

Ikanos La Gazza: La Corona Spezzata (Nuove Fantasie)

Who were the Galileans? What was their background? Were they descendants of ancient northern Israelites? When had they come under Jerusalem rule? What precipitated resistance movements in the area?

'One of the most entertaining and profound philosophical novels ever written' Washington Post On a cold night in Holland two men meet and change each other's lives forever. Max Delius - a hedonistic, yet brilliant astronomer who loves fast cars, nice clothes and beautiful women - picks up Onno Quist, a cerebral chaotic philologist who cannot bear the ordinariness of everyday life. Despite their differences, they fast become great friends. And when they learn they were conceived on the same day, it is clear that their meeting is no coincidence. As the pair fall into and out of love with the same woman - Ada - so their lives become further intertwined. For all three are on a mysterious journey destined to shape human history. The Discovery of Heaven is internationally recognized as a masterpiece. Rich in philosophical, psychological, historical and theological enquiry it is an extravagant, bold and satisfying novel of ideas. 'Sparkling, irresistible . . . you'll learn a lot from this novel' The Times 'Anyone who reads The Discovery of Heaven will come away enlightened, challenged and entertained' Wall Street Journal 'Written carefully and ingeniously by a novelist who is also a poet' John Updike, New Yorker

In June 2000, five internationally renowned biblical scholars and one equally well known systematic theologian traveled to Israel with 60 non-academic pilgrims to share their insights on the Jesus of history and the meaning of the "historians' Jesus" for Christian faith. The result is a book that provides a succinct summary of what is currently known about Jesus and his times-his setting in Galilee, his relationship to the Qumran community, his sense of mission as an eschatological prophet and miracle worker, and, finally, the mechanics of how the memories of Jesus's words and deeds circulated among his followers and were passed on in performance to be enshrined eventually in the written Synoptic tradition. The book concludes with reflections by Elizabeth Johnson on the relevance of such scholarship for contemporary Christian faith. Rather than a challenge to faith, she sees it as a gift.

Developing Asia has suffered as the COVID-19 pandemic persists.

Growth, trade, and tourism collapsed in 2020, leading to the region's first economic contraction in nearly 6 decades. Governments across Asia acted quickly to contain the virus and its economic effects, and

signs of bottoming out have now appeared. Inflation remains benign, constrained by depressed demand and declining food prices. A prolonged pandemic is the primary downside risk to the outlook. Persistent or renewed outbreaks and a return to stringent containment could possibly derail the recovery and trigger financial turmoil. Recovery depends on measures to address the health crisis and on continued policy support. The pandemic has highlighted the importance of wellness, both physical and mental. Wellness—the pursuit of holistic health and well-being—is a component of the UN’s Sustainable Development Goals. This report evaluates the state of wellness in Asia, documents how the wellness economy is a large and growing part of the region’s economy, and discusses how policy makers can promote wellness by creating healthy living environments, encouraging physical activity and healthy diets, and enhancing workplace wellness.

A brilliant portrait of Jewish culture in the first century rediscovers the common people in the time of Jesus, and contains a fresh evaluation of Jesus' relation to this complex society. This video covers a variety of subjects ranging from melodic warm-up exercises to Greg's most treasured and favorite licks. Includes: alternate picking, 3-octave scales, 4-note-per-string patterns, how to use arpeggios, and exciting two-handed licks. The tools you need to create your own hot solos. (60 min.)

Everyday Emerson

Your school' facilities and grounds often comprise the "first impression" visitors--including potential students and their families--experience of your institution. Proper facility design and maintenance are critical components in how your school is portrayed to constituents and the public, and reflect strongly on your overall program. Facilities Planning and Maintenance for Private-Independent schools pulls together key articles published by Independent School Management addressing plant and campus management--from determining educational specifications for available classroom space to developing a campus master plan to envisioning your facility needs in coming decades and much more. Here you will find the core principles for designing and maintaining your school's facilities--preserving and enhancing your school's unique character and program.

This book focuses on Malachi 2:10-16, which identifies marriage as a "covenant" and censures the lax marital practice of its contemporaries. Proceeding from this text, Hugenberger explores the theory of marriage implied elsewhere in the Old Testament.

Driven by visions of his dead father, Professor Caleb Crowe reluctantly joins the Morpheus Initiative, a team of remote-viewing archaeologists determined to locate the remains of the seventh Wonder of the Ancient World; the Pharos Lighthouse; beneath which the legendary treasure of Alexander the Great is

rumored to be hidden. Crowe's quest spans two thousand years of visionary history that connects the ashes of Herculaneum and the lost Library of Alexandria with a secret government program and ancient society called The Keepers. To discover a threshold guarded by deadly traps and forgotten prophecies is one thing, but facing the truth about himself is something else altogether.

