I was deeply drawn into it and it was like being with Margie again, only through your eyes and words. For these past few hours she “Lived” again. Thank you for that. The raw emotion expressed comes through vividly, about a Son's Love for his Mother bringing her life into meaningful events and wanting her to be remembered as someone many of us Loved. I have often said to others that we go through life never really seeing others and ourselves but for our outer shells/bodies, instead of seeing the real entity that we are; which is the Soul. Margie saw the Soul and therefore was able to love as she did. - Chris Price I can't tell you how much I enjoyed reading about your Mom in Love, Care and Share. It was amazing and the stories just made me sorry I didn't know her myself. She must have had the biggest, kindest heart. Her willingness to give her time and her home and anything else which was needed made her very special indeed. You must miss her terribly. Your writing was lovely and by the end, I felt as though I knew all of you in a way I hadn't before. Thank you for sharing it with me my friend. - Love, Sherry**

The Love They Could Not Share

I Love to Go to Daycare

A Book about Generosity

David L. Rowe asserts that many Mormons view Christian witnessing as Bible bashing. What Christians need to understand, he suggests, is that Latter-day Saints are an entirely separate ethnic group with their own history, values, and customs. Evangelizing Mormons can be so much more effective if Christians first know, understand, and respect Mormon heritage. With helpful illustrations and discussions of Mormon values and theology, Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture. A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences. In the end, Christians will be more approachable representatives of Christ.

The book is about the story of two women who, after they were killed, their souls won't leave the Mother Earth until their sentimental wishes were accomplished. The spirit of Mary Scarlet Scarborough, a loving mother who was accidentally killed in a robbery, witnessed the anguish of her only loving son, David, who promised to crush the head of her killer when they meet. She would stay and guide David until the day he would meet her killer. During the Second World War, David surrendered to the Imperial Japanese Army during the fall of Bataan and became a part of the death march, but he escaped and became a member of the guerrilla unit that formed the Silent Killers. In their journey on top of the Sierra Madre Mountain Range, he would meet Rosemarie Borromeo, who would fall in love with him but would be killed by a Japanese soldier during a rescue operation to free her father, Commander Borromeo. The spirit of Rosemarie won't leave the Mother Earth until David finds the woman he would love and marry.

Twice in the story, the spirit of Mary Scarlet would save the life of David. Rosemarie also saved the life of David a couple of times during and after the Second World War.. After their divine intentions were accomplished, the spirits of Mary Scarlet and Rosemarie left the Mother Earth happy, smiling, and contented with the love they could not share.

Written by Mars M. Avelino, author of "The Path to Success" and "Success: The Road to Happiness or Downfall."

In this haunting, richly woven novel of modern life in Japan, the author of the acclaimed debut One for Sorrow explores the ties that bind humanity across the deepest divides. Here is a Murakamiesque jewel box of intertwined narratives in which the lives of several strangers are gently linked through love, loss, and fate. On a train filled with quietly sleeping passengers, a young man's life is forever altered when he is miraculously seen by a blind man. In a quiet town an American teacher who has lost her Japanese lover to death begins to lose her own self. On a remote road amid fallow rice fields, four young friends carefully take their own lives—and in that moment they become almost as one. In a small village a disaffected American teenager stranded in a strange land discovers compassion after an encounter with an enigmatic red fox, and in Tokyo a girl named Love learns the deepest lessons about its true meaning from a coma patient lost in dreams of an affair gone wrong. From the neon colors of Tokyo, with its game centers and karaoke bars, to the bamboo groves and hidden shrines of the countryside, these souls and others mingle, revealing a profound tale of connection—uncovering the love we share without knowing. Exquisitely perceptive and deeply affecting, Barzak's artful storytelling deftly illuminates the inner lives of those attempting to find—or lose—themselves in an often incomprehensible world.

Love, Care and Share

Cookie Monster is a friend to all on Sesame Street, and kids will love learning how to share toys, help others, and be a good friend from this funny, furry monster.

From the esteemed food editor and author Judith Jones, a charming, practical guide to sharing the pleasures of home cooking with your dog. Doesn't man's best friend deserve a little more than cardboard-dry kibble day in and day out? Judith Jones thinks so, and in this delightful new cookbook she offers up more than fifty home-cooked recipes, both time efficient and finance friendly—among them Salmon Cakes, Wild Mushroom Risotto, and Shepherd's Pie—that she's loved and shared with her own canines. Jones explains the nutritional benefits of substituting, or supplementing, store-bought food with a diet of fresh, home-prepared ingredients. She offers helpful extras like advice on portion size, what to do with scraps, and the latest research on controversial ingredients such as garlic (newly vindicated), ginger (use sparingly), and eggplant (an acquired taste, but scrape out the seeds). Though many of the recipes are simple to prepare, using basic techniques and ingredients home cooks are likely to have on hand, Jones never compromises flavor or variety; when a full recipe—her mouth-watering Moussaka, for instance—is too complex for a dog's palate or digestive health, Jones gives detailed instructions on how to modify your pet's share. Jones balances her recipes, tips, and techniques with endearing accounts of life with her own dogs, including her very first, a Scottish terrier; a poodle who charmed a French chef into serving up a haute-cuisine feast gratis; and her current Havanese pup, Mabon, who occasionally contributes his own two cents within these pages. She also includes the thoughts of some of her canine- and food-loving friends, Jacques Pépin and M. F. K. Fisher among them. With Love Me, Feed Me to guide you, planning what to put in your dog's bowl becomes a natural part of deciding what to put on your own table, and your dog will savor mealtimes all the more because of it. Filled with the practical wisdom and verve of a master home cook and lifetime dog lover, Love Me, Feed Me can only lead to a happier, healthier dog.

This little book is a brief summary of the author's more prevalent spiritual beliefs and understandings. The views shared are presented as quite generous comparisons to some spiritual views of the major religions of the world, actually, and within the spirit of true tolerance. Though the author is passionate and often affirmative in his own beliefs, he makes every effort to steer clear of rigid dogma. In fact, the book was written largely as an offering of reason, the best way to counter the religious dogma already present in the world. The author does not wish to open more doors for arguing and fighting; rather, he thinks there is much common ground where spiritual views can be jointly shared by all in unity and universal Oneness. Though the author recognizes that humankind often displays great difficulty in reaching common ground for its greatest passions, the author also hopes this book will open dialog toward that end.

"Sharing Love" is a romantic, funny, dramatic, playful novel about true love between lovers and friends and a triangle that ensues when two friends meet the same beautiful woman. What happens? Can their friendship survive? Can the love affairs between the woman and either man persevere? Find out in "Sharing Love"...
