

Lancaster And York: The Wars Of The Roses

"Comprehensive and insightful, THE PRINCES IN THE TOWER offers a unique perspective on a profound mystery." Faye Kellerman Despite five centuries of investigation by historians, the sinister deaths of the boy king Edward V and his younger brother Richard, Duke of York, remain one of the most fascinating murder mysteries in English history. Did Richard III really kill the young princes, as is commonly believed, or was the murderer someone else entirely? Carefully examining

Online Library Lancaster And York: The Wars Of The Roses

every shred of contemporary evidence as well as the dozens of modern accounts, Weir reconstructs the entire chain of events leading to the double murder to arrive at a conclusion Sherlock Holmes himself could not dispute. In 1437, after years of regency, the pious and gentle Henry VI, the Lamb, comes of age and accedes to the English throne. His poor health and frailty of mind render him a weakling king - Henry depends on his closest men, Spymaster Derry Brewer and William de la Pole, Duke of Suffolk, to run his kingdom. Yet there are those, such as the Plantagenet Richard, Duke of York, who believe England must be led by a strong king if she is to survive. With England's territories in France under threat, and

Online Library Lancaster And York: The Wars Of The Roses

rumours of revolt at home, fears grow that Henry and his advisers will see the country slide into ruin. With a secret deal struck for Henry to marry a young French noblewoman, Margaret of Anjou, those fears become all too real. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who, or what can save the kingdom before it is too late?

In this sweeping history, Trevor Royle details one of the bloodiest episodes in British history. The prize was the crown of England, and the players were the rival houses of Lancaster and York. The dynastic quarrel threatened the collapse of the monarchy as a succession of weak

Online Library Lancaster And York: The Wars Of The Roses

rulers failed to deal with an overzealous aristocracy, plunging England into a series of violent encounters. The bloody battles and political intrigue between the rival heirs of King Edward III brought forth one of the most dynamic ruling families of England--the Tudors.

Lancaster and York. For much of the fifteenth century, these two families were locked in battle for control of the British monarchy. Kings were murdered and deposed.

Armies marched on London. Old noble names were ruined while rising dynasties seized power and lands.

The war between the royal House of Lancaster and York, the longest and most complex in British history, profoundly altered the course of the monarchy. In The

Online Library Lancaster And York: The Wars Of The Roses

Wars of the Roses, Alison Weir reconstructs this conflict with the same dramatic flair and impeccable research that she brought to her highly praised *The Princes in the Tower*. The first battle erupted in 1455, but the roots of the conflict reached back to the dawn of the fifteenth century, when the corrupt, hedonistic Richard II was sadistically murdered, and Henry IV, the first Lancastrian king, seized England's throne. Both Henry IV and his son, the cold warrior Henry V, ruled England ably, if not always wisely--but Henry VI proved a disaster, both for his dynasty and his kingdom. Only nine months old when his father's sudden death made him king, Henry VI became a tormented and pathetic figure, weak, sexually

Online Library Lancaster And York: The Wars Of The Roses

inept, and prey to fits of insanity. The factional fighting that plagued his reign escalated into bloody war when Richard Plantagenet, Duke of York, laid claim to the throne that was rightfully his--and backed up his claim with armed might. Alison Weir brings brilliantly to life both the war itself and the historic figures who fought it on the great stage of England. Here are the queens who changed history through their actions--the chic, unconventional Katherine of Valois, Henry V's queen; the ruthless, social-climbing Elizabeth Wydville; and, most crucially, Margaret of Anjou, a far tougher and more powerful character than her husband,, Henry VI, and a central figure in the Wars of the Roses. Here, too, are

Online Library Lancaster And York: The Wars Of The Roses

the nobles who carried the conflict down through the generations--the Beauforts, the bastard descendants of John of Gaunt, Richard Neville, Earl of Warwick, known to his contemporaries as "the Kingmaker"; and the Yorkist King, Edward IV, a ruthless charmer who pledged his life to cause the downfall of the House of Lancaster. The Wars of the Roses is history at its very best--swift and compelling, rich in character, pageantry, and drama, and vivid in its re-creation of an astonishing, dangerous, and often grim period of history. Alison Weir, one of the foremost authorities on the British royal family, demonstrates here that she is also one of the most dazzling stylists writing history today.

landscape of the West Country over which the opposing armies marched and the terrain on which they fought.

