You may think that every Master has a huge house filled with either gothic décor or fluffy white couches, and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys, and bondage gear. Fortunately, you don't have to pay a hundred dollars for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun. Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime, or just an incredible bondage experience can be found right in your own home. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity. "Dom's Guide to Submissive Training Vol. 3" gives you 31 common objects you already own or can purchase for minimal cost and keep right out in the open that will enhance your BDSM relationship and provide you and your sub hours of pleasure. Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun - discretion. Not every person can be seen walking down the street or through an airport with a leather whip in his hand or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles, or vanilla spouses. Common objects make it easier to engage in important rituals without detection.

Ci sono luoghi di cui si parla a bassa voce, col sorriso tirato e gli occhi bassi. Case cristallizzate in un tempo indefinibile che puzzano di cose vecchie e che, anche quando sono invase dalla luce del giorno, sembrano buie. Ogni città ha qualcuno di questi luoghi, dove tu, anche se ai fantasmi non credi, di notte non ci andresti mai. Storie di fantasmi italiani racconta dieci di quei posti, tutti in Italia, reali, con tanto di indirizzo e una storia oscura che aspetta qualcuno – coraggioso o pazzo – capace di ascoltarla. Racconti di: Euro Carello (TO), Dario Coriale (BO), Silvia Monteverdi (RG), Raffaella Migliaccio (CE), Maria De Fanis (UD), Elena Bibolotti (BZ), Luca Dore (SS), Michele Carenini (LU), Diletta Crudeli (LU), Simona De Marchis (RM).

It's human nature to be curious about sex, and the curiosity doesn't stop even if you're having it multiple times a day, seven days a week, etc. Like all things, no one wants to get into a rut, and incorporating new techniques and tricks is part of what keeps sex so refreshing and intimate. Sure, sex has been around forever, and the never-ending curiosity gap around it is part of what makes it such a dynamic part of our lives. It's also only logical that we humans would be constantly thinking and wondering about it. Are we all doing it? If so, how often? Are we doing it correctly? What else is there to try? Is everyone having one kind of sex that I'm not? The good news is, as long as it's consensual, safe, and healthy, you're good. Part of the beauty of sex is that it's so subjective. Just because one person loves BDSM-style sex, doesn't mean other people can't enjoy vanilla sex. You can always evolve your sexual tastes and proclivities, and that's kinda what makes it great. Experimentation is part of being a sexual being. To help you make sure your bedroom action is as pleasurable as possible. here is a complete sex guide book for you to get started

Do you feel that your relationship has lost a certain interest, for you or your partner ... or both? Is there a power imbalance in your relationship that makes you both feel 'out of kilter'? Do you long for the erotic and sexual excitement that your relationship once had? Are you a little confused as to just what BDSM is? Or are you just looking for something entirely NEW in your love life?

Whatever your situation, BDSM is a culture which can entirely rejuvenate an existing relationship or establish a new one, setting up power balances that leave both partners with the secure feeling that they mesh more completely than ever before - complementing, not clashing! Melinda Holmes, a renowned author of erotic fiction and non-fiction, has written a follow up to her bestseller 50 Shades of Better Sex, especially for women and relationship partners who would like to learn more about the advantages of putting the power practices of BDSM in their love life - and not a whip or chain in sight! Put away those popular misconceptions about BDSM, and learn how an equitable partnership uses BDSM to honor both partners, and cement more firmly the cornerstones of your love relationship in Beginner's Guide to BDSM and Kinky Sex for Women. In Beginner's Guide to BDSM and Kinky Sex for Women, the guide to a stronger, more loving relationship, you'll: Learn what the three cornerstones of a loving relationship are - and how to make them stronger than ever. Find out what BDSM is, your place in it, and why it may be nothing like what is pictured in popular culture - unless YOU want it to be. Discover why you may unconsciously desire to be submissive, and the pleasures in that role. Become aware of dominance over a submissive as an awesome responsibility, and a hallmark of love and respect. See favorite games in BDSM play that cost little and feel SO good! Learn precautions for beginners - what you DON'T know CAN hurt you!

