

## L'allegra Fattoria Libro Sonoro Ediz Illustrata

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah “Zero zero zero” flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano’s unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano’s Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Savaiano has broadened his perspective to take in the entire global “corporate” entity that is the drug trade and the complex money–laundering operations that allow it to function, often with the help of the world’s biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade’s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: “[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” –Financial Times

A new strand in the ever-expanding and hugely popular Baby's Very First series. This engaging, interactive board book is specially designed for very young children. It's full of vivid colours, stylish illustrations and friendly farm animals. Simple slider mechanisms allow the pictures to be transformed, as a monkey swings through the trees, a fish changes its spots and more.

Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work

From #1 New York Times bestselling author Stephen King whose “storytelling transcends genre” (Newsday) comes “another winner: creepy and touching and horrifyingly believable” (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis’s parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there’s no window. And outside his door are other doors, behind which are other kids with special talents–telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, “like the roach motel,” Kalisha says. “You check in, but you don’t check out.” In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don’t, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is “first-rate entertainment that has something important to say. We all need to listen” (The Washington Post).

**Essentials in Church History** is a religious text by Joseph Fielding Smith. It presents the history of The Church of Jesus Christ of Latter-day Saints, also known as Mormon history. An illuminating read for anyone interested.

In this stunning sequel to Howl's Moving Castle, Diana Wynne Jones has again created a large-scale, fast-paced fantasy in which people and things are never quite what they seem. There are good and bad djinns, a genie in a bottle, wizards, witches, cats and dogs (but are they cats and dogs?), and a mysterious floating castle filled with kidnapped princesses, as well as two puzzling prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending. Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a stranger sold him a magic carpet. All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: Howl's Moving Castle Castle in the Air House of Many Ways Other beloved series from Dianna Wynne Jones include the Chronicles of Chrestomanci and the Dalemark Quartet.

From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

#1 New York Times bestselling author Stephen King’s terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection Skeleton Crew and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God’s vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what’s out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

A once selfish giant welcomes the children to his previously forbidden garden and is eventually rewarded by an unusual little child.

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream.

The Book of the Virgins, published here in its first English translation, is one of Gabriele D’Annunzio’s very first collections. Remarkable for its descriptive powers, it is a compelling account of self–knowledge and coming–of–age. Foreword by Tim Parks. Recovering from a near–fatal illness, a young woman resolves to experience for herself all that life has to offer. Spurning her old saintly ways, she sets out to explore the beauty and energy in everything around her. But as she senses the first stirrings of passion, so too comes tragedy, and with it, the realization that to truly live, she must embrace life in all its brutality. Poet, dramatist, and novelist—and one of the most popular and controversial Italian writers of the 20th century—Gabriele D’Annunzio (1863–1938) represented the very height of decadence in Italy.

A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children’s author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of The Grammar of Fantasy is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, The Grammar of Fantasy gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children’s creative and critical thinking abilities. Jack Zipes is a renowned children’s historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

This excerpt from the Russian literary masterpiece The Brothers Karamazov is a parable set against the backdrop of the Spanish Inquisition, which Dostoyevsky uses to explore questions about God’s existence and human freedom. This bite-size text is a great way for beginners to acquaint themselves with Dostoyevsky’s style.

Per l’agente Pia Kirchoff tre settimane di vacanza in Cina con Christoph, l’uomo che da tre anni le provoca ancora lo stesso «piacevole ed eccitante formicolio», sono state un vero toccasana. Archiviato lo stress degli ultimi casi e dimenticate la pioggia e la nebbia della Germania centrale, ora si sente finalmente pronta per tornare al lavoro. Peccato che il volo da Shanghai sia arrivato con nove ore di ritardo, che la sua valigia spunti per ultima sul nastro trasportatore e che ad aspettarla non ci sia la sua miglioreamica, bensì il patologo Henning, suo collega e, soprattutto, ex marito. Perciò, quando l’agente Oliver von Bodenstein la chiama per informarla che è stato appena rinvenuto il cadavere di un uomo e la sua presenza sarebbe gradita sul luogo del delitto, Pia guarda con tristezza la tintarella di Christoph e realizza che la vacanza è davvero finita. La vittima è il guardiano notturno della WindPro, un’azienda che sta realizzando un parco eolico alle pendici di un piccolo paesino dell’Assia. La morte si direbbe accidentale: l’uomo era un bevitore, un solitario, niente di più plausibile di una caduta dalle scale. Pia e Oliver si lanciano un’occhiata. A loro quella storia non convince. Si apre così una nuova indagine dell’eccentrica coppia di agenti del Taunus che, sulle orme di cacciatori infuriati, cittadini che inneggiano alla rivoluzione e manager doppiogiochisti e senza scrupoli, scopriranno che una guerra è già in atto: da una parte l’associazione ambientalista, di cui fa parte anche il padre di Oliver, che non vuole che il bosco della vallata venga raso al suolo dalle ruspe; dall’altra, la WindPro, che se non concluderà il lavoro dovrà dichiarare fallimento. Come se la situazione non fosse già abbastanza ingarbugliata, il nostro saggio e riflessivo Oliver von Bodenstein prende una sbandata per una donna comparsa dal nulla che lo allontana dalle indagini, lasciando Pia da sola, con il caso piú complesso della sua carriera. Tra corruzioni e omicidi, ricatti e vendette personali, Chi semina vento è «uno straordinario eco-thriller» (Stern) che ci svela un paese in cui nessuno è realmente chi dice di essere, e conferma il leggendario talento della nuova regina del noir europeo. «Con questo straordinario eco-thriller, Nele Neuhaus conferma il suo memorabile successo». Stern «Nele Neuhaus, una scrittrice che farà molta strada». Mauro Castelli, Domenica - Il Sole 24 ore «Nele Neuhaus, la regina consacrata del giallo tedesco». Daniela Pizzagalli, Il Secolo XIX «Arriva dalla Germania il fenomeno del passaparola Nele Neuhaus». Maurizio Bono, la Repubblica

Like The Man Who Mistook His Wife for a Hat, this is a fascinating voyage into a strange and wonderful land, a provocative meditation on communication, biology, adaptation, and culture. In Seeing Voices, Oliver Sacks turns his attention to the subject of deafness, and the result is a deeply felt portrait of a minority struggling for recognition and respect — a minority with its own rich, sometimes astonishing, culture and unique visual language, an extraordinary mode of communication that tells us much about the basis of language in hearing people as well. Seeing Voices is, as Studs Terkel has written, “an exquisite, as well as revelatory, work.”

This is Oscar Wilde's tale of the American family moved into a British mansion, Canterville Chase, much to the annoyance of its tired ghost. The family -- which refuses to believe in him -- is in Wilde's way a commentary on the British nobility of the day -- and on the Americans, too. The tale, like many of Wilde's, is rich with allusion, but ends as sentimental romance...
