

## ***I Can Be A Horse Rider (Barbie) (Step Into Reading)***

A book and model combination examines the internal anatomy, of horses and discusses their life cycle, habitat, physical characteristics, and how these physical characteristics affect their behavior. On board pages.

Caring for a horse isn't always a picnic Erin is thrilled when her parents agree to buy her a horse. She doesn't even mind holding up her end of the agreement—keeping up her grades, mending clothes, and helping out with chores around the house. She'll do anything as long as it means having a horse of her very own. But owning a horse is nothing like Erin imagined. The old mare whom she names Spindriff can be grouchy and ill tempered. And having a horse means lots of extra responsibility—feeding her, grooming her, training her. Luckily, Erin's aunt Lexie knows a thing or two about horses and is willing to show her the ropes. But even Aunt Lexie can't keep Erin out of trouble entirely.

**\*\*55% OFF for Bookstores!! LAST DAYS\*\*\*** The Complete Horse Riding Guide 2021 Your Customers Never Stop to Use this Awesome Book! "It is extremely helpful and fills in a lot of holes - big holes. It is one of the best books that I have read." "It is fabulous!

Even better than you say! The girls and I had beginning riding lessons which were invaluable. But, there are things in this Beginner's Guide that we never learned in our lessons." I can only assume that you are serious about horseback riding and want to start out the right way. You'll hear me throughout this book talk about SAFETY, SAFETY, and SAFETY! You can never be too safe while being around these huge animals! We'll discuss the safety issue in depth at different points in the book. I know you must have lots of questions - that's why have I prepared this book: To help anyone of any age to learn all the basics about horseback riding prior to getting on a horse for the first time. There are many things you need to understand before mounting and riding for the first time. This book will take you item by item through all of these critical concepts to help you understand how a horse thinks, how he's made, his physical characteristics, etc. You will also have to prepare yourself both physically and mentally. Riding horses is like no other sport - you see, if you play golf, tennis, swim, jog, play football or basketball, lift weights.... whatever it is (except for some team interaction) how well you do in that sport is pretty much determined by what YOU can do physically. How much speed, strength, finesse, coordination, etc. you can develop determines how well you'll do. But, when riding, you now have a partner-the horse-who, unlike a tennis racquet or golf club-has a mind of his own. Success depends on you working together as a team. Plus, your physical build and shape will also determine how well your horse can perform. Together you are a team and

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

you can help each other out by being physically fit. Horseback riding also helps you develop specific muscle groups that are not worked regularly in other sports In the horse world, your success is determined by how well you can control, understand and harmonize with a 1,000-pound animal that has superior strength, is faster and has a better-developed nervous system than you. The way you overcome these strengths in a horse is to understand what the horse's limitations are. Understanding the horse's body, what makes him tick and how the horse's brain works is the key to controlling him. If you don't figure this out and understand the horse then you'll constantly be fighting him and your experience will go sour. Riding horses is like no other sport - you see, if you play golf, tennis, swim, jog, play football or basketball, lift weights.... whatever it is (except for some team interaction) how well you do in that sport is pretty much determined by what YOU can do physically. How much speed, strength, finesse, coordination, etc. you can develop determines how well you'll do. But, when riding, you now have a partner-the horse-who, unlike a tennis racquet or golf club-has a mind of his own. Success depends on you working together as a team. Plus, your physical build and shape will also determine how well your horse can perform. Together you are a team and you can help each other out by being physically fit. A gentle introduction to horses will draw both committed horse lovers and those who need a little reassurance before jumping into the saddle. I have a friend named Catherine, and she has a horse named Shannon. "Come and meet her," Catherine says. A little boy isn't sure if he likes horses, but his friend Catherine assures him that her horse will like him. Shannon is very big, but she's beautiful, throwing her head up and looking at him with her dark eyes as if she knows everything there is to know. Catherine patiently teaches the boy how to talk to a horse quietly, how to feed her carrots, how to lead her across a field, even how to blow at her softly to show that he likes her. But is he really ready to climb up on Shannon's back and take a ride? Facts about horses are sprinkled throughout to satisfy inquisitive readers.

