2020 Gift Idea for kids of all ages This beautiful coloring book is a fun way for children to discover and take advantage of the countless benefits of mandalas. Children can experience easy relaxed learning by coloring Mandalas. This technique has been specially created to promote the early development of intelligence, mindfulness, concentration and focus of attention. Suitable for children with high abilities, ADHD or with special needs . Each of the attractive mandalas will captivate a child's attention and imagination while carefully using their favorite colors. Extensive 110-page book consisting of 50 original illustrations specifically studied and hand drawn to entertain and teach children from pre primary to primary school, with increasing complexity throughout the book. They will learn by playing and coloring the solar system, the underwater world and imaginary world, specifically designed for their entertainment, full of animals, dolphins, octopuses, bears, cats, unicorns, geometric shapes, clocks, flowers and other images for a child's imagination. Characteristics: 110 pages Dimensions: 21.6 x 28 cm. /8.5 x 11 in. Soft glossy cover Pages resistant for single sided coloring to minimize bleed through. Good for all levels, easy realization with increasing difficulty Fun and simple illustrations for children. Once the mandalas have been converted into beautifully colored drawings, you can frame them and display them in your home, serving as trophies for the child. Buy it now and when you gift it to a child you will be giving them (and their parents) hours and hours of relaxing fun.
