***Struggle of the Ages - can be categorized as satirical/romantic/erotic fiction, with the elements of non-fiction. Without a doubt, sex is the most complicated and nuanced part of our existence. The ways that men and women and people of all genders put certain importance, mystify, demystify, or imbue it with more or less meaning than necessary. This book is meant to humorously, but also thoughtfully examine the absurdities about how we struggle with it so. The Bigger Bang Theory is an episodic novel split into 3 parts - Past, Present, and Future. The past includes quasi-historical tales of Caligula and the famous lothario Edward VII as well as more fanciful tales about the first creatures to actually have sex and***

***the discovery/creation of the dildo. The present is a more contemporary look at more modern issues like one-night stands, the role of sex after marriage, and quirky fetishes like fecal play and compensated dating. Finally, the future moves into SF-like territory with stories about humans and robot lovers, and Handmaid's Tale-like control of sexual norms. All 3 sections feature historical interludes with some facts connected to each era. The overall goal in tackling just a wide and tricky topic is to make a fun collection of 50/50 fact-fiction equally as fun to read for pleasure or thoughtful discussion. One of the twentieth century's most important filmmakers—indeed one of its most important and influential***

*(though stubbornly ignored) remarks alluding to his own homosexual identifications, as well as the discourse of queer theory, Daniel Humphrey brings into focus the director's radical denunciation of heteronormative values, his savage and darkly humorous deconstructions of gender roles, and his work's trenchant, if also deeply conflicted, attacks on homophobically constructed forms of patriarchic authority. Adding an important chapter to the current discourse on GLBT/queer historiography, Humphrey also explores the unaddressed historical connections between post-World War II American queer culture and a concurrently vibrant European art cinema, proving that particular interrelationship to be as profound*

Alexander dispatches a Vatican courtesan, Damiata, to the remote fortress city of Imola to learn the truth behind the murder of Juan, his most beloved illegitimate son, she cannot fail, for the scheming Borgia pope holds her own young son hostage. Once there, Damiata becomes a pawn in the political intrigues of the pope's surviving son, the charismatic Duke Valentino, whose own life is threatened by the condottieri, a powerful cabal of mercenary warlords. Damiata suspects that the killer she seeks is one of the brutal condottierri, and as the murders multiply, her quest grows more urgent. She enlists the help of an obscure Florentine diplomat, Niccolò Machiavelli, and Valentino's eccentric military

from her dire fate by playing along with her pretense. Quintus is sick of his lonely life. His secrets prevent him from ever winning his heart's desire: A woman who loves him for himself, not just his important family and vast wealth. He goes to the Palatine brothel hoping to find a woman with enough compassion to understand his sensual nature and aching need. The meeting between innocent Aurora and world-weary Quintus is earth-shattering for both on every level. The physical and mental connection between them is so erotic, Aurora starts to think the unthinkable: To not just pretend to be ruined, but to become Quin's lover in every way. As their pretense moves from role-play to reality, their love grows with every kiss and caress. But soon their

The history of decadent culture runs from ancient Rome to nineteenth-century Paris, Victorian London, fin de siècle Vienna, Weimar Berlin, and beyond. The decline of Rome provides the pattern for both aesthetic and social decadence, a pattern that artists and writers in the nineteenth century imitated, emulated, parodied, and otherwise manipulated for aesthetic gain. What begins as the moral condemnation of modernity in mid-nineteenth century France on the part of decadent authors such as Charles Baudelaire ends up as the perverse celebration of the pessimism that accompanies imperial decline. This

## Bookmark File PDF Lady Caligola (Erotica)

delight in decline informs the rich canon of decadence that runs from Joris-Karl Huysmans's *À Rebours* to Oscar Wilde's *The Picture of Dorian Gray*, Aubrey Beardsley's drawings, Gustav Klimt's paintings, and numerous other works. In this Very Short Introduction, David Weir explores the conflicting attitudes towards modernity present in decadent culture by examining the difference between aesthetic decadence--the excess of artifice--and social decadence, which involves excess in a variety of forms, whether perversely pleasurable or gratuitously cruel. Such contrariness between aesthetic and social decadence led some of its practitioners to substitute art for life and to stress the importance of taste over morality, a maneuver with far-reaching consequences, especially as

An Intimate Reflection on  
Homosexuality and Catholicism  
Caligula Nights

Fireman Dark Romance

Sexual Life in Ancient Rome

Greenville Breeder

The Fruit Machine

Palatine Pretense

Real glimpses into the hearts and lives of other people are rare... Columnist and author Melinda Selmys gives readers an unusual opportunity to explore the topic of homosexuality and the Catholic Faith from a fresh, sincere perspective. Her intensely personal reflections help clarify the misconceptions that have hindered meaningful dialogue between Catholics and homosexuals.

