on the Farm

Inked Love: An Enemies to Lovers Romance

Lulu and Jek are science nerds and have been best friends since they were young...at least they used to be. Lately Jek has been pulling away from Lulu, just as she's coming to terms with how she really feels about him.Just as she's ready to see if there could be something more between them. But Lulu's thoughts are derailed by a mysterious new guy who's showing up at local parties. Hyde is the definition of a bad boy, and everybody knows it...but no one can seem to resist his charms. And even though Lulu's heart belongs to Jek, she can't deny Hyde's attraction, either. She also knows that there's something not quite right about Hyde. That the rumors of his backwoods parties make them sound a little more dangerous than what any of her friends are accustomed to. And she doesn't like the fact that Hyde seems to be cozying up to Jek, and that they seem to be intertwined in ways that have Lulu worrying for Jek's safety. If Hyde has a dark secret, Lulu is determined to find out what it is, and to help Jek...before it's too late for both of them.

Examines the concept of gifts in anthropological terms and uses this approach to analyze the situation of creative artists and their gifts to society.

The mayor of Boston needs your help! A museum is opening up a new exhibit on the greatest things in Boston and needs YOU to collect the items. In Hide and Seek Boston, readers explore their favorite city to find objects for the exhibit. From a lobster at Boston Public Market to a bust of John Adams at Faneuil Hall, children will love searching for the items among some of Boston's most popular and iconic sights, including: Massachusetts State House Boston Public Market Museum of Science USS Constitution Public Garden Logan Airport International Airport Franklin Park Zoo

With the Supreme Court likely to reverse Roe v. Wade, the landmark abortion decision, American debate appears fixated on clashing rights. The first comprehensive legal history of a vital period, Abortion and the Law in America illuminates an entirely different and unexpected shift in the terms of debate. Rather than simply championing rights, those on opposing sides battled about the policy costs and benefits of abortion and laws restricting it. This mostly unknown turn deepened polarization in ways many have missed. Never abandoning their constitutional demands, pro-choice and pro-life advocates increasingly disagreed about the basic facts. Drawing on unexplored records and interviews with key participants, Ziegler complicates the view that the Supreme Court is responsible for the escalation of the conflict. A gripping account of social-movement divides and crucial legal strategies, this book delivers a definitive recent history of an issue that transforms American law and politics to this day.

Dr. Jekyll & Mr. Seek

The Study Guide Edition

Deathly

The Day I Killed James

The Strange Case Continues

Abortion and the Law in America

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. The Strange Case of Dr. Jekyll and Mr. Hyde is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

A hilarious, high-stakes quest to redeem a family name! Bonus: there may be gold. Chris Dearing comes from a long line of losers and a history of bad luck that's plagued the Dearing family for generations. His only hope runs through the wild rivers of the forbidding North. What is up there other than moose snot and mosquitos the size of bats, you ask? Gold. More specifically, a gold claim won and then lost by Chris's grandfather, Wally Dearing. Reclaiming the old family gold stake knows it...but no one can seem to resist his charms. And even though Lulu's heart belongs to Jek, she can't deny Hyde's attraction, either. She also knows that there's something not quite right about Hyde. That the rumors of his backwoods parties make them sound a little more dangerous than what any of her friends are accustomed to. And she doesn't like the fact that Hyde seems to be cozying up to Jek, and that they seem to be intertwined in ways that have Lulu worrying for Jek's safety. If Hyde has a dark secret, Lulu is determined to find out what it is, and to help Jek...before it's too late for both of them.

The stakes are high and the hi-jinx even higher in this laugh-out-loud novel from acclaimed author Natalie Hyde! Piper Skye is rock 'n' roll. She's party all night, sleep all day. She's get wild and be free. Or she would be if she had the time. And the energy. And not being so awkward would probably help, too. As the owner of a thriving dessert business, Piper spends her days at school and her nights elbow deep in batter and frosting. She's confident her hard work and sacrifice will pay off as long as she stays focused and sticks to the plan. Jake Hyde is a workaholic with a jaded outlook on life. Surrounding himself with employees he considers his brothers, he long ago made the decision that his custom garage would be his focus. Fate, as it often does, has other ideas. Plus, a killer sense of humor. Thrown together by coincidence, the gruff mechanic and the sweet as sin baker have instant sparks. Suddenly, all of their carefully made plans have taken a giant freakin' left turn. And they do it on the back of a Harley.

