

Jaqen H'ghar

Six separate factions vie for control of the realm of the late Lord Eddard Stark, while an ancient form of magic, an everlasting winter, and an unearthly army threaten to return.

Bound in gorgeous gold and silver foil, this remarkable volume celebrates and explores the complex stories, relationships, and world building in HBO's Emmy-award winning Game of Thrones series, from Season 1 through Season 8. The book follows the story of Essos and southern Westeros, with firebreathing dragons and clashing noble houses, and the story of northern Westeros, where the Night King leads his army of the dead across the icy landscape. Mapping bloodlines and battle lines, the approximately 300 pages are filled with stunning photographs, original art, timelines, and charts newly created for this book. This definitive visual guide commemorates this momentous series and offers a must-have companion for every Game of Thrones fan. ©2019 Home Box Office, Inc. All rights reserved. Game of Thrones and related trademarks are the property of Home Box Office, Inc.

Features lavish illustrations by such artists as Jim Burns, John Howe, Ted Nasmith, Steve Stone, Charles Vess, Stephen Youll and many others. All of the illustrations are from book covers, special editions, comic books, board and card games, concept art, and fan art personally selected by George Martin.

Winter is here. In the 2018 entry of this annual calendar series spanning A Game of Thrones and the entire Song of Ice and Fire saga, award-winning illustrator Justin Sweet delivers one of the most atmospheric and otherworldly visions yet of George R. R. Martin's masterwork. From the children of the forest to the terrors beyond the Wall, from the Targaryen dragons to the tyrant on the Iron Throne, these twelve never-before-seen paintings will remind fans that the most original series in fantasy is just warming up. 12 MONTHS OF DAZZLING ARTWORK!

A Game of Thrones, A Clash of Kings, A Storm of Swords, A Feast for Crows, and A Dance with Dragons

The Ultimate Game of Thrones and Philosophy treats fans to dozens of new essays by experts who examine philosophical questions raised by the Game of Thrones story. This ultimate analysis provides the most comprehensive discussion to date and engages the Game of Thrones universe through the end of Season Six of the HBO series. Ned Stark, Tyrion Lannister, Jon Snow, Joffrey, Cersei, Brienne, Arya, Stannis, and many other characters are used to apply the traditional philosophical questions that everyone faces. How should political leaders be chosen in Westeros and beyond? Is power merely an illusion? Is it

immoral to enjoy overly violent and sexual stories like Game of Thrones? How should morally ambiguous individuals such as Jamie Lannister: The Kingslayer and Savior of King's Landing be evaluated? Can anyone be trusted in a society like Westeros? What rules should govern sexual relationships in a world of love, incest, rape, and arranged marriage? How does disability shape identity for individuals like Tyrion, Bran, and others? How would one know whether there is a God in the Game of Thrones universe and what he is like?

Every Game of Thrones fan remembers where they were for Ned Stark's untimely demise, can hum the tune of "The Rains of Castamere," and can't wait to find out Daenerys Targaryen's next move. But do you know the real inspiration for the Red Wedding? Or how to book a trip to visit Winterfell? 100 Things Game of Thrones Fans Should Know & Do Before They Die is the ultimate resource for true fans. Whether you've read all of George R.R. Martin's original novels or just recently devoured every season of the hit show, these are the 100 things all Game of Thrones fans need to know and do in their lifetime. Pop culture critic Rowan Kaiser has collected every essential piece of Game of Thrones knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom!

For The Jason Momoa Lover. This book is your ultimate resource for Jason Momoa. Here you will find the most up-to-date 66 Success Facts, Information, and much more. The cognitive science of religion is a relatively new academic field in the study of the origins and causes of religious belief and behaviour. The focal point of empirical research is the role of basic human cognitive functions in the formation and transmission of religious beliefs. However, many theologians and religious scholars are concerned that this perspective will reduce and replace

explanations based in religious traditions, beliefs, and values. This book attempts to bridge the reductionist divide between science and religion through examination and critique of different aspects of the cognitive science of religion and offers a conciliatory approach that investigates the multiple causal factors involved in the emergence of religion.

Game of Thrones on Business

I Dreamt of a Man

The Complete Series

What the Bible Says about Being a Man

Arya continues to travel north to the Wall, and makes the acquaintance of a more interesting character – Jaqen H'ghar– but when the recruits for the Night's Watch are stopped by the Gold Cloaks, a confrontation seems inevitable... Meanwhile, Catelyn Stark must come to terms with her son, Robb, is now also the King in the North – and that some of the most interesting family and politics conflict.