book." —Jaimy Gordon, The New York Times Book Review "Charming and deeply interesting . . . Ms. Williams does a marvelous job." —Pat Shipman, The Wall Street Journal The book horse-lovers have been waiting for. Horses have a story to tell, of resilience, sociability, and intelligence, and of partnership with human beings. The Horse, the journalist and equestrienne Wendy Williams brings that story brilliantly to life. Williams chronicles the 56-million-year journey of horses as she visits with experts around the world, exploring what our biological affinities and differences can tell us about the bond between horses and humans, and what our longtime companion might think and feel. Indeed, recent scientific breakthroughs regarding the social and cognitive capacities of the horse and its ability to adapt to changing ecosystems indicate that this animal is a major evolutionary triumph. Williams charts the course that leads to our modern Equus—from the protohorse to the Dutch Warmbloods, Thoroughbreds, and cow ponies of the twenty-first century. She observes magnificent ancient cave art in France and Spain that signals a deep respect and admiration for horses well before they were domesticated; visits the mountains of Wyoming with experts in equine behavior to understand the dynamics of free-roaming mustangs; witnesses the fluid gracefulness of the famous Lipizzans of Vienna; contemplates what life is like for the sure-footed, mustachioed Garrano horses who thrive on the rugged terrain of Galicia; meets a family devoted to

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

rehabilitating abandoned mustangs on their New Hampshire farm; celebrates the Takhi horses of Mongolia; and more. She blends profound scientific insights with remarkable stories to create a unique biography of the horse as a sentient being, a fascinating past and a finely nuanced mind. The Horse is a revealing account of the animal who has been at our side through the ages, befriending us and traveling with us over the mountains and across the plains. Enriched by Williams's own experience with horses, The Horse is a masterful work of narrative nonfiction that pays tribute to this treasure of the natural world.

Describes the relationship between Joe Camp and his horse Cash as he learns how to care and relate to the animal and to horses as a species.

Mean Girls meets Black Beauty in Horse Girl by celebrated author Carrie Seim--a funny and tender middle-grade novel about finding your forever herd. "This book is funny and exciting. Beautifully portrays both the pleasures and risks of riding horses and also of being a teen. Very original, and a great pleasure to read."--Janet Smiley, Pulitzer Prize-winning author Wills is a seventh grader who's head-over-hoof for horses, and beyond excited when she gets the chance to start training at the prestigious Oakwood Riding Academy. But Amara--the Queen of the #HorseGirls--and her posse aren't going to let the certifiably dork-tagious Wills take her way into their club so easily. Between learning the reins of horse riding, deal

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

with her Air Force pilot mom being stationed thousands of miles from home, and keeping it together in front of (gasp!) Horse Boys, Wills learns that becoming a part of the #HorseGirl world isn't easy. But with her rescue horse, Clyde, at her side, sure will be fun. Complete with comedic, original hoof notes to acquaint the less equestrian among us, Horse Girl delivers everything a young readers wants: mean girls, boy problems, and embarrassingly goofy dad jokes. And it does so on the back of a pony.

Welcome to Paradise Ranch, where everyone can get a second chance. Carolina Aguasvivas grew up on Paradise Ranch, which she knows down to every last porch. But things are sure to change when the new owner's daughter, Chelsie Sánchez, sweeps in with an attitude and a feisty Thoroughbred named Velvet. The mare is skittish, headstrong, and hurt -- and Carolina is determined to ride her. Chelsie, who considers herself too good to clean stalls, certainly doesn't seem like a real girl. Caro knows she's the only one who can help Velvet recover, and she's ready to prove it -- no matter what it takes. The girls may discover they have more in common than they think... including a passion for bringing the healing power of horses to every kid.

A skill-building story featuring the popular Mattel character finds Barbie tackling the challenging steps of becoming a champion rider. Simultaneous.

Finally, a comprehensive collection of world-renowned equine expert Linda Tellington-Jones' healing equine bodywork and training exercises, for use both on the ground and in the saddle. In one fabulously illustrated book, those new to Linda's approach are provided with a clear, step-by-step introduction to the Tellington Method, while those familiar with her work finally have the ultimate go-to reference. The book is divided into three parts. Part One briefly explains the background of the Tellington Method and then discusses the reasons for unwanted behavior and poor attitude in horses. Part Two, arranged alphabetically, contains a compendium of 72 common behavioral, training and health issues, many of which horse people face on a daily basis. In this A to Z format, from Aggressive to Other Horses to Weaving, Linda discusses the possible reasons for these behaviors or problems and offers conventional

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

methods of solving these challenges, as well as training solutions using the Tellington Method. Part Three presents—for the first time in one volume—the complete body of work that makes up the Tellington Method: the Tellington Touches, Ground Exercises, and Ridden Work. At the end of this section, there is also a detailed case study, which includes 49 photographs showing every step along the way to successfully teaching your horse to load.

