A Step-by-Step Guide to Ballet

The Making of a Rogue Ballerina

Budding Ballerina

"Don't expect just tulle and toe shoes. In this fascinating insider's tale, NYCB dancer Pazcoquin reveals her world. . . . A striking debut." —People Award-winning New York City Ballet soloist Georgina Pazcoquin, aka the Rogue Ballerina, gives readers a backstage tour of the real world of elite ballet—the gritty, hilarious, sometimes shocking truth you don't see from the orchestra circle. In this love letter to the art of dance and the sport that has been her livelihood, NYCB's first Asian American female soloist Georgina Pazcoquin lays bare her unfiltered story of leaving small-town Pennsylvania for New York City and training amid the unique demands of being a hybrid professional athlete/artist, all before finishing high school. She pitches us into the fascinating, whirling shoes of dancers in one of the most revered ballet companies in the world with an unapologetic sense of humor about the cutthroat, survival-of-the-fittest mentality at NYCB. Some swan dives are literal: even in the ballet, there are plenty of face-plants, backstage fights, late-night parties, and raucous company bonding sessions. Rocked by scandal in the wake of the #MeToo movement, NYCB sits at an inflection point, inching toward progress in a strictly traditional culture, and Pazcoquin doesn't shy away from ballet's dark side. She continues to be one of the few dancers openly speaking up against the sexual harassment, mental abuse, and racism that in the past went unrecognized or was tacitly accepted as par for the course—all of which she has painfully

experienced firsthand. Tying together Pazcoquin's fight for equality in the ballet with her infectious and deeply moving passion for her craft, *Swan Dive* is a page-turning, one-of-a-kind account that guarantees you'll never view a ballerina or a ballet the same way again.

Tilly is back in the limelight! It's Tilly's birthday and she's off to a REAL theatre with her auntie, a REAL ballerina! Of course she will! This is the magical sequel to the bestselling *The Ballet Class*. Contains CD.

From New York Times bestselling and award-winning author and American Ballet Theatre principal dancer Misty Copeland comes an illustrated nonfiction collection celebrating dancers of color who have influenced her on and off the stage. As a young girl living in a motel with her mother and her five siblings, Misty Copeland didn't have a lot of exposure to ballet or prominent dancers. She was sixteen when she saw a black ballerina on a magazine cover for the first time. The experience emboldened Misty and told her that she wasn't alone—and her dream wasn't impossible. In the years since, Misty has only learned more about the trailblazing women who made her own success possible by pushing back against repression and racism with their talent and tenacity. Misty brings these women's stories to a new generation of readers and gives them the recognition they deserve. With an introduction from Misty about the legacy these women have had on dance and on her career itself, this book delves into the lives and careers of women of color who fundamentally changed the landscape of American ballet from the early 20th century to today.

Once there was a little girl who dreamed of dancing. Of skipping over rooftops and pirouetting round the moon.
