For the first time in one place, Roger M. Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the "best of" lists by more than fifty of the most important contributors to the genre. ; Mr. Sobin spent more than two decades gathering the data and lists in this volume, much of that time he used to recheck the accuracy of the material he had collected. Several of the "best of" lists appear here for the first time in book form. Several others have been unavailable for a number of years.; of special note, are Anthony Boucher's "Best Picks for the Year," Boucher, one of the major mystery reviewers of all time, reviewed for The San Francisco Chronicle, Bllery Queen Mystery Magazine, and The New York Times. From these resources Mr. Sobin created "Boucher's Best" and "Important Lists to Consider," lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968.? ; This is a great resource for all mystery readers and collectors.; ; Winner of the 2008 Macavity Awards for Best Mystery Nonfiction.

Murder Unseen

In this classic British mystery starring a sleuth who "has her place in detective fiction as surely as Lord Peter Wimsey or Hercule Poirot," Miss Silver investigates a case of marital murder (Manchester Evening News). Lois has always dreamed of being a Letter. The Letter brothers are both so attractive--nearly as handsome as their stately manor, Letter End. After she spoils her relationship with one brother, Lois succeeds with the other, winning his heart with her good looks and a sizeable fortune from her first marriage. But even after they've wed, she never quite fits in with the family. Still, she hardly expects them to kill her. When the psychic Memnon warns her of murder by poison, Lois laughs it off and so does everyone else, but then, like clockwork, she's dead. The weapon? Poison, of course. Only the brilliant governess-turned-detective Miss Maid Silver can solve this tantalizing case complicated by the bitterness that infests Letter End.

When private investigator Miles Bredon and his wife, Angela, arrive for a weekend at the Hallifords' country house, they find themselves part of a singularly ill-assorted house party. Waking one morning to the news that one among their number has been found dead by the silo, Miles has no shortage of suspects. The entire party had spent the previous night haring around the country side in an 'eloping' game instigated by their hostess, and no one can fully account for their whereabouts. The arrival of Inspector Leyland from Scotland Yard, investigating a spate of apparent suicides of important people, adds another dimension to the mystery, and Miles finds himself wondering "whether the improbable ought to be told".

Have you ever wanted to know the Latin word for "underwear"? Or have you ever wondered what life was like for a soldier stationed on Hadrian's Wall? Maybe you just want to read a deviously and complicated historical "whodunit," as Centurion Versillius faces down the Cult of Mitras, his superiors, the civil administration, the townspeople and even his own men in the search for a vicious killer. Travel back to AD 350, to find a Roman Britain which had existed for centuries, but was going through a period of dramatic change. The ties that held the empire together were fraying, as Briannia, the most northerly part of the empire, was finding out. Not altogether the best time to have a particularly nasty murderer stalking the streets of your Romano-British town... SOME COMMENTS MADE BY AMAZON READERS: "5.0 out of 5 stars Brilliant idea - A "Morse-like" detective who is a Roman Centurion" Best \$1 I have ever spent...William E. Smith, Canada "Great debut novel!" This novel had believable characters and excellent period detail throughout. And it kept me guessing "whodunit" right up until the final chapter...Empress Caramel, UK. "Very Good Book" I loved the historical detail and would definitely read another book by this writer...BigDave, UK. "Authenticity is Credibility" Vivid description, accuracy, and a strong sense of place...Stephen S, USA. "Can't wait for more" Kept me guessing to the end.

Well written and the period detail was good...Angela L, UK. "It is very clever to write a believable story set in a historical context so I enjoyed the book very much and was dying to discover the murderer." Kendall, USA. "Excellent period detail" I did not guess "who dunnit..." I shall look out for more from this author...Sue, UK. "An entertaining tale"...and a good murder story. I liked it very much. Andros, UK

When four friends innocently toss the body of a fellow club member during a game of golf they suspect murder. The police aren't so sure, and when it looks as though the official verdict will be suicide the men are outraged. Convinced that there had been 'dirty work' and that 'the police aren't very good at following up clues', they undertake their own investigation. A classic Golden Age whodunit that involves the reader in a charming game of detection as the protagonists use Sherlockian methods to unravel the mystery.

Edinburgh Detective Inspector Tony McLean is drawn into a set of cases separated by six decades, but connected by a macabre and brutal ritual killing in the first entry of the Detective Inspector McLean mystery series. A young girl's mutilated body is discovered in a room that has lain sealed for the last sixty years. Her remains are carefully arranged in what seems to have been a macabre ritual. For newly appointed Edinburgh Detective Inspector Tony McLean, this baffling cold case ought to be a low priority, but he is haunted by the young victim and her grisly death. Meanwhile, the girl is horrified by a series of bloody killings—death for which there appears to be neither rhyme nor reason, and which leave Edinburgh's police at a loss. McLean is convinced that these deaths are somehow connected to the terrible ceremonial killing of the girl, all those years ago. It is an irrational theory. And one that will lead McLean closer to the heart of a terrifying and ancient evil...

When the quiet little Vestry of St. Matthew's Church becomes the blood-soaked scene of a double murder, Scotland Yard Commander Adam Dalgliesh faces an intriguing conundrum: How did an upper-crust Minister come to lie, slit throat, next to a neighborhood derelict of the lowest order? Challenged with the investigation of a crime that appears to have endless motives, Dalgliesh explores the sinister web spun around a half-bruit diary and a violet-eyed widow who is pregnant and full of malice—all the while hoping to fill the gap of logic that joined these two disparate men in bright red death. . . .

The four classic novels of Sherlock Holmes, heavily illustrated and annotated with extensive scholarly commentary, in an attractive and elegant slipcase. The publication of Leslie S. Klinger's brilliant new annotations of Sir Arthur Conan Doyle's four classic Holmes novels in 2005 created a Holmes sensation. Klinger reassembles Doyle's four seminal novels in their original order, with over 1,000 notes, 350 illustrations and period photographs, and tantalizing new Sherlockian theories. Inside, readers will find: A Study in Scarlet (1887)—a tale of murder and revenge that tells of Holmes and Dr. Watson's first meeting; The Sign of Four (1889)—a chilling tale of lost treasure...and of how Watson met his wife; The Hound of the Baskervilles (1901)—hailed as the greatest mystery novel of all time; and The Valley of Fear (1914)—a fresh murder scene that leads Holmes to solve a long-forgotten mystery. Whether as a stand-alone volume or as a companion to the short stories, this classic work illuminates the timeless genius of Conan Doyle for an entirely new generation.

First published in 1920, The Mysterious Affair at Styles was Agatha Christie's first novel. It introduced the world to Hercule Poirot, Christie's Belgian detective, who would go on to be featured in 39 of her novels. The mystery begins with the death of Emily Inglethorp at Styles, a manor in the English countryside. Captain Hastings, a guest at the house, calls upon his friend Poirot to help investigate. The obvious suspect is Emily's husband, who stood to inherit a large fortune upon her death. But the timeline doesn't quite work out, and Poirot must delve further into the lives and motivations of the family living at Styles to uncover who could have poisoned Emily with strychnine and why. Fans of the genre will enjoy introducing themselves to or rediscovering Agatha Christie, considered one of the great mystery writers of all time, with this classic tale of whodunit from the golden age of mystery. British novelist DAME AGATHA CHRISTIE (1890-1976) wrote more than 80 books, and is most famous for mystery series featuring detectives Hercule Poirot and Miss Marple. She is the best-selling fiction writer of all time, with more than one billion copies of her books sold in the English language, and another billion in 103 other languages.