'All men must die': or 'Valar Morghulis', as the traditional Essos greeting is rendered in High Valyrian. And die they do – in prodigious numbers; in imaginatively varied and often gruesome ways; and often in terror within the viciously unpredictable world that HBO's sensational evocation of Game of Thrones. Epic in scope and in imaginative breadth, the stories that are brought to life tell of the dramatic rise and fall of kingdoms, the brutal sweeping away of old orders and the advent of new autarchs in the eternal struggle for dominion. Yet, as this book reveals, many potent and intimate narratives of love, passion and grief can be found within these grand landscapes of heroism, honour and death. The focus on strong relationships between women and family, as well as among the men, the heroes, the 'cripples, bastards and broken things'. In this vital follow-up to *Winter is Coming* (2015), acclaimed medievalist Carlyne Larrington explores themes of power, loyalty, blood-kin, lust and sex in order to draw entirely fresh meanings out of the show's first century.

A guide to leading without losing your head, inspired by the bestselling books and television series Game of Thrones. "When you play the game of thrones, you win or you die. There is no middle ground." —Cersei Lannister One of the great joys of Game of Thrones is strategizing what bold moves you'd make in this bloody, volatile world from the comfort of your living room. And one of the great terrors of being a leader in your real world can be just as brutal—and offices bring no comfort. Every day you are presented with opportunities and challenges, and must decide which roads to follow, which risks to confront, when to deny an opportunity and when to pursue the course of adventure. And you won't know whether you'll profit or fail while you're in the thick of it. In *Win or Die: Leadership Secrets from Game of Thrones*, Bruce Craven brilliantly analyzes the journeys of the best and worst leaders in Westeros, so that leaders can create their own narratives of success. Craven considers beloved characters such as Ned Stark, Jon Snow, Daenerys Targaryen, and Tyrion Lannister as they make terrible decisions and fatal mistakes, but also achieve incredible victories and surprising successes, learning and growing along their (often bloody) ways. Readers will learn

to face conflict and build resilience, develop contextual and emotional intelligence, develop their vision, and more. This entertaining and accessible guide will show readers how to turn danger into opportunity, even when dragons threaten.

Game of Thrones on Business is an entertaining and informative management book which draws parallels between HBO's global phenomenon and today's business world. Breathing life into management theory by relating it to incidents in the series, the book shows readers how to carve out careers and succeed in a dangerous and demanding world.

Power and Passion in Game of Thrones

The everything-you-missed, wanted-to-know-more-about, and can't-get-enough guide to the Game of Thrones television series—from the first episode to the epic finale. Valar morghulis! Spanning every episode across all eight seasons, INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon and explores every detail you want to know. It's the perfect book to look back at all you may have missed or to jump-start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show effect George R.R. Martin's ability to finish the book series? Why were the final seasons shorter? Why did the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones HBO series.

Danerys receives a dire warning while she basks in the comforts offered in the city of Qarth, while more than a thousand miles distant, Stannis makes his move on Ser Penrose and Storm's End. Peace and diplomacy will be cast aside as the Red Woman Melisande displays the full power of those who embrace R'hllor, the Lord of Light - much to the horror of those that bear witness to this magic. All this, and more, as another chapter unfolds in this visual adaptation of George R. R. Martin's epic masterpiece, A Clash of Kings!

This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series Game of Thrones premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50–60 minutes, largely of original

content not found in George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels, A Feast for Crows and A Dance with Dragons. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. This book does not contain illustrations. e-Pedia (an imprint of e-artnow) charges for the convenience service of formatting these e-books for your eReader. We donate a part of our net income after taxes to the Wikimedia Foundation from the sales of all books based on Wikipedia content. Game of Thrones is the epic fantasy tale that closely follows the A Song of Fire and Ice novels written by George R. R. Martin. The second season mostly covers the second book A Clash of Kings. Following the events of the first season war is brewing throughout the Seven Kingdoms. With the petty boy king Joffrey sitting on the Iron Throne guided by his deceitful mother Cersei and the honorable Robb Stark out to avenge the actions against his father the tension rises, meanwhile many others have their eye on the throne including the deceased King Robert's brother Stannis Baratheon. In this book are over 100 questions on the many events that lead to the climactic finale of the second season of this supremely popular show so step behind the Wall and see what you know about the second season of the Game of Thrones.

