

### Little Lion Shares (Hello Genius)

Who knew that cakes were so rude?! In this deliciously entertaining book, a not-so-sweet cake—who never says please or thank you or listens to its parents—gets its just desserts. Mixing hilarious text and pictures, Rowboat Watkins, a former Sendak fellow, has cooked up a laugh-out- loud story that can also be served up as a delectable discussion starter about manners or bullying, as it sweetly reminds us all that even the rudest cake can learn to change its ways. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.
