The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

THE INSTANT #1 NEW YORK TIMES BESTSELLER "Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play." –San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of *Crash Course*, *Vlogbrothers*, and *SciShow*—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

In the tradition of Bridget Jones's Diary, a lovably flawed high school student chronicles her life as she navigates the highs and lows of family, friendship, school, and love in a diary that sparkles with humor and warmth. I'm Chloe Snow, and my life is kiiiind of a disaster. 1. I'm a kissing virgin (so so so embarrassing). 2. My best friend, Hannah, is driving me insane. 3. I think I'm in love with Mac Brody, senior football star, whose girlfriend is so beautiful she doesn't even need eyeliner. 4. My dad won't stop asking me if I'm okay. 5. Oh, and my mom moved to Mexico to work on her novel. But it's fine—she'll be back soon. She said so. Mom says the only thing sadder than remembering is forgetting, so I'm going to write down everything that happens to me in this diary. That way, even when I'm ninety, I'll remember how awkward and horrible and exciting it is to be in high school.

Hey! I'm John Sullivan, a recent high school graduate who collected his thoughts and dreams and hopes and fears and all kinds of other stuff in a year-long diary through his senior year. When I finished on graduation day, I realized I had quite a collection, as a matter of fact, I had more than 400 pages! So I thought about it and realized that it had a beginning, a middle, and an end, so therefore it told a complete story, which I think might be a book if I remember my sophomore literature class correctly. I am NOT saying it is literature (ha-ha), but I do think it is a book. That is where you come in. I don't think it is much of a book if I'm the only one who reads it. It is just a diary then, that will remain on the floppy disk in my computer desk in my bedroom. Instead, you could read it. And tell me what you think. And then I will know if I should have left it in that computer desk. Or not. If you do read it, you'll find that I didn't leave anything out, even the stuff that might embarrass me. I could even still get into some trouble about some of it, but I think I'm ok because I don't think my parents will want to read it because they were there for almost all of it, so it would be a rerun for them. I don't think reruns are bad, but they already lived through this once, so they probably don't want to get all upset all over again. So, go ahead and click away. It was an adventure for me – come on along for the ride! John Sullivan is right. This is quite an undertaking for a senior in high school. But that is what it is – a diary, a coming of age novel, a satire, and, incredibly, a love story. It is a unique look at one of the most important developmental periods in a person's life.

A Vietnam Era Trilogy

"I believe that every man has the potential to pull himself from the mud of which he was created up to the highest point of stardom, to overcome the greatest of indignities, whatever may be served to him, and demonstrate the greatest of inspirational abilities, making mankind far better for his appearance on this earth, if he chooses, as brief as it may be. I believe that every man is sacred, and when he realizes his individual worth, he cannot help but strive for perfection, and though he cannot find it in his own strength, will realize that the God who made him loves him and will give him the strength he needs to overcome all tribulation and failure, that we were made to be happy and excited about our existence, and that we should live and learn to love life and embrace all it has to offer passionately, eliminating the bad and enhancing the good, for ourselves and our fellow man. It is our God-given responsibility to take this gift of life and the earth upon which we were given to live to learn to love God and our fellow man, and that our journey is solely our own, and affects all of us for the worse or the better according to the choices we make guided by our character. And whether we like it or not, all of our chosen activities affect each other, and should lift up our fellow man as sacred and special as we lift ourselves up individually, and to never forget that we are not here alone, that God is watching every step we take and every action in our lives, and we are held in judgment for how we treat ourselves, our fellow man, and our relationship with our Heavenly Father." Shakespeare's plays have been adapted or rewritten in various ways since the 17th century. This anthology brings together 13 theatrical adaptations of Shakespeare's work from around the world and across the centuries.

However, as a kid in the mid '80s, he fled a frightening home life and wound up living for years on the streets of Medellin, Colombia. It was a dicey existence, in which the streets were the earth, where international drug lords like Pablo Escobar ruled, where you could be shot for looking at the wrong guy the wrong way. Dreaming of Hope Street is the story of how he went from living in the streets to become a successful entrepreneur. The book is in the classic Coming-of-Age tradition, and proves that, though life can be ugly and brutal, even the most unlikely can find their way. Hope Street.