A Song of Ice and Fire: Book One

A Pilgrim's Guide to the Religions of Ice and Fire

All Men Must Die

As the war rages, Lord Tywin's men probe Riverrun's defenses, pushing Edmure Tully to the battlefield in a vainglorious quest for honor. Meanwhile, in the distant land of Qarth, Daenerys accepts Pyat Pree's invitation to visit the House of the Undying, where the young leader faces visions of both the future and the past. Tensions continue to rise as the cast of George R. R. Martin's fantasy epic face the grim realities of their own mortality. All this and more in Dynamite Entertainment's bold visual adaptation of A Song of Ice and Fire.

The kingdom exists in a state of perilous equilibrium following the death of a monstrous king, a regent ruling in King's Landing, and few claimants to the Iron Throne, until new conspiracies and alliances begin to erupt.

An anthology of original tales that explores crossover themes of romance, fantasy and science fiction includes contributions by leading genre authors and is co-edited by the creator of the A Song of Ice and Fire series and a 15-time Hugo Award-winning writer. Reprint. 125,000 first printing.

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE

THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

Mastering the Game of Thrones

The sixth season of the fantasy drama television series Game of Thrones was ordered by HBO on April 8, 2014, together with the fifth season

You Think or Die

Game of Thrones is a phenomenon. As Carolyn Larrington reveals in this essential companion to George R R Martin's fantasy novels and the HBO mega-hit series based on them the show is the epitome of water-cooler TV. It is the subject of intense debate in national newspapers; by PhD students asking why Westeros has yet to see an industrial revolution, or whether astronomy explains the continent's climatic problems and unpredictable solstices ('winter is coming'); and by bloggers and cultural commentators contesting the series' startling portrayals of power, sex and gender. Yet no book has divulged how George R R Martin constructed his remarkable universe out of the Middle Ages. Discussing novels and TV series alike, Larrington explores among other topics: sigils, giants, dragons and direwolves in medieval texts; ravens, old gods and the Weirwood in Norse myth; and a gothic, exotic orient in the eastern continent, Essos. From the White Walkers to the Red Woman, from Casterly Rock to the Shivering Sea, this is an indispensable guide to the twenty-first century's most important fantasy creation.

Brian Staveley, author of The Emperor's Blades, gives readers the first book in a new epic fantasy trilogy based in the world of his popular series the Chronicle of the Unhewn Throne, The Empire's Ruin.

Game of Thrones: A Guide to Westeros and Beyond

The Best Natalie Dormer Guide to Date - 71 Success Secrets

George R. R. Martin's A Clash Of Kings: The Comic Book #4

A Clash of Kings

Take three of the leading names in contemporary horror writing, commission one-third of a book's worth of stories from each, and the result is DARK VISIONS. Stephen King leads off with three stories, including "Sneakers", about a very unusual haunting, and "Dedication", one of the most powerful and unsettling of all his works. Dan Simmons pays homage to Philip K Dick with "Metastasis", one of three highly accomplished stories. And George Martin rounds off the book with the brilliant werewolf novella, "The Skin Trade". DARK VISIONS is a brilliantly original showcase from three masters of the macabre.

NEW YORK TIMES BESTSELLER • Perfect for fans of A Song of Ice and Fire and HBO's Game of Thrones—an epic history of Westeros and the lands beyond, featuring hundreds of pages of all-new material from George R. R. Martin! If the past is prologue, then George R. R. Martin's masterwork—the most inventive and entertaining fantasy saga of our time—warrants one hell of an introduction. At long last, it has arrived with The World of Ice & Fire. This lavishly illustrated volume is a comprehensive history of the Seven Kingdoms, providing vividly constructed accounts of the epic battles, bitter rivalries, and daring rebellions that lead to the events of A Song of Ice and Fire and HBO's Game of Thrones. In a collaboration that's been years in the making, Martin has teamed with Elio M. García, Jr., and Linda Antonsson, the founders of the renowned fan site Westeros.org—perhaps the only people who know this world almost as well as its visionary creator. Collected here is all the accumulated knowledge, scholarly speculation, and inherited folk tales of maesters and septons, maegi and singers, including • artwork and maps, with more than 170 original pieces • full family trees for Houses Stark, Lannister, and Targaryen • in-depth explorations of the history and culture of Westeros • 100% all-new material, more than half of which Martin wrote specifically for this book The definitive companion piece to George R. R. Martin's dazzlingly conceived universe, The World of Ice & Fire is indeed proof that the pen is mightier than a storm of swords.