10 Essentials for Growing Deeper in Love | 10 Qualities for Nurturing Intimacy

Daily inspiration from American philosopher and transcendentalist Ralph Waldo Emerson. Featuring excerpts from Ralph Waldo Emerson's essays, poems, and lectures, Everyday Emerson offers 365 snippets of wisdom and insight from one of America's greatest writers and philosophers. An astute observer of both nature and society, Emerson's writing touches on themes of individuality, freedom, and human potential, all of it shot through with a profound love and awe of the natural world. The excerpts in Everyday Emerson are inspiring and thought provoking—a daily invitation to engage the world with imagination and intention. In addition to daily quotes, the end of the book also includes selections from Emerson's beloved essay "Self-Reliance." Both longtime appreciators of Emerson's work and readers who would be intimidated by a complete book of essays will find something delightful in its pages.

Soggy Sneakers has been Oregon's primary source of information for whitewater enthusiasts since 1980. Members of Willamette Kayak and Canoe Club—who have run nearly all of Oregon's rivers—share their expertise and detail rapids and landmarks found on each run.

There's something for everyone, from Class 1 (flatwater) excursions to Class 5+ (most challenging) rapid-filled adventures. Headquartered in Corvallis, Oregon, Willamette Kayak and Canoe Club is a nonprofit organization dedicated to teaching kayaking and canoeing skills, promoting water safety, preserving and protecting the free-flowing rivers of Oregon, and developing the camaraderie of their sport. Learn more about them at www.wkcc.org.

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad – the

global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

Published as part of the managing radioactive waste safely (MRWS) programme, this white paper sets out the UK Government's framework for managing higher activity radioactive waste in the long-term through geological disposal, coupled with safe and secure interim storage and ongoing research and development to support its optimised implementation. It also invites communities to express an interest in opening up, without commitment, discussions with Government on the possibility of hosting a geological disposal facility at some point in the future. In June 2007 the Government published a MRWS consultation document in conjunction with the devolved administrations for Wales and Northern Ireland. Responses to this consultation have been taken into consideration in the development of this white paper. The paper sets out the framework for the future implementation of geological disposal that includes: the approach to compiling and updating the UK Radioactive Waste Inventory (UKRWI) and using it as a basis for discussion with potential host communities; the Nuclear Decommissioning Authority's technical approach for developing a geological disposal facility, including the use of a staged implementation approach and ongoing research and development to support delivery. The white paper covers the amount of waste for disposal; preparation and planning for geological disposal; protecting people and the environment: regulation, planning and independent scrutiny; site selection using a voluntarism and partnership approach; the site assessment process; timing and next steps.

Segal offers new insights into the origins of rabbinic Judaism and Christianity. These twin descendants of Hebrew heritage shared the same social, cultural, and ideological context--and the same minority status--in the first century CE. The separation between them fractured what remained of the shared symbolic life of Judea.

This innovative text examines videogames and gaming from the point of view of discourse analysis. In particular, it studies two major aspects of videogame-related communication: the ways in which videogames and their makers convey meanings to their audiences, and the ways in which gamers, industry professionals, journalists and other stakeholders talk about games. In doing so, the book offers systematic analyses of games as artefacts and activities, and the discourses surrounding them. Focal areas explored in this book include: - Aspects of videogame textuality and how games relate to other texts - the formation of lexical terms and use of metaphor in the language of gaming - Gamer slang and 'buddylects' - The construction of game worlds and their rules, of gamer identities and communities - Dominant discourse patterns among gamers and how they relate to the nature of gaming - The multimodal language of games and gaming - The ways in which ideologies of race, gender, media effects and language are constructed Informed by the very latest scholarship and illustrated with topical examples throughout, The Language of Gaming is ideal for students of applied linguistics, videogame studies and media studies who are seeking a wide-ranging introduction to the field.

A New York Times Top Ten Book of the Year and National Book Award finalist, Pachinko is an "extraordinary epic" of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017 * A USA TODAY TOP TEN OF 2017 * JULY PICK FOR THE PBS NEWS HOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS * FINALIST FOR THE 2018 DAYTON LITERARY PEACE PRIZE * WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay's Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER * #1 BOSTON GLOBE BESTSELLER * USA TODAY BESTSELLER * WALL STREET JOURNAL BESTSELLER * WASHINGTON POST BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

From top Jesus expert Marcus Borg, a completely updated and revised version of his vision of Jesus—as charismatic healer, sage, and prophet, a man living in the power of the spirit and dedicated to radical social change. Fully revised and updated, this is Borg's major book on the historical Jesus. He shows how the Gospel portraits of Jesus,

historically seen, make sense. Borg takes into account all the recent developments in historical Jesus scholarship, as well as new theories on who Jesus was and how the Gospels reflect that. The original version of this book was published well before popular fascination with the historical Jesus. Now this new version takes advantage of all the research that has gone on since the 80s. The revisions establish it as Borg's big but popular book on Jesus.