"Andrew Hyde spent the last two years on the road traveling to 15 countries with only a backpack of 15 things in his name, this book is a collection of stories as a critique of the world of modern travel. Nobody wishes they worked more on the death bed and those that traveled say it was the highlight of their life. So why don't more people hop on a boat, plane, train to rickshaw and see the world though the lends of another country? Though 'This Book Is About Travel' Hyde lays out why travel is something everyone (even you) should do. Just what do you need to take not just take the trip? Hyde wrote the missing manual for modern movement aimed to show you what it is like to be on the road and just how you can join the over 3,000,000 that are currently on trips. A mix of essays written on the road, practical travel hacks to save you thousands of dollars and countless hours of time and interviews with travelers from around the world doing just what Hyde argues you should be planning on doing: Travel."--Publisher description.

Mischief, Myth and Art

Hide and Seek History: Ancient Egyptians

Empires, Nations, and Families

Planting Confessionally Reformed Churches in the Twenty-first Century

The Strange Case of Dr. Jekyll and Mr. Hyde

Jek/Hyde

To most people living in the West, the Louisiana Purchase made little difference: the United States was just another imperial overlord to be assessed and manipulated. This was not, as Empires, Nations, and Families makes clear, virgin wilderness discovered by virtuous Anglo entrepreneurs. Rather, the United States was a newcomer in a place already complicated by buying empires. This book documents the broad family associations that crossed national and ethnic lines and that, along with the river systems of the trans-Mississippi West, formed the basis for a global trade in furs that had operated for hundreds of years before the land became part of the United States. a Empires, Nations, and Families shows how the world of river and maritime trade effectively shifted political power away from military and diplomatic circles into the hands of local people. Tracing family stories from the Canadian North to the Spanish and Mexican borderlands and from the Pacific Coast to the Missouri and Mississippi rivers, Anne F. Hyde’s narrative moves from the earliest years of the Indian trade to the Mexican War and the gold rush era. Her work reveals how, in the 1850s, immigrants to these newest regions of the United States violently wrested control from Native and other powers, and how conquest and competing demands for land and resources brought about a volatile frontier culture?not at all the peace and prosperity that the new power had promised.

As a response to the unique challenges facing the twenty-first-century American church, church planting has become a popular topic. But at a time when churches that spread the seed of the Word through preaching, the sacraments, and prayer are greatly needed, much of the focus has been on planting churches that adapt pop culture to meet iconsumer demand. i In Planting, Watering, Growing, the authors of this collection of essays weave together theological wisdom, personal experiences, and practical suggestions, guiding readers through the foundations and methods of planting confessional churches that uphold the Word of God.

Seventeen-year-old Theresa tries to get past the guilt she feels over the death of a neighbor who loved her, first through a journal her therapist tells her to keep, then by transforming herself and starting a new life.

From New York Times bestselling author Catherine Ryan Hyde comes a moving novel about two strangers who find that kindness is a powerful antidote to fear. Raymond Jaffe feels like he doesn't belong. Not with his mother's new family. Not as a weekend guest with his father and his father's wife. Not at school, where he's an outcast. After his best friend moves away, Raymond has only two real connections: to the feral cat he's tamed and to a blind ninety-two-year-old woman in his building who's introduced herself with a curious question: Have you seen Luis Velez? Mildred Gutermann, a German Jew who narrowly escaped the Holocaust, has been alone since her caretaker disappeared. She turns to Raymond for help, and as he tries to track Luis down, a deep and unexpected friendship blossoms between the two. Despondent at the loss of Luis, Mildred isolates herself further from a neighborhood devolving into bigotry and fear. Determined not to let her give up, Raymond helps her see that for every terrible act the world delivers, there is a mirror image of deep kindness, and Mildred helps Raymond see that there's hope if you have someone to hold on to.

