Fantagraphics is proud to welcome the great Inio Asano (*Solanin*, *What a Wonderful World!*) to its acclaimed literary manga line. Even as ominously proliferate in town, the rumor of a mysterious creature lurking in the tunnel behind the school spreads among the children. When Arié Kimura's mother is found by this tunnel's entrance, next to apparently human traces, the legend seems to be confirmed. Is the end coming? In order to appease the wrath of the beast, the children decide to offer it a sacrifice: The unfortunate Arié, whom they believe is the cause of the curse, is shoved into a well that leads to the Nijigahara tunnel ? an act that in turns pushes Komatsuzaki, the budding thug who has been tormenting Arié for a while already, entirely over the edge. But this is only the beginning of the complex, challenging, obliquely told Nijigahara Hologram. The story takes place in two separate timelines and involves the suicidal Suzuki; Higure, his stalkerish would-be girlfriend; and their teacher Miss Sato. The heavily bandaged face remains a mystery; and many more ? brothers, sisters, parents, co-workers, teachers, aggressors and victims who are inextricably linked to one another and all will eventually ? ten years later ? have to live with what they've done or suffered through.

Nel paese dell'Arcobaleno - Nidi

**The stories in this collection are the result of many years of hard work. Covering a long span of time, all of these are based on real-life events. Covering multifarious aspects of life, this work is bound to engross and interest the readers. Conrad's realism, combined with the differing experiences has produced this enduring work. Miraculous!**

**This is a story told by a boy in his thirteenth year, recorded in his secret diary. His life is about to change; his world, about to open. He lives in Montedidio—God's Mountain—a cluster of alleys in the heart of Naples. He brings a paycheck home every Saturday from Mast'Errico's carpentry workshop where he sweeps the floor. He is on his way to becoming a man—his boy's voice is abandoning him. His wooden boomerang is neither toy nor tool, but something in between. Then there is Maria, the thirteen-year-old girl who lives above him and, like so many girls, is wiser than he. She carries the burden of a secret life herself. She'll speak to him for the first time this summer. There is also his friendship with a cobbler named Rafaniello, a Jewish refugee who has escaped the horrors of the Holocaust, who has no idea how long he's been on this earth, and who is said to sprout wings for a blessed few. It is 1963, a young man's summer of discovery. A time for a boy**