When eighth grader Abby Lovitt looks out at those pure-gold rolling hills, she knows there's no place she'd rather be than her family's ranch—even with all the hard work of tending to nine horses. But some chores are no work at all, like grooming young Jack. At eight months, his rough foal coat has shed out, leaving a smooth, rich silk, like chocolate. As for Black George, such a good horse, it turns out he's a natural jumper. When he and Abby clear four feet easy as pie, heads start to turn at the ring—buyers' heads—and Abby knows Daddy won't turn down a good offer. Then a letter arrives from a private investigator, and suddenly Abby stands to lose not one horse but two. The letter states that Jack's mare may have been sold to the Lovitts as stolen goods. A mystery unfolds, more surprising than Abby could ever expect. Will she lose her beloved Jack to his rightful owners? Pulitzer Prize winner Jane Smiley raises horses of her own, and her affection and expertise shine through in this inviting horse novel for young

**As a technology pioneer at MIT and as the leader of three successful start-ups, Kevin Ashton experienced firsthand the all-consuming challenge of creating something new. Now, in a tour-de-force narrative twenty years in the making, Ashton leads us on a journey through humanity's greatest creations to uncover the surprising truth behind who creates and how they do it. From the crystallographer's laboratory where the secrets of DNA**

were first revealed by a long forgotten woman, to the electromagnetic chamber where the stealth bomber was born on a twenty-five-cent bet, to the Ohio bicycle shop where the Wright brothers set out to “fly a horse,” Ashton showcases the seemingly unremarkable individuals, gradual steps, multiple failures, and countless ordinary and usually uncredited acts that lead to our most astounding breakthroughs. Creators, he shows, apply in particular ways the everyday, ordinary thinking of which we are all capable, taking thousands of small steps and working in an endless loop of problem and solution. He examines why innovators meet resistance and how they overcome it, why most organizations stifle creative people, and how the most creative organizations work. Drawing on examples from art, science, business, and invention, from Mozart to the Muppets, Archimedes to Apple, Kandinsky to a can of Coke, *How to Fly a Horse* is a passionate and immensely rewarding exploration of how “new” comes to be.

*I Can Be a Horse Rider (Barbie)* Random House Books for Young Readers  
Harry keeps a horse in his room. A trusty horse only he can see. But then his parents take him to the country to see "real" horses. Horses that are free to run, kick, and nibble. Now Harry must decide: Does his horse need to be free, too?

**The Book: Stepping Forward to Effective Riding**

Can horses really teach us to be better human beings? In this groundbreaking work, you will discover that the answer is a resounding "Yes". While working with severely disturbed youths, therapists Adele and Deborah McCormick discovered the best healers were their herd of Peruvian Paso horses. Through their work with horses, the McCormicks' patients were initiated into the hidden world of animal energy and instinct, and found a safe and natural way to learn about their own dualistic natures. Patients

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

learned to tap into their primal "animal" mind and energies and apply them toward more creative and responsible living. What took days or months to uncover in an office setting took only minutes when patients were on a horse. You will read case after fascinating case of people discarded by society and the psychiatric community whose lives were turned around by the intuitive guidance and friendship of their equine therapists. What People are saying... "This book got me. It is about personal growth and the cultivation of wisdom, and is one of the wisest contributions I have come across in years...Its implications for healing are utterly profound. Horse Sense and the Human Heart is a breakthrough work." --Larry Dossey, M.D. author Prayer is Good Medicine and Healing Words "Horse Sense and the Human Heart is an eye-opening and heartwarming adventure. In sharing their pioneering therapeutic discoveries, Adele and Deborag McCormick take us on a shamanic interspecies odyssey. They reveal a secret world governed by wise equine masters, available to help heal our psyches, and guide the human spirit on its journey toward wholeness." --David Jay Brown, author, Brainchild and Mavericks of the Mind

In this fascinating best seller, Cherry Hill explores the way horses think and how it affects their behavior. Explaining why certain smells and sounds appeal to your horse's sensibility and what sets off his sudden movements, Hill stresses how recognizing the thought processes behind your horse's actions can help you communicate effectively and develop a trusting relationship based on mutual respect.

