And all this an incredible two months before the season was due to end. Then, as we all know, the season was postponed. The architect of the club's great resurgence - including their 2019 UEFA Champions League win - has been Jürgen Klopp. In his personal love-letter to the man, Anthony Quinn, journalist, novelist and life-long Liverpool fan, has written an inspiring and affectionate portrait of the incredible German manager, who came to Liverpool in late 2015, with a growing reputation from his successes at Borussia Dortmund. Closely following the three month break, as well as the club's title-clinching return, Quinn offers a uniquely revealing and personal take on this long-awaited triumph.

The Wretched of the Earth

Goodbye Liverpool

The Fish Ladder

Memoir about Flight 93, a Field of Angels, and My Spiritual Homecoming

The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon's The Wretched of the Earth is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, The Wretched of the Earth is

an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's Orientalism and The Autobiography of Malcolm X. The first comprehensive history of the anti-diphtheria campaign and the factors which facilitated or hindered the rollout of a national childhood immunization programme in Ireland. Dwyer charts how this national goal was marked by conflict and tragedy and placed Ireland on the European frontline of the bacteriological revolution.

Katharine Norbury was abandoned as a baby in a Liverpool convent. Raised by a loving adoptive family, she grew into a wanderer, drawn by the landscape of the British countryside. One summer, following the miscarriage of a much-longed-for child, Katharine sets out-accompanied by her nine-year-old daughter, Evie-with the idea of following a river from the sea to its source. The luminously observed landscape grounds the walkers, providing both a constant and a context to their expeditions. But what begins as a diversion from grief evolves into a journey to the source of life itself: a life threatening illness forces Katharine to seek a genetic medical history, and this new and unexpected path delivers her to the door of the woman who abandoned her all those years ago. Combining travelogue, memoir, exquisite nature writing, and fragments of poems with tales from Celtic mythology, The Fish Ladder has a rare emotional resonance. It is a portrait of motherhood, of a literary marriage, a hymn to the adoptive family, but perhaps most of all it is an exploration of the extraordinary majesty of the natural world. Imbued with a keen and joyful intelligence, this original and life-affirming book is set to become a classic of its genre.

Set in an alternate reality 1990s Liverpool, India, Tibet and the heavenly planet Chandraloka (also known as the Moon), Angels Chic is the gripping tale of two unusual individuals attempting to cope with contrasting lives of chaos and a high-tech high-octane career. Their discovery of a teleport machine sets them off on a trip of external and internal discovery, poses questions of ethics, conspiracy, mental health and philosophy, and puts them at odds with the modern Bavarian Illuminati as they seek an ancient and transcendental treasure

without equal.

Perfect for fans of Anne Baker, Nadine Dorries and Kate Thompson. But now they are almost adults the two girls find that being pleasant, popular and blessed with a loving family isn't quite enough. For they've both fallen for men who will break their youthful hearts... But these sorrows are nothing compared to the tragedies that await them and so many others when the Great War breaks out. Determined to do their part, Kate and Evvie sign up for nursing training and are despatched to the Front, a terrible world far from the life-affirming energy of their homes.