A GAME OF THRONES How would you like to read A Game of Thrones with a PhD by your side?Steven Attewell, creator of Race for the Iron Throne (racefortheironthrone.wordpress.com), is one of the most insightful scholars in political theory and history, but instead of devoting his talents to academia, he's

delving into George R.R. Martin's A Song of Ice and Fire saga to give the most comprehensive deconstruction - and explanation - yet offered. Each one of Thrones's 73 chapters is broken down in meticulous detail in four key areas. The Political and Historical Analyses explore the political ramifications that each character's decisions entail while digging into the real-world historical incidents that inspired Martin's narrative twists and turns. What If? offers up a tantalizing look at how these political and historical elements could have played out in dozens of alternative scenarios, underscoring the majesty and complexity of Martin's storytelling. And Book vs. Show looks at the key differences - both good and bad - between the story as originally conceived on the printed page and as realized in HBO's Game of Thrones. At nearly 204,000 words, it's almost literally impossible to imagine a more exhaustive or authoritative reading companion for any novel ever before published. Note: there are spoilers for all five published novels in the Song of Ice and Fire series. About the author Steven Attewell is the author of Race for the Iron Throne, a blog that examines the history and politics of the Song of Ice and Fire series and HBO's Game of Thrones. He has a PhD in History from the University of California, Santa Barbara, where he studied the history of public policy and was a political and union activist. In addition to Race for the Iron Throne, Steven is also a co-podcaster on Game of Thrones at the Lawyers, Guns, and Money podcast, writes about public policy at the Realignment Project, and is a co-author of the Tower of the Hand: A Hymn for Spring anthology book.

The "how-to-get-it-right" book for today's Christian man in marriage, family, work, friendships, with God in all of life. Men are hungry for authenticity and for sound and bold biblical teaching on true masculinity. Every day men ask themselves questions about how to be better fathers, husbands, friends, and men, but it's difficult to find satisfying answers. Rise of the Servant Kings explains that true masculinity is found in absolute surrender to God, which always results in humble character and is expressed in courage and generosity. When a man truly understands God's desires, he will naturally express godly masculinity, Ken Harrison weaves together his experiences as a police officer in one of the deadliest areas of the country, with many years as a business executive and ministry leader, to share deep truths for men direct from God's Word.

With shades of Game of Thrones and Romeo and Juliet, this richly imagined fantasy from debut author Sarah Ahiers is a tale of love, lies, and vengeance. Fans of Kristin Cashore and Rae Carson will devour the flawlessly crafted action and inventive world building. Seventeen-year-old Lea Saldana is a trained assassin. She was born into one of the nine clipper Families in the kingdom of Lovero who lawfully take lives for a price. As a member of the highest-ranking clan, loyalty to Family is valued above all, but that doesn't stop Lea from getting into a secret relationship with Val Da Via, a boy from a rival clan. Despite her better judgment, Lea has fallen in love with him; but she's confident she can anticipate any threat a mile away. Then she awakens one night to a house full of smoke. Although she narrowly escapes, she isn't able to save her Family as their home is consumed by

flames. With horror, she realizes that Val and his Family are the only ones who could be responsible. Devastated over his betrayal and the loss of her clan, there's just one thing on her mind: making the Da Vias pay. The heart of this assassin craves revenge.

The Ultimate Game of Thrones and Philosophy

George R. R. Martin's A Clash Of Kings: The Comic Book #6

All-Original Tales of Star-Crossed Love

Winter is Coming

A Game of Thrones

The Art of George R. R. Martin's a Song of Ice and Fire

Set in the fictitious world of Westeros, the hit television series Game of Thrones chronicles the bitter and violent struggle between the realm's noble dynasties for control of the Seven Kingdoms. But this beloved fantasy drama has just as much to say about the successful strategies and real-life warfare waged in our own time and place. Winning Westeros brings together more than thirty of today's top military and strategic experts, including generals and admirals, policy advisors, counterinsurgency tacticians, science fiction and fantasy writers, and ground-level military officers, to explain the strategy and art of war by way of the Game of Thrones saga. Each chapter of Winning Westeros provides a relatable, outside-the-box way to simplify and clarify the complexities of modern military conflict. A chapter on the doomed butcher's boy whom Arya Stark befriends by World War Z author Max Brooks poignantly reminds us of the cruel fate that civilians face during times of war. Another chapter on Jaqen H'ghar and the faceless men of Bravos explores the pivotal roles that stealth and intelligence play in battle. Whether considering the diplomatic prowess of Tyrion Lannister, the defiant leadership style of Daenerys Targaryen, the Battle of the Bastards and the importance of reserves, Brienne of Tarth and the increased role of women in combat, or dragons as weapons of mass destruction, Winning Westeros gives fans of Game of Thrones and aspiring military minds alike an inspiring and entertaining means of understanding the many facets of modern warfare. It is a book as captivating and enthralling as Game of Thrones itself.