A raw and exciting duet by authors Brynne Asher and Layla Frost.Two very different sisters. Two very different lives. And two very different romances...The Dillon Sisters: Deathly by Brynne Asher and Damaged by Layla Frost

A sequel to the timeless classic: "Even readers familiar only with the basics of Jekyll and Hyde will enjoy this twisting trek into identity and paranoia" (Booklist). Seven years after the death of Edward Hyde, a stylish gentleman shows up in foggy London claiming to be Dr. Henry Jekyll. Only Mr. Utterson, Jekyll's faithful lawyer and confidant, knows that he must be an impostor—because Jekyll was Hyde. But as the man goes about charming Jekyll's friends and reclaiming the estate, and as the bodies of potential challengers start piling up, Utterson is left fearing for his life . . . and questioning his own sanity. This brilliantly imagined and beautifully written sequel to one of literature's greatest masterpieces perfectly complements, as well as subverts, Robert Louis Stevenson's gothic classic. And where the original was concerned with the duality of man, the sequel deals with the possibility of identity theft of the most audacious kind. Constantly threading on the blurred lines between reality and fantasy, madness and reason, self-serving delusions and brutal truths, Dr. Jekyll & Mr. Seek honors the original Stevenson with a thrilling new conclusion. "Being a huge fan of the original, I was skeptical about this sequel, but it was clever, gripping, and reverent. Recommended." —Ian Rankin, author of the Inspector Rebus novels "Written with verve and humour, this is an entertaining tale which weaves an ingenious web of mystery and suspense. It is guaranteed to keep the reader hooked till the last page." —The Independent, 9 Best Scottish Fiction Books "One feels that master storyteller RLS would have smiled with guarded approval at the direction O'Neill had taken his ideas." —The Herald

When their dog goes missing, Cy and Poppy play hide and seek to distract themselves. Poppy counts to ten and looks for Cy – but she can't find him anywhere. But then there's a rustling from the woods – maybe someone else can help her find him...? A reassuring tale of sibling love by the master Anthony Browne.

A web of danger with the people she loves caught in the middle. When Elayna Miller travels to Brazil to tangle with a major crime organization, she can't imagine what awaits her. As figures from her past converge, Elayna must determine who she can trust, and who's looking to slip a dagger between her ribs?With stakes this high, powerful players want to control the outcome. It's impossible to please everyone, but Elayna doesn't need any more dangerous enemies. Who lives, and who dies?The case spirals out of control when those closest to her are taken hostage. Elayna is desperate to protect her family and keep her team together, but it seems that not all of them will make it out of Brazil?As bullets fly and the body count rises, can Elayna keep her cover...and her life?Set against the shimmering heat of Brazil, Legacy Girl is a violent, fast-paced action-adventure ride, with comic relief and characters you'll love. "Clearly Francis Gilbert is a gifted and charismatic teacher," Philip Pullman, author of 'Northern Lights'.Are you struggling to understand Robert Louis Stevenson's classic novel 'Dr Jekyll and Mr Hyde'? Or are you an English teacher wanting ready-made exercises and guidance to help you teach this difficult text? Do your students need support to understand the language properly and work independently on the book? This brilliant edition of Stevenson's novel may be the answer to your prayers. Written by an experienced teacher and best-selling author, this version is aimed at students who must analyse the text in depth or teachers wanting to deliver outstanding lessons on it. This book contains an annotated complete text, numerous essays on the novel, including detailed accounts of Robert Louis Stevenson's life, relevant contexts and discussion of vital themes and imagery. The complex vocabulary of the book is analysed throughout, and simple explanations of what is happening punctuate each chapter. Furthermore, there are academic explorations of the issues as well as comprehensive question and answer sections at the end of each chapter, including a "fill-in-the-blanks" summary to check understanding. At the end of the guide, there is advice on how to write successful essays and assignments. There are also plenty of pointers to help students develop their own personal responses, including thought-provoking thematic questions, links to the author's YouTube readings and explanations, and creative response tasks.

