

Jesus' Christmas Party

In this award winning book, Santa's sleigh gets frozen to the ice it takes lots of teamwork and some creative thinking by Jeffery the Surfer Reindeer to be sure Christmas is not missed The author has written in a wonderfully magical way about this very special time of year, and cleverly hidden in the story, messages for children about the virtues working together, keeping promises, and of course being good all year so Santa will come."

The forest is abuzz with magic and excitement--it's time for Jesus' birthday again! The invitations for His birthday party float on in to all but one forest creature. Living far off in a hollow in the forest's furthest tree, Little Raccoon has never quite fit in with the other forest animals. Feeling left out and alone, she watches as the rest of the friends share in the fun of decorating for Christmas. It's not until Little Raccoon gets help from an unexpected friend that she discovers the meaning of Jesus's birthday, His love, and that everyone is invited! A Birthday Invitation from Jesus is the follow-up to the heartwarming Christmas storybook, A Birthday Party for Jesus. Beautifully illustrated by Lee Holland, this picture book will offer young children a fun, relatable story of a quirky raccoon who feels a bit different from everyone else, and how the best part of Christmas is finding the warmth of Jesus's love and friendship.

What if you had been there on the night that Jesus was born? What if you could have held the infant Son of God, when He was only a few minutes old? How would it feel to have God Himself in your arms, vulnerable, approachable, and unassuming? In "A Ragamuffin Christmas" Craig Daliesio provides just that view of the Nativity. Far from the usual retelling of a baby, some shepherds, and the Virgin Mary; this is the story of criminals, broken hearted moms, scandalous characters, and legendary Saints, each granted their own visit with the newborn King of Kings. The people and images are unmistakable...and the result of each interaction is life changing. This is the Christmas story as it's never been told before.

Jesus worked hard to make the world beautiful. He performed miracles, told fabulous stories - all for free - and generally spent his time spreading joy and light around the world. A tiring business, as Jesus had to admit when, one day, he had trouble getting out of bed. And worse - the miracles start to go wrong! But help is at hand. 'Take the day off, Jesus, ' said the doctor. 'Relax. Have some fun!' So Jesus had some fun - but was it worth it?

Dad, as usual, has the answer!

Perhaps more than any other one individual in the history of Humankind, the Baby Jesus has enjoyed the most attention. After all even the most famous of Royalty or Conquerors, Athletes or Movie Stars have not been serenaded on the occasion of their birthdays for the past 2014 years as the Baby Jesus has. And speaking of years, only the birth of the Baby Jesus has changed the calendar that the world uses to mark our days and weeks, our months and years and even though some politically correct have changed B.C.(Before Christ) to B.C.E.(Before Common Era) and the A.D.(Anno Domini...Year of the Lord) to C.E.(Common Era) it is still true that without Jesus there would be no singular personal event as important from which to begin a counting of the passage of time! And what historical person other than Jesus still has over a billion followers who believe him or her still to be alive having resurrected from the dead, and not only still alive but all powerful and all knowing! It is these billions of people around the world who sing to the Baby Jesus every year on the day of His birth and although He is no longer a baby, have for that one day a fascination of Jesus as a baby.

The Christmas season is a truly magical time of year. With the help of this book, young people will learn how to throw a unique, fun Christmas party with dazzling decorations, fun recipes, and games that celebrate the season. This fine book from the turn of the 19th Century contains 35 wonderful and inspiring Christmas stories for children. These stories were already well-received before they were pulled together to make this book. Included are excerpts from "A Christmas Carol" by Charles Dickens and the Christian Bible, stories from Hans Christian Andersen's Fairy Tales, from Ireland, Germany, the American West, and from the big cities in England and the United States. * * * * * Written in easy-to-read 13-point type, and divided between stories for little kids, intermediate kids, and approval of thousands of children, and each is packed with the true Christmas spirit: that small thoughtful actions can have big, and happy, consequences. Some stories will bring a tear to your eyes, other will make you laugh. All are enjoyable. This book will become a cherished addition to your library for years to come. * * * * * The stories in this book are: Christmas at Fezziwig's Warehouse (Charles Dickens), The Fir-Tree (Hans Christian Andersen), The Christmas Masquerade (Mary E. Wilkins Freeman), The Shepherds and the Angels (Adapted from the Bible), The Christmas (Winifred E. Lincoln), A Christmas Matin e (M. A. L. Lane), ToINETTE and the Elves (Susan Coolidge), The Voyage of the Wee Red Cap (Ruth Sawyer Durand), A Story of the Christ-Child (a German Legend for Christmas Eve told by Elizabeth Harrison), Jimmy Scarecrow's Christmas (Mary E. Wilkins Freeman), Why the Chimes Rang (Raymond McAlden), The Birds' Christmas (Founded on fact-F. E. Mann), The Little Sister's Vacation (Winifred M. Kirkland), Little Wolff's Wooden Shoes (François Copp e, adapted and translated Alma J. Foster), Christmas in the Alps (Katherine Pyle), The Quickest Christmas (Grace Margaret Gallaher), Old Father Christmas (J. H. Ewing), The Golden Cobwebs (Sara Cone Bryant), How Christmas Came to the Santa Maria Fiats (Ella W. Peattie), The Legend of Babouscka (From the Russian Folk Tale), Christmas in the Barn (F. Arrstein), The Philanthropist's Christmas (James Weber Linn), The First Christmas-Tree (Lucy Wheelock), The First New England Christmas (G. L. Stone and M. G. Fickett), The Cratchits' Christmas Dinner (Charles Dickens), Christmas in Seventeen Seventy-Six (Anne Hollingswo Snow (Olive Thorne Miller), Mr. Bluff's Experience of Holidays, (Oliver Bell Bunce), Master Sandy's Snagdragon (Eldridge S. Brooks), A Christmas Fairy, John Strange Winter), The Greatest of These (Joseph Mills Hanson), Little Gretchen and the Wooden Shoe (Elizabeth Harrison), and Christmas on Big Rattle (Theodore Goodridge Roberts). * * * * * In making this volume, we discovered that the Gutenberg eBook versions are missing a story - "The Golden Cobwebs" - instead having a short excerpt from "A Christmas Carol" that is duplicated by the longer excerpt "The Christmas Party!"