A “superb” account of the enduring connection between humans and horses—“Full of the sort of details that get edited out of more traditional histories” (The Economist). Fifty-six million years ago, the earliest equid walked the earth—and beginning with the first-known horse-keepers of the Copper Age, the horse has played an integral part in human history. It has sustained us as a source of food, an industrial and agricultural machine, a comrade in arms, a symbol of wealth, power, and the wild. Combining fascinating anthropological detail and incisive personal anecdote, equestrian expert Susanna Forrest draws from an immense range of archival documents as well as literature and art to illustrate how our evolution has coincided with that of horses. In paintings and poems (such as Byron’s famous “Mazeppa”), in theater and classical music (including works by Liszt and Tchaikovsky), representations of the horse have changed over centuries, portraying the crucial impact that we’ve had on each other. Forrest combines this history with her own experience in the field, and travels the world to offer a comprehensive look at the horse in our lives today: from Mongolia where she observes the endangered takhi, to a show-horse performance at the Palace of Versailles; from a polo club in Beijing to Arlington, Virginia, where veterans with PTSD are rehabilitated through interaction with horses. “For the horse-addicted, a book can get no better than this . . . original, cerebral and from the heart.” –The Times (London)

‘Barney is a street peddler who sells fruits and vegetables while dispensing kindness and horseback rides to the children on his route. Progress brings elevated trains to the

PBS Kids preschool science show the Cat in the Hat Knows a Lot About That! (which is based on The Cat in the Hat's Learning Library) will whinny with glee over this new addition to the series!

In Think Like a Horse, veteran “horse whisperer” and leadership expert Grant Golliher applies his hard-won horse sense to teach invaluable lessons anyone can use to live a fuller, more successful life. Grant Golliher is what some would call a “horse whisperer,” able to get a wild horse to calmly accept a saddle and a rider without the use of force. Through training thousands of horses, many traumatized or abused, Golliher was able to learn essential lessons about communication, boundaries, fairness, trust, and respect—lessons that apply not just to horses but to humans as well. It’s why celebrities, Fortune 500 executives, professional coaches, supreme court justices, and even ordinary families from around the world flock to his Wyoming ranch every year to take part in what one CEO called “the most transformational experience I have ever

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

encountered.” Horse whispering may sound like magic, but as Grant explains in *Think Like a Horse*, it’s not really all that mysterious. The lessons he shares are as fundamental and ageless as the relationship between horses, the people who ride them, and the beauty of the West. In fact, it’s an approach that anyone can learn, and should learn, in order to better understand our common humanity, overcome trauma, foster more fulfilled relationships, and unlock untapped potential in virtually every aspect of our lives. All you have to do is think like a horse.

The *Smallest Horse* tells the story of Trixie, a miniature horse, who worries that she’s not big enough to have an important job on the ranch. She tries her hand at herding cattle, but gets lost in the tall grass. She’s sure she is brave enough to be a trail horse, but the creek is too deep for her to cross. She’d like to be a show horse, but she can’t quite master the fancy footwork. The big horses try and cheer her up by reminding her of good reasons to be small, but it doesn’t help. By the end of the book, Trixie

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

discovers that she does indeed have a very important job to do, and being small helps her do it even better.

Hannah Gale starts volunteering at a horse stable because she needs a place to escape. Her father has returned from the Iraq war as an amputee with posttraumatic stress disorder, and his nightmares rock the household. At the stable, Hannah comes to love Jack, Super Dee, and Indy; helps bring a rescued mare back from the brink; and witnesses the birth of the filly who steals her heart. Hannah learns more than she ever imagined about horse training, abuse, and rescues, as well as her own capacity for hope. Physical therapy with horses could be the answer to her father's prayers, if only she can get him to try.

Ella loves horses. She has pictures of horses on her wall. She eats horse pancakes for breakfast. When Ella asks her parents for a horse, they show her exactly how much work it is to own one. Great for new readers or as a read out loud book! This edition also contains 'A Lesson for Ella'.

“Brooks’ chronological and cross-disciplinary leaps are thrilling.” –The New York Times Book Review “Horse isn’t just an animal story—it’s a moving narrative about race and art.” –TIME

A discarded painting in a junk pile, a skeleton in an attic, and the greatest racehorse in American history: from these strands, a Pulitzer Prize winner braids a sweeping story of spirit, obsession, and injustice across American history Kentucky, 1850. An enslaved groom named Jarret and a bay foal forge a bond of understanding that will carry the horse to record-setting victories across the South. When the nation erupts in civil war, an itinerant young artist who has made his name on paintings of the racehorse takes up arms for the Union. On a perilous night, he reunites with the stallion and his groom, very far from the glamor of any racetrack. New York City, 1954. Martha Jackson, a gallery owner celebrated for taking risks on edgy contemporary

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

painters, becomes obsessed with a nineteenth-century equestrian oil painting of mysterious provenance. Washington, DC, 2019. Jess, a Smithsonian scientist from Australia, and Theo, a Nigerian-American art historian, find themselves unexpectedly connected through their shared interest in the horse—one studying the stallion's bones for clues to his power and endurance, the other uncovering the lost history of the unsung Black horsemen who were critical to his racing success. Based on the remarkable true story of the record-breaking thoroughbred Lexington, *Horse* is a novel of art and science, love and obsession, and our unfinished reckoning with racism.