Transcending stereotypes and avoiding pat sentiments, she speaks directly to every Christian who has experienced same-sex attraction or knows someone who has. In addition to her personal story of exchanging secular lesbianism for Catholicism and resolving her own inner conflicts, the author presents an enlightening analysis of history, social theory, and media influence on the subject of homosexuality. She refutes much of the clumsy theorizing and "junk science" common to both sides of the debate, effectively bridging gaps between perception and reality. Selmys addresses the complexities surrounding sexual identity with pronounced compassion, adding a practical discussion of the Theology of the Body to complete the circle from a Catholic perspective. This

groundbreaking book expertly walks the fine line between divisiveness and platitudes -- a must-read for everyone who has ever felt ambiguous about the Church's stance on homosexuality.

"The Chronicles of the Pharaoh's Daughter" presents a passionate, ironic, and symbolic collection of poems that blends antiquity, history, memory, reincarnation, wealth, poverty, sex, love, life, birth, and afterlife. Poet Davina Rhine shares a tormented adventure lamenting the loss of her idealized father and recalling the grudging acceptance of a woman's experience in domesticity, mundane work, and child-rearing. This confessional poet, torn by grief, erotica, responsibility, mature love, and dreams, goes from sinner to forgiver in the course of the collection. Unlike other confessionals, her journey

in dreams and everyday life does not end in misery, but in rapture both strong and defiant as she is resurrected. The clashing metaphors of the past and present take us all over the ancient world and into the heart of modern love; the journey begins with an act of vengeance for the women raped at the birth of Rome. Rhine explores the sacred, the vulgar, and the human experience as her poems explode into sharp, dizzying shards of emotion and drama. "The Chronicles of the Pharaoh's Daughter" is a collection that exhales classical archaeology while reinventing the past with the vigor and vision of a strong, defiant activist and writer.

For more than twenty years, film critic, teacher, activist, and fan Thomas Waugh has been writing about queer movies. As a member of the Jump Cut

collective and contributor to the Toronto-based gay newspaper the *Body Politic*, he emerged in the late 1970s as a pioneer in gay film theory and criticism, and over the next two decades solidified his reputation as one of the most important and influential gay film critics. The *Fruit Machine*—a collection of Waugh's reviews and articles originally published in gay community tabloids, academic journals, and anthologies—charts the emergence and maturation of Waugh's critical sensibilities while lending an important historical perspective to the growth of film theory and criticism as well as queer moviemaking. In this wide-ranging anthology Waugh touches on some of the great films of the gay canon, from *Taxi zum Klo* to *Kiss of the Spider Woman*. He also discusses

obscure guilty pleasures like *Born a Man . . . Let Me Die a Woman*, unexpectedly rich movies like *Porky's* and *Caligula*, filmmakers such as Fassbinder and Eisenstein, and film personalities from Montgomery Clift to Patty Duke. Emerging from the gay liberation movement of the 1970s, Waugh traverses crises from censorship to AIDS, tackling mainstream potboilers along with art movies, documentaries, and avant-garde erotic videos. In these personal perspectives on the evolving cinematic landscape, his words oscillate from anger and passion to wry wit and irony. With fifty-nine rare film stills and personal photographs and an introduction by celebrated gay filmmaker John Greyson, this volume demonstrates that the movie camera has been the fruit machine par

excellence.

This dynamic collection of essays by international film scholars and classicists addresses the provocative representation of sexuality in the ancient world on screen. A critical reader on approaches used to examine sexuality in classical settings, contributors use case studies from films and television series spanning from the 1920s to the present.

*Confession of a Tattooist is book 1 of the Tattoo Series by Bestselling author Lexy Timms. Hawk Reynolds is the hottest tattooist in the city, and not just because he's a terrific artist and knows how to use the needles to turn skin into art. He's panty-melting hot thanks to his sexy hair, tattoo sleeves, and a body that incites fantasies. Plenty of women come to the shop just to let him put his skilled hands on their bodies, but none of them ever come close to touching his heart. Until the day a regular shows up with her bestie, Joy, in tow. Joy's a shy and intelligent blonde who has no idea just how beautiful she is, and she's not really interested in getting a tattoo; but she is interested in the art she sees on the walls, and the bad-boy tattooist who drew it. Joy's been burned before by men who*
