

Katy's Champion Pony: Book 2 (Katy's Exmoor Ponies)

Three galloping great reads for pony lovers in this exciting collection by Amanda Wills.

Centered Riding is not a style of riding as are dressage, hunter seat, or Western. Rather, it is a way of reeducating a rider's mind and body to achieve greater balance in order to better communicate with the horse. Founder Sally Swift revolutionized riding by showing that good use of the human body makes a world of difference on horseback. Early in her work, she established what she calls the "Four Basics" – centering, breathing, soft eyes, and building blocks—which, together with grounding, are the main tenets of her method. When a rider learns and maintains these basics, then harmony between horse and human is possible. Sally Swift's first book, *Centered Riding*, made its revolutionary appearance in 1985 and continues as one of the best-selling horse books of all time. This second book doesn't replace the first one, it complements it. In the intervening years, *Centered Riding* continued to evolve, and Sally inevitably developed many new concepts and fresh imagery, all of which are presented here.

Unlike her best friends Mia and Lola, Harlow Vega has a reputation for always being up for a fling. Twelve drunk and wild hours in Sin City married to the ridiculously hot and rugged Canadian fisherman Finn Roberts, who (no surprise) is amazing with his muscular hands - and his lips and the rest of his body - was just her speed. But it was just a thing: dirty, rowdy, and easy... until Finn turns up in her hometown on business. Harlow's not ready to be tied down but when the whole crew is hanging out together, there's just something about him. It may not be love (hell, it may not even be like), but their exciting, tension-filled hookups provide the perfect distraction from the scary life changes they're both facing - challenges neither is sure how to handle, let alone fix. One night together turns into two, and soon Finn's mysterious business trip has gone on for weeks. They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

The inspiring novel about real life princess and equestrienne Haya of Jordan. Princess Haya loves her family more than anything--especially her mother who brings light and happiness into King Hussein's house. So when Queen Alia is killed in a tragic accident, Princess Haya is devastated. Knowing how unhappy she is and how much she loves horses,

Haya's father, King Hussein, gives her a special present: a foal of her very own. And this foal changes Princess Haya's world completely. Set in an exotic locale where royalty is real, this story of a determined modern-day princess is both beautiful and awe-inspiring. Perfect for fans of Black Beauty, Misty of Chincoteague and anyone who wonders what it's like to be a real princess. Praise for THE PRINCESS AND THE FOAL: "Empowering and vigorous, this is a story sure to please princess fans, horse fans and, yes, even tomboys."--Kirkus Reviews "This real princess's story is great and this book provides a positive and powerful story, especially for adolescent girl readers who choose to saddle up for the ride."--VOYA Magazine "Horse enthusiasts will devour Gregg's engaging novel about Jordanian Princess Haya Bint Al Hussein, inspired by the real-life princess who became an Olympic equestrian...Gregg's greatest strength is in detailing the deep, sensual bond that can form between a human and a horse, but the sympathetic protagonist and a setting rarely seen in middle-grade fiction make this an inspiring read for any reader."--Publishers Weekly "In addition to being a great fit for fans of princess or horse stories, this would be a good choice for readers who enjoy stories of brave, scrappy girls who defy convention."--Booklist
Orphan of Chincoteague

Book 3

Misty's Twilight

Heart of a Champion

Joe And The Hidden Horseshoe

The Prize (Pony Club Rivals, Book 4)

A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter's focus has always been on playing football and little else.

Except when it comes to one particular woman. The lovely Fiona Mackenzie might not care about his fame, but she's also never looked at him as anything more than one of her brother-in-law's best friends. That ends now. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.

Joe is delighted that his pony, Lightning, is brilliant at mounted games. The

two of them make a great pair and Joe can't wait for them to try out for the Prince Phillip Cup team. There's just one problem - Lightning seems quite small now that Joe is growing so fast. What will he do when he's too big to ride her? And what will happen to Lightning if she is sold? The second in a pony trilogy for boys and girls from the author of the Katy's Ponies trilogy. An anthology of poetry for children between the ages of six and fourteen encompassing such topics as "Baby-Days," "Animals and Birds," "Trees and Flowers," and "Christmas and New Year."