ONE OF USA TODAY'S "20 SUMMER BOOKS YOU WON'T WANT TO MISS" In the bestselling tradition of works by such authors as Susan Orlean and Mary Roach, a New York Times reporter and Pulitzer Prize finalist explores why so many people—including herself—are obsessed with horses. It may surprise you to learn that there are over seven million horses in America—even more than when they were the only means of transportation—and nearly two million horse owners. Acclaimed journalist and avid equestrian Sarah Maslin Nir is one of them; she began riding horses when

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

she was just two years old and hasn't stopped since. Horse Crazy is a fascinating, funny, and moving love letter to these graceful animals and the people who—like her—are obsessed with them. It is also a coming-of-age story of Nir growing up an outsider within the world's most elite inner circles, and finding her true north in horses. Nir takes readers into the lesser-known corners of the riding world and profiles some of its most captivating figures. We meet Monty Roberts, the California trainer whose prowess earned him the nickname “the man who listens to horses,” and his pet deer; George and Ann Blair, who at their riding academy on a tiny island in Manhattan's Harlem River seek to resurrect the erased legacy of the African American cowboy; and Francesca Kelly, whose love for an Indian nobleman shaped her life's mission: to protect an endangered Indian breed of horse and bring them to America. Woven into these compelling character studies, Nir shares her own moving personal narrative. She details her father's harrowing tale of surviving the Holocaust, and describes an enchanted but deeply lonely upbringing in Manhattan, where horses became her family. She found them even in the middle of

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

the city, in a stable disguised in an old townhouse and in Central Park, when she chased down truants as an auxiliary mounted patrol officer. And she speaks candidly of how horses have helped her overcome heartbreak and loss. Infused with heart and wit, and with each chapter named after a horse Nir has loved, *Horse Crazy* is an unforgettable blend of beautifully written memoir and first-rate reporting.

In a pasture in Kansas one early spring morn A horse quite unlike other horses was born. His coat was coal black so they named the horse "Blackie," And before very long folks found out he was wacky! Meet Blackie, the stubbornly motionless equine hero of Christopher Cerf and Paige Peterson's delightful and touching biography-in-verse, *Blackie, The Horse Who Stood Still*. See, most colts are frisky but Blackie was not. Blackie liked standing still! Yes, he liked it a lot! "What's the hurry?" thought Blackie. "There's so much to see Standing here in the shade of a juniper tree.... This (mostly) true tale tells the heart-warming story of a horse who made standing stock-still a lifelong endeavor—while becoming a champion rodeo horse, a tourist favorite at Yosemite Park, a legendary environmental

## Where To Download I Can Be A Horse Rider (Barbie) (Step Into Reading)

crusader, and the beloved mascot of one of America's most beautiful towns, Tiburon, California, on the shores of San Francisco Bay. The word quickly spread 'bout the new horse in town And from all 'round the county young kids headed down To the pasture where Blackie could always be found Standing still, like a rock, on the same patch of ground. Magically illustrated by Peterson's lyrical paintings, Blackie is destined to become a children's classic in the tradition of Munro Leaf's Ferdinand the Bull and Dr. Seuss's The Lorax, The playful, clever, rhyming text will charm adults and children alike as it delivers an important message about appreciating and preserving the natural beauty around us. "What a beautiful place!" Blackie thought when they got there, "I simply can't wait just to stand in one spot there And watch a gull soar, or a tree gently sway, Or the fog rolling in from the hills 'cross the bay...