Do you want to stay in the same vanilla sex routine forever? Or are you ready to bring more pleasure and excitement to your sex life starting today? What do you think when you hear "BDSM?" I'll tell you what most people think. Most people think whips, chains, pain, and crying. They think only "evil" or "mentally ill" people enjoy these types of things. They think of the most corrupt things they can because of the way that mainstream media misrepresents BDSM. BDSM has become more popular than ever in recent years. Only a few decades ago only 10-15% of surveyed people reported engaging in BDSM. Since then that number has increased by nearly 90%. Even though BDSM is gaining popularity many people still feel wrong for having BDSM related fantasies. I'm here to tell you there is absolutely no reason to feel guilty. BDSM is much broader than it seems and when done correctly, is completely safe and healthy. If given the chance, BDSM can be the most sincere display of love and affection between you and your partner. Whether you are somewhat familiar with BDSM or not familiar at all, don't miss out on what could be a life-changing experience because of misconceptions and miseducation. Vanilla to Kinky will help you discover: What aspects of BDSM are best for you How to partake in BDSM the right way How to find your role How to create amazingly intense scenes How to find the dynamic you love the most How toys can enhance your BDSM experience The keys to being a good Dominant The keys to being a good submissive Helpful tips to get you started on your journey BDSM is for anybody. It does not discriminate against any ages, genders, or body type. Yes, even an average joe like you can partake in safe and healthy BDSM. BDSM is a journey that can be truly rewarding every time but will take effort, patience, and self-examination. If you want to begin your journey then this is where you start.

This book helps you discover which kinky countries you want to visit, gives you tips and techniques on the language of BDSM, and helps you navigate the customs and rituals of the kink community. With sections on discovering your pleasures; talking about kink with your partner, your family, or your doctor; staying physically and mentally safe; putting your kinky dreams into practice; and dealing with difficult situations, As Kinky as You Wanna Be is your guide and confidant. The book features informative interviews with BDSM experts such as Jay Wiseman and Lee Harrington, and it is sprinkled with stories from top erotica authors like Janine Ashbless and Rachel Kramer Bussel. Whether your first kinky experience or thousandth, As Kinky as You Wanna Be guides you – safely and smartly.

Let us introduce you in the world of BDSM What You Need To Know Before You Start To Play If you're looking for a BDSM guide, then you quite probably already have at least some idea of what BDSM is all about. That said, few people know exactly what the acronym means, or just how widely it can be applied. For that reason, before we delve into the ins, outs, hows, whats and whys of BDSM play, we're first going to take a moment to understand exactly what it means. BDSM is, in fact, a compound acronym. It stands for: Bondage Discipline AND Domination Sadism AND Submission Masochism In short, it revolves around relationships in which one person has control over the other (or where both partners take turns to be in control) and may involve the use of bondage, pain, humiliation and exotic sexual activities to make sex more exciting. For most people, this means experimenting with bondage, pain, power play and other activities in the bedroom... and perhaps even venturing to a BDSM club or play party if they feel brave enough. Of course, the actual meaning of BDSM is different for different people. Some couples are into heavy, protocol-based play, which they enact even outside of the bedroom. Some couples just like to enjoy a little light spanking and some fun with rope. Some couples like to play in public at dungeons and play parties, while some prefer to keep it a private affair. Some people like to have more than one partner, while others choose to remain monogamous. Although BDSM in its strictest sense is mainly about control, dominance, submission and pain, you'll probably find that as you explore you'll come across a huge range of different sexualities, preferences and types of relationship. It's up to you, in the end, to decide what BDSM means for you. Think of this guide as a starting point for your exploration of this exciting and vibrant world. In the book we'll take a look at some important safety tips which will allow you to play safely and sensibly. We'll show you how you can get your hands on some useful BDSM equipment to experiment with without breaking the bank, as well as what to do once you're ready to take the plunge and acquire some serious kit. We'll also look over some tips on bondage and roleplay to get you started. This guide can be applied to a range of relationships... so if you think you might be interested in something a little different from a standard dominant / submissive situation, do please read on. You'll still find the tips here useful and relevant. Done right, BDSM and kink can be life-enhancing, pleasurable and mind-expanding activities. If you're curious... if you want to explore... if you're ready to take your relationship to another level... or if you've always had a secret yearning that you've never quite fully realized... read on. This guide is for you.

I am a self taught female slave. I was trained by two talented dominants and one asshole. I have become well versed in all areas of domestic and sexual servitude. This girl thrives on being an obedient and cherished sex slave for Dominant men. I love to serve and please in anyway commanded. My body is firm, my stamina is high and I'm well trained in the art of love. This girl has the heart of a 1950's submissive housewife. Something as simple as making sure her Dom's dinner is always hot and ready is as rewarding as using special parts of my body to skillfully keep him satisfied.

