Inheritance Book Four Random House

It began with Eragon ... It ends with Inheritance. Not so very long ago, Eragon - Shadeslayer, Dragon Rider - was nothing more than a poor farm boy, and his dragon, Saphira, only a blue stone in the forest. Now, the fate of an entire civilization rests on their shoulders.

Enter the world of Eragon and immerse yourself in the mystery and magic of dragons, dwarves, elves, and the entire world of Alagaesia. This lush coloring book based on the full Inheritance Cycle includes more than 40 detailed black-and-white illustrations by acclaimed artist Ciurello. In addition, each spread includes an inspirational quotation from the book that ties in with the art. Each page is perforated so that at-home artists may easily tear out their art to frame or put directly on their wall or bulletin board. Includes a forward from Christopher Paolini on his own artistic passions.

Can a lost girl save a found dog? Find out in this unforgettable story about discovering true friendship, finding home, and the possibilities of forgiveness. Hadley is angry about a lot of things: Her mom going to jail. Having to move to another state to live with her older sister, Beth, even though they haven't spoken in five years. Leaving her friends and her school behind. And going blind. But then Hadley meets Lila. Lila is an abandoned dog who spends her days just quietly lying around at the local dog rescue where Beth works. She doesn't listen to directions or play with the other dogs or show any interest in people. So when Lila comes and sits by Hadley (which is hardly anything, but it's more than she's done with others), Beth thinks maybe Hadley can help Lila. She tells Hadley they'll bring Lila home as a foster dog and Hadley can teach her to follow commands, walk on a leash, and be more of a people dog so she's ready to be adopted. Only working with Lila is harder than Hadley thought, and so is the mobility training she starts taking to help with her failing vision. It feels like Lila is too stubborn to train and that learning to use a cane is impossible. But unless Hadley can help Lila, she'll never be adopted into a home. If Hadley could just let go of her anger, she might be able to save Lila ... and herself. New York Times bestselling author Kody Keplinger weaves an unforgettable story about discovering true friendship, finding home, and the possibilities of forgiveness.

Why might Roran be the real hero of the Inheritance Cycle? What does Paolini's writing have in common with role-play games and modern action films?
