Join Thump—an unassuming, unconventional, and utterly unstoppable bunny—as he campaigns his way across the USA, overcoming the competition and hopping straight into the White House! “Everything about this makes me laugh.” - Scott Adams, Creator of Dilbert Whether you want to share the story of Trump’s amazing election with your children or grandchildren, THUMP is the perfect retelling of the unforgettable race of 2016. In the year 2016, with a hop, skip and jump, A candidate stormed the stage: A bunny named Thump! His goal is nothing less than to become President And to make America great for each resident! But his campaign trail is fraught with challenge and peril. Attacked on all sides by fiends ferocious and guard And rabid media watchdogs unchained from their yard! Will the winningest of bunnies take his greatest stand And find his way to the highest office in the land? We won't spoil it for you here, but you might have a guess. . . . Come join Thump and his party on the road to success! “Deplorable, but adorable. I love these drawings and believe that every true Trump whatever liberal friends they have left.” (Chuck Dixon, Author of the New York Times #1 Bestsellers, Clinton Cash: A Graphic Novel and The Forgotten Man: Graphic Edition) “Thump and his friends are so adorable you just want to grab them by the ears.” (Lisa De Pasquale, Author of The Social Justice Warrior Handbook and I Wish I Might) “The illustrations in this book are so beautiful and so fun to read. I love the way the author tells the story of a bunny who is the best friend of me of someone, I just can't put my finger on it.” (Tom Shillue, host of The Tom Shillue Show and author of Mean Dads for a Better America) “The journey of a patriotic rabbit (Thump) battling the forces attempting to destroy the country he loves, and his willingness to jump whatever obstacles he must to Make America Great Again. Your kids will love it, so will you!”

Author of American Sniper and the Nationally Bestselling Sniper Elite Series of novels) We've all seen the goats of Goats of Anarchy—now, goat mama Leanne Lauricella tells her stories of what the goats have taught her in Peace, Love, Goats. When Leanne Lauricella left her event planner job in New York City, she had no idea that, in just three short years, her home—both inside and out—would evolve into a barnyard sanctuary for special needs goats and testament to the power of giving back. Peace, Love, Goats is a moving gift for animal lovers of all stripes. In this new book, Leanne provides insight into the lessons she learned from putting her life online for the lives of her animals—in addition to brand new photos of her adorable goats that have never been seen on her Goats of Anarchy Instagram feed. She shares about compassion, finding purpose, perseverance, confidence, justice, patience, inspiration, mercy, strength, and courage. Be inspired by how much a few barnyard goats can teach you about life in Peace, Love, Goats.

From Jill Twiss and EG Keller, the #1 New York Times bestselling team behind Last Week Tonight with John Oliver Presents: A Day in the Life of Marlon Bundo and The Someone New, comes a new picture book about voting, just in time for the 2020 election season! Pudding the snail and his friends can't seem to agree on anything. Whatever Jitterbug the chipmunk or butterfly wants, Duffles and Nudge the otters are absolutely against. And if somehow Toast and Duffles and Jitterbug and Nudge all agree on something, then Geezer is not having it. So when Toast suggests they need a leader, the friends try to figure out the best way to pick someone to be in charge. Should that someone be the fastest? The fluffiest? The squishiest way where everyone gets a nudge? In this follow-up to The Someone New, Jill Twiss and EG Keller cleverly underscore the importance of speaking up and using your voice.

Whose Boat Is This Boat?

100% of The Late Show ’s proceeds from this book go to hurricane relief. Whose Boat Is This Boat? Comments That Don ’t Help in the Aftermath of a Hurricane is a picture book made entirely of quotations from President Donald Trump in the wake of Hurricane Florence. It is the first children ’s book that demonstrates what not to say after a natural disaster. On September 19, 2018, Donald Trump paid a visit to New Bern, North Carolina, one of the towns ravaged by Hurricane Florence. It was there he showed deep concern for a boat that washed ashore. “ At least you got a nice boat out of the deal, ” said President Trump to hurricane victims. “ Have a good time! ” he told them. The only way his comments would be appropriate is in the context of a children ’s book—and now you can experience them that way, thanks to the staff of The Late Show with Stephen Colbert. Whose Boat Is This Boat? is an excellent teaching tool for readers of all ages who enjoy learning about empathy by process of elimination. Have a good time!