Kneeling before my Dom and rubbing his feet as we watch TV is every bit as important as letting my owner's sadistic nature run free. This girl is heteroflexible, rather than bisexual but I accept that my Dom has the right to share me from time to time. This girl's has also learned that she must have discipline and would never respect anybody but a strong, strict Master. My Master has sentenced me to Bed Arrest many times and I recommend it for use on any submissive in need of discipline. Here is what a Dom has to say about it... So your lover is in need of discipline! You know that when you don't spend enough time with her she gets so horny and mischievous. Now she needs to be punished! In this book bed arrest is described and discussed by the author who has many years of experience doing it. Suggestions are made regarding how to most optimally carry out bed arrest on a sub/slave. Of course you can adapt what's in this book to fit your particular desires, needs and time schedule. Perhaps your lovely lady has not been reacting well enough to your usual punishments. Perhaps spanking her used to work well as a punishment but now she gets so turned on by it that if anything she'll misbehave to get a good spanking. Finding a new punishment thus has become a necessity. Included also are two free bonus books (making this book a \$20.85 value!) Your books are presented in this order: 1) Entertaining Kinky Personal Ads 2) Bed Arrest, the Punishment for BDSM Enthusiasts 3) Spanking Romance Publisher's Note: This book contains explicit sexual content and BDSM. All characters are of legal age. Hello everybody! Your opinion is very important! If you like this book please make sure to leave a review. Thank you!

Jolynn Raymond has written a book that shares the details of her own long lasting domestic discipline marriage and her experience surrounding power exchange relationships. It explains why these unconventional relationships work so well for so many couples. The book is an in-depth tutorial that takes the relationship past the simple act of discipline, to building a rock solid foundation that will ultimately create a deep bond of trust and love between those involved. Taken In Hand will guide those interested in adding consensual domestic discipline, dominance and submission, and structure to their own relationship through the initial steps of communication, understanding and discovering both partner's needs, creating mutual and realistic expectations, rules, and consequences, to the inevitable first spanking. Taken In Hand will prove useful to those just starting out, as well as to those with some experience, as Ms. Raymond outlines the pitfalls, difficulties, and successes she has encountered in her own marriage. She also emphasizes the importance of consent, and pays special attention to the fine line between discipline and abuse. The last part of the book examines the styles and types of spanking, gives an anal sex tutorial, talks about the responsibilities of being a dominant and gives tips for the submissive partner. Whether you need insight into BDSM as it relates to relationships or are trying to build a domestic discipline marriage from scratch, Taken In Hand will prove to be a comprehensive and practical guide.

Where Do I Fit? My BDSM Workbook and Guide

You have been drawn to the world of BDSM, but searching for one book to give you an overview of both Dominance and Submission. This book provides you with descriptions of all roles, different BDSM relationships, commonly used terms, guidelines for roles and responsibilities, and much more. After reading this book, you should have a well rounded foundation to start your journey further into the ever changing world that is known as BDSM.

What does it really mean to be a submissive, or sub? Much of what we see in BDSM practice, especially in the mainstream, focuses on how to become dominant and act like the ideal Dom or Master, or "Top." However, a lot of newcomers are confused as to how this works. They vaguely understand that the submissive or sub or slave is supposed to obey. But they don't understand the emotional dynamics, or how to act like the ideal sub, or even how to enjoy the experience. That's what this book is going to teach you: How to be a better sub, and have a happy & healthy BDSM lifestyle. Here are just some of the things you will discover in volume 1 of "Submissive's Guide To BDSM": - Why you want to experience punishment... - The science of pain & pleasure... - Type of Doms to beware of... - How to pick the right Dom just for you... - How to protect yourself from wannabe Doms and predators... - The right way to explore taboo fantasies in BDSM... - Type of limits and when & how to use them... - How to communicate with your Dom... - Common mistakes new subs make... - How to "train" your Master... - How to "fire" your Dom if it's not working out... - And much more...