There are lots of things Joe would wish if he had the chance - that his family hadn't moved from the city to the country, that his mum hadn't bought two ponies no one could ride, and that one day he might have a dog of his own. So when he finds a lucky horseshoe in his garden, he makes some wishes just for fun. After all, there's always a chance they might come true... The first in a pony trilogy for boys and girls from the author of the KATY'S PONIES trilogy.

Fully Ignited

Katy's Exmoor Ponies 5

The Game Plan

Life Lessons from the Herd

Dirty Rowdy Thing

Raze

When Jamie Rutherford takes a temporary assignment as lieutenant of Boston Fire's Engine 59, she doesn't anticipate any problems. She's been in the fire service for a long time and, even though she's fairly new to Boston, she knows how to make any firehouse her home. What she's not prepared for is her reaction to firefighter Scott Kincaid. Scott is looking for a wife. It's been a fun ride as a single guy, but he's tired of being the third wheel, and nearly losing his brother-in-law finally made him realize just how much he wants a family of his own. When the new guy at the firehouse turns out to be a capable, confident and very attractive woman, his plan is completely derailed. Hooking up with a fellow firefighter has never been part of Jamie's plan, but she's tempted by Scott—even though getting involved with him could tarnish the reputation she's worked so hard for. And Scott can't stop thinking about Jamie, despite the fact that she's his superior and not sticking around. Chemistry can crush the best-laid plans, though, and while Jamie and Scott might not be each other's future...there's no resisting the right now.

Katy's birthday doesn't feel very special, until she discovers a tiny newborn foal on the moor. It walks right up to her with wobbly steps, and Katy is spellbound. As she reaches out and touches its forehead, Katy longs for the foal to be hers. But how will she ever persuade her family?

From the moment he set foot on it, Karl Rove has rocked America's political stage. He ran the national College Republicans at twenty-two, and turned a Texas dominated by

Democrats into a bastion for Republicans. He launched George W. Bush to national renown by unseating a popular Democratic governor, and then orchestrated a GOP White House win at a time when voters had little reason to throw out the incumbent party. For engineering victory after unlikely victory, Rove became known as “the Architect.” Because of his success, Rove has been attacked his entire career, accused of everything from campaign chicanery to ideological divisiveness. In this frank memoir, Rove responds to critics, passionately articulates his political philosophy, and defends the choices he made on the campaign trail and in the White House. He addresses controversies head-on— from his role in the contest between Bush and Senator John McCain in South Carolina to the charges that Bush misled the nation on Iraq. In the course of putting the record straight, Rove takes on Democratic leaders who acted cynically or deviously behind closed doors, and even Republicans who lacked backbone at crucial moments. Courage and Consequence is also the first intimate account from the highest level at the White House of one of the most headline-making presidencies of the modern age. Rove takes readers behind the scenes of the bitterly contested 2000 presidential contest, of tense moments aboard Air Force One on 9/11, of the decision to go to war in Afghanistan and Iraq, of the hard-won 2004 reelection fight, and even of his painful three years fending off an indictment by Special Prosecutor Patrick Fitzgerald. In the process, he spells out what it takes to win elections and how to govern successfully once a candidate has won. Rove is candid about his mistakes in the West Wing and in his campaigns, and talks frankly about

the heartbreak of his early family years. But Courage and Consequence is ultimately about the joy of a life committed to the conservative cause, a life spent in political combat and service to country, no matter the costs.

Lily Munsell Ritchie was a children's book author who created the Chicken Little Series of books, of which the titles were: Chicken Little Jane (1918), Chicken Little Jane, on the Big John (1919), The Adventures of Chicken Little Jane (1920), Chicken Little Jane Comes to Town (1921) and Chicken Little Jane in the Rockies (1926). She also wrote The Giant's Journeys (c1920).