What Every Woman Wants in a Man/What Every Man Wants in a Woman

A Colloquium in the Holy Land

This book describes thoroughly the North American Climate of the past 65 million years, with special emphasis on the last 21,000 years, as revealed by paleoclimatic observations and climate models. It analyzes weather observations over the past century and satellite measurements of the last few decades to develop a picture of more recent climatic trends. It explains how global climate models are used to simulate and project climate, and presents the application of these models to reproduce recent climate variations and predict future North American climate. It answers the critical question of whether observed climate change is due to natural variations or human activity.

In and Feng Shui Journey Jon Sandifer provides new insights into one of the most popular systems of health and well-being. Most people think that feng shui is simply about rearranging furniture; this book takes you further, and reveals the true power and wisdom of this ancient Chinese system. Jon Sandifer shows that the starting point with feng shui should not be the interior of your home; it should be yourself. He gives you the tools to apply feng shui to best meet your own circumstances and needs. You will learn:--The principles of feng shui, its history, and feng shui approaches today--How to arrange your décor, furniture and the layout of your home to maximum effect--How astrology relates to feng shui--How five element theory can give you new insights into yourself and feng shui--How feng shui can become a powerful companion throughout your life journey. The Feng Shui Journey offers the first truly integrated approach to feng shui, an approach which will enhance every aspect of your life.

Badluck Way

New Testament Nuptial Imagery

Galilee

An Inquiry Into the Concept of the Church as Mother in Early Christianity

Judaism and Christianity in the Roman World

"Much more than a coming-of-age story, Badluck Way is an important meditation on what it means to share space and breathe the same air as truly wild animals, and the necessary damage that can occur when boundaries are crossed" (Tom Groneberg, author of The Secret Life of Cowboys). In this gripping memoir of a young man, a wolf, their

parallel lives and ultimate collision, Bryce Andrews describes life on the remote, windswept Sun Ranch in southwest Montana. The Sun's twenty thousand acres of rangeland occupy a still-wild corner of southwest Montana—a high valley surrounded by mountain ranges and steep creeks with portentous names like Grizzly and Bad Luck. Just over the border from Yellowstone National Park, the Sun holds giant herds of cattle and elk amid many predators—bears, mountain lions, and wolves. In lyrical, haunting language, Andrews recounts marathon days and nights of building fences, riding, roping, and otherwise learning the hard business of caring for cattle, an initiation that changes him from an idealistic city kid into a skilled ranch hand. But when wolves suddenly begin killing the ranch's cattle, Andrews has to shoulder a rifle, chase the pack, and do what he'd hoped he would never have to do. Called "an elegant memoir" by the Great Falls Tribune, *Badluck Way* is about transformation and complications, about living with dirty hands every day. It is about the hard choices that wake us at night and take a lifetime to reconcile. Above all, *Badluck Way* celebrates the breathtaking beauty of wilderness and the satisfaction of hard work on some of the harshest, most beautiful land in the world.

Northwest of the Dead Sea, twelve kilometers to the south of Jericho and thirty-two kilometers north of the En-ge-di Oasis, lie the ruins of a community long known to the Bedouins as 'Khirbet Qumran'. The nearly 900 original manuscript fragments found in caves near the site between 1947 and 1956 have fundamentally altered our view of ancient Judaism. The incredible discoveries at Qumran are unveiled in this compelling volume by one of the world's foremost experts on biblical archaeology and the ancient Qumran community. Drawing on the best of current research and a thorough knowledge of all the Dead Sea Scrolls, Hartmut Stegemann deciphers the meaning of the historical facts regarding the Qumran community and answers in an understandable and exciting way many of the questions that have provoked sensational speculation in the press since the discovery of the Dead Sea Scrolls. Stegemann analyzes the purpose of the Qumran settlement itself and paints a picture of how daily life was carried on there. He probes similarities and differences between Essene baptism, commemorative meals, and eschatology and their early Christian counterparts. He also explores the relation of the Qumran community to John the Baptist, to Jesus, and to early Christianity, and uncovers the true nature of the Qumran writings, which continue to have a profound impact on biblical studies today.