My Daily Discovery is a resource for young adults in the Christian tradition who want to explore vocational discernment. Utilizing forty daily reflections from the author, reflection prompts with space to journal, and additional commentary from diverse contributors, this resource equips readers to engage questions of calling, purpose, and decision-making. My Daily Discovery is structured to ask important questions, such as: Who is God? Who am I? What does God do? What am I called to do? How do I make decisions? How do I live into the decisions I make? This is a great resource for individual study or as a launchpad for further discussion with a mentor or in a group setting. Although directed at young adults, My Daily Discovery will inspire readers of all ages to refocus, reimagine, and renew their lives as they seek God ' s call and fulfill their purpose.

It's Christmagine in Port Sentinel, the tiny English town where Jess Tennant has been living for more than a year now. Jess wasn't sure how she felt about moving to Port Sentinel when her mom dragged her there right in the middle of high school, but even Jess has to admit the town has completely outdone itself for the holidays. There's a Christmas market complete with a mini ice-rink and fairy lights, and the bare trees stand stark against the sky. But for Gilly Poynter, one of Jess's classmates, the Christmas season is anything but magical. She's disappeared, leaving behind only her diary and a lot of questions. Has she run away from her unhappy home, or has something more sinister happened? And will Jess be able to find her before it's too late? Hide and Seek is another cleverly crafted, charming mystery from acclaimed author Jane Casey. Not all heroes are good guys. With a body count on his soul and blood on his hands, Killian Nox lived in the gray. Ruthlessly single-minded, if he wanted something, it was his. And when it came to the gorgeous lass with a fiery attitude, he didn't just want her. He needed her. With southern-bred manners and a snark all her own, Augusta 'Gus' Allan was a connoisseur of cheap wine, delicious Mexican food, and good TV. Unfortunately, her taste in men wasn't as well-developed. When her knight in shining armor turned out to be a douche in tinfoil, Gus never expected her real hero to be a sexy-accented, tattooed beast of a man. But was exactly who she needed. Gus had no clue how comforting a monster in the dark could be... Until Nox.

Who ' s hiding on the farm? This vividly illustrated, easy-to-lift-the-flap novelty book turns a day at the farm into a fun hide-and-seek adventure! In this engaging novelty book, little readers lift the flaps to find animals hiding all around the farm. Find a chick in the hay, a horse in the barn, and a little duck swimming behind the reeds in the pond! Bright and vibrant illustrations and a simple story featuring fun animal sounds make this the perfect read-along book for little ones.

Trickster Makes This World

A Hyde Crossover Novella

Chasing Windmills

Bet Your Life

*(Until Mayhem) An International Bestseller She was my princess.I was her psycho.Two worlds colliding with a BOOM.There was a sh*tstorm brewing. Whispers. Rumbles. A rot--fueled by greed and protected by corruption—that'd seeped like sewage, eating away at everything it touched. The only people I trusted were my brother by blood, my brothers by patch, and the crazy Irish-Scottish bastard I did jobs for.That was why, when the hot-as-hell blonde started trailing my brothers and me, I had to act.Maybe Ophelia Kline was working with the enemy—playing me with Lies from that damn mouth. Or maybe she was innocent—caught in the spread of toxic rot.Either way, she was mine. And when push came to glock-in-the-face, I wouldn't let her go.Because all good relationships start with a BOOM and a little kidnapping... right?-----This is a Happily Ever Alpha novella featuring crossover from the Hyde Series and Aurora Rose Reynolds' Until Series. It can be read as a standalone, but it's recommended you read Until Nox first since a certain accented someone shows up often.Warning: Not recommended for readers under the age of 18 due to alllllll the good things: Adult language. Adult situations. Biker hotties who work in the gray. And an OTT hero who knows what he wants when he gets hit by the BOOM.*

*(Big Note Vocal Selections). Ten songs from the Wildhorn/Bricusse Broadway smash, arranged for big-note: In His Eyes * It's a Dangerous Game * Lost in the Darkness * A New Life * No One Knows Who I Am * Once Upon a Dream * Someone Like You * Sympathy, Tenderness * Take Me as I Am * * This Is the Moment.*