Love, Lucas

Katy's Exmoor Ponies 1

Joe and the Lightning Pony

Further Exploration

A Memoir

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's

beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. From the author of the Pegasus series comes a spellbinding first book in a new fantasy series for fans of Rick Riordan and Shannon Messenger following two cousins whose summer vacation gets swept away by a storm that lands them on the lost island of Atlantis. The last way that Riley Evans wanted to spend spring break was studying whales on the family sailboat in the middle of the Bermuda Triangle. With only her dad,

aunt, and annoying cousin Alfie for company, she is so bored staring at the waves that she's starting to see mermaids between them. But when their boat is capsized during a sudden storm, Riley finds more excitement than she bargained for as she and Alfie are washed ashore with neither of their parents in sight. Where they've been shipwrecked is no deserted island, though. Atlantis is a place beyond imagination, inhabited by both people and incredible creatures ranging from unicorns and gargoyles to talking animals. But not everyone welcomes the cousins' arrival, and beneath the wonder of this mythical land lurk dangerous secrets—something strange is happening to the inhabitants. What Riley wants more than anything is to find her father and go home. But the closer she gets to this goal, the more the islanders seem determined to keep her from reaching it. As Riley and Alfie unravel the mystery of Atlantis and its most terrifying part, the Forbidden Zone, they realize that the clock is ticking. If they can't learn what happened to their parents and find a way off the island soon, it may be too late to leave.

NEW YORK TIMES BESTSELLER • What if you lived out the drama of your twenties on Air Force One? “[This] breezy page turner is essentially Bridget Jones goes to the White House.”—The New York Times RECOMMENDED READING theSkimm • Today • Entertainment Weekly • Refinery29 • Bustle • PopSugar • Vanity Fair • The New York Times Editors' Choice • Paste In 2012, Beck Dorey-Stein is working five part-time jobs and just scraping by when a posting on Craigslist lands her, improbably, in the Oval Office as one of Barack Obama's stenographers. The ultimate D.C. outsider, she joins the elite team who accompany the president wherever he goes, recorder and mic in

hand. On whirlwind trips across time zones, Beck forges friendships with a dynamic group of fellow travelers—young men and women who, like her, leave their real lives behind to hop aboard Air Force One in service of the president. As she learns to navigate White House protocols and more than once runs afoul of the hierarchy, Beck becomes romantically entangled with a consummate D.C. insider, and suddenly the political becomes all too personal. Against a backdrop of glamour, drama, and intrigue, this is the story of a young woman learning what truly matters, and, in the process, discovering her voice. Praise for *From the Corner of the Oval* “Who knew the West Wing could be so sexy? Beck Dorey-Stein’s unparalleled access is obvious on every page, along with her knife-sharp humor. I tore through the entire book on a four-hour flight and loved reading all about the brilliant yet hard-partying people who once surrounded the leader of the free world. Lots of books claim to give real insider glimpses, but this one actually delivers.”—Lauren Weisberger, author of *The Devil Wears Prada* “Dorey-Stein . . . writes with wit and self-deprecating humor.”—*The Wall Street Journal* “Addictively readable . . . Dorey-Stein’s spunk and her sparkling, crackling prose had me cheering for her through each adventure. . . . She never loses her starry-eyed optimism, her pinch-me wonderment, her *Working Girl* pluck.”—Paul Begala, *The New York Times Book Review* (Editors’ Choice)

Toast a marshmallow, be a tree in winter, read braille -- Paul B. Janeczko and Richard Jones invite you to enjoy an assortment of poems that inform and inspire. Today I walked outside and spied a hedgehog on the hill. When she and I met eye to eye, she raised up straight and still. Be they practical (how to mix a pancake or how to bird-

watch) or fanciful (how to scare monsters or how to be a snowflake), the poems in this book boast a flair and joy that you won't find in any instruction manual. Poets from Kwame Alexander to Pat Mora to Allan Wolf share the way to play hard, to love nature, and to be grateful. Soft, evocative illustrations will encourage readers to look at the world with an eye to its countless possibilities. Contributors include: Kwame Alexander Calef Brown Rebecca Kai Dotlich Margarita Engle Ralph Fletcher Douglas Florian Helen Frost Martin Gardner Charles Ghigna Nikki Grimes Anna E. Adaptation of author's novel entitled Remember me.