Horse Speak: An Equine-Human Translation Guide

*"Barbie has learned all about being a pet vet, a ballerina, a teacher--and now she can be a horse rider, too!"--Publisher.*

*An eye-opening game-changer of a book that sheds new light on how horses learn, think, perceive, and perform, and explains how to work with the horse's brain instead of against it. In this illuminating book, brain scientist and horsewoman Janet Jones describes human and equine brains working together. Using plain language, she explores the differences and similarities between equine and human ways of negotiating the world. Mental abilities—like seeing, learning, fearing, trusting, and focusing—are discussed from both human and horse perspectives. Throughout, true stories of horses and handlers attempting to understand each other—sometimes successfully, sometimes not—help to illustrate the principles. Horsemanship of every kind depends on mutual interaction between equine and human brains. When we understand the function of both, we can learn to communicate with horses on their terms instead of ours. By meeting horses halfway, we achieve many goals. We improve performance. We save valuable training time. We develop much deeper bonds with our horses. We handle them with insight and kindness instead of force or command. We comprehend their misbehavior in ways that allow solutions. We reduce the human mistakes we often make while working with them. Instead of working against the horse's brain, expecting him to function in unnatural and counterproductive ways, this book provides the information needed to ride with the horse's brain. Each principle is applied to real everyday issues in the*

*arena or on the trail, often illustrated with true stories from the author's horse training experience. Horse Brain, Human Brain offers revolutionary ideas that should be considered by anyone who works with horses.*

*"From his first time riding at age ten, William Shatner has felt a deep love for horses. Whether riding them, communicating with them, or simply appreciating their beauty, he has been enthralled by horses ever since he was a child. And for decades, he has sought to bring that joy to others--children, veterans, and those with disabilities, among others--through his annual Hollywood Charity Horse Show. In this book, Shatner speaks from the heart about the ... effect horses have had on his life, and on the lives of others. Drawing not just from his own decades of experience but also from a wealth of classic horse stories, this book captures the unique connection between humans and horses"--*

*Welcome to Paradise Ranch, where everyone can get a second chance. Carolina Aguasvivas grew up on Paradise Ranch, which she knows down to every last pony. But things are sure to change when the new owner's daughter, Chelsie Sánchez, sweeps in with an attitude and a feisty Thoroughbred named Velvet. The mare is skittish, headstrong -- and Carolina is determined to ride her. Chelsie, who considers herself too good to clean stalls, certainly doesn't seem like a real horse girl. Caro knows she's the only one who can help Velvet recover, and she's ready to prove it -- no matter what it takes. The girls may discover they have more in common than they think... including a passion for bringing the healing power of horses to every kid.*

If I Had a Horse is an inspiring picture book with simple text and gorgeous, impressionistic artwork from acclaimed author-illustrator Gianna Marino about a girl imagining what life would be like with a horse.

Raneous, is the young son of the great Palladon, the swiftest and strongest of the Heavenly Host winged horses. Full of youthful idealism, he is eager to begin his training against the Darkland demons. Finally, after many months of flight training, he accompanies an angelic scouting party on a short mission to the miserable realm of the Borderlands. Excitement turns to terror as the dark forces succeed in separating Raneous from the angelic troop. Utterly lost, seemingly abandoned, and unable to fly in the mortal world, Raneous begins his quest to return to the heavenly realm. Through his friendship with a troubled boy, Brian, Raneous learns to fight the demons lurking in the shadows, but also the darkness of the mind. Can he trust the goodness of what he has been taught? Has the High King abandoned him? Why has no one come for him? Join Raneous and Brian as they battle dark forces of evil, learn the true secrets for victory, and step into the power and

freedom of becoming a true servant of the High King. Horse lovers, and warriors of all ages will love to take this coming-of-age journey with the beloved winged colt, Raneous.

Barbie has learned all about being a pet vet, a ballerina, a teacher—and now she can be a horse rider, too! Girls ages 4 to 6 love horses, and they will love reading about Barbie as she learns what it takes to be a riding champion in this Step 1 reader.

Horse Speak is not a training method or technique—it is a practical system for “listening” and “talking” to horses in their language, instead of expecting them to comprehend ours. Horse Speak can be used by anyone who works with horses, whether riding instructor, colt starter, recreational rider, or avid competitor. It promises improved understanding of what a horse is telling you, and provides simple replies you can use to tell him that you “hear” him, you “get it,” and you have ideas you want to share with him, too. The result? Time with your horse will be full of what horse trainer and equine-assisted learning instructor Sharon Wilsie of Wilsie Way Horsemanship calls Conversations, and soon the all-too-common misunderstandings that occur between horse and human will evolve into civil discussions with positive and progressive results! Learn Horse Speak in 12 easy steps; understand equine communication via breath and body language; and discover the Four Gs of