The Wars of the Roses, which tore apart the ruling Plantagenet family in fifteenth-century England, was truly a domestic drama, as fraught and intimate as any family feud before or since. But as acclaimed historian Sarah Gristwood reveals, while the events of this turbulent time are usually described in terms of the men who fought and died seeking the throne, a handful of powerful women would prove just as decisive as

Online Library Lancaster And York: The Wars Of The Roses

their kinfolks' clashing armies. A richly drawn, absorbing epic, *Blood Sisters* reveals how women helped to end the Wars of the Roses, paving the way for the Tudor age—and the creation of modern England.

The Wars of the Roses were central to 15th-century English history. Their cause lay both deep in the constitution of the Lancastrian kingship and closer to the surface in Henry VI's personal weaknesses. This account of the end of the Lancastrian dynasty brings these factors into sharp focus. Storey constructs a lucid

Online Library Lancaster And York: The Wars Of The Roses

interpretation of the fickle support afforded to Henry VI by his great lords, and postulates that it was this breakdown in law and order - caused by Henry's personal weakness - which provided the perfect conditions for the outbreak of war.

Wars of the Roses, the rise and fall and rise again of Lancaster and York, the deaths of the Princes in the Tower, and how Henry Tudor became king, and discusses the effect of the war on English history

The Wars of the Roses raged from 1455 to 1485 - the longest period of civil war in English history. They barely affected the daily routine of the civilian population, yet for the leaders of the opposing houses of York and Lancaster,

Online Library Lancaster And York: The Wars Of The Roses

the wars were devastating. First hand accounts reveal how the lives of their women and children were blighted during three decades of war, as many of their male relatives met with violent deaths. This book examines in detail the causes, course and results of each of the main wars and concludes with a fascinating insight into why the wars ended so abruptly.

“Fascinating . . . Alison Weir does full justice to the subject.”—The Philadelphia

Online Library Lancaster And York: The Wars Of The Roses

Inquirer At his death in 1547, King Henry VIII left four heirs to the English throne: his only son, the nine-year-old Prince Edward; the Lady Mary, the adult daughter of his first wife Katherine of Aragon; the Lady Elizabeth, the teenage daughter of his second wife Anne Boleyn; and his young great-niece, the Lady Jane Grey. In this riveting account Alison Weir paints a unique portrait of these extraordinary rulers, examining their intricate relationships to each other

Online Library Lancaster And York: The Wars Of The Roses

and to history. She traces the tumult that followed Henry's death, from the brief intrigue-filled reigns of the boy king Edward VI and the fragile Lady Jane Grey, to the savagery of "Bloody Mary," and finally the accession of the politically adroit Elizabeth I. As always, Weir offers a fresh perspective on a period that has spawned many of the most enduring myths in English history, combining the best of the historian's and the biographer's art. "Like anthropology,

Online Library Lancaster And York: The Wars Of The Roses

history and biography can demonstrate unfamiliar ways of feeling and being. Alison Weir's sympathetic collective biography, *The Children of Henry VIII* does just that, reminding us that human nature has changed--and for the better. . . . Weir imparts movement and coherence while re-creating the suspense her characters endured and the suffering they inflicted.”—The New York Times Book Review

'Iggulden is in a class of his own when it comes to epic historical fiction' Daily Mirror Conn Iggulden's Wars of the Roses Ebook Bundle contain the following: Trinity Stormbird Bloodline Ravenspur In 1461 Edward earl of March, an able, handsome, and charming eighteen-year old, usurped the English throne from his feeble Lancastrian predecessor Henry VI. Ten years on, following outbreaks of civil conflict that culminated in him losing, then regaining the crown, he had finally secured his kingdom. The years that followed witnessed a period of rule that has been described as a golden age: a time of peace and economic and industrial expansion, which saw

Online Library Lancaster And York: The Wars Of The Roses

the establishment of a style of monarchy that the Tudors would later develop. Yet, argues A. J. Pollard, Edward, who was drawn to a life of sexual and epicurean excess, was a man of limited vision, his reign remaining to the very end the narrow rule of a victorious faction in civil war. Ultimately, his failure was dynastic: barely two months after his death in April 1483, the throne was usurped by Edward's youngest brother, Richard III.