A BOOK OF SECRETS is a masterfully atmospheric treasure-trove of hidden lives, uncelebrated achievements and family mysteries. Acclaimed biographer Michael H peers into dusty corners to bring a company of unknown women into the light;A

Keppel was the mistress of both the second Lord Grimthorpe and the Prince of Wales; Eve Fairfax was Lord Grimthorpe's abandoned fiancée and sometime muse of Auguste Rodin; and the novelist Violet Trefusis was the lover of Vita Sackville-West. Taking the reader on a journey of discovery from Ravello to Paris, from Kirkstall in Yorkshire to Vita Sackville-West's home at Knole, *A Book of Secrets* lucidly gives voice to fragile human connections.

New York Times bestselling author Cora Carmack's young adult debut: *Roar*. In a world ruled and shaped by violent magical storms, power lies with those who control the weather. Aurora Pavan comes from one of the oldest Stormling families in existence. Long ago, her family ungifted pledged fealty and service to her family in exchange for safe haven, and a kingdom was carved out from the wildlands and sustained by magic capable of ridding the world's deadliest foes. As the sole heir of Pavan, Aurora's been groomed to become the perfect queen. She's intelligent and brave and honorable. But she's yet to show the power of the magic she'll need to protect her people. To keep her secret and save her kingdom, Aurora's mother arranges for her to marry a dark and brooding Stormling prince from another kingdom. At first, the prince seems like the perfect solution to all her problems. He'll guarantee her spot as the next queen and be the champion her people need to remain safe. But the more secrets Aurora uncovers about him, the more a future queen frightens her. When she dons a disguise and sneaks out of the palace one night

him, she stumbles upon a black market dealing in the very thing she lacks—storm magic. And the people selling it? They're not Stormlings. They're storm hunters. Legend has it that her ancestors first gained their magic by facing a storm and stealing part of its essence. And when a handsome young storm hunter reveals he was born without magic but possesses it now, Aurora realizes there's a third option for her future besides marriage. She might not have magic now, but she can steal it if she's brave enough. Challenge a tempest. Survive it. And you become its master.

new skills to Katy's family. But Trifle is full of surprises, and even Katy isn't prepared for the discovery in store for her at Christmas time . . .

The island of Lundy is twelve-year-old Jenny's world, with its close-knit community of islanders and lighthouse-keepers. But when Jenny goes to boarding school on the mainland, she must leave behind everything she loves - including Midnight, the wild stallion she has secretly befriended.

TO TAKE BACK LIFE, ONE MUST FIRST FACE DEATH... Conditioned in captivity to maim, to kill and to slaughter, prisoner 818 becomes an unrivaled and unstoppable fighter in the ring. Violence is all he knows. After years of incarceration in an underground hell, only one thought occupies his mind: revenge... bloody, slow and violent revenge. Revenge on the man who wronged him. Kisa Volkova is the only daughter of Kirill 'The Silencer' Volkov, head of the infamous 'Red' bosses of New York's Russian Bratva. Her life is protected. In reality, it's a virtual prison. Her father's savage treatment of his rivals and his lucrative and coveted underground gambling ring-The Dungeon-ensures too many enemies lurk at their door. She dreams to be set free. Kisa has known only cruelty and loss in her short life. While working for her church-the only reprieve in her constant surveillance-Kisa stumbles across a tattooed, scarred, but stunningly beautiful homeless man on the streets. Something about him stirs feelings deep within her; familiar yet impossibly forbidden desires. He doesn't talk. Doesn't communicate with anyone. He's a man beyond saving. But Kisa becomes obsessed with him. Yearns for him. Craves his touch. Needs to possess this mysterious man... ... this man they call Raze.