Toronto good girl Lexi Reynolds, has always followed the rules and put the desires of those she loves above her own. As it turns out... it was all for nothing. Superior motives are a bitch. A new city and a fresh start is just what Lexi needs. What she doesn't need though, is a man. Lexi's determined to find her own path this time, without the help of a man by her side or in her bed.Women are a means to an end for Jean-Marc Dubois. He spends his time on the run from responsibility and commitment, except when it comes to his business. His Montréal tattoo shop is his pride and joy. His art is his release. Nothing else matters. That is of course, until drop dead gorgeous Lexi Reynolds unexpectedly walks into his life.Different lives, different cities, different languages. Having nothing to lose is sometimes a good thing...until it isn't.

Allegra Hyde's debut story collection, Of This New World, offers a menagerie of utopias: real, imagined, and lost. Starting with the Garden of Eden and ending in a Mars colony, the stories wrestle with conflicts of idealism and practicality, communal ambition and individual kink. Stories jump between genres--from historical fiction to science fiction, realism to fabulism--but all ask those fundamental human questions: What do we do when we lose our utopia? What will we do to get it back?

Hide and Seek Boston

Have You Seen Luis Velez?

A First Lift-the-Flap Book

More than just a dimpled smile and chiseled jaw, Theo Amato's quick-thinking and bold confidence made him successful. Heavy responsibilities left time for close friends and family, but nothing more. It wasn't until he looked into a pair of big green eyes that his focus changed. Full lips, a gorgeous face, and an endearing personality had him hooked from the start. There was nothing Dahlia Kincaid enjoyed more than a good book, a funny movie, and a full night's sleep. Long workdays meant she rarely had time for any of them, but the sacrifice was worth it to live in the city. It wasn't until she met a man with model good looks and sexy veined hands that her life changed in ways she'd never even known to dream of. Wickedly sweet, Theo gently and strategically pulled Dahlia from her rut, handing her the world in the process. But shadows play tricks on the eyes, and life wasn't always what it seemed. With them... it was better.

Working In the Resistance, Amly Hyde has specialised in hiding other talents from notice. Now, she has been spotted, and she is hiding in plain sight until she just can't hide anymore. Rescued from a capture event, Amly is swept off her feet and through the floor, leaving Resicor in a way she had never really considered. Alive with her feet on the deck plates had never seemed like an option. She is destined for the Citadel and her companion is going to make sure she arrives safe and sound. Walking Shadow has known his match was on Resicor, and the moment he saw her, he was sure that she was the one. The blue hat was a giveaway, but her strong-minded fixation on survival was a bit of a turn-on. He has time to convince her they are meant to be together but patience has never been one of his virtues.

Jess Tennant has now been living in a tiny town on the English seaside for three months, and is just beginning to relax and think of it as home after the traumatic events of last summer. But in the small hours of Halloween night, a teenage boy is left for dead by the side of the road. Seb Dawson has a serious head injury and may not survive. Jess might not have liked Seb much, but surely he didn't deserve this. The police don't seem to be taking the attack very seriously, but Jess can't just let it go, and she takes matters into her own hands. As she investigates, Jess discovers that Seb was involved in some very dangerous games. A secret predator around girls, he would do whatever it took to abuse them, from lying and blackmail to spiking drinks. Could a group of vengeful victims be behind his attack? Or is there someone else with a grudge against Seb, who will stop at nothing to silence him? Jane Casey returns with another edge-of-your-seat mystery in Bet Your Life.

From the bestselling author of Pay It Forward comes a provocative and unlikely love story that starts on a New York subway car and blossoms under the windmills of the Mojave Desert.Both Sebastian and Maria live in worlds ruled by fear. Sebastian, a lonely seventeen-year-old, is suffocating under his dominant father's control; Maria, a young mother of two, is trying to keep peace at home despite her boyfriend's abuse. When their eyes meet across a subway car one night, these two strangers find a connection that neither can explain or ignore. They dream of a new future and agree to run away together, only to find that each has kept a major secret from the other. In this tremendously moving novel, Catherine Ryan Hyde shows us how two people trapped by life's circumstances can break free and find a place in the world where love is genuine and selfless.