Today she spends much time talking about diversity and what makes us different that we're forgetting to tell our children stories about what unites us as Americans. We have so many beautiful and important things in common—our history, our love of freedom, and our pursuit of the American Dream. Rachel Campos-Duffy is a mother of nine and contributor on the Fox News network where she gives her honest take on politics, culture, and parenting. Inspired by her immigrant mother's patriotism and the excitement of her own daughter's first visit to Washington, D.C., Rachel shares a story near and dear to her heart. It's a tale that takes the reader on a little girl's adventure inside the U.S. Capitol. While lost inside the magnificent building, Paloma becomes enchanted with the statue of Lady Freedom, learns about her immigrant father's dreams, and discovers her own courage and love for America."
"Paloma's journey leaves her heart filled with love for family, freedom, and America—our home. It's my prayer that her story will do the same for your child or grandchild."

The cave-men need help. Their King has forgotten all about them, thanks to the swamp creatures who surround the castle. “They’re slippery!” “G” “ m ujmmmmtk, “—and scaly!” and SLIMY!” Donald is just a cave-man. But when the people ask for his help, he realizes there’s only one way to save the kingdom: BRAIN... THE... SWAMP! Written by #1 national bestselling author and humorist Eric Metaxas and illustrated by award-winning artist Tim Raglin, Donald Drains the Swamp is a whimsical parable for the current political moment.

Heledd, leader of the first violins, has been in love with her irrepressible conductor Rosemary for years. A secret from her past means she must hide how she feels, but the time they spend working and performing together is enough for Heledd - until a near miss with a speeding car forces her to rethink everything she thought she knew. When the orchestra is mysteriously summoned to perform in the Welsh village where Heledd grew up - a village she hasn't returned to in decades - the life she's made for herself begins to unravel, and her secrets threaten to escape. "A truly lovely contemporary fantasy novella, with a sweet romance and a gorgeous mingling of eerie fey magic, beautiful music, and vividly-written contemporary English and Welsh settings." - Stephanie Burgis, author of Snowspelled and Masks and Shadows

Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part . . . because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all."

A beautifully heartfelt story about one boy's journey toward acceptance. A book that Jill Soloway, the award-winning creator of Transparent, called "a terrific read for all ages" and Ami Polonsky, author of Gracefully Grayson, called "an emotionally complex and achingly real..." Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. and when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

Are you ready, finally, to discover the truth? And do you think you can handle it? Failed poet and author Marlon Bundo was sitting at home one day doing pretty much nothing with his life when a phone call from out of nowhere changed everything. “You right, right?” an unknown male voice had said. “Huh?” “You’re a writer, right? You write things? Stories, books - right? I’m looking for a ghostwriter. I want to tell my story. It’s time to get it off my chest. But I don’t want it like last time.” So begins the extraordinary tale of how famed creator of ‘Goldie and the Boxer’ and American football’s greatest ever running back OJ Simpson reveals his role in masterminding the terrorist attacks of 9/11 and the truth of how it was planned and carried out. Was it controlled demolition? Holographic planes? Missiles or CGI or naughty Arabs or an FBI and CIA plot rubber-stamped by George Bush? What if OJ told you it was ALL THE ABOVE and more? What if he told you that was just the tip of the iceberg? Would you believe him? Would you travel to Nevada to meet him, as Bundo does? And would you journey deeper into the rabbit hole of secret government espionage than almost any man on the planet, to uncover once and for all the real story of what happened on that fateful day in 2001? Thankfully, you don’t have to: someone else has done it for you. Oh, man: sometimes fact really is stranger than fiction...Are you ready for the truth? Do you think you can handle it? This is the incredible true story of the real brains behind 9/11. For decades the world has speculated - but now the truth is finally revealed, with extraordinary detail and description, straight from the horse’s mouth. Author, poet and reconteur Marlon Bundo is no stranger to unusual experience - but even he wasn’t prepared for the nature of the phone call he received from American football’s greatest ever running back one day in July 2017. What followed is a series of stunning revelations that will shake you to your core - suffice it to say, everything you believed about what really happened on 9/11 is true, and more. To tell you here would ruin the surprise. The only question is: are you sure you’re ready for the truth? Because, though it’s often said, this time fact really is a whole lot stranger and more disturbing - yet ultimately enlightening - than so-called fiction. Only the brave-hearted should enter these pages. But for those who dare to tread, answers await.