"The other day my girlfriend pushed me down and looked me in the eye. 'I'm going to make you cry,' she said. She began to hit me in earnest, and made me count the blows." Why would we ever want someone we love to hurt us? Why would we ever want to hurt someone we love? And why do some of us crave it? "Later, as I sobbed and she held me, I felt the therapy of that release: the effect of dealing with PTSD and trauma with pain that I can end any time by saying my safe word. Pain that comes from someone who I know is doing it for both of our pleasure, and not out of a desire to actually hurt me." Julie brown, a queer trans woman, shared this anecdote with me after responding to my call for personal stories about BDSM. Over the past week, I've conducted interviews with a dozen members of the BDSM and kink community, ranging across identities, age, gender, and location. By now, the general mechanics of BDSM are familiar to anyone who's had even a passing encounter with Fifty Shades of Grey-the whips, crops, and handcuffs all recognizable accoutrement of kinky sex-but I was interested in exploring the personal, psychological side. BDSM is an acronym with several constituent parts: bondage and discipline, dominance/submission, sadism and masochism. Collectively, these behaviors might be referred to as aspects of kink, a term which covers the broad expanse of non-normative sexuality. It includes BDSM; it can also encompass things like watersports and various fetishes, like latex or balloons. I use "we" when referring to this community because I find myself a member of it, though, like any imagined community, membership is as much self-designated as it is given. I'm interested in BDSM. In particular, I like submission. I've explored rope bondage, been to play parties, and incorporated it into many of my romantic and sexual relationships. For Julie, the appeal lies in how it allows her to access pain while being in full control of that pain-she can end it at any time with her safe word. BDSM allows her to process complex, traumatic experiences in a way that's safe and consensual. Her story resonated with my own experiences with BDSM, too: trusting a beloved partner to give me what I need, while knowing that I'm in full control of the situation, is exhilarating. Is that feeling universal? If you've ever fantasized about getting kinky in the bedroom, you're not alone. The runaway success of E. L. James's novel Fifty Shades of Grey - more than 100 million copies sold - not to mention the sales of other books in the series and the movies it's generated, prove that interest in BDSM - bondage and discipline, dominance and submission, and sadism and masochism - is anything but rare. "It's very out in the culture right now, but it's not fully out of the shadows yet," says Gentile. "People are still embarrassed to talk about sex. What they discover when they dive a little deeper into it is that in BDSM you actually get to talk about what you like, what you're curious about, and what is a definite 'No.' It's clear, overt, and collaborative and that can feel delightful. And if you like it, if you have control over what happens, it's all good fun." Wait! Why waste your time with my long talk, when you can dive in rightaway? **CLICK THE BUY BUTTON NOW!! The Three Day Spanking Party: 18 Girls and 270 Spankings - Special Edition - 5 Books in One

BDSM Basics for Beginners - A Guide for Dominants and Submissives Starting to Explore the Lifestyle

The author, Marguerite de Lyon, of A Beginner's Guide to BDSM, takes the reader through a guided explanation of the world of BDSM, commonly known as Bondage & Discipline, Dominance & Submission, Sadism & Masochism. This is a combined steamy novel and exploratory guide, so each explanatory section is accompanied by a fun, sexy story, where the author shares her own erotic memoirs to highlight her various learnings. As the author realizes something was missing from an otherwise fulfilling sex-life, she explores the notion, introducing the idea of BDSM to her husband, Phillip. Even though Phillip is comfortable with watching porn, he realizes this subject is an area he had considered off-limits with his wife. After several conversations, husband and wife start to explore their sexuality further, realizing BDSM is something which increases their intimacy and love for each other. The book includes subjects such as pain, bondage, limits, safety and other tools/toys to introduce into a BDSM session; interspersed with revealingly naughty stories and pictures to entice the reader into a different world of sex and bringing a completely different dimension to erotica. A must-read for readers of all levels of interest and experience of BDSM and erotica in general and when combined with sexy stories, this book will certainly raise the temperature!

My husband got me involved in the life of slavery and we were happy until my submissive needs got to be too much for him. I started seeing other people but he couldn't handle it and divorced me. I need someone who doesn't worry about my happiness or comfort and knows how to use and punish a slave. I need someone who will turn me into his property and take me at will. I am a sweet slave that craves service. I love the look on my Dom's face when he is happy. I like being called a good girl and know he means it. I love sitting at his feet with my head in his lap and knowing there is no other place I would rather be. But now let's talk about my first major spanking party. This very memorable and extreme spanking party occurred in 2006. For three days and nights, the sound of pretty ladies getting spanked OTK and strapped to spanking apparatuses, was the norm. Informal reports put the number of substantial spankings at the three day event to be around 300. Us girls left with very raw butts, a great memory and many thousands of dollars for our trouble. These exclusive spanking and sex parties occur several times a year in many countries. I go to as many as I can. Read in detail all about the spankings and sex at this exclusive multiple day spanking party. Also included are an additional four free high quality books (making this book a \$34.75 value!) Your books are presented in this order: 1) Spanking Dictionary (Adult Erotica) 2) 14 Male-Female Anal Sex Stories 3) Bare Bottom Spanking: The Las Vegas Spanking Adventure 4) The Absolutely Essential Guide to Erotic Breast Massage 5) The Three Day Spanking Party: 18 Girls & 270 Spankings Publisher's Note: This book contains explicit sexual content and BDSM.