This edition restores the missing story. This volume contains the full text of the original book published in 1913. * * * * * Check our other Children's, Juvenile, and Adult books at www.FlyingChipmunkPublishing.com, or Like us on Facebook for our latest releases.

Never before has the facts of life been presented in such an accessible—or novel—way. Our hero is Willy, a little sperm who lives inside Mr. Browne with 300 million friends. Every day Willy practices for the Great Swimming Race. And when the day arrives, he swims faster than his 300 million friends to win the prize—a marvelous egg. Then something wonderful happens, and eventually Mr. and Mrs. Browne have a baby girl who has the same winning smile as Willy and who grows up to be a great swimmer. Hilariously funny, warm, and endearing, this is a picture book that appeals on different levels to both children and grown-ups. "Fresh, original, and imaginative. . . . Allan's achievement is in couching fascinating facts within the construct of a gentle, direct narrative. A little knowledge is a wonderful thing, and as the rest of the facts of life fall into place, Allan's readers will look back on this book with a mixture of fondness and wry amusement." —The Guardian (UK)

Each person is given the opportunity to respond to popular culture in a variety of ways. They can condemn, critique, consume or copy. Not only do individuals have this choice, each church has to choose its response to culture as well. What if we were never designed to passively respond to culture, but to create it? God specifically created each person to build a culture that honors Him. We are called to create a culture around us based upon the worship of God. The purpose of this culture is help people engage in worship beyond the corporate worship service. To teach them how to hear and see what God is doing and carry it out in every relationship and situation they encounter. To present something new and more compelling to the world than what they have seen before. This book will help you discover how to create culture by examining Jesus' example and then give you practical application on how to apply it to your life. This book is an invitation to come and discover the path towards creating a culture that acknowledges and worships God.

Have you ever wondered what Santa Claus does for fun in his spare time? Now you can find out with Santa's Hobbies. This book also includes a mini game where the reader can find hidden stars on each page. This picture book is for children ages 2-5.

This book anchors its account of the beauty of Jesus Christ to a scheme found in St Augustine of Hippo's Expositions of the Psalms. There Augustine recognized the beauty of Christ at every stage—from his pre-existence ('beautiful in heaven'), through his incarnation, the public ministry ('beautiful in his miracles, beautiful in calling to life'), passion, crucifixion, burial, resurrection ('beautiful in taking up his life again'), and glorious life 'in heaven'. Augustine never filled out this laconic summary by writing a work on Christ and his beauty. The Beauty of Jesus Christ seems to be the first attempt in Christian history to write a comprehensive account of the beauty of Christ in the light of Augustine's list. The work begins by offering a working description of what it understands by beauty as being perfect, harmonious, and radiant. Beauty, above all the divine beauty, enjoys inexhaustible meaning and overlaps with 'the holy' or the awesome and fascinating mystery of God. Loving beauty opens the way to truth and helps us grasp and practise virtue. The books needs to add some items to Augustine's list by recognizing Christ's beauty in his baptism, transfiguration, and post-resurrection sending of the Holy Spirit. It is also beyond Augustine by showing how the imagery and language Jesus prepared in his hidden life and then used in his ministry witness to the beautiful sensibility that developed during his years at home in Nazareth. Throughout, this book draws on the Scriptures to illustrate and justify Augustine's brief claims about the beauty revealed in the whole story of Christ, from his pre-existence to his risen 'post-existence'. Where appropriate, it also cites the witness to Christ's beauty that has come from artists, composers of sacred music, the creators of icons, and writers.