The incredible, harrowing account of how American democracy was hacked by Moscow as part of a covert operation to influence the U.S. election and help Donald Trump gain the presidency. “Russian Roulette is...the most thorough and riveting account.” -- The New York Times Russian Roulette is a story of political skullduggery unprecedented in American history. It weaves together tales of international intrigue, cyber espionage, and superpower rivalry. After U.S.-Russia relations soured, as Vladimir Putin moved to reassert Russian strength on the global stage, Moscow trained its best hackers and trolls on U.S. political targets and exploited Wikileaks to disseminate information that could affect the 2016 election. The Russians were wildly successful and the great break-in of 2016 was no "third-rate burglary." It was far more sophisticated and sinister -- a brazen act of political espionage designed to interfere with American democracy. At the end of the day, Trump, the candidate who pursued business deals in Russia, won. And millions of Americans were left wondering, what the hell happened? This story of high-tech spying and multiple political feuds is told against the backdrop of Trump's strange relationship with Putin and the curious ties between members of his inner circle -- including Paul Manafort and Michael Flynn -- and Russia. Russian Roulette chronicles and explores this bizarre scandal, explains the stakes, and answers one of the biggest questions in American politics: How and why did a foreign government infiltrate the country's political process and gain influence in Washington?

"What children's book changed the way you see the world?" Anita Silvey asked this question to more than one hundred of our most respected and admired leaders in society, and she learned about the books that shaped financiers, actors, singers, athletes, activists, artists, comic book creators, novelists, illustrators, teachers... The lessons they recall are inspiring, instructive, and illuminating. And the books they remember resonate as influential reading choices for fans too. EVERYTHING I NEED TO KNOW I LEARNED FROM A CHILDREN'S BOOK—with its full color excerpts of beloved children's books, is a treasury and a guide: a collection of fascinating essays and THE gift book of the year for families.

Brian and Paul venture back in time to try to rescue a collectible baseball card on the Titanic before the ship sinks. From the author and illustrator of the bestselling Not Quite Narwhal comes a sweet and funny story about remembering where you belong, no matter how far you roam, or what you ’re wearing when you get there. Harriet loves costumes. She wears them to the dentist, to the supermarket, and most importantly, to her super-special dress-up birthday party. Her dads have decorated everything for the party and Harriet has her most favorite costumes all picked out for the big day. There ’s just one thing missing—party hats! But when Harriet dons her special penguin errand-running costume and sets out to find the perfect ones, she finds something else instead—real penguins! Harriet gets carried away with the flock. She may look like a penguin, but she ’s not so sure she belongs in the arctic. Can Harriet manage her way back to her dads (and the party hats!) in time for her special day?

How I Did It 2: The Incredible True Story of the Real Mastermind Behind 9/11

Celebrate girl power with this charming and empowering picture book about a pink hat and the budding feminist who finds it. "This simple and cheerful tale suggests, with not an ounce of preachiness, values of care and comfort and the support women have for each other across generations." --The Washington Post Here is a clever story that follows the journey of a pink hat that is swiped out of a knitting basket by a pesky kitten, blown into a tree by a strong wind, and used as a cozy blanket for a new baby, then finally makes its way onto the head of a young girl marching for women's equality. Inspired by the 5 million people (many of them children) in 82 countries who participated in the 2017 Women's March, Andrew Joyner has given us a book that celebrates girls and women and equal rights for all! With themes of empathy, equality, and solidarity, The Pink Hat is a timeless and timely story that will empower readers and promote strength in the diverse and active feminist community.