The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS

Why is Tyrion hated by the gods? Does Dany have a messiah complex? Can Bran manipulate timelines? What would Nietzsche think about Jaime's morality? These are just a few of the questions answered in Gods of Thrones. Applying the study of religion, sociology, and history, this book offers a fresh take on the religious landscape of Ice and Fire. Advance praise for 'Gods of Thrones'..."Bursting with insight and full of japes, this book will teach you much and more. 'Gods of Thrones' will deepen your experience of the novels and remind you why you loved them in the first place. Clearly, these guys drink and know things."-- Chad Carmichael, PhD Professor of Philosophy/Indiana University-Purdue University, Indianapolis "This work is a must-read for fans of the show . . . I wish I had had 'Gods of Thrones' available as a companion book when teaching my 'Game of Thrones' course last year."-- Gregory D. Webster, PhD Professor of Psychology/University of Florida "True to form, A. Ron and Anthony blend entertaining wit with their significant real world and in-universe knowledge to produce a

remarkably enjoyable tour through the religions of 'Game of Thrones'."-- Jim Jones
Co-host,
Bald Move

Arya continues to travel north with Yoren and the mysterious Jaqen H'ghar. Meanwhile, Theon returns to his home, the ancestral seat of the Greyjoys upon the isle of Pyke—and with him, he carries a message from Robb Stark, one that contains a proposal that could change the tide of the war...

How Game of Thrones Explains Modern Military Conflict

George R.R. Martin's A Song of Ice and Fire series is a worldwide phenomenon, and the world of Westeros has seen multiple adaptations, from HBO's acclaimed television series to graphic novels, console games and orchestral soundtracks. This collection of new essays investigates what makes this world so popular, and why the novels and television series are being taught in university classrooms as genre-defining works within the American fantasy tradition. This volume represents the first sustained scholarly treatment of George R.R. Martin's groundbreaking work, and includes writing by experts involved in the production of the HBO show. The contributors investigate a number of compelling areas, including the mystery of the shape-shifting wargs, the conflict between religions, the origins of the Dothraki language and the sex lives of knights. The significance of fan cultures and their adaptations is also discussed.

THE BOOK BEHIND THE SECOND SEASON OF GAME OF THRONES, AN ORIGINAL SERIES NOW ON HBO. Here is the second volume in George R.R. Martin magnificent cycle of novels that includes A Game of Thrones and A Storm of Swords. As a whole, this series comprises a genuine masterpiece of modern fantasy, bringing together the best the genre has to offer. Magic, mystery, intrigue, romance, and adventure fill these pages and transport us to a world unlike any we have ever experienced. Already hailed as a classic, George R.R. Martin stunning series is destined to stand as one of the great achievements of imaginative fiction. A CLASH OF KINGS A comet the color of blood and flame cuts across the sky. Two great leaders—Lord Eddard Stark and Robert Baratheon—who hold sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel...and the coldest hearts. For when

kings clash, the whole land trembles.

Was Tyrion a time-traveling fetus? Is Arya a religious convert? Is Jaqen H'ghar a genie? What can Chinese dragon mythology tell about Dany's endgame? Is Bran a god? These are just a few of the questions answered in *Gods of Thrones*, vol. 2. Applying the study of religion and myth, this book offers a fresh take on the religious landscape of Ice and Fire. Advance praise for '*Gods of Thrones*'... "*Gods of Thrones Vol. 2*" masterfully plumbs the depths of the ancient mythologies and premodern rituals, beliefs, and practices that inspire the lore of the old gods and the theology of the new--and everything in between. Inherently accessible and compulsively readable, Hubbard and Le Donne offer up a new and fascinating lens through which to view the competing and overlapping belief systems that undergird Westeros--and threaten its demise." -- Jana Mathews, PhD Professor of Medieval Literature Rollins College "A skillful analysis full of deep insight on both religion and the mega-hit *Game of Thrones*. This adroitly written second volume continues to explore the myriad dimensions of faith and the world of Westeros in a truly entertaining and engaging way. A mind needs books--especially ones like this--just as a sword needs a whetstone." -- Joseph M. Valenzano III, PhD Professor and Chair of Communication University of Dayton

I Dreamt of a Man By: Bridget René Everson A woman of color survives after being subjected to lifelong trials of narcissistic abuse. There was an evil, vile, vicious, and violent demonic presence that had been sent to destroy her, a child of the King on high. Written with a mix of free verse poetry, biblical scriptures, and pertinent letters. Bridget René Everson captures her experiences beautifully and poetically. As we walk through Everson's agonizing journey into the deepest, darkest places in her life, watch her run, not walk, into the marvelous light of God!