An illustrated narrative of the events, and analysis of the personalities, involved in the dynastic struggle between the forces of Lancaster and those of York for the English throne

THE BEST BOOKS OF THE YEAR BY THE

INDEPENDENT • From bestselling author and acclaimed historian Alison Weir comes the first biography of Margaret Douglas, the beautiful, cunning niece of Henry VIII of England who used her sharp intelligence and covert power to influence the succession after the death of Elizabeth I. Royal Tudor blood ran in her veins. Her mother was a queen, her father an earl, and she herself was the granddaughter, niece, cousin, and grandmother of monarchs. Lady Margaret Douglas, Countess of Lennox, was an important figure in Tudor England, yet today, while her contemporaries—Anne Boleyn, Mary, Queen of Scots, Elizabeth I—have achieved

Online Library Lancaster And York: The Wars Of The Roses

celebrity status, she is largely forgotten. Margaret's life was steeped in intrigue, drama, and tragedy—from her auspicious birth in 1530 to her parents' bitter divorce, from her ill-fated love affairs to her appointment as lady-in-waiting for four of Henry's six wives. In an age when women were expected to stay out of the political arena, alluring and tempestuous Margaret helped orchestrate one of the most notorious marriages of the sixteenth century: that of her son Lord Darnley to Mary, Queen of Scots. Margaret defiantly warred with two queens—Mary, and Elizabeth of England—and was instrumental in securing the Stuart ascension to the throne of England for her grandson, James VI. The

Online Library Lancaster And York: The Wars Of The Roses

life of Margaret Douglas spans five reigns and provides many missing links between the Tudor and Stuart dynasties. Drawing on decades of research and myriad original sources—including many of Margaret's surviving letters—Alison Weir brings this captivating character out of the shadows and presents a strong, capable woman who operated effectively and fearlessly at the very highest levels of power. Praise for *The Lost Tudor Princess* “This is a substantial, detailed biography of a fascinating woman who lived her extraordinary life to the full, taking desperate chances for love and for ambition. It will appeal to anyone with an interest in the powerful women of the Tudor period.”—Philippa Gregory, *The*

Blood Royal is the second volume of a magisterial new interpretation of the savage struggle for supreme power between and within the Plantagenet houses of Lancaster and York from 1450 until 1485. It is a story of closely interwoven families riven by ambition, hatred and treachery, told in chapters narrating the points of view of the key players in England's longest and bloodiest civil war. Battle Royal ended with the Lancastrian cause crushed and the Yorkist usurper Edward IV firmly established on the

Online Library Lancaster And York: The Wars Of The Roses

throne. Blood Royal details the renewed and chronic instability sparked by Edward's humiliation of Duchess Cecily, his imperious mother, and her nephew the Neville double earl known to history as 'Warwick the Kingmaker', by secretly marrying the beautiful commoner Elizabeth Woodville. In her fury Duchess Cecily tells her sons George of Clarence and Richard of Gloucester that Edward, who is totally unlike them, is the product of her adultery and not their father's heir. Edward's brief overthrow in 1470-71,

Online Library Lancaster And York: The Wars Of The Roses

the execution of Clarence in 1478 and the usurpation and murder of Edward's young sons by Richard of Gloucester in 1483 all followed from that poisonous revelation. Readers may judge that the 331-year-old Plantagenet dynasty came to a fitting end with the death of Richard on Bosworth Field in 1485, to be replaced by the Tudors and a vigorous new era in English history. John of Gaunt's illegitimate line whose role in the Wars of the Roses led to the capture of the crown.

The Wars of the Roses and the Foundation of Modern Britain

Lancaster and York The Wars of the Roses Arrow

Online Library Lancaster And York: The Wars Of The Roses

The Wars of the Roses (c. 1455-1487) are renowned as an infamously savage and tangled slice of English history. A bloody thirty-year struggle between the dynastic houses of Lancaster and York, they embraced localised vendetta (such as the bitter northern feud between the Percies and Nevilles) as well as the formal clash of royalist and rebel armies at St Albans, Ludford Bridge, Mortimer's Cross, Towton, Tewkesbury and finally Bosworth, when the usurping Yorkist king, Richard III, was crushed by Henry Tudor. Powerful personalities dominate the period: the charismatic and enigmatic Richard III, immortalized by

Online Library Lancaster And York: The Wars Of The Roses

Shakespeare; the slippery Warwick, the Kingmaker', who finally over-reached ambition to be cut down at the Battle of Barnet; and guileful women like Elizabeth Woodville and Margaret of Anjou, who for a time ruled the kingdom in her husband's stead. David Grummitt places the violent events of this complex time in the wider context of fifteenth-century kingship and the development of English political culture. Never losing sight of the traumatic impact of war on the lives of those who either fought in or were touched by battle, this captivating new history will make compelling reading for students of the late medieval period and
